HISTORY
Cornerstone University is an independent, evangelical Christian institution. The university (formerly Grand Rapids Baptist College and Seminary) began as an evening bible institute in the educational wing of the Wealthy Street Baptist Church on Jan. 7, 1941. Two hundred and eleven students enrolled in bible courses designed to make them more effective lay workers in local churches. The response to the program and the expressed desire of many students to enter into ministry led to the inauguration of a day school in 1944, which offered two- and three-year programs of study.

In 1945, the hiring of seminary-educated professors raised the level of education for ministry. As a prerequisite to entrance into the pastoral ministries program, a minimum of two years of general education, including Greek and philosophy, was required. In 1955, the seminary moved to admit only students with baccalaureate degrees. Steps were also taken to change both the level and the function of the bible institute to a degree-granting, undergraduate institution. One of the options considered was to become a liberal arts college. In 1963 the bible institute became a state-approved bible college, chartered to offer the bachelor of religious education and bachelor of Music degrees. The bible college incorporated the general education of the pre-seminary course, added six 15-20 hour concentrations in the liberal arts to its curriculum, and became a four-year college with a two-year general education base and a major in bible. In 1964, the college and seminary moved to a new 64-acre campus, and the same year the college was received as a member of the American Association of Bible Colleges. The campus is now 119 acres.

In 1972, with the development of facilities, faculty and finances, the institution was approved by the state of Michigan as a degree-granting college of arts and sciences. In 1977, the institution was accredited by what is now the higher Learning Commission of the North Central Association of Colleges and Schools (30 N. LaSalle St., Suite 2400, Chicago, IL 60602-2514, 312-263-0456). Information and documents relative to accreditation are available for public inspection through the office of the executive Vice President. In 2001, the institution was accredited by the national association of schools of Music.

In 1993, Grand Rapids School of Bible and Music was joined to the institution for the preservation of its rich heritage and academic records. The following year (June 1994), the name of the institution was changed from Grand Rapids Baptist College and Seminary to Cornerstone College and Grand Rapids Baptist Seminary. In 1993, the college also instituted the adult and continuing education program (currently called the Professional & Graduate Studies program). On July 1, 1999, following approval by the state of Michigan, Cornerstone College and Grand Rapids Baptist Seminary became Cornerstone University. In June 2003, the graduate theological school became Grand Rapids Theological Seminary.

Cornerstone University holds memberships in the Council of Independent Colleges, the National Association of Independent Colleges and Universities, the Association of Independent Colleges and Universities of Michigan, the Council for Christian Colleges and Universities, the National Association of Schools of Music (NASM, since 2001) and the North Central Association of Colleges and Schools (NCA, since 1977).

THE CORNERSTONE CONFESSION

We believe that the Bible is the word of God, truth without error, clear and powerful in its message, sufficient for all of our needs, and final authority for faith and life.

We believe in the triune God – father, son and Holy Spirit – who is holy, loving, good, wise and almighty; who has created all things by his word out of nothing, who sustains, provides for and rules all things, who is our only redeemer and who will judge all people.

We believe that God created men and women in his image and likeness for fellowship with himself and to carry out the creation mandates; that Adam sinned and that by his disobedience the entire race was alienated from God, depraved and totally lost.

We believe in the Lord Jesus Christ who added full humanity to his perfect deity, obeyed God perfectly, died for our sins on the cross, rose again to defeat Satan, returned to heaven to pour out the Holy Spirit at Pentecost and to intercede for his people.

We believe that the triune God has provided a great salvation for those who repent of their sins and trust Christ and his finished work; that he calls, regenerates, justifies, forgives, adopts, sanctifies, keeps and will glorify them.

We believe in the Holy Spirit who has been sent to complete and perfect in us all of the works that Jesus did for us. He convicts of sin, regenerates, sanctifies us, gifts us for ministry and assures us of our salvation.

We believe in the personal return of the Lord Jesus Christ, the bodily resurrection and final judgment of the just and the unjust, the everlasting blessedness of the saved and the everlasting, conscious punishment of the lost.

WHILE MANY FELLOW CHRISTIANS AFFIRM THE ABOVE TRUTHS, WE AFFIRM THEM FROM WITHIN THE BAPTIST TRADITION AS DEVELOPED AT THE END OF THE TWENTIETH CENTURY AND IS REFLECTED IN THE FOLLOWING BELIEFS.

We believe that the church is a new people of God born at Pentecost, distinct from Israel, and manifest in local congregations of baptized believers who are committed to carry out the Great Commission.

We believe that Jesus gave two ordinances to the church, baptism of believers by immersion and the Lord’s Supper.

We believe in the autonomy of the local congregation, the priesthood of all believers and in leadership by elected pastors and deacons.

We believe in the continued expression of the spiritual gifts. The more demonstrative or “sign gifts” such as healing, raising the dead and speaking in tongues were given for the authentication of the apostolic generation and are not normative for today.

We believe that Jesus Christ may return at any moment to deliver His people from the coming wrath, defeat the kingdom of Antichrist, and establish His millennial kingdom.

