WELCOME FROM THE PRESIDENT
JOSEPH M. STOWELL
CORNERSTONE UNIVERSITY

Dear student,

Welcome to one of life's most exciting adventures! There are few experiences as significant as college life. And there are few choices that are as determinative than the choice of what school you will attend to get that experience. During your college years you will make life-long friends and discover new horizons of spiritual, intellectual, social and personal growth. Being clear about God's leading in your life at this point is huge.

Given the importance of this decision, you can't imagine how thrilled I am that you have picked up the catalog for Cornerstone University. As you read through these pages you will find a lot of information that will be helpful as you navigate your decision. As president, I can promise you that we make every effort to provide an education that will equip you to have a meaningful and successful future in a campus environment where you will thrive.

As you look through these pages, remember that Cornerstone University is not just course descriptions, program details and cost analysis. What we can't put into print is the sense of belonging and community that you will experience here. Caring professors, motivating spiritual experiences, top-flight athletics, important discussions about life and love that happen when you hang out with friends, and life-changing impact as you meet Jesus in new and fresh ways...all a part of the Cornerstone experience.

We'd love for you to come and visit us as a part of your decision process. In many respects life at Cornerstone is only fully appreciated when you walk our halls, meet our faculty and hear our students tell you why they love what they are learning and becoming at Cornerstone.

If you have any questions please let us know. We want to help you find God's will in your college choice in a clear and confident way.

Joseph M. Stowell
President

ABOUT CORNERSTONE

OUR IDENTITY: WHO WE ARE: Cornerstone is a Christ-centered university with a passion for global influence through the transforming power of the gospel.

OUR MISSION: WHY WE EXIST: We exist to empower men and women to excel as influencers in our world for Christ by offering a student-focused learning community where Jesus Christ is central.

OUR VISION: WHAT WE ASPIRE TO: We aspire to create a thriving community of fully devoted followers of Jesus in a spiritually contagious, academically excellent, richly resourced and culturally diverse learning environment that attracts outstanding students, faculty and staff who influence our world for Christ, his church and his kingdom.

HISTORY

Cornerstone University, an evangelical Christian university, exists to empower men and women to excel as influencers in our world for Christ by offering a student-focused learning community where Jesus Christ is central. As a multi-denominational school, Cornerstone University offers traditional undergraduate programs, as well as adult undergraduate and graduate programs through the Professional & Graduate Studies division (PGS), Grand Rapids Theological Seminary (GRTS), and the Asia Biblical Theological Seminary (ABTS). The school also produces Cornerstone University Radio.

Founded in 1941 as the Baptist Bible Institute, the school offered evening classes twice a week in the educational wing of Wealthy Street Baptist Church in Grand Rapids, Mich. Over the years, the school continued to flourish, eventually developing into a four-year Bible college and seminary.

Under the visionary leadership of Dr. W. Wilbert Welch, the school relocated to its current 132-acre campus in 1964. That same year, the college became a member of the American Association of Bible Colleges. In 1972, the school was approved by the State of Michigan as a degree-granting college of arts and sciences, and, five years later, the Higher Learning Commission granted accreditation in 1977.

In 1993, Grand Rapids School of Bible and Music was joined to the institution for the preservation of its rich heritage and academic records. Also that year, the school launched the Adult and Continuing Education (ACE) program (now known as Professional & Graduate Studies) to serve the adult populations of Michigan. The following year, the name of the institution changed from Grand Rapids Baptist College and Seminary to Cornerstone College and Grand Rapids Baptist Seminary.

In 1999, the institution was renamed Cornerstone University, and in 2003 the name of the seminary was changed to Grand Rapids Theological Seminary.

Today, the university continues to grow and provide a Christ-centered education under the direction of its 11th president, Dr. Joseph M. Stowell. Cornerstone University enrolls more than 3,000 students on an annual basis and holds memberships with the following organizations:

- Higher Learning Commission (since 1977)
- Association of Theological Schools (since 2002)
- National Association of Schools and Music (since 2001)
- Council on Social Work Education (since 2004)
- Council for Christian Colleges and Universities
- Council of Independent Colleges
- National Association of Independent Colleges and Universities
- Michigan Independent Colleges and Universities
- Michigan Department of Education

BUILD A LIFE THAT MATTERS

At Cornerstone University we believe that you are a life that matters. Our goal is to help you build on the foundation you have in Christ so that you can reach your highest potential. The following values are embedded throughout our policies, programs and community:

1. **Jesus Matters** – *Cornerstone University values a spiritually contagious environment.* As followers of Jesus, our staff, faculty and students are committed to creating an environment where students can thrive in their personal relationship with God. This is the foundation we believe matters most.
2. **Academics Matter** – *Cornerstone University values academic excellence in its programs and activities.* We offer a student-focused learning community that values excellence in education. Our outstanding students, faculty and staff are equipped to excel in their fields of study and be influencers for Christ in a variety of vocations.
3. **Resources Matter** – *Cornerstone University values an environment that is richly resourced.* We are committed to providing an education and campus rich in resources both for our students, staff and faculty and for the West Michigan and global communities we influence.
4. **Community Matters** – *Cornerstone University values cultural diversity in our environment, activities and programs.* We seek to provide cultural opportunities, a diverse community and cultural awareness in all of our programs to instill in our students a passion for global influence and cultural engagement.

