MISSION AND PURPOSE

Grand Rapids Theological Seminary is a graduate school that prepares biblically and culturally informed ministry leaders for service through Christ's church.

The seminary exists to achieve the following six purposes:

1. To advance biblical, theological and ministry knowledge and skill.
2. To nurture theological, spiritual and leadership formation.
3. To encourage the development of critical thinking and worldview formation governed by biblical teaching.
4. To nurture a global ministry perspective.
5. To enhance the cultural relevance of ministry practice within the bounds of a distinctively Christian theological framework.
6. To encourage lifelong and collaborative learning.

CORE VALUES

Grand Rapids Theological Seminary enacts its mission on the basis of the following core values:

1. **Biblical Worldview** – We engage theological education from a high view of biblical authority, with appreciation for the flow of the biblical story, and with a commitment to exegete the whole Bible in its original languages.
2. **Spiritual Transformation** – We understand and pursue ongoing spiritual transformation as a communal redemptive process of growth in faith, a process fostered by knowledge of the Word of

God and expressed in character development, ethical transformation and greater love for God and people.

3. **Critical Thinking** – We believe critical thinking requires a strong commitment to scholarship, engagement with diverse viewpoints, and appreciation for the tension of ideas associated with developmental process.
4. **Christ's Church** – We exist to serve Christ and His worldwide church as partners in the development of ministry leaders through a variety of formal and non-formal means.
5. **Disciplinary Integration** – We nurture skillful integration of the theological disciplines to foster holistic growth in theory and practice, while affirming the value of specialization in the theological disciplines.

GRTS MOTTO

The motto of Grand Rapids Theological Seminary is "Learning, Serving, Leading." The motto provides insight concerning the identity, values and mission of GRTS and is worthy of further consideration.

Learning. Student learning is central to the mission, values, and overall culture of Grand Rapids Theological Seminary. Through a disciplined and rigorous learning environment, GRTS faculty members temper the challenge with grace and support. The core curriculum at GRTS is designed to enable students to conduct disciplined interpretation and application of the Bible, articulate a coherent understanding of Christian theology, and demonstrate basic knowledge, values and competencies associated with spiritual, worldview, and leadership formation. In addition to core curriculum, the various degrees at GRTS include areas of specialization, equipping students for a wide range of ministry vocations.

GRTS conceives of learning in holistic terms, seeking to foster growth of the whole person. Traditional classroom teaching, interaction with faculty scholars, a battery of student assessments, a student learning portfolio, and an extended Ministry Residency combine to foster cognitive, affective and behavioral learning. Since ministry is always engaged as whole persons, preparation for ministry must foster holistic learning and growth. GRTS understands this and structures a diverse set of learning experiences that foster maturation of the whole person.

Serving. In addition to working with faculty scholars to develop exegetical skills and theological understanding within traditional classroom settings, GRTS offers students the opportunity to work with seasoned ministry professionals to refine their gifts, confirm their calling, and mature in character within the context of authentic ministry practice.

Through Ministry Residency, counseling practicum and internships, and as part of the degree program requirements, students serve side by side with experienced ministry leaders and professional counselors within local church, parachurch, and other vocational contexts. The sustained nature of the Ministry Residency experience, throughout the duration of the degree program, enables students to establish a life pattern of learning and serving, the necessary foundation for mature and effective vocational service.

Leading. At GRTS, we believe that ministry leadership emerges from the mastery of learning and serving. Leadership, or influence, in ministry is not inherent to a position or established by exerting authority, but by the authentic confession of faith, affirmation of gifts, demonstration of commitment and competence, expression of care, and credibility of character.

At GRTS, we believe that ministry leadership is best understood as stewardship, consisting of a stewardship of truth, of persons, and of organizations. Ministry leaders, regardless of position, are responsible to accurately represent God and His word, nurture the faith and contribution of others, and foster a mature and responsive faith community.

Effectiveness and influence in life and ministry require a sustained commitment and engagement in learning and serving. Leadership flows from the expertise and credibility derived from such commitments and actions. GRTS understands itself and its mission in these terms, endeavoring to nurture life patterns of learning, serving and leading.

HISTORY

Grand Rapids Theological Seminary of Cornerstone University traces its founding as a degree-granting institution to 1948, when the State of Michigan authorized it to grant the Bachelor of Divinity degree (now called the Master of Divinity). The first graduating class in 1949 boasted two graduates. The institution originally opened in January 1941 as an evening Bible institute at Wealthy Street Baptist Church. In 1944, a day school was started that became the seminary four years later, at which time the school was renamed Grand Rapids Bible Institute and Theological Seminary. The Bible Institute became a state-approved, degree-granting Bible college in 1963, moved to its present location in 1964, and transitioned into a Christian liberal arts college in 1972. In 1999, the entire institution acquired state-approved university status. Today, Cornerstone University and Grand Rapids Theological Seminary share a 123-acre campus four miles from downtown Grand Rapids. The seminary is housed in the Leon J. Wood Seminary Building, which opened in 1977. Grand Rapids Theological Seminary, its administration and faculty, operate under the authority of the Cornerstone University board of trustees.

GEOGRAPHICAL SETTING

Grand Rapids is an excellent locale for a seminary. A quiet, sprawling city with a greater metropolitan area population of more than 600,000, it has been called “the city of churches” and “the center of orthodoxy.” Several hundred conservative evangelical churches within 50 miles of the school offer many opportunities for Christian service and fellowship.

Grand Rapids has an abundance of affordable housing, and the cost of living is lower than in many cities its size. Many seminarians live in off-campus apartments or houses. As the commercial center of Western Michigan, Grand Rapids’ banks, offices, hospitals, school systems and factories provide ample employment opportunities for students and their spouses.

Additionally, Grand Rapids is home to four well-known religious book publishers – William B. Eerdmans Publishing Company, Zondervan Publishing House, Baker Book House and Kregel Publications. Ryerson Library, the main public library in Grand Rapids, includes extensive religious holdings, making it a valuable resource for theological students. Also available are the library collections of two other area seminaries, in addition to the thousands of rare theological volumes held in Cornerstone University’s Miller Library.

Cultural opportunities include ArtPrize, the Grand Rapids Art Museum, Van Andel Public Museum, Grand Rapids Symphony Orchestra, Grand Rapids Ballet, Grand Rapids Opera, professional and collegiate sports teams, professional quality community theatre groups,

and many traveling artists, concert performances and events held at DeVos Concert Hall and Van Andel Arena. Malls in the area provide comfortable and enjoyable shopping experiences.

CORNERSTONE UNIVERSITY

Cornerstone is a Christ-centered university with a passion for global influence through the transforming power of the gospel. Cornerstone University exists to empower men and women to excel as influencers in our world for Christ by offering a student-focused learning community where Jesus Christ is central. Founded in 1941, the University is a four part academic enterprise composed of the traditional undergraduate college (TUG), Professional and Graduate Studies (PGS) which serves working adults through undergraduate and graduate degree programs, along with two graduate theological schools: Grand Rapids Theological Seminary (GRTS) and Asia Biblical Theological Seminary (ABTS), based in Thailand. The school owns and operates WCSG, an adult contemporary Christian music radio station serving the Grand Rapids and the West Michigan area.

CORNERSTONE CONFESSION

The Cornerstone Confession is the foundational doctrinal statement of Cornerstone University, reaffirmed annually by Cornerstone trustees, faculty, and staff. The Confession expresses our commitment to the key teachings of Scriptures as interpreted through the ecumenical creeds of the early church, the chief insights of the Reformation, and evangelical Christianity.

We believe in one sovereign, omnipotent, and fully omniscient God who eternally exists in three persons—Father, Son, and Holy Spirit—who in love and for his glory created all things out of nothing and pronounced them good.

We believe that God has revealed himself in the sixty-six canonical books of Scripture, which are verbally inspired, truth without error, and serve as our final authority in faith and life. They lead us to Jesus Christ, who shows us the Father, and rightly interpreted, they enable us to understand God's revelation in humanity, nature, and history.

We believe that God directly created Adam and Eve, the historical parents of the human race, distinct from the rest of creation in their bearing of God's image and their stewardship over creation. Their union as man and woman models God's design for marriage and perpetually stands as God's loving and righteous will for all sexual intimacy.

We believe that our first parents forfeited their original righteousness when they succumbed to Satan's temptation and rebelled against God's revealed will. As

a result, every human is born in sin, leaving us totally depraved, alienated from God, and destined to spiritual and physical death. As such, our sinful ways have corrupted God's creation, resulting in discord to society and nature.

We believe that God's plan to redeem fallen humanity and renew creation flows through his promises to the Jewish people. God's promises to Abraham and David are fulfilled in Jesus, the mediator of the New Covenant.

We believe that the Son of God, while fully divine, became fully human through the virgin birth to save the world from sin. Living a sinless life in perfect obedience to His Father, Jesus proclaimed God's reign in word and deed. In his mercy he atoned for our sins by dying in our place. Having satisfied the just wrath of God on our behalf, he rose bodily and triumphantly over sin, death, and Satan. He then ascended to heaven, sent his Spirit to lead and empower his church, and is seated at the Father's right hand where he reigns and intercedes for His people.

We believe that the Holy Spirit descended at Pentecost to establish the church; that he uses the Word of God to give new life to those who repent of their sin and believe in Christ; and that all who by faith alone receive Christ's finished work are by God's grace united with Christ, justified by his shed blood, adopted into the family of God, forgiven of all their sin, indwelt and gifted by the Spirit, and added to the church.

We believe that the one, holy, and universal church is the body and bride of Christ. The church gathers in local assemblies to worship God and celebrate the gospel through the preaching of the Word, baptism, the Lord's Supper, prayer, and fellowship. It disperses to proclaim the gospel to a sinful world which must hear the good news of Jesus Christ in order to be saved. The church makes disciples of Jesus who, through persevering faith, embody the kingdom values of righteousness, peace, and joy. By loving God, serving others, and caring for creation, they anticipate the redemption of all things at Christ's return.

We believe that our Lord Jesus Christ will personally and gloriously return to deliver this world from Satan's rule and bring his reign to its ultimate fruition. Jesus will raise the dead to stand with the living before his judgment throne where he will determine the final state of humanity. The lost will experience everlasting conscious separation from God as the just punishment for their sin, and the redeemed will be welcomed into the unhindered joy of everlasting fellowship with him.

EDUCATIONAL EFFECTIVENESS

Assessment of student learning is highly valued at Grand Rapids Theological Seminary. We take seriously our responsibility to deliver on the promise to provide excellence in graduate theological education. At GRTS, assessment of student outcomes is not an externally imposed burden. Rather, assessment of student learning and the disclosure of educational effectiveness is a task of stewardship, a process for organizational learning, and as a matter of accountability.

The effectiveness of our educational programs is assessed in a disciplined and routine manner. Through a variety of instruments and processes, we assess the achievement of the intended student learning outcomes of our curriculum, student and alumni satisfaction, readiness for ministry of our students, and vocational achievement of our graduates.

The following provides a few highlights and demonstrates how GRTS is delivering on its promise to provide excellence in graduate theological education.