We believe that civil government is of divine appointment and that we are responsible to be good citizens. However, should civil government command us to violate God’s Word, we must obey God rather than man.

We believe in the reality of Satan and his kingdom of darkness, and that our confrontation of Satan demands belief and trust in God and the effective use of Scripture and other resources God has made available to us.

WE ARE AN EDUCATIONAL INSTITUTION AND WOULD FORFEIT OUR MISSION IF WE ATTEMPTED TO BE A LOCAL CHURCH OR IF WE FAILED TO INTERACT WITH THE CONTEMPORARY WORLD. THEREFORE,

We are committed to do this from a thoroughly biblical worldview in which the fear of the Lord is the beginning of wisdom.

We are responsible to engage the world of education, business, economics, politics, the sciences, the humanities and everything that is included in contemporary world cultures.

We are responsible to prepare our students to be effective in this wider world. To accomplish these goals it is often necessary for us to listen to and critique people and ideas that are influential in this wider world and yet may be in significant disagreement with our convictions.

On this foundation, we desire to prepare students for Christian life, ministry and service in the various cultures of the global community.

PHILOSOPHY OF CHRISTIAN LIBERAL ARTS EDUCATION

The general purpose of Christian education is to educate persons to live the life of faith. Faith is the appropriate response of the human person to God’s self-disclosure in general revelation and in special redemptive revelation. To respond appropriately to this revelation means to believe in the person of Christ as revealed in scripture. It is to place one’s loyalty, allegiance and confidence in Christ to such an extent that life gets its meaning from the primacy of this personal relationship. This Christian life is lived in two basic arenas - the Christian community and society.

Christian liberal arts education is comprised of extensive and intensive study of certain academic disciplines. Disciplines have a particular content, a conceptual framework and methods for discerning truth. Christian education in the disciplines implies study of God’s creation, illumined and directed by God’s special revelation in scripture. The professor will integrate the discipline and biblical revelation with a view to a Christian understanding of the discipline and the formation of a Christian worldview in the learner.

The general education core provides extensive study of many disciplines in order to rightly interpret reality and live out one’s faith in all areas of life. The major provides the intensive study of a specific subject area to have precise knowledge and facility in the discipline. In both areas, the study of the disciplines should be illumined and directed by special revelation.

Education also seeks to develop certain competencies in the learner. Communication skills include reading, writing, speaking and listening. These skills are necessary for disciplined study of any aspect of reality. Critical thinking skills and personal wellness transcend any specific discipline and are necessary for scholarship and a healthy life, respectively.

The graduate of a Christian liberal arts education ought to have developed a Christian worldview and the intellectual and community skills necessary to function in the Christian community and society, as well as skills and attitudes conducive to spiritual formation.

Probation is not designed to punish students, but rather to serve as an indication to students that they are not progressing at a satisfactory rate towards graduation.

RETAKE POLICY

Students are permitted to retake a course in which an unsatisfactory grade was achieved during a previous period of enrollment. In such situations, registration for the course and payment of the related tuition and fees at the current tuition rates are required. The grade achieved by the retake course replaces the initial grade in relation to the grade point average calculation, though the initial grade will remain on the permanent transcript record. Students may only receive federal financial aid when retaking a course if it is the first time they have retaken the course and if the original grade in the course does not meet the minimum grade requirement for a student’s program.

ACADEMIC INTEGRITY

Cornerstone University is committed to a high standard of academic honesty and integrity among its students. Academic integrity is absolutely necessary in the search for and advancement of truth. Dishonesty in any form (i.e., cheating on examinations or quizzes, plagiarism on papers, reports or thesis, and all other forms of compromise in academic integrity) is not acceptable. Penalties for academic dishonesty will be administered according to the following:

FIRST OFFENSE – The penalty for first offense academic integrity violation includes failure in the course assignment or failure in the course; enrollment limitation; and academic probation for one academic year. Penalties are imposed by the individual faculty member and the academic dean. Continuing enrollment following such violation requires a letter acknowledging that one understands what constitutes an academic integrity violation, taking full responsibility for the present offense and pledging to avoid such conduct in the future. A meeting with the course professor and academic dean is also required.

SECOND OFFENSE – The penalty for second offense academic integrity violation includes failure in the course and suspension from program for one academic year. Penalties for second offense violations are imposed by the individual faculty member and academic dean. Readmission following a second offense violation requires a letter acknowledging that one understands what constitutes an academic integrity violation, taking full responsibility for the present offense and pledging to avoid such conduct in the future. Readmission will also require a meeting with the CU Online admissions committee and the meeting of all conditions stipulated in the letter of suspension. No coursework, internships or field education completed at other institutions during the period of suspension may be transferred to the university for credit or used to fulfill CU Online degree program requirements.

THIRD OFFENSE – The penalty for third offense academic integrity violation includes failure in the course and permanent suspension from program. Penalties for third offense violations are imposed by the individual faculty member and academic dean. Students seeking to appeal academic integrity disciplinary decisions should consult and employ the policies and processes outlined in the CU Online Academic Catalog under the heading “Student Appeal Process.”