THE CORNERSTONE CONFESSION

The Cornerstone Confession is the foundational doctrinal statement of Cornerstone University, reaffirmed annually by Cornerstone trustees, faculty, and staff. The Confession expresses our commitment to the key teachings of Scriptures as interpreted through the ecumenical creeds of the early church, the chief insights of the Reformation, and evangelical Christianity.

We believe in one sovereign, omnipotent, and fully omniscient God who eternally exists in three persons—Father, Son, and Holy Spirit—who in love and for his glory created all things out of nothing and pronounced them good.

We believe that God has revealed himself in the sixty-six canonical books of Scripture, which are verbally inspired, truth without error, and serve as our final authority in faith and life. They lead us to Jesus Christ, who shows us the Father, and rightly interpreted, they enable us to understand God's revelation in humanity, nature, and history.

We believe that God directly created Adam and Eve, the historical parents of the human race, distinct from the rest of creation in their bearing of God's image and their stewardship over creation. Their union as man and woman models God's design for marriage and perpetually stands as God's loving and righteous will for all sexual intimacy.

We believe that our first parents forfeited their original righteousness when they succumbed to Satan's temptation and rebelled against God's revealed will. As a result, every human is born in sin, leaving us totally depraved, alienated from God, and destined to spiritual and physical death. As such, our sinful ways have corrupted God's creation, resulting in discord to society and nature.

We believe that God's plan to redeem fallen humanity and renew creation flows through his promises to the Jewish people. God's promises to Abraham and David are fulfilled in Jesus, the mediator of the New Covenant.

We believe that the Son of God, while fully divine, became fully human through the virgin birth to save the world from sin. Living a sinless life in perfect obedience to His Father, Jesus proclaimed God's reign in word and deed. In his mercy he atoned for our sins by dying in our place. Having satisfied the just wrath of God on our behalf, he rose bodily and triumphantly over sin, death, and Satan. He then ascended to heaven, sent his Spirit to lead and empower his church, and is seated at the Father's right hand where he reigns and intercedes for His people.

We believe that the Holy Spirit descended at Pentecost to establish the church; that he uses the Word of God to give new life to those who repent of their sin and believe in Christ; and that all who by faith alone receive Christ's finished work are by God's grace united with Christ, justified by his shed blood, adopted into the family of God, forgiven of all their sin, indwelt and gifted by the Spirit, and added to the church.

We believe that the one, holy, and universal church is the body and bride of Christ. The church gathers in local assemblies to worship God and celebrate the gospel through the preaching of the Word, baptism, the Lord's Supper, prayer, and fellowship. It disperses to proclaim the gospel to a sinful world which must hear the good news of Jesus Christ in order to be saved. The church makes disciples of Jesus who, through persevering faith, embody the kingdom values of righteousness, peace, and joy. By loving God, serving others, and caring for creation, they anticipate the redemption of all things at Christ's return.

We believe that our Lord Jesus Christ will personally and gloriously return to deliver this world from Satan's rule and bring his reign to its ultimate fruition. Jesus will raise the dead to stand with the living before his judgment throne where he will determine the final state of humanity. The lost will experience everlasting conscious separation from God as the just punishment for their sin, and the redeemed will be welcomed into the unhindered joy of everlasting fellowship with him.

PRESIDENT'S CABINET

Joseph Stowell, Th.M., D.D., *President*

John VerBerkmoes, Ph.D., *Executive Vice President for Academics*

Shawn Newhouse, D.B.A., *Vice President for Traditional Undergraduate Academics*

EMERITUS TRUSTEES

Rev. Charles Alber (CU '62), Middleville, Mich.
Rev. Roy J. Clark, Grand Rapids, Mich.

CORNERSTONE UNIVERSITY EMERITI FACULTY

Retired faculty members who have given particularly meritorious service to Cornerstone University are recognized by the “emeritus” designation. This status is neither automatic nor institutionally obligatory and, as such, is one of the university’s highest academic honors, granted only by the university’s Board of Trustees.

Emeritus status is based on consideration of the following factors:

- Recognition for meritorious teaching excellence and exemplary integration of a Christian worldview with one’s discipline and development of students’ leadership skills
- Christian impact and reputation
- Contribution to the development of students
- Contribution to the discipline and profession, particularly scholarship
- Rank of professor or associate professor
- A minimum of 10 years of service at the institution

Abuhl, Ralph (1963 to 1996), Emeritus Professor of Psychology and Social Work; B.A. (1960), Grace College; M.A. (1962), Wheaton College; M.A. (1967), Ph.D. (1978), Michigan State University; M.S.W. (1990), Grand Valley State University

Baker, Gloria (1973 to 2004), Emeritas Associate Professor of Kinesiology; B.S. (1960), Wheaton College; B.R.E. (1976), Grand Rapids Baptist College; M.A. (1965), Michigan State University; Ed.S. (1985), Central Michigan University

Brew, William (1973 to 2006), Emeritus Associate Professor of Bible; B.A. (1959), Bryan College; M.A. (1963), Dallas Theological Seminary

Cole, Dwayne (1978 to 2005), Emeritus Professor of History; B.A. (1961), Northwestern College; M.A. (1964), University of Minnesota; Ph.D. (1973), St. Louis University

Fabisch, Judith (1983-2010), Emeritas Professor of English ; B.A. (1977), Cornerstone University; M.A. (1984) Western Michigan University; Ph.D. (1991) Michigan State University.