READINESS FOR MINISTRY

GRTS students are assessed for their readiness for ministry at the mid-point of their degree program and the end of their degree program. The process engages the student with the academic dean, associate dean, faculty advisor, practicum/internship supervisor or ministry residency mentor and the practicum/internship faculty supervisor or ministry residency director to assess student progress holistically as they prepare to serve in ministry. The potential outcomes of the process include the following: (1) The student is making good progress in readiness for ministry; (2) The student is making progress in readiness for ministry but with specific concerns (with reservation); or (3) The student is not making sufficient progress in readiness for ministry. The three-year average outcomes by degree are as follows:

- 96% of Master of Divinity students achieved the highest outcome (i.e., making good progress in readiness for ministry) at the mid-point assessment and 100% at the exit assessment.
- 94% of M.A. Counseling students achieved the highest outcome (i.e., making good progress in readiness for ministry) at the mid-point assessment and 97% at the exit assessment.
- 93% of M.A. Interdisciplinary students achieved the highest outcome (i.e., making good progress in readiness for ministry) at the mid-point assessment and 89% at the exit assessment.
- 100% of M.A. Christian Formation students achieved the highest outcome (i.e., making good progress in readiness for ministry) at the mid-point assessment and 100% at the exit assessment.

DEGREE COMPLETION

- 64% of Master of Arts in Counseling students who begin a degree progress to degree completion.

- 72% of Master of Divinity students who begin a degree program progress to degree completion.

VOCATIONAL OUTCOMES

- 74% of Master of Divinity alumni surveyed report being vocationally employed in a ministry context.
- 67% of Master of Divinity alumni have achieved licensure and/or ordination as a minister.
- 67% of M.A. Interdisciplinary alumni surveyed report being vocationally employed in a ministry context.
- 83% of M.A. Counseling alumni have obtained their Limited License or Full License as a Professional Counselor (LLPC/LPC).

Please Note: Data above was taken from the results of a variety of surveys and other evaluative instruments administered in recent years at Grand Rapids Theological Seminary.

Typically, students progress through degree programs by participating in a combination of the enrollment options. To assist students in mapping their academic program, GRTS maintains a four-year course planner which provides a broad view of the next four years of course rotations. The diverse set of enrollment options available at GRTS are described in greater detail below.

TRADITIONAL SEMESTERS

Grand Rapids Theological Seminary is a semester-based school with the fall semester running from early September to mid-December and the spring semester running from the third week of January to late April or early May. Residential courses are scheduled Monday to Friday with morning, afternoon and evening options. Two kinds of residential courses are available during the traditional semesters, split-block and full-block. Split-block courses are offered on Tuesday and Thursday with 80-minute sessions on both days each week. Full-block courses are offered throughout the week, and these courses meet once per week in a two-hour and 50-minute session. See the “Academic” section of the Grand Rapids Theological Seminary Web page under “Course Schedule” for the current and/or most recent course schedule.

EVENING COURSES

In response to the recommendations of working professionals desiring seminary education, Grand Rapids Theological Seminary now offers a variety of evening courses during the traditional fall and spring semesters. The evening courses meet one night per week throughout the 15-week semester, are available on an audit or credit basis, and can be applied to a variety of seminary degree programs. See the Academic section of the Grand Rapids Theological Seminary web page under “Course Schedule” for the current and/or most recent semester course schedule.

DISTANCE EDUCATION

Grand Rapids Theological Seminary offers over fifty courses for graduate credit through online distance education. These courses can be completed on a non-degree basis or applied to a particular degree program. The online courses are developed and taught by the faculty of the seminary. Enrollment

levels in these courses vary, but are capped at 12-16 students. The courses include required readings, mini-lectures, peer learning through facilitated online discussion, papers and/or projects, and in some cases, exams. The online courses are available fall, spring, and summer semesters in either 7 or 15 week formats.

Unless otherwise noted in the program requirements, distance education enrollment is limited to eight courses within a degree program. Students are limited to two distance education courses per semester and are not eligible to enroll for audits. Students on academic probation or students with two or more outstanding “incomplete” grades in other courses are not eligible to enroll in distance education courses.

J-TERM

An 8-day intensive residential session, J-Term, is available each year during the second and third weeks of January. Given the structure of these courses, students are able to enroll in a morning and/or afternoon course. J-Term courses typically meet Monday through Friday. Morning classes are held from 8 a.m. to noon, while afternoon classes meet from 1 p.m. to 5 p.m. See the Academic section of the Web page under “Course Schedule” for the current and/or most recent J-term course schedule.

SUMMER SCHOOL

Grand Rapids Theological Seminary offers additional graduate residential courses through three summer sessions. These 10-day intensive sessions provide opportunity to enroll in a variety of courses between mid-May and late June. These courses are applicable to a variety of degree programs. Book lists can be secured in advance, allowing the student to complete some of the reading requirements before the course begins. After the 10-day session has ended, most classes grant students four to six weeks to complete major papers or projects. See the Academic section of the Grand Rapids Theological Seminary Web page under “Course Schedule” for the current and/or most recent summer course offerings.

MODULES - MASTER OF THEOLOGY

The Master of Theology degree program is primarily delivered to students through course modules. The course modules are coordinated on an individual basis with the supervising professor. For specific course requirements, consult the Master of Theology degree listing and related course descriptions in this catalog.

MINISTRY RESIDENCY

Grand Rapids Theological Seminary is committed to equipping students and elevating their integration of theological discipline with ministry experience. The Ministry Residency program at GRTS prepares students for vocational ministry by providing avenues for them to connect with ministry coaches and to invest in local ministries.

If you are a student pursuing a Master of Divinity or Master of Arts in Christian Formation, you will invest eight credits of your degree toward serving alongside a mentor in a local ministry. Through the Ministry Residency program, we are committed to assisting your preparation and implementation of this aspect of your program.

GRTS is committed to giving you a solid theological framework that will allow you to assess and grow in an integrated, local ministry context. This is highly valued at GRTS and we are committed to assisting you in your preparation for ministry.

PROGRAM SCOPE - LEARNING, SERVING, LEADING

Ministry Residency at GRTS is a tangible expression of the high value we place on integrating solid theological thinking with hands-on ministry experience. We desire to graduate thoughtful leaders who champion theological integrity and who are beginning to demonstrate proven ministry effectiveness.

The Ministry Residency program works to connect students with their local ministry interests, establishing a ministry context in which a student can worship, serve in a ministry capacity and be mentored by a seasoned ministry leader.

PROGRAM SPIRIT - THEOLOGICALLY INFORMED MINISTRY PRACTICE

It is the spirit of GRTS to work alongside the church to assist in preparing ministry leaders for theologically informed ministry practice and who are theologically competent and ministry capable. GRTS continues to enjoy a growing heritage of ministry leaders in multiple fields expressing the gospel through pastoring, teaching, counseling and leading. It is in these expressions that we find our greatest sense of impact and success.

Your Degree Journey

MINISTRY GROWTH THROUGH MINISTRY RESIDENCY

The Ministry Residency program is designed as an extended, contextual immersion with a local ministry (8 credits over two years). Our heartbeat is to develop a missional web between GRTS, graduate students and local churches in order to equip emerging leaders as they prepare to serve God through the church.

The Ministry Residency program at GRTS is committed to assisting students in developing their potential and refining their calling as Christian leaders.

- The Ministry Residency program is founded on an educational philosophy intent on encouraging students to extend their theological training into actual ministry environments.
- Residency allows each student program at GRTS to remain dynamic in response to our rapidly changing world and to the contexts in which our graduates endeavor to minister.
- Students' connection with GRTS and Ministry Residency give them an opportunity to express their calling through theological reflection, through coaching feedback and through actual ministry opportunity.
- Partnerships with proven, local ministries and coaches provide contexts encouraging GRTS students to develop as creative leaders, reflective shepherds, effective practitioners and thoughtful theologians.

MINISTRY COMPETENCY THROUGH MINISTRY RESIDENCY

The goal of Ministry Residency is to provide students the opportunity to explore their ministry calling in a local ministry while growing in their ministry competency.

We have identified pastoral competencies that will guide a resident's learning and will be used to track one's growth in these areas. Ten of these competencies are:

- Time Management and Allocation
- Contemplation/Reflection (Spiritual Disciplines/ Soul Care)
- Ministry Task/Administration
- Teaching/Preaching/Facilitating
- Volunteers: Leading, Staffing, Team Dynamics

- Pastoral/Ministry Duties
- Strategic Planning/Programming
- Counseling/On Call
- Personal Leadership (Identifying gifts and passions)
- Specialized Ministry

THEOLOGICALLY INFORMED MINISTRY PRACTICE THROUGH MINISTRY RESIDENCY

Competencies focus on tangible outcomes of applied knowledge and value. The Ministry Residency program seeks to encourage experience and reflection upon competencies based on the following values. These values will enhance students' reflection papers as directed in the course syllabi.

Theological Reflection - The student develops a growing ability to navigate ministry situations through the theological matrix emerging through their academic disciplines and ministry experiences. Academic rigor will affect ministry practice and ministry experience will motivate theological study. A student who values theological reflection is able to bring theology into life situations and will constantly be pursuing theological clarity as their knowledge and experiences expand.

Communal Interdependence - The student values the necessity of a local community where they invest and are invested in. They recognize their essential connection with their local church and are responsive to the counsel, support and feedback of their ministry coach and academic advisors committed to speaking into their lives. A student with communal interdependence values the necessity for community and is able to receive and contribute freely in this context.

Spiritual Transformation - The student develops ongoing disciplines that foster a deepening love for God and maturing worldview that allow for personal and professional choices to flow out of thoughtful reflection and a teachable heart. They recognize the need for continual seeking of God and his purposes and are vigilant in watching their life and doctrine closely. A student who values spiritual reformation is thoughtful, reflective and eager to mature in their following of Jesus.

Missional Identity - The student reflects on their own development, discovering and refining their gifts, abilities, passions and limitations. Through their academic interaction and ministry experiences, the student grows in how God is calling them to contribute to his redemptive mission. One would expect the student to grow in written and verbal communication, leadership qualities, counseling experience and pastoral care. A student with missional identity begins to envision their next steps in God's calling and is aware of their strengths and weaknesses.

Contextual Vision - The student grows in wisdom and compassion and seeks to understand their world (social, environmental, economic and cultural setting) in which they minister and live. As servant leaders, they seek ways to love others though understanding them before prescribing formulaic answers. Further, the student gains a broader perspective of the world and the necessity for understanding the global church and the issues surrounding missions, multiculturalism and true partnership. A student with contextual vision is embracing a realistic view of their world (through listening and learning) and is envisioning (and desiring) what God might want it to truly be.

GETTING INVOLVED WITH MINISTRY RESIDENCY

As students enter their degree program, they should spend their first semester connecting relationally with a church/ministry while they immerse themselves in theological study.

When the student approaches his/her final four semesters of his/her program, he/she will invest with the local ministry, serving 8 to 10 hours a week in order to bring their training to a local context and their ministry experiences back to the classroom.

By the end of the program, a student graduates with theological understanding, ministry experience and valuable feedback from faculty and ministry coaches.