INCLUSIVE LANGUAGE

As a commitment to honor God’s image in all people, rather than for political correctness, the university is committed to being a community that uses inclusive language with reference to all people regardless of gender, nationality, culture, social class or religion. With these commitments in mind, the university’s inclusive language policy is as follows:

Persons in the community are expected to use inclusive language with reference to human beings in the conduct of courses, fulfillment of course assignments and patterns of communication in all facets of the work of the seminary. This means avoiding language that is explicitly or implicitly racist or sexist and avoiding “generic” uses of masculine terms or pronouns.

A few examples are:
• Use “humanity”, “persons” or “people” instead of “man” or “mankind.”
• When giving examples, vary the race and sex of the persons under discussion and avoid stereotypical descriptions.
• Avoid dogmatic generalizations about an entire culture, race, social class, denomination or religious group.

No complete list is possible or necessary in the university’s inclusive language policy but all faculty, staff and students agree to exercise care and attentiveness to this priority.

SCHOLASTIC PROBATION, SUSPENSION AND DISMISSAL

Any student who does not achieve the minimum required cumulative grade point average of 2.50 after completion of nine credits will be placed on academic probation. Students placed on academic probation will be notified in writing immediately following the determination, usually at the close of an academic semester. Students on academic probation will not be allowed to enroll in more than three credits per semester; will not be allowed to enroll in independent study courses, and may be required to take remedial courses or work with an academic tutor. Probation is not designed to punish students, but rather to serve as an indication to students that they are not progressing at a satisfactory rate towards graduation.
Students who, after one semester of academic probation, fail to achieve the minimum required cumulative grade point average of 2.50 will be academically suspended. Students placed on suspension will be notified of such action in writing immediately following the determination. Academic suspension means that the student will not be permitted to enroll in courses on a credit or audit basis throughout the duration of the suspension. Students on suspension may be considered for readmission after one semester. Readmission of suspended students will require the approval of the admissions committee. In addition, any student suspended for a second time will be dismissed from Cornerstone University, with no option for future enrollment. Student appeals concerning scholastic probation, suspension and dismissal judgments should be put in writing to the attention of the CU Online academic appeals committee within 10 days of the date of notification of the probation, suspension or dismissal. Judgments of the academic appeals committee are final.

STUDENT APPEAL PROCESS: ACADEMIC

On occasion, existing policy and/or faculty and administrative decisions can conflict with the academic interests of individuals. When such a situation occurs, the student should exhaust all options to resolve the academic conflict at the staff, administrative or faculty level. However, students wishing to appeal beyond the initial level are encouraged to write a letter of appeal. The letter should identify and explain the nature of the conflict, request a review of the judgment and/or action and provide a rationale for the appeal. The letter of appeal should be sent to the Academic Dean of CU Online. For cases related to academic probation and suspension, the letter of appeal must be submitted to the academic dean within five business days of written notification of the probation or suspension status. Personal appointments with the academic dean on such matters may be scheduled only after a formal letter of appeal has been submitted. Upon receiving the appeal, the academic dean will engage in an investigation of the grievance and seek to foster an acceptable resolution. If an acceptable resolution to the conflict/grievance is not possible, the academic dean will coordinate a meeting of the faculty academic appeals committee. The committee will review the grievance and the facts of the case and render a judgment. The judgment will be rendered within 10 business days of receipt of the grievance, the response to the appeal will be in writing and all judgments of the faculty academic appeals committee are final.

LEARNING DISABILITIES ACCOMMODATION

Cornerstone University will make reasonable accommodations for students with disabilities, in compliance with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. The purpose of accommodation is to provide equal access to educational opportunities to students affected by disabilities, and the university does not intend that the standards be altered, or that the essential elements of programs or courses be changed.

Students having documented disabilities may apply for accommodations through Student Disability Services (SDS), which is part of the Cornerstone University Learning Center located in Miller Hall on the main campus. Disability accommodations for students from the traditional Cornerstone University undergraduate program, Professional and Graduate Studies programs, and Graduate Theological Studies programs are addressed centrally in SDS. Accommodations are granted on the basis of determined need and appropriate documentation of disabilities. Students must complete an application and submit appropriate documentation, which will be reviewed by the Accommodations Officer and the Accommodations Review Committee (ARC). Upon acceptance, the student will meet with the director of Learning Operations to develop an Individualized Student Accommodation Plan (ISAP) based on the ARC recommendations. Students will be given a green verification letter to give to their professors and students should schedule a meeting with each professor at the beginning of each semester to discuss their needs. In the event that students have questions regarding whether they are eligible for accommodations, how they might provide appropriate documentation of disabilities, or how they might handle a disagreement with a professor over questions of accommodation, the director of Learning Operations should be contacted immediately at 222.1596 or through e-mail at learning.center@cornerstone.edu. If a disagreement arises surrounding eligibility for services, or the manner in which a specific accommodation is being implemented, the student has a right to an informal and formal grievance procedure. A copy of the Grievance Procedures is available at the Learning Center in Miller Hall, or online at www.cornerstone.edu.