Galloway, Orpha (1977 to 2001), Emeritas Professor of Music; B.F.A. (1954); M.M. (1954), University of South Dakota; D.M.A. (1986), Michigan State University

Good, Gregory (1975 to 2006), Emeritus Associate Professor of Music; B.Mus. (1970), Eastman School of Music; M.M. (1972), Eastman School of Music

Mayers, Ronald (1969 to 2007), Emeritus Professor of Religion; Th.B. (1964), Baptist Bible Seminary; B.A. (1965), State University of New York; M.A. (1967), Syracuse University; Ph.D. (1972), Syracuse University; Th.M. (1973), Western Theological Seminary

Stewart, Richard (1969 to 2007), Emeritus Professor of Music; B.Mus. (1965), Baldwin Wallace Conservatory of Music; M.M. (1967), Union Theological Seminary; Ph.D. (1985), Michigan State University

EDUCATIONAL GOALS

1. SPECIALIZED KNOWLEDGE

Cornerstone students will demonstrate knowledge of and proficiency in the terminology, theories, concepts, practices, and skills specific to their field of study.

2. APPLIED KNOWLEDGE AND COLLABORATIVE LEARNING

Cornerstone students will exhibit competency in applying their knowledge to address real-life problems through both individual and group effort.

3. INTELLECTUAL SKILLS

Cornerstone students will demonstrate their ability to integrate both traditional and non-traditional cognitive skills, including analytical inquiry, information literacy, quantitative fluency, and communicative fluency.

4. CIVIC & GLOBAL ENGAGEMENT

Cornerstone students will demonstrate intercultural competence in addressing civic, social, environmental and economic issues.

5. BIBLICAL WORLDVIEW INTEGRATION

Cornerstone students will be able to articulate a Christ-centered worldview and its personal, professional, and communal embodiment through Christian virtues.

STUDENT DEVELOPMENT

The Department of Student Development exists to challenge students to become more holistically and fully devoted followers of Jesus.

ABOUT THE DEPARTMENT OF STUDENT DEVELOPMENT

The Department of Student Development oversees many of the co-curricular aspects of Cornerstone University.

Cornerstone University's mission states that "We exist to equip men and women to excel as influencers in our world for Christ by offering a student-focused learning community where Jesus Christ is central." Our unique contribution to that mission includes:

"...equip men and women to excel as influencers in our world for Christ"

- The Terra Firma program - building a solid academic, biblical, and relational foundation for students during their first year on campus
- Our Global Opportunities program - providing students with cross-cultural service opportunities in Grand Rapids and across the world
- Discipleship Opportunities - connecting students to discipleship opportunities through relational ministry
- Campus engagement - student activities, community service, intramural sports and student organizations

"...by offering a student-focused learning community"

- Community Life - Residence hall and commuter life programs
- Counseling, Health, and Wellness Services
- Multicultural organization - engages cultural awareness through seminars, student activities and mentoring opportunities

"...where Jesus Christ is central."

- Chapel program - invites students, staff, and faculty to worship and grow in our faith together
- Evensong - a weekly service for Cornerstone students that draws college students from the Grand Rapids community

We recognize that the process of student development and spiritual formation in students' lives takes place in numerous contexts across Cornerstone's campus - in the classroom, in mentoring relationships with faculty members in the midst of competition on athletic courts and fields, and in the relationships forged through on-campus employment. Students' spiritual growth begins long before and continues long after their time at Cornerstone. The transition years between late adolescence and early adulthood offer a unique season of spiritual development during the college years. Our passion is to live out the truth of Paul's words to the Thessalonians during that season:

We loved you so much that we were delighted to share with you not only the gospel of God but our lives as well, because you had become so dear to us. (1 Thessalonians 2:8)

NOTICE OF NONDISCRIMINATORY POLICY TOWARD STUDENTS

Cornerstone University does not discriminate on the basis of race, national origin, sex, age, disability or veteran status in any of its education policies and programs that it operates.

Questions regarding our nondiscrimination policy or any other aspects of Title IX may be referred to Cornerstone's Title IX Coordinator or one of the Title IX Deputy Coordinators:

For general questions regarding Title IX policies and procedures

Gerald Longjohn, Ed.D.

Vice President for Student Development | Title IX Coordinator

Faber Hall
(616) 949-5300 or brandan.bishop@cornerstone.edu

The provisions of this catalog are not to be regarded as an irrevocable contract between the student and Cornerstone University. Changes and modification in educational policy are implemented when deemed appropriate and not necessarily with the issuance of a new catalog. This catalog has attempted to present information in as accurate and up-to-date a fashion as possible. Changes will be publicized through normal channels and will be included in the following catalog.

All material in this catalog applies to the 2017-2018 academic year and reflects information available on the publication date. Cornerstone University reserves the right to revise all announcements contained in this publication and, at its discretion, to make reasonable changes in requirements to improve or update academic and non-academic programs.

CAMPUS PHOTOGRAPHY

All enrolled students at Cornerstone University give Cornerstone permission to use student images and/or photographs on its website and in other university-related electronic and printed materials and advertisements. If for any reason a student does not wish to grant this permission, he/she must sign a form in the university's Marketing & Communications Office.