MINISTRY RESIDENCY OPPORTUNITIES FOR STUDENTS

The Ministry Residency program has connections to over 80 area churches, parachurch ministries and mentors who in the past have served, or are willing to serve as a residency site.

The Ministry Residency program at GRTS is working hard to partner with these quality churches/parachurch ministries and coaches to offer diverse opportunities for students to serve in a local ministry setting.

THE PIRSIG FELLOWSHIP

Grand Rapids Theological Seminary is committed to the local and global church. Our mission, in part, is to contribute to the growth and vitality of local churches by preparing and equipping students to serve in pastoral ministry and missions. With this commitment in view, Grand Rapids Theological Seminary has established a fellowship program for Master of Divinity students that is uniquely focused on preparing them to serve in diverse ministry contexts. This fellowship was made possible through a generous gift from the late Julius and Barbara Pirsig who had a heart for assisting seminarians in preparing to serve the Lord. The Pirsig Fellowship features three primary emphases:

SCHOLARSHIP

One goal of the Pirsig Fellowship is to make the M.Div. degree more affordable and reduce student debt, which can limit future ministry opportunities. The program offers a generous 66% tuition scholarship to qualified students (see eligibility requirements below).

COMMUNITY

Pirsig Fellows join a distinct cohort and participate in cohort activities offered by the seminary. The cohort structure allows for intentional community to form among students. Cohorts enter the program at the same time, take many classes together, and have numerous shared experiences along the way.

ENHANCEMENTS

Pirsig Fellows participate in extra-curricular enhancements aimed at spiritual formation. These experiences include small group discipleship, retreats, workshops, and more. The goal of the enhancements is to nurture students' personal discipleship to Christ, strengthen their ability to disciple others, and gain skills and insights valuable for pastoral ministry and missions.

ELIGIBILITY AND SELECTION CRITERIA

Pirsig Fellows are men and women from diverse contexts who feel a calling to pastoral ministry or missions. They are growing in their love for Jesus Christ, are committed to helping others know him and his Word, and are eager to give their gifts and talents in service to the Kingdom. Pirsig Fellows are chosen in accordance with the following requirements and criteria:

Eligibility Requirements

Pirsig Fellows must exhibit the following characteristics:

- Completed bachelor's degree from an accredited college or university with a minimum GPA of 3.00/4.00 (students in the final year of their bachelor's degree are encouraged to apply)
- Acceptance in the Master of Divinity program (this fellowship is only available to new and transfer students)
- Ministry calling and gifting, pastoral ministry and missions preferred
- Love for the Church (global and local), compassion for people
- Growing in Christ-like character
- Demonstrated academic performance and commitment to completing the M.Div.

Other Relevant Selection Criteria

The following are taken into consideration when awarding Pirsig fellowships:

- **Diversity:** GRTS desires to be a diverse and reconciling community. Therefore, priority is given to building diversity into all cohorts. Candidates who believe they will contribute to that commitment are encouraged to apply.
- **Age:** The early years of one's career are pivotal for developing a long-term ministry. Therefore, priority is given to candidates 35 years and younger. Recent college graduates are encouraged to apply.
- **Financial need:** GRTS recognizes the high financial cost of education, especially for those who cannot expect their income to increase through work in ministry. Therefore, priority is given to those with limited financial resources.

COMMITMENT DURING SEMINARY

Pirsig Fellows affirm the following commitments:

- Maintain 3.0 cumulative GPA in seminary
- Complete the M.Div. in 5 years or less
- Participate in all fellowship enhancements
- Meet annually with Fellowship Director
- Encouraged to "give back" to the Pirsig Fellowship in the future (as the Lord leads)

ISRAEL STUDY TOUR

In addition to the traditional classes offered at GRTS, the Israel Study Tour provides a way for students to experience the land of the Bible first-hand. The Study Tour will combine extensive travel within Israel and the Palestinian territories, on-site exploration of archaeological remains, and a detailed study of the history, culture and geography of the region with an emphasis on illuminating the world of the Bible. The 10-12 day trip is led by GRTS professors in cooperation with our overseas partners and is held each J-term as the credit offering BBL-601: Experiencing the Ancient World of the Bible. The course (or on-campus alternative course BBL-506) is required for all Master of Divinity students who began their program since Fall 2013 and has been heavily subsidized for approved participants. The Study Tour is also open to students in other degree programs, as well as other family and friends of GRTS, though different costs apply. For further information about the Study Tour, see: cornerstone.edu/israel-study-tour.

THE HESSE MEMORIAL ARCHAEOLOGICAL LABORATORY

Located on the campus of Grand Rapids Theological Seminary at Cornerstone University in Grand Rapids, Mich., the Hesse Memorial Archaeological Laboratory exists to facilitate research, train students and serve as a platform for public outreach and education. It is named in honor of Prof. Brian Hesse (1944-2011) of The Pennsylvania State University, a pioneer in the application of “zoarchaeology” (the archaeology of animal bones) to the field of biblical archaeology and teacher, mentor, colleague and friend of the current lab director Dr. Jonathan S. Greer.

RESEARCH

Current research includes the analysis of a large collection of animal bone remains from the site of Tel Dan (<https://www.google.com/maps/@33.24786,35.650837,14z>) in northern Israel on loan from the Nelson Glueck School of Biblical Archaeology at the Hebrew Union College of Jerusalem (<http://www.ngsba.org/en/>). This analysis will be included in the final excavation volumes for the Tel Dan project currently being prepared and now benefits from collaboration with Dr. Elizabeth Arnold of Grand Valley State University, Department of Anthropology (<http://www.gvsu.edu/anthropology/dr-elizabeth-arnold-4.htm>).

TRAINING

Consistent with the commitment of Grand Rapids Theological Seminary to provide rigorous training not only in original language exegesis but also in the historical-cultural backgrounds of the Bible, the Hesse Memorial Lab is utilized for training students in methods of scientific archaeology, i.e., zoarchaeology.

Elective courses BBL600 Biblical Archaeology and BBL603 Methods and Archaeology are offered regularly as small group, hybrid, or independent study courses and utilize the lab extensively. The lab is equipped with appropriate manuals, scientific instruments (including a digital microscope and photography station), and an ever-growing reference collection of comparative faunal remains. The space has also provided a setting for pre-dig training for students participating in the excavations at Tel Dan in 2018. Dr. Greer serves as Associate Director for these excavations (<https://www.cornerstone.edu/grand-rapids-theological-seminary/academics/special-programs-certifications/2016-tel-dan-excavations>).

OUTREACH

The lab will also co-host public lectures on topics related to biblical archaeology that will be advertised on the website and elsewhere as events are finalized. The lab is also open for tours for interested public and private school groups and religious institutions. Please contact Dr. Greer to arrange a tour.

CURRICULAR PRIORITIES

HISTORICAL/GRAMMATICAL EXEGESIS

The Master of Divinity degree is the historical standard in academic preparation for both vocational ministry and advanced theological study. The program develops essential biblical competencies in leaders who must be skilled in interpreting Scripture. Because of this, GRTS requires three semesters of exegesis in both Hebrew and Greek, in addition to two semesters of basic instruction in each language. There are at least four reasons for this.

First, detailed and close scrutiny of the biblical text in the original languages offers the opportunity for greater interpretive accuracy. The flourishing of God’s people depends on them faithfully attending to what God has said. Ministers, therefore, must be skilled and accurate interpreters who can communicate God’s word to God’s people.

Second, the logic of God’s work in the world and the precise and varied contours of the gospel are communicated by the linguistic thought-forms and verbal expressions of biblical Hebrew and Greek. Skilled interpreters will pick up nuances of meaning and shades of expression that translations cannot capture. Because of this, skilled interpreters who know the languages can penetrate into the truth more effectively and communicate with greater freshness the hope held out in Scripture.

Third, translations into any language inevitably shape the biblical text to some extent according to the values, thought-forms, and worldviews of the receptor language. Skilled interpreters who know the languages have a greater opportunity to allow Scripture to critique contemporary cultural values and corrupted mindsets.

Fourth, God calls ministers to faithfully lead his people in the midst of cultural pressures and unanticipated challenges. These leaders need to have confidence that they have rightly understood what God has said and the promise to which he calls his people. Interpreting the biblical text by skillfully working in Hebrew and Greek offers a more strategic opportunity for ministers to faithfully fulfill God's call.

We affirm the excellent and essential work of translators and publishers of translations so that the Word of God is in the hands of as many people as possible. We also affirm the fruitful and God-blessed ministries of many diligent and God-honoring people who have not learned Hebrew and Greek. We remain strongly committed to training ministry practitioners who excel in interpretation of the Bible in the original languages.

CHRISTIAN WORLDVIEW

The faculty of Grand Rapids Theological Seminary is committed to a curriculum that places emphasis upon Christian Worldview formation rooted in biblical exegesis. We believe that effective ministry requires biblical and theological precision. We firmly believe that sloppy theology represents poor stewardship of truth and is often counter-productive in ministry.

At GRTS, students are taught to think according to the flow of redemptive history through the meta-narrative approach to theology: Creation–Fall–Redemption–Consummation. Consideration is first given to God's design at creation: What did God intend? After establishing the ideal, thought is given to the impact of human rebellion at the fall of man: What are the implications of the fall? Once rebellion, brokenness and incompleteness are considered, thought is given to the influence of Christ's redemptive work: How has Christ brought restoration? Finally, and with a spirit of anticipation, thought is given to God's plan for complete restoration: What will human existence be like without the presence of sin? This biblically-based pattern of thought serves as an invaluable guide for biblical and exegetical work and ministry practice. This meta-narrative approach to doing theology and ministry is embedded within a variety of GRTS courses, though the central focus is within the three-course sequence in Systematic Theology (THE-540, THE-640, THE-641) and the two-course sequence Theology for Counseling (THE-550, THE-551).

CHRISTIAN SPIRITUAL FORMATION

In Jesus Christ, God is restoring us to our original righteous orientation to God and renewing our relationships with others and with the earth itself. The Spirit of God is empowering God's people to grow in wholeness, to overcome sinful temptations, and to develop attitudes, behaviors, and social structures oriented by genuine fellowship with God and enjoyment of mutually genuine relationships with others. Christian spirituality, through Scripture, prayer and other spiritual disciplines restores our relationship with God, our fellow human beings, and the earth itself. Within the context of a faith community, we should explore and seek to creatively embody the attitudes, behaviors, social dynamics, and life patterns, which are appropriate for this process of reorientation. This requires identifying idolatry, attitudes, behaviors, and perverse social practices that embody self-destructive selfishness, and brokenness, and replacing them, by God's grace, with attitudes, behaviors, and social practices that honor God, serve others, and steward the earth. Nothing less is appropriate for those who follow Jesus Christ in their journey of being conformed to His image.