Please note that the process for determining eligibility for accommodations can take 5-6 weeks. Students should complete an application and submit appropriate documentation well in advance of the semester in which accommodations are required to begin. To be deemed appropriate documentation, testing and assessment of disability must have been completed no more than 3 years prior to the application for accommodations at Cornerstone University.

TRANSFER OF CREDIT

Applicants who are transferring from other accredited graduate schools or seminaries are required to have official academic transcripts sent directly to the director of graduate admissions from all schools previously attended. This is a condition for admission.

Transfer credit evaluations are conducted during the admission process, although formal transfer of credit is not posted to the student’s academic record until after the admission process is complete. Students will be notified in writing concerning the results of a transfer credit evaluation. Transcripts from foreign institutions will be evaluated by an outside agency. The student will be responsible for following the procedure required by that agency.

Cornerstone University will accept a maximum of 12 credit hours of the selected degree program requirements through transfer credit, or through a combination of transfer credit and advanced standing, completed within the 10 years prior to matriculation at Cornerstone from the following types of schools:

1. All regionally accredited institutions.
2. All Association of Theological Schools (ATS) institutions.
3. All Association for Biblical Higher Education (ABHE) institutions.
4. Non-accredited institutions, if those institutions supply to the director of graduate admissions three letters of acceptance from regional, ATS or ABHE accredited institutions.
5. Those non-accredited institutions due to the nature of their relationship with Cornerstone University.

Students planning to take courses at other institutions for transfer into their degree program at Grand Rapids Theological Seminary should contact the assistant registrar for Grand Rapids Theological Seminary to verify the acceptance of these courses. Transfer credit will not be given for remedial or non-graduate level work or for any course in which a grade lower than a C was received. Grade point average does not transfer with the transfer credits.

ADVANCED STANDING

Advanced standing credit is available to new students for certain undergraduate courses completed within the previous ten years at regionally accredited institutions, institutions accredited by the Association for Biblical Higher Education, and other institutions approved by Cornerstone University. Consideration for advanced standing credit is limited to 300/400 level undergraduate courses in which a grade of “B” (3.0) or better was achieved in an equivalent course. Evaluative judgment for advanced standing is made on the basis of examination in the content area, review of student work, review of course description and syllabi, or a combination of the above. New students have one calendar year from their original matriculation date to apply for advanced standing credit. Credits granted by advanced standing will appear on the student’s academic transcript and contribute to program completion, but will not be included in the student’s cumulative grade point average calculation.

At Cornerstone, advanced standing is assessed and administered by three means. First, advanced standing is assessed and administered on the basis of examination. The graduate theological department faculty has identified a select grouping of courses for which advanced standing by examination is permitted. Advanced standing exams will be offered at the beginning of each semester. Faculty member approval is required to sit for an advanced standing exam. New students are encouraged to work with an admissions representative to coordinate this process. A non-refundable $50.00 fee, payable to GRTS prior to taking the advanced standing exam, is charged for each exam administered. All advanced standing exams will be graded on a pass/fail basis. Students are limited to one attempt on any given exam.

Second, advanced standing is assessed and administered on the basis of formal articulation agreement. By formal agreement, the university partners with select undergraduate institutions to grant advanced standing credit for specific courses without the requirement of an examination. In these cases, evaluative judgment for advanced standing is made on the basis of a review of student work and performance in the undergraduate course(s) and routine monitoring of the undergraduate course syllabi by graduate faculty members. For a listing of partner institutions and eligible courses, new students should contact a CU Online admissions counselor or the CU Registrar’s Office.

Third, advanced standing is assessed and administered on the basis of syllabi and transcript review for students with excessive credits on the undergraduate level (i.e., credits achieved beyond those required for the completion of the undergraduate bachelor’s degree). Generally, this will consist of a thorough review of the undergraduate course description, course syllabus and the student’s academic performance in the course. New students should contact a CU Online admissions counselor or the CU Registrar’s Office to explore this form of advanced standing credit.

INCOMPLETES

A student is expected to complete all work within the semester. If an incomplete is deemed necessary, permission must be obtained from the professor and the academic dean. Grade changes from the fall semester must be turned into the Registrar’s Office no later than March 15. Grades from the spring semester must be turned in no later than Aug. 1 and from summer school no later than Nov. 15. Every effort should be made to have incomplete work completed in the shortest time possible following the close of the academic term in which the work is taken. Incompletes will be assigned an “F” grade after the above dates. The time limit for a student to change an “F” to another grade is one calendar year from the receipt of the initial incomplete.