DRUG AND ALCOHOL ABUSE PREVENTION INFORMATION

Available in the student handbook.

CAMPUS LIFE

University life includes residence life. The university emphasizes education of the whole person and provides opportunities for the development of the intellectual, spiritual and social areas of the student's life. Some of the activities designed for a well-balanced Christian life are residence hall activities, films, musical performances, seminars, prayer groups, mission trips, discussion groups and athletic events. The Department of Student Development directs events pertaining to student life. A listing of student activities can be found in the Student Handbook and opportunities for leadership can be found by contacting the Department of Student Development.

CAMPUS HOUSING

The goals of a spiritually contagious, academically excellent, richly resourced, and culturally diverse environment are best reinforced and accomplished when students are living together in community for this season. We believe the economic and social investment made to live on campus pays great dividends in the lives of our students.

Because living on campus is an integral part of a Cornerstone student's experience, all students up to age 21 are required to live on campus with a few exceptions as spelled out in the Housing Policy Exemption Application form. Students who are age 25 and older must secure written permission from Community Life staff to live in the residence halls. Off-campus housing is a privilege that may be reconsidered in the event of a significant breach of the policies outlined in the Student Handbook. Commuting students are required to annually complete an off-campus residence information form.

Campus housing at Cornerstone provides a variety of options in several residence halls. Each of the campus residence halls has its own unique personality and style. The following information will give you an inside look at each of the halls and how they add to the community life atmosphere at Cornerstone.

Central Hall was built in 2013 through gracious donations for the baseball field and residence hall project. Central Hall is situated on the second and third levels above the baseball stadium and houses approximately 92 upperclassmen. The structure of the hall follows a suite format where two rooms, each housing two residents, are joined by a bathroom. Laundry facilities and Wi-Fi are available throughout the residence hall. There are two single-occupancy, barrier-free rooms, and an elevator to assist physically challenged students. The community lounges on the second and third floors provide space for students to interact, watch television or study.

Cook Hall, built in 2000, is named after Emajean "Pat" Cook, the devoted and loving wife of Peter Cook, a successful businessman whose philanthropic endeavors have included a gift in support of this residence hall. Cook Hall houses 136 students in suite-style rooms, consisting of two bedrooms with a bathroom in between. Laundry facilities and Wi-Fi are available throughout the residence hall. There are two single-occupancy, barrier-free rooms and an elevator to assist physically challenged students. Cook Hall is connected to Van Osdel Hall by a three-story glass atrium. The common areas include shared lounges, kitchenette, study lounge and game area for the 256 residents in the two halls. It is an appealing place for people to come together for social interaction and relaxation.

Crawford Hall, built in 1980, is named after Dr. Joe Crawford who was associated with Grand Rapids Theological Seminary for 52 years. Dr. Crawford began as a student at Cornerstone in 1948 and continued to teach until his home going on November 3, 2000. Crawford houses approximately 109 upperclassmen. Each living unit is comprised of a kitchen with a stove and refrigerator, bathroom, living area and two bedrooms. Wi-Fi is available throughout the residence hall and every floor has laundry facilities. There is a community lounge, as well, and residents are encouraged to use these lounges to interact, study or watch television.

Keithley Hall, built in 1975, is named after Howard Keithley who faithfully served on the board of trustees of Cornerstone University for 32 years and as interim president (1958-59). The structure of the hall follows a suite format where two rooms, each housing two students, are joined by a bathroom, which provides a convenient living arrangement, and the first floor has laundry facilities. Wi-Fi is available throughout the residence hall. Keithley has a prayer room and a nicely furnished lounge on the first floor. Keithley houses approximately 80 students. The cozy environment facilitates opportunities for interpersonal and spiritual growth through use of the large prayer room and ease of access on campus.

Pickitt Hall, built in 1970, is named after Ann Pickitt, wife of Allegan businessman Harry Pickitt, who supported the building of this hall. Pickitt houses up to 187 students and is one of the primary residence hall for freshmen. Pickitt offers newly renovated community style bathrooms, which promote a sense of community among its residents. Laundry facilities are provided on the first floor, and Wi-Fi is available throughout the residence hall. The students in Pickitt have access to a large, fully furnished lounge with a ping-pong table, games and television. The north side of Pickitt has the advantage of a beautiful view of the pond. The community setting of Pickitt Hall makes it an ideal place for freshmen to grow in their faith, to build Godly relationships with each other, and develop skills to best transition to college.

Quincer Hall, built in 1964, is named after Sheldon B. Quincer who was one of the 10 original part-time instructors at Cornerstone in 1941 and faithfully served as an instructor for the institution for 27 years. At full capacity, Quincer houses 82 students in two wings, with community style bathrooms, and laundry facilities between the halls. Wi-Fi is available throughout the residence hall. Quincer has a lounge for community building with furniture and a TV. Quincer is an energetic community where the residents are challenged to be men of God who sharpen one another through accountability and truth.

Van Osdel Hall, built in 1977, is named in honor of Oliver W. Van Osdel. Van Osdel is a three-story residence hall that can accommodate 103 residents. The rooms are arranged in a suite-style where two rooms, each housing two students, are connected by a shared bathroom. Laundry facilities are available on the first floor, and Wi-Fi is available throughout the residence hall. Van Osdel, also known as "VO," has a spacious lounge in the basement, with a pool table, foosball table, large television and study lounge. It shares a three-story atrium with Cook Hall, with lounges on the second and third floors. VO seeks to provide an environment where students are challenged spiritually, socially and physically, in hopes to encourage them to deepen their relationships with God and other fellow believers.