At GRTS, we seek to advance this biblically informed understanding of personal spiritual formation through the Bible and Theology core, and facilitate the habits, practices and soul-posture necessary for growth in faith in select Ministry courses and other programmatic structures. Our intentions in this area are evident across the entire curriculum (Bible/Theology/Ministries/Counseling) but most focused in the following areas:

- **MIN-500 Christian Spiritual Formation-** a required course that engages students in a biblical and historical overview of spiritual formation, a battery of personal assessments, a spiritual direction process, and culminates in the development of a personal growth plan.
- **MIN-543 Christian Formation in the Church-** a core course that fosters knowledge and competency to lead individuals and groups in the processes associated with spiritual formation within the context of the local church.
- **MIN-630 Small Group Ministries-** an elective course that engages students in a small group experience as a means to foster personal spiritual formation and to acquire the knowledge and skills necessary to lead others in small group ministry.
- **Ministerial Formation Enhancement in Spiritual Formation-** associated with the Pirsig Fellowship and Kern Scholars Program, this enhancement utilizes teaching and small group experiences to facilitate personal spiritual formation for future ministry leaders.

- **GRTS Chapel-** a weekly gathering of the GRTS community to worship and praise God and to fellowship with one another.
- **Ministry Residency-** a core requirement (four semesters) for all Master of Divinity and MA Christian Formation students in which progress in personal spiritual formation is assessed and further cultivated.
- **Mid-Point and Exit Assessments-** personal spiritual formation is an important consideration in determining whether a student is making “sufficient progress” in “readiness for ministry” which occurs at the mid-point and end of the program.

LEADERSHIP FORMATION

The faculty of Grand Rapids Theological Seminary is also committed to a curriculum that places emphasis upon leadership formation. We embrace a biblically-based servant-leader model of leadership. Pastors and others engaged in vocational ministry must be, first and foremost, humble servants. At the same time, they are called upon to render a stewardship of biblical and theological truth, of persons and groups of persons, and of church or parachurch organizations. Such a calling requires specialized competencies in theological leadership and organizational leadership. The curriculum of GRTS provides opportunity for the development of these necessary competencies through an extensive series of courses in biblical exegesis and systematic theology, and through the Ministry Leadership Core of the Master of Divinity. Students are further encouraged to develop these needed competencies while in seminary through required ministry involvement, and through various required ministry residencies, practicums and internships.

CULTURAL EXEGESIS AND MULTICULTURAL COMPETENCY

Individuals, families, communities and organizations possess complex and varied narratives that are deeply embedded. Effectiveness in ministry requires the skills of cultural exegesis and multicultural sensitivity, which means that ministry leaders must be able to make meaning of the narratives of individuals and communities, and to do so with knowledge, respect and honor. The curriculum

at Grand Rapids Theological Seminary attends to these important areas. For the Master of Divinity and Master of Christian Formation degree programs, students complete a number of case study assignment across the curriculum using the GRTS Ministerial Model. This model aids the ministry leader in making meaning of complex problems from a number of perspectives, including the perspective of culture and context. In addition, students complete assessments and process the results for self-awareness and vocational fit (MIN-500 Christian Spiritual Formation) and cultural intelligence (MIN-560 Global Impact) as a means to facilitate growth in these vital areas. For the Master of Arts in Counseling degree program, competency in multicultural counseling is facilitated across the entirety of the core curriculum but most prominent in COU-525 Multicultural Counseling. In addition, the Intercultural Studies Lecture Series offers an opportunity for all GRTS students to engage with Christian leaders and scholars from diverse backgrounds.

CONTEXTUAL LEARNING

A common element of the various GRTS degree programs is the high value placed on fostering student growth and development within authentic vocational contexts: contextual learning. A large majority of students enrolled at Grand Rapids Theological Seminary are engaged in, or aspire to be engaged in, local church ministry, parachurch ministry or one of the many vocational expressions of the counseling profession. Therefore, it is vital that our students develop the applied skills necessary for effective vocational service in these contexts. For the Master of Divinity and Master of Christian Formation degree programs, Ministry Residency (8 credits over four semesters) provides applied learning within a ministry context under the mentorship and supervision of a qualified and experienced local church or parachurch ministry leader. For the Master of Arts in Counseling degree program, students are mentored by a licensed professional counselor, develop primary counseling skills, and form professional identity within a professional counseling setting via the Practicum (3 credits) and two Internships (6 credits).

MASTER OF DIVINITY

The Master of Divinity degree is recognized as the historical standard in academic preparation for both vocational ministry and advanced theological study. This particular program is designed to develop essential biblical and theological competencies for ministry leadership in congregations, as well as other ministry contexts. Those interested in building a foundation for advanced study may also find the Master of Divinity an attractive option. The program consists of 94 semester hours which emphasize the study and interpretation of the Scriptures in the original languages, breadth in the disciplines of theology, and the development of essential ministry competencies. The program has been designed around a core of basic biblical and theological studies, a ministry leadership core, ministry specialization courses and eight semester hours of ministry residency. Applicants for the Master of Divinity degree program should possess a minimum 2.5 cumulative undergraduate grade point average from an accredited baccalaureate institution. Applicants not meeting this standard may be considered for probationary admission. For students planning to enroll full time, the table below provides a detailed and specific curricular path. Those intending part-time enrollment will find valuable insights from this information for planning your ideal course sequencing.

EXEGETICAL/BIBLICAL THEOLOGY

The Bible Division of Grand Rapids Theological Seminary is committed to the fundamental importance of Scripture in ministry. Pastors, missionaries, educators and other Christian workers must be able to interpret and apply Scripture for effective ministry in the modern world.

The Old Testament and New Testament departments offer courses in the background, languages, books and themes of the Bible. The objective of these courses is to develop a methodology for lifelong biblical study. Seminary studies are an introduction to the disciplines that are necessary for exegetically accurate and culturally relevant Bible exposition. Therefore, the exegetical/biblical theology courses provide the formative tools and skills students will need for ministry. The student must sharpen these tools and skills through continued study and ministry beyond seminary.

HISTORICAL/SYSTEMATIC/ PHILOSOPHICAL/MORAL THEOLOGY

Building on the foundation of exegesis and biblical theology on the one hand and the context of the proclamation of the Gospel to the whole world on the other, the courses in this department aim at integration and wholeness. This division serves the other divisions by reminding them of the total context of the Bible as developed by God's people in the history of the church and in contemporary cultures. This task is accomplished in historical, systematic, moral and philosophical theology.

Historical Theology

This department emphasizes the history of Christian thought rather than institutional history. The focus is upon the church struggling with the meaning of Scripture and defending itself against attack by means of an increasingly full and accurate statement of theological truth as it proclaims the Gospel in worship, prayer and witness. These courses address post-canonical Christian thought. The leading thinkers, documents, ideas and movements are examined in their historical context. Students gain an understanding of their Christian heritage and evaluate examples of theology in historical and cultural contexts.

Systematic Theology

Building upon exegetical theology, biblical theology and historical theology, systematic theology aims at a logical synthesis of the major themes of the Bible in the context and language of contemporary cultures. The systematic theology sequence confronts the student with theological methodology and the content and interrelationships of the individual doctrines. It is fundamental to the rest of the theological curriculum. Ideally, students who have not previously taken formal biblical courses should take BBL-501 Biblical Hermeneutics and BBL-508 Biblical Theology before taking the systematic theology sequence. Students who have completed upper level systematic theology in college may, with the approval of the departmental chairman, be permitted to move directly into the theology seminars.

Moral and Philosophical Theology

Moral Theology is a logical and coherent synthesis of the imperative statements of the Bible on the foundation of systematic theology. These courses aim to present a biblical alternative to legalism, antinomianism and natural theology.

Philosophy has a significant contribution to make to the Christian thinker. It tests and challenges confused and inconsistent theological thought, and it forces theology toward precision and consistency. It provides language to express theology. It drives

theology toward the wholeness of a Christian worldview.

By approval of the Dean, a maximum of 50 percent of the particular degree program requirements may be fulfilled through transfer credit. See paragraph on “Transfer of Credit” on page 73 for more information.

Readmission

Any former student who has not been enrolled for one semester or more must apply for readmission. The application for readmission should be submitted at least 30 days prior to the opening date of the semester enrollment. Official academic transcripts of all studies that have been completed in the interval must be submitted. Updated reference forms may also be required. Any student who has not been enrolled for more than 3 academic semesters will be required to submit a full application with all necessary supporting documents.

Non-Degree Enrollment

Grand Rapids Theological Seminary permits the enrollment of students seeking advanced education in Bible, theology, counseling or ministry, without a specific degree objective. These students are required to complete a Non-Degree Application, submit official academic transcripts from all previous undergraduate and graduate schools, and sign a general statement of Christian faith. Non-Degree students who possess an accredited undergraduate degree may take courses for graduate credit, while those without a baccalaureate degree will be limited to enrollment by audit. A maximum of 12 credits achieved under the Non-Degree enrollment status can be utilized in fulfillment of the requirements for a specific degree program.

Guest Students

GRTS welcomes guest students from other institutions for limited enrollment. A Non-Degree/

Guest Application with authorization from the home institution is required for admission. It is the applicant’s responsibility to ensure that the home institution will accept the transfer credits. Upon the completion of a given course, an academic transcript can be requested from the Registrar’s Office for the transfer of credits to the home institution.

ADMISSION STATUS

Full Admission

An applicant is given full admission to Grand Rapids Theological Seminary when the criteria for application and admission have been fulfilled. Applicants are notified concerning full admission on a rolling basis throughout the year.

In some cases, students can be admitted pending receipt of official documentation to complete their application file. The student’s admission status is complete when all documentation arrives at the Seminary Admissions Office and meets all admission and degree program standards. The University reserves the right to reverse an admission decision if the documentation is inconsistent or the admission and degree program standards are not fully met.

Conditional Admission

A limited number of students whose cumulative undergraduate grade point average does not meet the minimum degree program admission standard (2.5/4.0) may be granted conditional acceptance upon the recommendation of the GRTS Admissions Committee. In such cases, the conditions of the conditional acceptance and terms for the removal of this status will be provided to the student in writing during the admission process and monitored by the Academic Office. Students enrolled on a conditional admission basis will be limited to a maximum of nine hours per semester. Those students admitted on a conditional admission basis must achieve a minimum 2.5 grade point average. See the section “Academic Probation, Suspension and Dismissal” on page 65 for more information.

REGISTRATION

The registration process provides seminary students with the opportunity to meet with their faculty advisor, to select and register online for courses in the upcoming enrollment period, and to plan how they will complete the remaining requirements of their particular degree program. For continuing students, online course registration occurs each semester on the published dates (see “Academic Calendar”). The Seminary Admissions Office staff will assist new students in course selection and registration during their initial period of enrollment.

Once registered, each student will receive a tuition bill. Each student should then settle his or her financial obligations by doing one of the following: paying in full at the Cornerstone University Accounting and Finance Office, partially paying

according to the payment plan or coordinating financial arrangements with the Cornerstone University Student Financial Services Office. Students will be permitted to attend classes when course registration and financial balances have been finalized.

NEW STUDENT ORIENTATION

At the beginning of each fall and spring semester, the Admissions Office hosts New Student Orientation for all first-time students. This orientation provides students the opportunity to meet staff, faculty, and students, and to gain information about campus technology resources, student identification cards, and more. Each student will also be able to meet with his or her faculty advisor individually. Every student should attend orientation in order to make the start of his or her seminary experience as smooth as possible. Please contact the Admissions Office for details. The Admissions Office will work with students beginning in the J-term or summer sessions to complete the orientation process. There will also be an orientation tailored for students starting in online classes.