DROP/ADD

Courses may be dropped or added without penalty during the first week of classes. After the first week of classes, courses cannot be added and refunds for courses dropped will be calculated using the chart listed under “Withdrawal Refunds.” In regards to course drops, courses will be treated as follows on the student’s official record:

- Before end of Drop/Add – No record on transcript
- Before end of 10th week W – No effect on grade point average
- After end of 10th week W/P or W/E W/P – No effect on grade point average; W/E – treated as “F” for grade point average
- After end of 14th week W/E – treated as “F” for grade point average (no W/P option)

COURSE WAIVER

In order to preclude repetition of previously mastered material, students may apply to waive such a course and replace it with another course. Approval for course waiver is granted by the professor who teaches the duplicated course and by the academic dean. Waiver forms are available in the graduate theological department office.
WITHDRAWAL
A student who wishes to withdraw must complete a withdrawal form, available from the graduate theological studies office. To complete the withdrawal process, the student should return the completed withdrawal form to the Registrar’s Office. Failure to do this will result in the student receiving an “F” in the related course or courses. In addition, any student leaving school during the semester without completing the official withdrawal process will be academically suspended.

WITHDRAWAL REFUNDS – Withdrawal from Individual Courses
Students who do not officially withdraw from a course will receive a failing grade for that course. Students withdrawing from individual courses will receive refunds based upon the following schedule:

<table>
<thead>
<tr>
<th>Duration</th>
<th>Tuition Refund</th>
</tr>
</thead>
<tbody>
<tr>

Appropriate adjustments will be made to financial aid programs following formulas mandated by federal, state and institutional regulations. Students whose enrollment status (i.e., full time, 3/4-time, 1/2-time) would change if classes were dropped should consult with the Student Financial Services Office to determine the extent of these adjustments.

WITHDRAWAL REFUNDS – Withdrawal from the Institution:
Tuition refunds for students who withdraw from the seminary during the course of the semester, as well as those who are dismissed or suspended, will be computed as follows:

<table>

Students receiving financial aid who withdraw from the institution during the semester may be required to return a portion of the aid to the appropriate programs. A calculation will be made based on the student’s withdrawal date to see what portion of the financial aid must be returned. Students may request a copy of the Refund and Repayment Policy from the Student Financial Services Office.

FEDERAL TITLE IV AID
If a student withdraws before completing 60 percent of the semester or period of enrollment, the institution must determine the percentage of Title IV assistance the student has earned. The percent earned is determined by dividing the total number of calendar days in the semester into the number of calendar days completed as of the withdrawal date. Any unearned amount must be returned to the Title IV program(s).
MASTER OF ARTS IN MINISTRY LEADERSHIP

The Master of Arts in Ministry Leadership (MAML) is a fully online degree for those in various ministry leadership positions and service roles who desire advanced biblical, theological and ministry education to promote personal, spiritual and professional growth. Biblical interpretation, Christian Worldview and servant-leadership are pillars of the curriculum, and these pillars are incorporated throughout the program of study. In certain circumstances, individual students may gain admittance to the program independent of a cohort, but must do so by vote of the admissions committee. Individuals seeking admission to this program independent of a MAML cohort are encouraged to work closely with the Director of Admissions. Applicants for the MAML degree must hold a bachelor's degree with a minimum 2.50 cumulative grade point average from an accredited undergraduate institution. The MAML degree is conferred through Cornerstone University and is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. APPLICATION PROCESS

CU Online admits qualified persons without regard to denomination or association, race, national or ethnic origin, age, sex or disability.

The graduate theological department operates a “rolling” admissions process for all master’s degree programs. You may apply to begin your program during any academic term – fall, spring, J-term or summer. Application for admission is encouraged 4-8 months in advance of your anticipated enrollment date.

Acceptance for admission will be considered upon receipt of the following items:
1. Application for admission, located in the back section of the academic catalog or online at online.cornerstone.edu
2. Official academic transcripts from each undergraduate and graduate school attended
3. One Personal Reference Form
4. One Ministry Reference Form
5. Affirmation of the Statement of Faith and Lifestyle Statement, by checking the appropriate box in the Autobiographical Information section of the application form.
6. $25.00 non-refundable application fee (fee waived for online applications)
TRANSFER STUDENTS
Students who wish to transfer to Cornerstone University should submit to the Graduate Admissions Office, with their application for Admission, transcripts of all credits previously earned. Credit is given for comparable work taken at other accredited seminaries, graduate programs or universities. By approval of the Dean, a maximum of 50 percent of the particular degree program requirements may be fulfilled through transfer credit. See paragraph on “Transfer of Credit” for more information.

READMISSION
Any former student who has not been enrolled for one semester or more must apply for readmission. The application for readmission should be submitted at least 30 days prior to the opening date of the semester enrollment is desired. Official academic transcripts of all studies that have been completed in the interval must be submitted. Updated reference forms may also be required. Any student who has not been enrolled for more than 3 academic semesters will be required to submit a full application with all necessary supporting documents.

NON-DEGREE ENROLLMENT
CU Online permits the enrollment of students seeking advanced education in Bible, theology or ministry, without a specific degree objective. These students are required to complete a Non-Degree Application, submit official academic transcripts from all previous undergraduate and graduate schools, and sign a general statement of Christian faith. Non-Degree students who possess an accredited undergraduate degree may take courses for graduate credit, while those without a baccalaureate degree will be limited to enrollment by audit. Students are permitted to take a maximum of 12 credits under the non-degree enrollment status. A maximum of 12 credits achieved under the Non-Degree enrollment status can be utilized in fulfillment of the requirements for a specific degree program.

