According to that Act, information contained in my educational records may be shared with other campus officials and employees with responsibilities related to academic, administrative or service functions that have a legitimate educational interest in such access.

_______ I give permission to Cornerstone University faculty and staff to discuss my disability and related accommodations verbally and/or in written form with university personnel, my medical or clinical practitioners, my former school officials, financial aid agencies, and any other personnel who may aid in assessing how Cornerstone University can reasonably accommodate my learning and/or living needs.

_______ I understand that to be approved to receive disability accommodations at Cornerstone University, I must provide full and appropriate documentation of my disability from a certified medical or mental health professional. Until that documentation is received, my application will remain on file, but further review will not happen until receipt of said documentation.

I understand that this process can take 2-3 weeks to complete, and that expedient submission of requested information on my part will ensure that the process continues smoothly and as quickly as possible.

_______ I understand that disability accommodations will not start until my application for services has been documented and approved through the above procedure.