INTERNATIONAL STUDENTS

Grand Rapids Theological Seminary values the presence and contribution of students from the various cultures, countries and continents of the world. In an effort to improve our service to international students and to facilitate a smooth transition, international students are encouraged to begin their degree programs in the fall semester, which begins in September.

Application Process

1. Pre-Application – Complete the pre-application form and submit it to the GRTS Admissions Office. After GRTS receives and approves your pre-application form, you will be prompted to continue the application process.
2. Official Application – Once your pre-application form has been approved, complete the official application for admission and all supporting documents including:
 - a. Ministry Reference
 - b. Personal Reference
 - c. Seminary Scholarship Application – all international students will be considered for the Timothy Scholarship, which would cover a portion of your costs.
 - d. Certification of Finances Form – This form will serve as evidence of financial support for the duration of your degree program. You will also need to submit letters of support from each group or individual that will provide financial assistance. Each supporter will need to submit 3 months worth of bank statements demonstrating their ability to meet their commitment. Bank statements should be from the three most recent months.

e. Transcripts – Official transcripts must be sent directly from your undergraduate institution to GRTS. Transcript equivalency will be determined by GRTS. GRTS may require students to submit transcripts from outside the United States to Educational Credential Evaluators (ECE) for a comparison to U.S. standards. A course evaluation may be required.

f. English Language Proficiency: GRTS accepts scores from TOEFL or IELTS. TOEFL – International students who are not lifetime residents of Australia, Canada (other than Quebec), Ireland, New Zealand, United Kingdom, or the United States (other than Puerto Rico) are required to demonstrate their proficiency with the English language by submitting TOEFL (Test of English as a Foreign Language) scores taken within one year of the admission application date. GRTS requires a minimum TOEFL score of 577 written, 90 internet based, or 233 computer based for admission. Information about the TOEFL may be obtained from <http://www.ets.org/toefl>. The Grand Rapids Theological Seminary TOEFL institution code is 1253.

International students can choose to submit IELTS (International English Language Testing System) scores instead of a TOEFL score. GRTS requires a minimum score of Band 7 for admission. Information about the IELTS test may be obtained from www.ielts.org.

3. Registration – After you have been accepted to GRTS, the admissions staff will register you for classes (provided registration has begun).
4. Tuition Deposit – Once you have been accepted for admission, you will be required to send a tuition deposit of at least the cost of your first semester's tuition and fees. This will be approximately \$6,000 for the 2017-2018 academic year. If for any reason you do not enroll as planned, all of the funds will be returned to you and your supporters immediately.
5. Student Visa – After receiving your tuition deposit, we will send you a Certificate of Eligibility for Non-immigrant Student Status. This form is more commonly called the I-20. You will then apply for your student visa at your country's consulate office. You will also need to take the following to the consulate:
 - a. A valid passport – must be valid for a period that extends six months past the last date you expect to be in the USA (which will be your expected date of graduation).

You should plan to attend New Student Orientation on Tuesday, Sept. 5, 2017.

Employment

International students are allowed to apply for on-campus jobs when available. Students will not be able to work more than a total of 20 hours per week (even if employed in more than one job) and will only be allowed to work if they will not displace a U.S. citizen according to U.S. ICE regulations. STATEMENT OF FAITH AND LIFESTYLE

Grand Rapids Theological Seminary seeks applicants who demonstrate commitment to Christ who can affirm the foundational doctrinal statement of Cornerstone University as expressed in the Cornerstone Confession. The Confession expresses our commitment to the key teachings of Scripture as interpreted through the ecumenical creeds of the early church, the chief insights of the Reformation and evangelical Christianity.

We believe in one sovereign, omnipotent, and fully omniscient God who eternally exists in three persons—Father, Son, and Holy Spirit—who in love and for his glory created all things out of nothing and pronounced them good.

We believe that God has revealed himself in the sixty-six canonical books of Scripture, which are verbally inspired, truth without error, and serve as our final authority in faith and life. They lead us to Jesus Christ, who shows us the Father, and rightly interpreted, they enable us to understand God's revelation in humanity, nature, and history.

We believe that God directly created Adam and Eve, the historical parents of the human race, distinct from the rest of creation in their bearing of God's image and their stewardship over creation. Their union as man and woman models God's design for marriage and perpetually stands as God's loving and righteous will for all sexual intimacy.

We believe that our first parents forfeited their original righteousness when they succumbed to Satan's temptation and rebelled against God's revealed will. As a result, every human is born in sin, leaving us totally depraved, alienated from God, and destined to spiritual and physical death. As such, our sinful ways have corrupted God's creation, resulting in discord to society and nature.

We believe that God's plan to redeem fallen humanity and renew creation flows through his promises to the Jewish people. God's promises to Abraham and David are fulfilled in Jesus, the mediator of the New Covenant.

We believe that the Son of God, while fully divine, became fully human through the virgin birth to save the world from sin. Living a sinless life in perfect obedience to His Father, Jesus proclaimed God's reign in word and deed. In his mercy he atoned for our sins by dying in our place. Having satisfied the just wrath of God on our behalf, he rose bodily and triumphantly over sin, death, and Satan. He then ascended to heaven, sent his Spirit to lead and empower his church, and is seated at the Father's right hand where he reigns and intercedes for His people.

We believe that the Holy Spirit descended at Pentecost to establish the church; that he uses the Word of God to give new life to those who repent of their sin and believe in Christ; and that all who by faith alone receive Christ's finished work are by God's grace united with Christ, justified by his shed blood, adopted into the family of God, forgiven of all their sin, indwelt and gifted by the Spirit, and added to the church.

We believe that the one, holy, and universal church is the body and bride of Christ. The church gathers in local assemblies to worship God and celebrate the gospel through the preaching of the Word, baptism, the Lord's Supper, prayer, and fellowship. It disperses to proclaim the gospel to a sinful world which must hear the good news of Jesus Christ in order to be saved. The church makes disciples of Jesus who, through persevering faith, embody the kingdom values of righteousness, peace, and joy. By loving God, serving others, and caring for creation, they anticipate the redemption of all things at Christ's return.

We believe that our Lord Jesus Christ will personally and gloriously return to deliver this world from Satan's rule and bring his reign to its ultimate fruition. Jesus will raise the dead to stand with the living before his judgment throne where he will determine the final state of humanity. The lost will experience everlasting conscious separation from God as the just punishment for their sin, and the redeemed will be welcomed into the unhindered joy of everlasting fellowship with him.

Students, by virtue of their enrollment, agree to live within the framework of the school's standards of conduct. While some may not have personal convictions concerning all of these standards, agreeing to them obligates the student to assume responsibility for honorable adherence to them while enrolled at the seminary. It should, of course, be understood that any behavior, either on campus or away, which indicates that a student has disregard for the spirit of the school's standards would be sufficient reason to ask him/her to withdraw from the school.

Students of Grand Rapids Theological Seminary, agree to:

1. Honor biblical teaching in order to maintain a right relationship with God, people, and creation. Exhibit integrity in academic pursuits, professional work, personal finances and relationships.
2. Practice discernment in the areas of media and entertainment. Avoid behaviors clearly prohibited in Scripture including but not limited to drunkenness, immoral sexual behavior, lying, and stealing.
3. Support Cornerstone University's commitment to maintain an alcohol-free and tobacco-free campus. This means that the consumption of alcohol or use of tobacco will be prohibited in, on, and around all campus properties and at University events. Due to the public and personal health hazards posed by tobacco, students shall avoid the habitual use of tobacco.
4. Actively participate in a local evangelical church.

FINANCIAL AID

Grand Rapids Theological Seminary provides financial aid to students who can benefit from further education but cannot do so without assistance. GRTS also seeks to recognize students with exceptional abilities in the areas of academics, leadership and ministry enactment. It is important to keep in mind that the primary responsibility for financing a graduate theological education rests with the student. The Cornerstone University Student Financial Services Office, along with the Seminary Admissions Office, is committed to assisting students in receiving the maximum amount of financial assistance for which they qualify under federal and institutional programs.

Students enrolled in five or more credit hours per fall or spring semester are eligible to apply for institutional grants, scholarships and loans. Students seeking consideration for grants, scholarships and loans must file the Seminary Scholarship Application and the Free Application for Federal Student Aid (FAFSA)

on an annual basis. Cornerstone University's code is 002266. Priority consideration for awards is granted on an annual basis to those who apply by March 31 for the fall semester and November 15 for the spring semester. FAFSA applications can be submitted online at: www.fafsa.ed.gov.

It is important that all requested information for institutional and federal aid is submitted in a complete and timely manner. Failure to do so will create delays. Once all requested information is received, the Student Financial Services staff will conduct an evaluation of the file and determine the student's eligibility for gift aid and federal loan eligibility. Notification is sent to students informing them of their awards.

Conditions for the receipt of an institutional endowed or restricted scholarship include attendance at the Legacy Dinner and the writing of thank-you notes to the donor or donor representatives. Further details will be provided to scholarship recipients.

Enrollment Status

A student's enrollment status is used for determining federal eligibility and for reporting enrollment information for loan deferment eligibility, insurance eligibility, etc.

Institutional financial aid is calculated based on a financial aid enrollment level rather than the official full-time/part-time enrollment status. Contact the Student Financial Services office for more information regarding these levels.

Enrollment status for state and federal aid eligibility is as follows:

Program	Full-Time	Half-Time
GRTS	9	5
Th.M.	8	4

Students receiving financial aid who withdraw from the institution during the semester may be required to return a portion of the aid to the appropriate programs. A calculation will be made based on the student's withdrawal date to see what portion of the financial aid must be returned. Students may request a copy of the refund and repayment policy from the Student Financial Services Office.

Federal Title IV Aid

If a student withdraws before completing 60 percent of the semester or period of enrollment, the institution must determine the percentage of Title IV assistance the student has earned. The percent earned is determined by dividing the total number of calendar days in the semester into the number of calendar days completed as of the withdrawal date. Any unearned amount must be returned to the Title IV program(s).

Institutional Aid

Institutional financial aid is reduced by the percent of the tuition and fees originally covered by the institutional aid. The student may retain an amount equal to the percent of the actual tuition and fees charged based on the withdrawal date. The remaining amount must be returned to the institutional programs.

SAP and all related criteria are evaluated at the end of each academic term.

All regularly accepted and continuing students who do not meet either/or both of the above requirements will be placed on financial aid warning. After a semester on financial aid warning, students still not meeting the criteria will have their financial aid suspended.

If a student suffers unusual circumstances and would like to appeal the financial aid suspension, he/she must submit to the Academic Dean a written explanation regarding noncompliance with these criteria. The Academic Dean will then determine the academic status of the student. If it is determined that the student is making SAP, the student will be placed on financial aid probation. The Student Financial Services office will then consider eligibility for financial aid based upon the availability of funds and financial need.

Repeated Courses

Federal rules allow a student to receive federal aid for a course more than once as long as it is not a result of more than one repetition of a previously passed course or any repetition of a previously passed course due to the student failing other coursework. A repeated course will be counted towards the 150% maximum time frame.