GUEST STUDENTS
CU Online welcomes guest students from other institutions for limited enrollment. A Non-Degree/ Guest Application with authorization from the home institution is required for admission. It is the applicant’s responsibility to ensure that the home institution will accept the transfer credits. Upon the completion of a given course, an academic transcript can be requested from the Registrar’s Office for the transfer of credits to the home institution.

ADMISSION STATUS

FULL ADMISSION
An applicant is given full admission to the university when the criteria for application and admission have been fulfilled. Applicants are notified concerning full admission on a rolling basis throughout the year.

In some cases, students can be admitted pending receipt of official documentation to complete their application file. The student’s admission status is complete when all documentation arrives at the Graduate Admissions Office and meets all admission and degree program standards. The University reserves the right to reverse an admission decision if the documentation is inconsistent, or the admission and degree program standards are not fully met.

CONDITIONAL ADMISSION
A limited number of students whose cumulative undergraduate grade point average does not meet the minimum degree program admission standard (2.5/4.0) may be granted conditional acceptance upon the recommendation of the Graduate Admissions Committee. In such cases, the conditions of the conditional acceptance and terms for the removal of this status will be provided to the student in writing during the admission process and monitored by the Academic Office. Students enrolled on a conditional admission basis will be limited to a maximum of nine hours per semester. Those students admitted on a conditional admission basis must achieve a minimum 2.5 grade point average. See the section “Scholastic Probation, Suspension and Dismissal for more information.

REGISTRATION
The registration process provides students with the opportunity to meet with their faculty advisor, to select and register online for courses in the upcoming enrollment period, and to plan how they will complete the remaining requirements of their particular degree program. For continuing students, online course registration occurs each semester on the published dates (See “Academic Calendar”). The Graduate Admissions Office staff will assist new students in course selection and registration during their initial period of enrollment.

Once registered, each student will receive a tuition bill. Each student should then settle his or her financial obligations by doing one of the following: paying in full at the Cornerstone University Business Office, partially paying according to the FACTS payment plan or coordinating financial arrangements with the Cornerstone University Student Financial Services Office. Students will be permitted to attend classes when course registration and financial balances have been finalized.
NEW STUDENT ORIENTATION

New Student Orientation (NSO) is available online. Students will receive a web address for NSO in their acceptance letter from the Graduate Admissions Office. This orientation provides students with an opportunity to learn more about seminary faculty and staff and to gain information about campus technology resources, library usage, student identification cards and more.

INTERNATIONAL STUDENTS

Cornerstone University values the presence and contribution of students from the various cultures, countries and continents of the world. In an effort to improve our service to international students and to facilitate a smooth transition, international students are encouraged to begin their degree programs in the fall semester, which begins in August.

STATEMENT OF FAITH AND LIFESTYLE STATEMENT

Cornerstone University seeks applicants who demonstrate commitment to Christ and evidence the new birth, possess gifts for ministry and service, have earned a baccalaureate degree or its equivalent from an accredited college or university and affirm the following doctrinal statement which is in common with the creeds of the early church, the confessions of the Reformation and all conservative Evangelical Christians. This confessional commitment is required of students for admission, degree candidacy and graduation:

Cornerstone University affirms a core confession of convictions in common with the creeds of the early church, the confessions of the Reformation and all conservative Evangelical Christians.

1. We believe that the Bible is the word of God, truth without error, clear and powerful in its message, sufficient for all of our needs, and final authority for faith and life.

2. We believe in the triune God — Father, Son, and Holy Spirit — who is holy, loving, good, wise and almighty; who has created all things by his word out of nothing, who sustains, provides for and rules all things, who is our only redeemer and who will judge all people.

3. We believe that God created men and women in his image and likeness for fellowship with himself and to carry out the creation mandates; that Adam sinned and that by his disobedience the entire race was alienated from God, depraved and totally lost.

4. We believe in the Lord Jesus Christ, who added full humanity to his perfect deity, obeyed God perfectly, died for our sins on the cross, rose again to defeat Satan and returned to heaven to pour out the Holy Spirit at Pentecost and to intercede for his people.

5. We believe that the triune God has provided a great salvation for those who repent of their sins and trust Christ and his finished work; that he calls, regenerates, justifies, forgives, adopts, sanctifies, keeps and will glorify them.

6. We believe in the Holy Spirit who has been sent to complete and perfect in us all of the works that Jesus did for us. He convicts of sin, regenerates, sanctifies us, gifts us for ministry and assures us of our salvation.

7. We believe in the personal return of the Lord Jesus Christ, the bodily resurrection and final judgment of the just and the unjust, the everlasting blessedness of the saved, and the everlasting, conscious punishment of the lost.

Students, by virtue of their enrollment, agree to live within the framework of the school’s standards of conduct. While some may not have personal convictions concerning all of these standards, agreeing to them obligates the student to assume responsibility for honorable adherence to them while enrolled at the seminary. It should, of course, be understood that any behavior, either on campus or away, which indicates that a student has disregard for the spirit of the schools standards would be sufficient reason to ask him/her to withdraw from the school.