CAMPUS RENTAL APARTMENTS

Campus Rental Apartments are located on the edge of campus. They are leased on a year-to-year basis to Seminary students and Traditional Undergraduate students who are not eligible to live in the residence halls. Priority for leasing each year is determined by overall housing needs of the university. Available apartments are reserved on a first come, first serve basis. These leased apartments are managed by the Campus Services office. Call 616.222.1420 for more information.

Fuller, Knol, and Morris Halls, built in 1965, 1965 and 1970, are named for David O. Fuller, first president of Cornerstone University, Gerard Knol, third president of Cornerstone, and Lloyd Morris, former board member and pastor. The three apartment-style buildings contain a total of 48 one-and-two-bedroom units, including two guest apartments, and every building has laundry facilities.

CAMPUS SAFETY

The primary mission of the Campus Safety Department is to promote and provide safety, security and service to our students, faculty, staff and guests through information, education, public and personal relations and enforcement. Our secondary efforts involve service to and protection of our general campus community and all properties and assets therein. Campus Safety personnel provide 24/7/365 campus safety and security patrols, as well as 24/7/365 switchboard and dispatch services. Campus Safety, including switchboard, is located at the east entrance of Faber Hall next to the bookstore. Photo ID cards are issued at this location for all students and employees as well. Safety officers patrol the campus proactively, enforce parking and traffic regulations as well as behavioral and conduct standards, and respond to emergencies and investigate incidents. The Department of Campus Safety also provides an array of other convenience services including special needs transportation, assistance with vehicle lockouts and battery boosts. For emergencies or general service requests, including general information inquiries, contact the Campus Safety Department by dialing '0' (Zero) from campus phones or 616.949.5300 from all other phones.

CHAPEL

Chapel exists as an intentional space to gather together as a community in the midst of the busy seasons of college life. Cornerstone teaches its students to be thoughtful and intentional about their Christian growth, and chapel provides an opportunity to integrate faith and learning as a larger community. All full-time undergraduate students are required to attend 25 chapels each semester. Our community gathers together to hear from God's Word and sing His praise. Occasionally, students attend smaller gatherings led by academic departments. Our chapels are led by student-led worship teams. Please see the current student handbook for a full description of the chapel attendance requirement.

COMMUNITY LIFE

Community Life is an important part of the Cornerstone experience. Whether students live in residence halls or commute from off-campus, we have programming to encourage growth through our unique community.

Residence Life

Late night talks in the lounge, residence hall traditions, Bible studies, hall events, and more are a part of residence life. Our team of Resident Directors (R.D.) heads up a team of student leader Resident Assistants (R.A.) in each building to help students navigate campus life, get acquainted with one another and their surroundings.

Commuter Life

Eating lunch, hanging out in the Commuter Corner, and connecting with other students is made easier for non-residential students through our Commuter Life program. The Commuter Director heads up a team of student leader Commuter Assistants (C.A.) who are there to help non-residential students navigate campus life. From commuter lunches to breakfast gatherings, sports events, fun activities, or providing information and direction, the dedicated commuter team is there to serve students. The Corum Student Union has a dedicated “commuter corner” for students to study, get information, or just hang out between classes.

COUNSELING SERVICES – THE WELL

Counseling services are available to all traditional undergraduate Cornerstone students who wish to have a safe, confidential conversation with counselors who are equipped to provide help and resources when life gets confusing or stressful. The Well recognizes the Bible as the source for understanding how to respond to the struggles of life. There is a minimal fee for counseling, however no students are denied for financial reasons. The Well is located in Miller Hall, with the entrance on the West Side of the building facing the Faculty Office Building (FOB). Appointments can be made by phone (616.977.5477), email (the.well@cornerstone.edu), or by coming in during office hours (9 a.m. – noon, 1 p.m. – 4 p.m.). More information about The Well and its staff can be found at www.cornerstone.edu/counseling.

DISCIPLESHIP OPPORTUNITIES

Opportunities for discipleship at Cornerstone create an atmosphere that encourages spiritual growth and challenges individuals to become more like Christ in thought, word, and deed. These opportunities include small group gatherings, mentoring relationships with peers, faculty and staff, events in the residence halls, getting off campus for retreats, and simply living life together in community. While recognizing that discipleship happens in various contexts through various means, some of the key elements include prayer, accountability, Bible study, book discussions, serving or spending time together.

GLOBAL OPPORTUNITIES

The Global Opportunities program exists to provide students avenues to engage in service and ministry in a culture different from their own, both nationally and internationally. Students will go out in teams or individually to work with pastors, missionaries, national church leaders and local agencies. A variety of ministry programs will be served depending upon the needs of the given location. Recent trips have included India, Jamaica, Dominican Republic, Zambia, Kosovo, China, Costa Rica, Cuba, Chicago and Haiti.

HEALTH SERVICES

On-campus health services are available to all students regardless of their specific health insurance plan. Students have access to visits with a nurse for minor injury or illness, such as colds, flu, headaches, rashes, and digestive disorders.