Please contact the Student Financial Services Office for a complete copy of the SAP policy.

GENERAL INFORMATION

Verification Process

Verification is a process whereby the validity of the data reported on the FAFSA is confirmed through the submission and review of specific documents. If the student is selected for verification, aid will not be awarded until the process is completed.

Federal Student Loan Deferment

Deferment of Federal Student Loans is available to most students enrolled for degree seeking graduate study. Approval of a Federal Student Loan deferment will necessitate student enrollment of at least five credits per semester (classified as at least half-time). The Federal Student Loan Deferment Form should be processed through the Cornerstone University Registrar's Office. The loan deferment form cannot be certified by the Registrar's Office until after the student has begun classes.

Veterans' Benefits

Grand Rapids Theological Seminary cooperates with the U.S. Department of Veterans Affairs in processing benefits for the education of honorably discharged service members. Veterans who wish to use the benefits should apply at www.va.gov. After submitting the application to the VA, students need to complete the VA Benefit Form that can be obtained from the Student Financial Services office or online. The grade point average of veterans will be monitored at the end of each semester. Veterans who are placed on academic probation and fail to come off probation within two additional semesters will be reported to the Department of Veterans Affairs. This action may result in termination of benefits by the Department of Veterans Affairs. If benefits are terminated, the veteran may reapply to the seminary for reinstatement of the benefits after the probationary status has been removed. Veterans entering as transfer students will be provided a written statement of the number of credits accepted in transfer and the number of required credits remaining to complete the program. The Cornerstone University Student Financial Services Office will also provide a copy of this information to the Department of Veterans Affairs. This information will be provided to the student prior to submission of the enrollment certification for veterans' benefits and will be based on the student's stated educational goals. This transfer credit evaluation may be subject to change should the student decide to change degree program or major/concentration.

ACADEMIC POLICIES

ACADEMIC INTEGRITY

Cornerstone University and Grand Rapids Theological Seminary are committed to a high standard of academic honesty and integrity among its students. Academic integrity is absolutely necessary in the search for and advancement of truth. Dishonesty in any form (i.e. cheating on examinations or quizzes, plagiarism on papers, reports or thesis, and all other forms of compromise in academic integrity) is not acceptable. Plagiarism includes using another person's words or ideas and passing them off as your own. Self-plagiarism, "double dipping" and duplicate publication (using your own work in duplicate contexts without citation of the previous use) is also prohibited. Penalties for academic dishonesty will be administered according to the following:

First offense - The penalty for first offense academic integrity violation includes failure in the course assignment or failure in the course; enrollment limitation; and academic probation for one academic year. Penalties are imposed by the individual faculty member and the academic dean. Continuing enrollment following such violation requires a letter acknowledging that one understands what constitutes an academic integrity violation, taking full responsibility for the present offense and pledging to avoid such conduct in the future. A meeting with the course professor and academic dean is also required.

Second offense - The penalty for second offense academic integrity violation includes failure in the course and suspension from program for one academic year. Penalties for second offense violations are imposed by the individual faculty member and academic dean. Readmission following a second offense violation requires a letter acknowledging that one understands what constitutes an academic integrity violation, taking full responsibility for the present offense and pledging to avoid such conduct in the future. Readmission will also require a meeting with the GRTS admissions committee and the meeting of all conditions stipulated in the letter of suspension. No coursework, internships or field education completed at other institutions during the period of suspension may be transferred to GRTS for credit or used to fulfill GRTS degree program requirements.

Third offense - The penalty for third offense academic integrity violation includes failure in the course and permanent suspension from program. Penalties for third offense violations are imposed by the individual faculty member and academic dean.

Students seeking to appeal academic integrity disciplinary decisions should consult and employ the policies and processes outlined in the GRTS Academic Catalog under the heading "Student Appeal Process."

ACADEMIC PROBATION, SUSPENSION, AND DISMISSAL

Any student who does not achieve the minimum required cumulative grade point average of 2.50 after attempting nine credits will be placed on academic probation. Students placed on academic probation will be notified in writing immediately following the determination, usually at the close of an academic semester. Students on academic probation will not be allowed to enroll in more than six credits per semester, will not be allowed to enroll in distance education or independent study courses, and may be required to take remedial courses or work with an academic tutor. Probation is not designed to punish students, but rather to serve as an indication to students that they are not progressing at a satisfactory rate towards graduation.

Students who, after one semester of academic probation, fail to achieve the minimum required cumulative grade point average of 2.50 will be academically suspended. Students placed on suspension will be notified of such action in writing immediately following the determination. Academic suspension means that the student will not be permitted to enroll in courses on a credit or audit basis throughout the duration of the suspension. Students on suspension may be considered for readmission after one semester. Readmission of suspended students will require the approval of the admissions committee. In addition, any student suspended for a second time will be dismissed from Grand Rapids Theological Seminary with no option for future enrollment. Student appeals concerning academic probation, suspension and dismissal should be put in writing to the attention of the GRTS academic appeals committee within 5 days of the date of notification of probation, suspension or dismissal. The judgment will be rendered within 10 business days of receipt of the appeal. The response to the appeal will be in writing and all judgments of the academic appeals committee are final.

ACADEMIC TRANSCRIPTS

The academic records of Cornerstone University students and alumni, including the students and alumni of Grand Rapids Theological Seminary, are maintained at the CU Registrar's Office. Requests for official transcripts should be directed through the National Student Clearinghouse. Instructions are located on the Registrar's page of the CU website. Enter "transcript" in the search box on the main website. Requests can also be made in person using cash or personal checks directly through the Registrar's Office.

ACADEMIC TUTORING

Academic tutoring is available on a limited basis to students in need of academic assistance. Students struggling with the academic demands of the courses at GRTS should first communicate with their professors and academic advisor. Professors can then make a referral to the Associate Dean for the student to receive tutoring. The student will receive a letter from the Associate Dean advising them to contact the appropriate tutor to schedule sessions. Students on probationary status due to academic performance will be assigned an academic tutor and encouraged to take full advantage of this valuable resource. Tutors are upper level GRTS students who have excelled in coursework, possess the appropriate disciplinary expertise, and demonstrate the relational gifts essential to the task of tutoring.

ADVANCED STANDING

Advanced standing credit is available to new students for certain undergraduate courses completed within 10 years prior to graduation at GRTS. These courses must be completed at regionally accredited institutions, institutions accredited by the Association of Biblical Higher Education, and other institutions approved by Cornerstone University. In keeping with accrediting standards (The Association of Theological Schools), GRTS limits advanced standing credits to 1/4th of the graduate degree program. Consideration for advanced standing credit is limited to 300/400 level undergraduate courses in which a grade of "B" (3.0) or better was achieved in an equivalent course. Evaluative judgment for advanced standing is made on the basis of examination in the content area or by assessment of a relevant sample of student work. New students have one calendar year from their original matriculation date at GRTS to apply for advanced standing credit. Credits granted by advanced standing will appear on the student's academic transcript and contribute to program completion, but will not be included in the student's cumulative grade point average calculation.

At GRTS, advanced standing is assessed and administered by two means. First, the granting of advanced standing credit is determined by way of examination. The GRTS faculty has identified

a select grouping of courses for which advanced standing by examination is permitted. Advanced standing exams will be offered at the beginning of each semester. Faculty member approval is required to sit for an advanced standing exam. New students are encouraged to work with an admissions representative to coordinate this process. A non-refundable \$50.00 fee, payable to GRTS prior to taking the advanced standing exam, is charged for each exam administered. All advanced standing exams will be graded on a pass/fail basis. Students are limited to one attempt on any given exam.

Second, the granting of advanced standing credit is also determined by assessment of sample student work from the relevant undergraduate course. In these cases, students are responsible to provide the GRTS professor with a copy of the undergraduate course syllabus and all course related assignments, submitting an electronic copy of documents wherever these are available. In turn, the professor will review the sample student work to assess student knowledge and competency in the given content area based on parity in content and methods with the seminary course for which advanced standing is sought. Students are encouraged to work with an admissions representative to coordinate this process. A non-refundable \$50.00 fee, payable to GRTS prior to the completion of the advanced standing assessment, is charged for each assessment administered. All advanced standing assessments will be graded on a pass/fail basis.

ATTENDANCE

Students are expected to attend all class sessions. For full-block courses, courses meeting one time per week, a maximum of one absence will be allowed without grade implication for work conflicts, sickness, scheduling conflicts and all other reasons. For split-block courses, courses meeting twice per week, two absences will be allowed without grade implication. Exceeding the allowable absences noted above carries grading implications according to the chart below. Students should communicate with the course professor concerning anticipated absences (planned or unplanned) in advance of the session in which the student will be absent. Three tardies will equal one absence. After 15 minutes, it is regarded as an absence. Individual professors may implement an alternative attendance policy within their courses. When the attendance policy embedded within a given course syllabus differs from the institutional attendance policy, the policy listed within the given syllabus is authoritative.

Full-Block (meet once per week)

- 1 absence - no grade reduction for course
- 2 absences - 1 letter grade reduction for course
- 3 absences - 2 letter grade reduction for course
- 4 absences - "F" course letter grade

Split-block (meet twice per week)

1-2 absences - no grade reduction for course
 3-4 absences - 1 letter grade reduction for course
 5-6 absences - 2 letter grade reduction for course
 7 absences - "F" course letter grade

AUDIT POLICY

Course audits are available for those seeking to obtain course content without course credit towards a degree. Course audits are permitted under certain conditions and with specific expectations. Certain courses may require professor approval prior to enrollment. The extent of participation in the given course by an auditing student should be arranged in advance with the course professor. In the event that a course reaches capacity, an auditing student may be removed from the course to accommodate a credit-seeking student. GRTS reserves the right to limit audit students' course participation or remove an audit student from a course. Students may not audit online courses. The cost to audit a 3-credit course is \$99 (\$33 per credit hour). A course may be changed from audit to credit or credit to audit during the drop/add period only (first week of semester). Courses taken for audit cannot be taken for credit at a later date. Those seeking to audit a course should submit a non-degree seeking application through the GRTS Admissions Office.

CALENDAR

The academic year corresponds with the following schedule:

Fall Semester - Begins in early September & ends in mid-December.

J-Term - Occurs during the second and third weeks of January.

Spring Semester - Begins the third week of January and ends late April or early May.

Summer Semester - May, June, July and August

See "Academic Calendar" in *Academic Catalog* for complete academic schedule.

Students seeking to change degree programs (e.g., M.Div. to the M.A. or vice versa) or concentration must secure prior approval from their academic advisor and the academic dean. The Change of Degree form is available at the GRTS office.

CLASSIFICATION OF STUDENTS

Students are officially classified in accordance with the semester hours of credit they have earned as follows:

COURSE SCHEDULING

All GRTS students are responsible for the development of their own course schedules and should monitor the progressive fulfillment of program requirements. Faculty advisors are available to assist in answering questions and providing informed insight into the various scheduling options. Appointments with faculty advisors can be scheduled through the seminary office or by emailing the advisor directly. Course schedules for Summer and Fall semesters will be available in February, since registration for these enrollment periods occurs in early March. Course schedules for Spring semester will be available in September, since registration for this enrollment period occurs in late October. Course planners are available at the Admissions office to aid students in program planning. GRTS course schedules are distributed to GRTS students in advance of registration and are available on the university website (see Registrar's Office).