Students of Graduate Theological Studies, agree to:

1. Honor biblical teaching in order to maintain a right relationship with God, people, and creation. Exhibit integrity in academic pursuits, professional work, personal finances and relationships.

2. Practice discernment in the areas of media and entertainment. Avoid behaviors clearly prohibited in Scripture including but not limited to drunkenness, immoral sexual behavior, lying, and stealing.

3. Support Cornerstone University’s commitment to maintain an alcohol-free and tobacco-free campus. This means that the consumption of alcohol or use of tobacco will be prohibited in, on, and around all campus properties and at University events. Due to the public and personal health hazards posed by tobacco, students shall avoid the habitual use of tobacco.

4. Actively participate in a local evangelical church.

FINANCIAL AID

Cornerstone University provides financial aid to students who can benefit from further education but cannot do so without assistance. It is important to keep in mind that the primary responsibility for financing a graduate theological education rests with the student. The Cornerstone University Student Financial Services Office, along with the Graduate Admissions Office, is committed to assisting students in receiving the maximum amount of financial assistance for which they qualify under federal and institutional programs.

Students enrolled in three or more credit hours per fall or spring semester are eligible to apply for institutional and federal grants and loans. Students seeking consideration for grants and loans must file the Free Application for Federal Student Aid (FAFSA) on an annual basis. Cornerstone University’s code is 002266. Priority consideration for awards is granted on an annual basis to those who apply by March 31 for the fall semester and November 1 for the spring semester. FAFSA applications can be submitted online at www.fafsa.ed.gov.

It is important that all requested information for institutional and federal aid is submitted in a complete and timely manner. Failure to do so will create delays. Once all requested information is received, the Student Financial Services staff will conduct an evaluation of the file and determine the student’s eligibility for gift aid and federal loan eligibility. Notification is sent to students informing them of their awards.

ENROLLMENT STATUS

A student’s enrollment status is used for determining federal and state eligibility and for reporting enrollment information for loan deferment eligibility, insurance eligibility, etc.

Institutional financial aid is calculated based on a financial aid enrollment level rather than the official full-time/part-time enrollment status. Contact the Student Financial Services office for more information regarding these levels.

Enrollment status for state and federal aid eligibility is as follows:

Spring semester payment due dates are the 5th or 20th of each month, January-May, depending on the payment plan chosen.

Pay in Full: Payment due dates for each semester will be indicated on the semester bill.
WITHDRAWAL REFUNDS

WITHDRAWAL FROM INDIVIDUAL COURSES:

Students who do not officially withdraw from a course will receive a failing grade for that course. Students withdrawing from individual courses will receive refunds based upon the following schedule:

- One week or less: 100% of tuition
- Second week: 86% of tuition
- Third week: 80% of tuition
- Fourth week: 73% of tuition
- Fifth week: 66% of tuition
- Sixth week: 60% of tuition
- Seventh week: 53% of tuition
- Eighth week: 46% of tuition
- Ninth week: 40% of tuition
- More than nine weeks: No refund

Appropriate adjustments will be made to financial aid programs following formulas mandated by federal, state and institutional regulations. Students whose enrollment status (i.e., full time, three-quarters time, half-time) would change if classes were dropped should consult with the Student Financial Services Office to determine the extent of these adjustments.

WITHDRAWAL FROM THE INSTITUTION:

Tuition refunds for students who withdraw from the seminary during the course of the semester, as well as those who are dismissed or suspended, will be computed as follows:

- One week or less: 100% of tuition
- Second week: 86% of tuition
- Third week: 80% of tuition
- Fourth week: 73% of tuition
- Fifth week: 66% of tuition
- Sixth week: 60% of tuition
- Seventh week: 53% of tuition
- Eighth week: 46% of tuition
- Ninth week: 40% of tuition
- More than nine weeks: No refund

Students receiving financial aid who withdraw from the institution during the semester may be required to return a portion of the aid to the appropriate programs. A calculation will be made based on the student’s withdrawal date to see what portion of the financial aid must be returned. Students may request a copy of the refund and repayment policy from the Student Financial Services Office.

FEDERAL TITLE IV AID

If a student withdraws before completing 60 percent of the semester or period of enrollment, the institution must determine the percentage of Title IV assistance the student has earned. The percent earned is determined by dividing the total number of calendar days in the semester into the number of calendar days completed as of the withdrawal date. Any unearned amount must be returned to the Title IV program(s).

LOANS

FEDERAL STAFFORD LOAN PROGRAM

Eligibility for the Federal Stafford Loan is determined through the submission of the Free Application for Federal Student Aid (FAFSA). This federally insured loan program is available to all qualified degree-seeking students enrolled at least half-time at the university. The government pays the interest while the student is in school, for those who qualify for a subsidized need-based loan.

Students who are awarded unsubsidized loans are responsible for paying the interest while in school, which accrues from the date of disbursement. Repayment of both principal and interest begins six months after the student ceases at least half-time enrollment or graduates. Loan promissory notes can be completed online at www.studentloans.gov.