The following services are available through CU Health Services:

- Appointments: Nurse
- On site sick care office visits
- Blood pressure checks (free)
- Health education and wellness promotion
- Loan items (crutches, wheelchairs, etc.)
- Referrals to specialists
- Resource materials on health related topics (free)
- International Travel Consults
- Immunizations (in collaboration with Calvin College Health Services)

HONORS PROGRAM

The Cornerstone University Honors Program provides an opportunity for academically gifted students to enhance their educational experience through special sections of classes and close work with faculty members on individual projects. Central to the program is the on-going dialogue between the “Great Books” of the Western intellectual tradition and “the Book,” the Bible, upon which all our intellectual endeavors are based. Another strong emphasis is focused preparation for graduate studies in each honors student’s field of study. The objective of the program is to produce scholars who will take this synthesis of biblical and classically based education into their professional careers.

MILLER LIBRARY

Miller Library’s purpose is to provide high-quality academic resources, community-focused service, and an environment that fosters intellectual and spiritual growth. To accomplish this, the library staff provides:

- Scholarly resources including books, ebooks, streaming videos, DVDs, CDs, musical scores, and periodicals.
- An easy-to-use discovery tool, Summon, to search all of the library’s print and electronic resources.
- On-campus and off-campus access to research databases such as ABI-Inform, ATLA, JSTOR, Proquest, and many others.
- Wireless internet access, computers, printers, copiers, and scanners for use in the library.
- Individual study areas and rooms for group collaboration.
- Specific locations set aside for special collections such as the University Archives, Curriculum Materials Center, and Junior Library.
- Free access to other collections through partner libraries, Puritan Reformed Theological Seminary and Kuyper College, Michigan libraries through MeLCat, and U.S. libraries through ILLiad.
- Outstanding research assistance and service to all students, faculty, and staff.

Email: library.reference@cornerstone.edu

MULTICULTURAL ORGANIZATION

The MCO strives to promote Biblical awareness, acceptance and appreciation of other cultures. It encourages members of the Cornerstone community to seek global perspective from a Christian worldview, while providing opportunities for interaction, education and service.

MUSICAL ACTIVITIES

There are numerous musical opportunities on campus. Private lessons are available to non-music majors on many orchestral instruments, piano, organ, guitar, drum set and voice. Performance ensembles include the following:

▪ **University Chorale (MUP-X01)**

This select choral ensemble is dedicated to the performance of outstanding choral literature, providing singers with a number of exciting opportunities. Focusing on public performance as a means of worship and Christian service, the Chorale performs a broad spectrum of choral literature, including a cappella motets, large-scale works for chorus and orchestra, spirituals and contemporary compositions. Auditions for the Chorale are held at the beginning of each fall semester.

Membership by audition only.

▪ **Chancel Singers (MUP-X11)**

A large choral ensemble emphasizing the performance of a variety of choral literature for the joy of singing, the development of the singer, and the inspiration of audiences. The choir prepares for seasonal concerts, ministry in chapel and on campus, as well as occasional concerts in the community. Membership is open to all students without audition.

▪ **Symphonic Winds and Chamber Winds (MUP-X21)**

A select group of woodwind, brass and percussion players committed to the quality performance of outstanding wind ensemble and concert band literature. Each semester the Symphonic Winds and Chamber Winds perform formal concerts consisting of standard and contemporary masterworks. At the beginning of each fall term, a weekend retreat is held off-campus to foster musical growth and camaraderie among its members. *Membership by audition only.*

▪ **Contemporary Ensembles (MUP-X41)**

Small ensembles comprised of drums, bass, keyboard, guitars and vocalists. Contemporary Ensembles perform a variety of musical styles drawn from the broad umbrella of popular music. The groups explore various ensemble textures, the development of charts and arrangements, microphone techniques, lead and background vocals, improvisation and listening skills. The University’s touring group “Red Letter Edition” performs throughout the community. Membership by audition only. Co-requisite: MUA course in appropriate performance area. Two semester (fall and spring) commitment for Red Letter Edition.

- **Credo (MUP-X51)**

This high-energy vocal ensemble specializes in sacred and secular a capella music and contemporary singing with an uncompromising dedication to excellence. Eight gifted and highly motivated singers, selected by audition only, train in the art of jazz in a wide variety of settings: on campus, in area churches, high schools and more. *Membership by audition only. Co-requisite: MUA course in appropriate performance area. Two semester (fall and spring) commitment.*

- **Cornerstone University Brass (MUP-X51)**

This select brass quintet performs a wide variety of literature on campus and in area churches and schools. *Membership is by audition only. Co-requisite: MUA course in appropriate performance area. Two semester (fall and spring) commitment.*

- **Woodwind Quintet (MUP-X51)**

This select woodwind quintet performs a wide variety of literature campus and in area schools. *Membership is by audition only. Co-requisite: MUA course in appropriate performance area.*

- **Pep Band (MUP-X61)**

This highly energetic ensemble is comprised of winds, bass and drums, and serves to enhance the atmosphere at Cornerstone University men's and women's basketball games. Pep Band is open to all students.

- **Worship Ensemble (MUP-X71)**

This ensemble is comprised of drums, bass, keyboard, guitars and vocalists, and primarily serves in the university chapels. Students prepare and minister music for congregational singing and develop both musical and ministry skills. Membership is by audition only. *Prerequisite: 2nd semester freshman*

UNIVERSITY COMMUNITY COMMITMENT

Cornerstone seeks to create a student-focused learning community where Jesus Christ is central. Two foundational documents help define and motivate that type of community - the CU Community Covenant and the CU Student Handbook.