COURSE WAIVER

In order to preclude repetition of previously mastered material, students may apply to waive such a course and replace it with another course. Approval for course waiver is granted by the professor who teaches the duplicate course and by the academic dean. Waivers are processed electronically by faculty as Academic Policy Exceptions (APE's).

DISTANCE EDUCATION

Grand Rapids Theological Seminary limits the use of online/distance education courses to a maximum of eight courses per degree (excludes Ministry Residency I-IV, Counseling Practicum, and Counseling Internship I and Counseling Internship II). For purposes of distinguishing resident courses from online/distance education courses, resident courses require at least 51 percent of the instructor driven learning (20.5 hours for a 3 credit course) to occur in situations where both faculty and students are in person on the main school's campus or approved extension.

DROP/ADD

Courses may be dropped or added without penalty during the first week of classes. After the first week of classes, courses cannot be added and refunds for courses dropped will be calculated using the chart listed under “Withdrawal Refunds.” In regards to course drops, courses will be treated as follows on the student’s official record:

FINAL EXAMS

The Cornerstone University Registrar develops, publishes, and distributes semester exam schedules several months in advance of the exam dates.

Students are obligated to attend the exam sessions as published. No exceptions will be made to the published dates, times, and locations. This is a University wide policy that is strictly enforced.

GRADUATION

All senior level students are required to file an Application for Graduation by November 1 (for December, May and August graduations). Eligibility for graduation necessitates the completion of all degree specific requirements as outlined in the GRTS Academic Catalog. In fulfillment of degree program requirements, graduates are expected to participate in the commencement exercise, which occurs each year during early May. Approval to participate in commencement exercises prior to the completion of all degree requirements is rare, and requires the approval of the academic dean based on a written request. Such approvals will be limited to six credits or less of outstanding work, substantial rationale for early participation, a plan to complete the work within the next enrollment period, and cannot include an outstanding practicum, internship, ministry residency or thesis. Appeals to waive participation in the commencement exercise must be submitted to the Academic Dean by March 1. Three official graduation dates occur each year: December, May and August.

GREEK & HEBREW COMPETENCY EXAM

For entering students who have completed a minimum of one year of Greek and/or Hebrew language studies at the undergraduate level and desire to proceed into BBL-672 or BBL-640, language competency must be demonstrated by the satisfactory completion of the Greek and/or Hebrew Competency Exam. Students who successfully complete the particular competency exam will be given permission to proceed into BBL-672 and/or BBL-640, and granted advanced standing credit. Cornerstone University graduates who successfully complete the entire undergraduate Greek and/or Hebrew language sequence (B or better in each course), and immediately proceed into GRTS, are exempt from the Competency Exam Requirement but must complete and submit the Advanced Standing Application.

The Greek and/or Hebrew Competency Exam is also required for entering GRTS students seeking transfer credits and authorization to proceed into the first course of the Old Testament and/or New Testament sequence (i.e., BBL-672 and/or BBL-640) in any of the following instances: when the source of the transfer credits is a non-ATS school; the graduate courses are not comparable to BBL-510/BBL-511 and/or BBL-516/BBL-517; the grades achieved are below the required B grade; or the graduate language courses were not completed within the previous two years. In such cases, the student is required to complete the appropriate GRTS Competency Exam before the transfer credits will be processed and authorization granted to proceed into the first course of the sequence.

Unsatisfactory completion of the GRTS Competency Exam requires completion of BBL-510/BBL-511 and/or BBL-516/BBL-517 at GRTS, and results in the denial of the Greek and/or Hebrew language advanced standing or transfer credit. Greek and Hebrew competency exams are administered during New Student Orientation in the fall and spring. Those students interested and required to sit for one of these exams must complete and submit the Greek and Hebrew Competency Exam/Advanced Standing Application, which can be secured through the GRTS Admissions Office.

HEBREW AND GREEK LANGUAGE COMPETENCY

Students enrolled in Greek language studies with the intent of proceeding into the subsequent exegetical sequence (i.e., BBL-672, BBL-677, and BBL-678) must achieve a grade of "C" or better in BBL-511 Greek II

in order to advance into BBL-672 New Testament Studies I. Similarly, students enrolled in Hebrew language studies with the intent of proceeding into the subsequent exegetical sequence (i.e., BBL-640, BBL-641, and BBL-642) must achieve a grade of “C” or better in BBL-517 Hebrew II in order to advance into BBL-640 Old Testament Studies I. The Bible faculty reserves the right to make exceptions to this policy via the Academic Policy Exception process based upon student competency demonstrated through the administration of the respective Greek or Hebrew competency exam.

INCLUSIVE LANGUAGE

As a commitment to honor God’s image in all people, GRTS is committed to being a community that uses inclusive language with reference to all people regardless of gender, nationality, culture, social class or religion. With these commitments in mind, the seminary’s inclusive language policy is as follows:

Persons in the community are expected to use inclusive language with reference to human beings in the conduct of courses, fulfillment of course assignments and patterns of communication in all facets of the work of the seminary. This means avoiding language that is explicitly or implicitly racist or sexist and avoiding “generic” uses of masculine terms or pronouns.

A few examples are:

- Use “humanity”, “persons” or “people” instead of “man” or “mankind.”
- When giving examples, vary the race and sex of the persons under discussion and avoid stereotypical descriptions.
- Avoid dogmatic generalizations about an entire culture, race, social class, denomination or religious group.

No complete list is possible or necessary in the seminary’s inclusive language policy but all faculty, staff and students agree to exercise care and attentiveness to this priority.

INCOMPLETES

A student is expected to complete all work within the semester. If an incomplete is deemed necessary, permission must be obtained from the professor and the academic dean. Students who are granted an incomplete are ineligible for Dean’s List consideration for the semester in which they receive the incomplete. Grade changes from the fall semester must be turned into the Registrar’s Office no later than March 15. Grade changes from the spring semester must be turned in no later than Aug. 15 and from summer school no later than Nov. 15. Every effort should be made to have incomplete work completed in the shortest time possible following the close of the academic term in which the work is taken. Incompletes will be assigned an

“F” grade after the above dates. The time limit for a student to complete the required course work resulting in the change of an “F” to another grade is one calendar year from the receipt of the initial incomplete.

LEARNING DISABILITIES ACCOMMODATION

Grand Rapids Theological Seminary and Cornerstone University will make reasonable accommodations for students with disabilities, in compliance with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. The purpose of accommodation is to provide equal access to educational opportunities to students affected by disabilities, and the university does not intend that the standards be altered, nor that the essential elements of programs or courses be changed.

Students having documented disabilities may apply for accommodations through Student Disability Services (SDS), which is part of the Cornerstone University Center for Student Success located in Miller Hall on the main campus. Disability accommodations for students from the traditional Cornerstone University undergraduate program, Professional and Graduate Studies programs, and Grand Rapids Theological Seminary are addressed centrally in SDS. Accommodations are granted on the basis of determined need and appropriate documentation of disabilities. Students must complete an application and submit appropriate documentation, which will be reviewed by the Accommodations Officer and the Accommodations Review Committee. Upon acceptance, the student will meet with the Director of Student Success to develop an Individualized Student Accommodation Plan (ISAP) based on the ARC recommendations. Students will be given a green verification letter to give to their professors and students should schedule a meeting with each professor at the beginning of each semester to discuss their needs. In the event that students have questions regarding whether they are eligible for accommodations, how they might provide appropriate documentation of disabilities, or how they might handle a disagreement with a professor over questions of accommodation, the Director of Student Success should be contacted immediately at 222.1596 or through email at student.success@cornerstone.edu. If a disagreement arises surrounding eligibility for services, or the manner in which a specific accommodation is being implemented, the student has a right to an informal and formal grievance procedure. A copy of the Grievance Procedures is available at the Center for Student Success in Miller Hall, or online at <https://www.cornerstone.edu/academics/pgs/academic-support/student-disability-services/>.

Please note that the process for determining eligibility for accommodations can take 5-6 weeks. Students should complete an application and submit appropriate documentation well in advance of the semester in which accommodations are required to begin. In most cases, testing and assessment of disability must have been completed no more than 5 years prior to application for accommodations at Cornerstone University. Documentation older than 5 years will in most cases need to be updated, with each situation evaluated on a case-by-case basis.

MASTER'S THESIS

In preparation for doctoral studies, a select number of qualified students within the Master of Divinity (Academic Track only) or Master of Arts programs may wish to complete a master's thesis as the capstone of their educational experience at GRTS. Students interested in exploring this option should communicate and process this preference with their faculty advisor early in their degree program. The inclusion of a master's thesis in the degree program requires formal faculty advisor approval. Enrollment for a master's thesis consists of two main elements: Thesis Readings (BBL-584, THE-584, COU-584) and Thesis (BBL-792, THE-792, COU-792). Students are encouraged to enroll in Thesis Readings the semester prior to enrollment in Thesis. The required readings course is intended to provide the student an opportunity to expand his/her knowledge base in the specific area of study and to focus the thesis topic. Students are encouraged to work closely with their faculty advisor in identifying and developing an area of study for the thesis.

MID-POINT AND EXIT ASSESSMENTS

Students enrolled in the Master of Divinity and Master of Arts degree programs must participate in the mid-point and exit assessment processes. The mid-point process is conducted near the middle of the academic program and the exit assessment is typically conducted in the final semester of a student's program. The processes are initiated by the Associate Dean and engage the student along with the student's academic advisor, academic dean, associate dean, ministry residency mentor or practicum/internship supervisor, and the director of Ministry Residencies or Counseling Practicum/ Internship professor. The purpose is to review of the student's academic performance, student learning portfolio and overall progress in readiness for ministry and a professional career. Specifically, the team considers the student's progress in disciplinary knowledge and skill (academic performance), faith commitment and personal maturity (Christian character), and progress made in attaining the

student learning outcomes associated with the particular degree (learning, development, and vocational readiness where applicable). At the conclusion of the review process, one of three judgments is rendered by the review team and presented to the student in written form. The range of judgments includes the following: 1) Affirm progress in readiness for ministry, 2) Affirm progress in readiness for ministry with reservations, 3) Do not affirm readiness for ministry. The assessment team engages the student in developing and implementing a growth plan when the second or third judgments are reached in the mid-point process. Consult the GRTS Student Handbook for a more detailed description of the policies, process, judgments and the implications of the judgments.

RETAKE POLICY

Students are permitted to retake a course in which an unsatisfactory grade was achieved during a previous period of enrollment. In such situations, registration for the course and payment of the related tuition and fees at the current tuition rates are required. The grade achieved by the retake course replaces the initial grade in relation to the grade point average calculation, though the initial grade will remain on the permanent transcript record. Students may only receive federal financial aid when retaking a course if it is the first time they have retaken the course and if the original grade in the course does not meet the minimum grade requirement for a student's program.