STATEMENT OF EDUCATIONAL PURPOSE

To receive federal financial aid, a student must be enrolled as a degree-seeking student. The student must sign a statement indicating that all federal financial aid will be used for expenses related to study at Cornerstone University.

STATEMENT OF REFUND AND DEFAULT

To receive federal financial aid, a student must not owe a refund or an overpayment of any federal grant or loan. A student must not be in default on any federal student loan or must have made satisfactory arrangements to repay any such defaulted loan, and also have not borrowed in excess of the loan limits under federal student loan programs at all institutions previously attended.
SELECTIVE SERVICE REGISTRATION
Male students who are United States citizens or permanent resident aliens born after Dec. 31, 1959, are required to comply with Selective Service registration regulations prior to receiving federal financial aid.

SATISFACTORY ACADEMIC PROGRESS
To remain eligible for financial aid, a student must have maintained Satisfactory Academic Progress (SAP) in accordance with the following guidelines:

Qualitative Requirements – The student must meet the appropriate cumulative grade point requirement. Cumulative G.P.A.’s are monitored at the end of each semester. Entering freshman have NO MINIMUM G.P.A. requirement.

<table>
<thead>
<tr>
<th>Credits Completed</th>
<th>G.P.A.</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-20</td>
<td>2.25</td>
</tr>
<tr>
<td>21-40</td>
<td>2.42</td>
</tr>
<tr>
<td>41-ABOVE</td>
<td>2.49</td>
</tr>
</tbody>
</table>

Quantitative Requirements – A student must complete his/her program within a period not greater than 150% of the normal program length (measured in credit hours). A student who receives financial aid is required to maintain the following pace to ensure progression towards the 150% completion requirement:

<table>
<thead>
<tr>
<th>Cumulative Hrs. Attempted</th>
<th>Minimum % Completed</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-24</td>
<td>65%</td>
</tr>
<tr>
<td>25-48</td>
<td>70%</td>
</tr>
<tr>
<td>49+</td>
<td>75%</td>
</tr>
</tbody>
</table>

SAP and all related criteria are evaluated at the end of each academic term.
All regularly accepted and continuing students who do not meet either/or both of the above requirements will be placed on financial aid warning. After a semester on financial aid warning, students still not meeting the criteria will have their financial aid suspended.

If a student suffers unusual circumstances and would like to appeal the financial aid suspension, he/she must submit to the Academic Dean a written explanation regarding noncompliance with these criteria. The Academic Dean will then determine the academic status of the student. If it is determined that the student is making SAP, the student will be placed on financial aid probation. The Student Financial Services office will then consider eligibility for financial aid based upon the availability of funds and financial need.
If a student meets the qualitative requirements but does not meet the quantitative requirements and is allowed to continue enrollment, he/she will not be eligible for any type of financial aid until the proper level of progress is attained.

REPEATED COURSES
Federal rules allow a student to receive federal aid for a course more than once as long as it is not a result of more than one repetition of a previously passed course or any repetition of a previously passed course due to the student failing other coursework. A repeated course will be counted towards the 150% maximum time frame.

Please contact the Student Financial Services Office for a complete copy of the SAP policy.
GENERAL INFORMATION

VERIFICATION PROCESS
Approximately 30 percent of those seeking Federal Stafford Student Loans will be required to participate in the verification process. Verification is a process whereby the validity of the data reported is confirmed through the submission and review of specific documents. If the student is selected for verification, aid will not be awarded until the process is completed.

FEDERAL STUDENT LOAN DEFERMENT
Deferral of Stafford Student Loans is available to most students enrolled for degree seeking graduate study. Approval of a Stafford Student Loan deferment will necessitate student enrollment of at least five credits per semester (classified as at least half-time). The Stafford Student Loan Deferment Form should be processed through the Cornerstone University Student Financial Services Office. The loan deferment form cannot be certified by the Student Financial Services Office until after the student has begun classes.

VETERANS BENEFITS
Cornerstone University cooperates with the U.S. Department of Veterans Affairs in processing benefits for the education of honorably discharged service members. Veterans who wish to use the benefits should apply at www.va.gov. After submitting the application to the VA students need to complete the VA Benefit Form that can be obtained from the Student Financial Services office or online. The grade point average of veterans will be monitored at the end of each semester. Veterans who are placed on academic probation and fail to come off probation within two additional semesters will be reported to the Department of Veterans Affairs. This action may result in termination of benefits by the Department of Veterans Affairs. If benefits are terminated, the veteran may reapply to the seminary for reinstatement of the benefits after the probationary status has been removed. Veterans entering as transfer students will be provided a written statement of the number of credits accepted in transfer and the number of required credits remaining to complete the program. The Cornerstone University Student Financial Services Office will also provide a copy of this information to the Department of Veterans Affairs. This information will be provided to the student prior to submission of the enrollment certification for veterans' benefits and will be based on the student's stated educational goals. This transfer credit evaluation may be subject to change should the student decide to change degree program or major/concentration. Please visit www.cornerstone.edu/veterans-benefits for additional information on veteran's benefits at the university.