Each year every member of the campus community (faculty, staff and students) commits to pursue the principles of righteousness, peace and joy outlined in the CU Community Covenant.

Additionally, students at Cornerstone are expected to affirm their commitment to abide by the policies outlined in the CU Student Handbook. This interactive document specifies these policies as well as the rationale behind them. It can be found at www.cuhandbook.com.

ADMISSIONS

Students who desire a Christ-centered education that is characterized by an academically excellent and spiritually contagious environment are encouraged to submit an application to Cornerstone University. All students are recommended to apply for admission at the earliest possible date. An early application gives optimal opportunity for financial aid awards, course selection and campus housing. Application materials and information may be obtained by contacting the Admissions Office or by visiting the Admissions website at www.cornerstone.edu/undergraduate-admissions.

Cornerstone University Admissions Office:

1001 E. Beltline Ave. NE | Grand Rapids, MI 49525
phone 616.222.1426 | toll-free 800.787.9778 | fax 616.222.1418
e-mail: admissions@cornerstone.edu
www.cornerstone.edu/undergraduate-admissions

ADMISSION REQUIREMENTS

The criteria for admission to Cornerstone University include evidence of a personal relationship with Jesus Christ characterized by a consistent Christian lifestyle and acceptable academic achievement. For full admission, a student must have a minimum ACT score of 19 (or corresponding total SAT score of 1000) and successfully completed high school with a 2.5 high school G.P.A. in a college preparatory program. Transfer students should have a 2.0 minimum college G.P.A. as well as the high school minimums, if transferring less than 24 credits. The university reserves the right to change these minimums at any time.

The following information and documentation are required to complete the application process:

- Completed online application.
- Official high school transcript (official G.E.D. results) sent directly from the school or an electronic transfer service.
- Official ACT or SAT scores sent directly from ACT or SAT or high school guidance office. Student score reports are also accepted. Information regarding registration, test dates and locations may be obtained from your high school guidance counselor or may be requested from the following:

American College Testing Program
2201 N Dodge Street | P.O. Box 451 | Iowa City, IA 52243 | www.act.org

or

College Board (SAT) | P.O. Box 6200 | Princeton, NJ 08541 | www.collegeboard.com

Applicants are encouraged to take the test early. The ACT college code number, 2002, should be placed on your examination for the official reporting of the scores. The SAT college code number is 1253.

- Official college transcripts from all colleges previously attended, including dual-enroll college transcripts.
- Christian leader recommendation completed by senior pastor, youth pastor, leader from the church, Christian teacher, Bible study leader or Christian mentor (form available online). Your Christian leader recommendation must be submitted before enrollment, but is not required for an admissions decision.

ADMISSION PROCESS

The applicant will be notified of his or her status once the Admissions Office has received all application credentials. Priority consideration for admission is given to students who submit their application before the following dates:

Fall semester: Aug. 1 | Spring semester: Dec. 15

Applicants are encouraged to apply before these dates, as admission will be granted on the availability of space in the entering class. Some applicants may be placed on a waiting list for future review of their application. A wait list is used when the university has limited space available for new students or when a student has not met our current academic expectations.

As part of the admission process, individuals within the Admissions Office will carefully review each applicant's high school transcript. High school students should take courses in a college preparatory program that include the following:

English	8 semesters
Math*	6 semesters
Science	4 semesters
Social Science/History	6 semesters
Foreign Language	4 semesters
Academic Electives**	8 semesters

**Math equivalent of two years of algebra and one year of geometry with mathematical reasoning. Math in the senior year is strongly recommended.*

***Academic electives should include courses in technology, government, psychology and speech.*

Acceptance will be granted to high school students before graduation. The student must request that the high school send a final transcript to Cornerstone University upon graduation to be eligible to register for subsequent semesters.

A \$200 advanced tuition deposit is required for all new admitted residential students to reserve their place in the entering class and secure on-campus housing. Commuter students are required to submit a \$150 advanced deposit. The deposit is non-refundable after May 1 for the fall semester and Dec. 15 for the spring semester. New students are also required to submit completed health forms and to make arrangements for payment of the school bill before arrival on campus.

ADMISSION DECISIONS

When an applicant has completed the application process, one of the following decisions will be made regarding their entrance into Cornerstone University:

FULL ADMISSION – An applicant is given full admission to Cornerstone University when the criteria for admission have been met. Applicants are notified on a rolling basis throughout the year.

CONDITIONAL ADMISSION – A limited number of students whose high school and college academic scores do not meet our minimum requirements may be given conditional admission upon recommendation of the admissions committee. These students will not be able to exceed 14 credit hours during the first semester, will work closely with an academic advisor, and will be required to enroll in the Cornerstone Learning Strategies course. Those students admitted conditionally will need to achieve the grade point averages listed in the section “Scholastic Probation, Suspension, and Academic Dismissal” or be placed on academic probation.

DENIED ADMISSION – The admissions committee determines denial of admission to Cornerstone University. In some cases, students will be asked to pursue course work at a community college before entering Cornerstone University as a full-time student. It is the university's desire to admit students who will be successful at Cornerstone University.