SCHOLASTIC HONORS

Students who attain a grade point average of 3.50 or more and carry a minimum of 9 semester hours are recognized each semester through a published Dean's list. Three graduation honors are recognized at commencement. Those graduating *cum laude* must achieve a cumulative grade point average of 3.60; *magna cum laude*, 3.70; and *summa cum laude*, 3.85. To be eligible for graduation honors, the student must complete a minimum of 36 hours in the Master of Arts in Counseling, 31 hours in the other Master of Arts degrees, 47 hours in the Master of Divinity degree, or 24 hours in the Master of Theology degree at Grand Rapids Theological Seminary.

For purposes of awarding honor cords and recognition at commencement, the determination of those eligible for honors will be made on the basis of the cumulative grade point average from the fall semester. The final transcript and diploma will record graduation honors on the basis of the entire academic record.

SECOND DEGREES

Students who have completed a first master's degree at Grand Rapids Theological Seminary or another accredited graduate school or seminary, and are seeking a second master's degree from Grand Rapids Theological Seminary are eligible to utilize a maximum of 50 percent of the credits from the first degree towards the completion of the second degree and must complete at least 50 percent of the requirements for the second degree through new courses.

SEMESTERS AND HOURS

The academic year is divided into three semesters (fall, spring and summer). A typical student takes 6-9 credits during both the fall and spring semester, and 6 credit hours in the summer. A 3 hour residential class generally requires 2 hours and 50 minutes of class time per week and 6-8 hours per week of time on task outside of class. A student seeking the maximum financial aid package and/or veteran's benefits must carry a minimum of 11 credit hours during fall and spring semesters.

STUDENT APPEAL PROCESS: ACADEMIC

On occasion, existing policy and/or faculty and administrative decisions can conflict with the academic interests of individuals. When such a situation occurs, the student should exhaust all options to resolve the academic conflict at the staff, administrative or faculty level. However, students wishing to appeal beyond the initial level are encouraged to write a letter of appeal. The letter should identify and explain the nature of the conflict, request a review of the judgment and/or action and provide a rationale for the appeal. The letter of appeal should be sent to the Academic Dean of Grand Rapids Theological Seminary. For matters of probation, suspension and dismissal, students should see the above policy on academic probation, suspension and dismissal. For all other cases, the letter of appeal must be submitted to the academic dean. Personal appointments with the academic dean on such matters may be scheduled only after a formal letter of appeal has been submitted. Upon receiving the appeal, the academic dean will engage in an investigation of the grievance and seek to foster an acceptable resolution. If an acceptable resolution to the conflict/grievance is not possible, the academic dean will coordinate a meeting of the faculty academic appeals committee. The committee will review the grievance and the facts of the case and render a judgment. The judgment will be rendered within 10 business days of receipt of the grievance, the response to the appeal will be in writing and all judgments of the faculty academic appeals committee are final.

STUDENT ASSESSMENTS

In an effort to aid students in cognitive, affective, and behavioral growth and development, a series of student assessments beyond traditional classroom grading are integrated as requirements within the various GRTS degree programs. A brief description of some of these assessments is outlined below:

Entrance Assessment

A brief introductory meeting with the faculty advisor which allows an assessment about the alignment of the selected degree program with the student's aspirations, capabilities and vocational goals.

MIN-500 Christian Spiritual Formation

The PRO-D assessment is integrated into this course for the purpose of developing self-awareness, emphasizing strengths and identifying ideal roles.

Mid-Point Assessment

A formal analysis of the student's academic and non-academic development, and an evaluation concerning progress in ministry readiness. This process involves the academic advisor, academic dean, associate dean, ministry mentor or practicum/internship site supervisor and the director of the Ministry Residency program or Practicum/Internship Professor.

Ministry Residency

Ministry mentors assess students each semester of enrollment in Ministry Residency (MIN-685, MIN-686, MIN-781, and MIN-782) in regards to the student's contributions, needs and developmental progress as they function within an authentic ministry setting.

MIN-711 Program Completion Seminar

A reflective essay is embedded as a requirement within this course, allowing the student to consider the extent and direction of growth and development while enrolled at GRTS.

Exit Assessment

This is an opportunity for students nearing graduation to provide substantive feedback about their GRTS experience. The exit assessment is coordinated by the academic dean and associate dean and seeks feedback from the student, academic advisor ministry mentor or practicum/internship site supervisor and the director of the Ministry Residency program or Practicum/Internship Professor.

STUDENT GRIEVANCE PROCEDURE: STANDARDS OF ACCREDITATION

As a member in good standing with The Association of Theological Schools (ATS), Grand Rapids Theological Seminary affirms the value of accrediting standards. These standards foster attention to good practices within graduate theological education, providing a structure and guide for institutional integrity, accountability, self-assessment and improvement. Grand Rapids Theological Seminary is committed to honoring these standards in the process and product of its endeavors in theological education. If a student

identifies a violation of the accrediting standards of The Association of Theological Schools, it is encouraged to bring this matter to the attention of the GRTS Academic Dean. If compliance with the accrediting standard is not achieved in a reasonable and credible manner, the student can bring this grievance to the attention of the accrediting agency. Specifically, the grievance should be made in writing and a copy should be sent to the academic dean. The grievance should be mailed to the following address: The Association of Theological Schools, 10 Summit Park Drive, Pittsburgh, Pennsylvania 15275-1110. ATS staffers can also be reached by calling 412.788.6505.

TEN YEAR RULE

In keeping with the policies of the Association of Theological Schools (ATS, A.3.2.2), Grand Rapids Theological Seminary limits the use of credits towards the completion of a degree to those credits completed within 10 years prior to degree completion. This includes transfer credits, advanced standing credits and credits earned while enrolled at GRTS.

TRANSFER OF CREDIT

Applicants who are transferring from other accredited graduate schools or seminaries are required to have official academic transcripts sent directly to the director of graduate admissions from all schools previously attended. This is a condition for admission.

Transfer credit evaluations are conducted during the admission process, although formal transfer of credit is not posted to the students academic record until after the admission process is complete. Students will be notified in writing concerning the results of a transfer credit evaluation. Transcripts from foreign institutions will be evaluated by an outside agency. The student will be responsible for following the procedure required by that agency.

Grand Rapids Theological Seminary will accept a maximum of 50 percent of the selected degree program requirements through transfer credit, or through a combination of transfer credit and advanced standing, completed within 10 years prior to graduation at GRTS. Transfer of credits will be limited to the following types of schools:

1. All regionally accredited institutions.
2. All Association of Theological Schools (ATS) institutions.
3. All Association for Biblical Higher Education (ABHE) institutions.
4. Non-accredited institutions, if those institutions supply to the director of graduate admissions three letters of acceptance from regional, ATS or ABHE accredited institutions.
5. Those non-accredited institutions due to the nature of their relationship with Cornerstone University.

Students planning to take courses at other institutions for transfer into their degree program at Grand Rapids Theological Seminary should contact the assistant registrar for Grand Rapids Theological Seminary to verify the acceptance of these courses. Transfer credit will not be given for remedial or non-graduate level work or for any course in which a grade lower than a C was received. Grade point average does not transfer with the transfer credits.

Grand Rapids Theological Seminary does not guarantee the State of Michigan, or any other authority, will recognize transfer courses from other institutions for purposes of state licensure in counseling.

WITHDRAWAL

A student who wishes to withdraw must complete a withdrawal form, available from the seminary office. To complete the withdrawal process, the student should return the completed withdrawal form to the seminary front desk or Admissions Office. Failure to submit this form will result in the student receiving an "F" in the related course or courses. In addition, any student leaving school during the semester without completing the official withdrawal process will be academically suspended.

WITHDRAWAL REFUNDS

Withdrawal from Individual Courses:

Students who do not officially withdraw from a course will receive a failing grade for that course. Students withdrawing from individual courses will receive refunds based upon the following schedule:

For 15 Week Courses:

Third week	80.0% of tuition

Appropriate adjustments will be made to financial aid programs following formulas mandated by federal, state and institutional regulations. Students whose enrollment status (i.e., full time, 3/4-time, 1/2-time) would change if classes were dropped should consult with the Student Financial Services Office to determine the extent of these adjustments.

Withdrawal from the Institution:

Tuition refunds for students who withdraw from the seminary during the course of the semester, as well as those who are dismissed or suspended, will be computed as follows:

For 15 Week Courses:

One week or less.....	100.0% of tuition
Second week	86.7% of tuition
Third week	80.0% of tuition
Fourth week	73.3% of tuition
Fifth week	66.7% of tuition

Students receiving financial aid who withdraw from the institution during the semester may be required to return a portion of the aid to the appropriate programs. A calculation will be made based on the student's withdrawal date to see what portion of the financial aid must be returned. Students may request a copy of the Refund and Repayment Policy from the Student Financial Services Office.

Federal Title IV Aid

If a student withdraws before completing 60 percent of the semester or period of enrollment, the institution must determine the percentage of Title IV assistance the student has earned. The percent earned is determined by dividing the total number of calendar days in the semester into the number of calendar days completed as of the withdrawal date. Any unearned amount must be returned to the Title IV program(s).

Institutional Aid

Institutional financial aid is reduced by the percent of the tuition and fees originally covered by the institutional aid. The student may retain an amount equal to the percent of the actual tuition and fees charged based on the withdrawal date. The remaining amount must be returned to the institutional programs.

STUDENT LIFE

Grand Rapids Theological Seminary offers a range of services to students, spouses of students and alumni. These academic and non-academic services are intended to foster personal spiritual transformation, leadership development and aid students in achieving their intended educational and vocational goals.

The benefit is limited to one free audit course per semester and a maximum of four free audit courses per individual. This audit opportunity provides for class attendance only; course work will not be submitted or graded and there will be no official academic record. The benefit does not extend to courses available by extension and is not financially applicable to courses taken for credit. X. CERTIFICATION AND SIGNATURE (to be completed by applicant)

Have you read, and are you in agreement with the Statement of Faith and Lifestyle Statement as found in the admissions section of the academic catalog? Yes No

Students, by virtue of their enrollment, agree to live within the framework of the school's standards of conduct. While some may not have personal convictions concerning all of these standards, agreeing to them obligates the student to assume responsibility for honorable adherence to them while enrolled at the seminary. It should, of course, be understood that any behavior, either on campus or away, which indicates that a student has disregard for the spirit of the school's standards would be sufficient reason to ask him/her to withdraw from the school.

Students of Grand Rapids Theological Seminary, agree to:

1. Honor biblical teaching in order to maintain a right relationship with God, people, and creation. Exhibit integrity in academic pursuits, professional work, personal finances and relationships.
2. Practice discernment in the areas of media and entertainment. Avoid behaviors clearly prohibited in Scripture including but not limited to drunkenness, immoral sexual behavior, lying, and stealing.
3. Support Cornerstone University's commitment to maintain an alcohol-free and tobacco-free campus. This means that the consumption of alcohol or use of tobacco will be prohibited in, on, and around all campus properties and at University events. Due to the public and personal health hazards posed by tobacco, students shall avoid the habitual use of tobacco.
4. Actively participate in a local evangelical church.

Each student, by virtue of enrollment, agrees to comply with the policies, procedures, and regulations set forth in the Student Handbook and the Grand Rapids Theological Seminary Academic Catalog.