CONSORTIUM PROGRAMS

Several consortium programs exist with area colleges. The requirements for admission to these programs are the same as our traditional degree-seeking program. Questions should be directed to the consortium school's college official or an admissions professional at Cornerstone.

DUAL ENROLLMENT PROGRAM

The Dual Enrollment Program of Cornerstone University allows Juniors and Seniors in high school to take select 100 and 200 level college courses during high school at a reduced tuition rate of \$191/credit, plus a technology fee and vehicle registration fee (books not included).

In order to participate in the program, a student must meet the following criteria:

- Minimum 3.0 G.P.A. from high school.
- Completion of the application process.

Dual Enroll students are categorized as non-degree seeking students, limited to enrolling in two courses or seven credits per semester with a maximum of 24 credit hours. Please contact the Admissions Office for additional information.

HOME-EDUCATED STUDENTS

Cornerstone University encourages home-educated students to consider furthering their education after completion of their high school curriculum. Students are asked to submit a high school transcript indicating the course work, curriculum and grades received in their program. For a guide to creating a transcript or to ask further questions, please contact the Admissions Office.

INTERNATIONAL STUDENTS

International students are required to complete the entire application process with a few additional requirements. Proof of financial support is required by completing the financial support form available from the Admissions Office. It is the responsibility of the student to arrange all necessary financial support for all expenses at Cornerstone University. International students from countries where English is not the primary language are also required to successfully complete the TOEFL (Test of English as a Foreign Language) or the IELTS (International English Language Testing System) examination before admission can be granted. International students are encouraged to communicate by e-mail (admissions@cornerstone.edu).

NON-DEGREE ADMISSION

Persons interested in enrolling at Cornerstone University on a part-time, non-degree seeking basis must complete an online admissions application. A final high school transcript or college transcripts (if applicable), along with a Christian leader recommendation are required as part of the application process. Two courses or seven credits per semester and a maximum of 24 total credit hours may be taken as a non-degree student. Non-degree students are not eligible for federal, state or institutional financial assistance. A student wishing to be admitted as a degree-seeking student must complete the application process as previously outlined.

READMISSION

Former students who have not been in attendance for one or more semesters (excluding summer session) must apply for readmission. Official transcripts of all studies attempted in the interval should be submitted for review. Application for readmission after three years will require repetition of the total admission process.

A student on academic suspension may be considered for readmission by appealing to the Academic Appeals Committee. A student on disciplinary suspension should contact the Student Development office (student.development@cornerstone.edu). A current Christian leader's reference may be required as well as an interview.

Students who have not been enrolled at Cornerstone University during the past three semesters and/or who are enrolling in a major or minor not included in their original catalog should follow the university catalog which is current at the time of readmission.

TRANSFER ADMISSION

Transfer students from other institutions must be in good standing academically and socially from the schools of last attendance. In addition to the other admissions requirements, transfer students must request that all colleges send official transcripts directly to Cornerstone University. Financial obligations to previous colleges must be fulfilled before full admission will be granted.

FINANCIAL INFORMATION

CHARGES AND FEES FOR ACADEMIC YEAR 2017-2018

TUITION, PER SEMESTER

1 through 11 credit hours, per credit hour	\$1,030
12 through 17 credit hours, block rate	\$13,575
18 plus credit hours, per credit hour	\$700
(J-term credit hours are included as part of Spring load)	
Summer School, 2017; per credit hour (on-ground)	\$735
Summer School, 2017; per credit hour (on-line)	\$375
Audit, per credit hour	\$235
Dual Enrolled, per credit hour	\$191

ROOM & BOARD, PER SEMESTER

Room & Board	Meal Plan	Residence Hall Style	Apartment Style
	7 meals (seniors only)	\$3,795	\$3,995
	10 meals	\$4,070	\$4,270
	12 meals	\$4,250	\$4,450
	15 meals	\$4,515	\$4,715
	18 meals	\$4,770	\$4,970
Commuter student life fee (includes 25 meals per semester)			\$150
Supplemental commuter meal plan (25 meals per semester)			\$170

SUPPLEMENTAL FEES

Technology fee, per semester	\$185
Enrollment application fee	\$25
Replacement I.D. card fee	\$10
Payment plan fee, per semester	\$40
Late payment fee, initial charge	\$100
Late payment fee (monthly, after initial charge if financial obligations not fulfilled)	\$25
Lab fee, per semester (Science, Psych., Sociology, Comp. Science, Stat., etc. Fee may vary; see course description in catalog)	Varies
Independent Study/Directed Reading/Independent Enrollment (per credit)	\$95
Private music lesson fee, per semester:	
One-half hour lessons	\$250
One hour lessons	\$500
Recital fee	\$40
Kinesiology fee, per semester	varies
IDS-103 & 104 Course fee (Terra Firma)	\$275
Transcript fee	\$5
Vehicle registration fee, per semester	\$75

HOUSING DEPOSIT

Residence hall deposit	\$150
------------------------------	-------

CAMPUS RENTAL APARTMENTS LEASE

(includes most utilities; 1-year lease required - for students who are married, are GRTS students, have children, or are 25 or older)

One-bedroom apartment, per month	\$530
Two-bedroom apartment, per month	\$595
Campus rental apartments security deposit	1-month rent

Travel and personal expense figures used for the federal cost of attendance budget can be found at www.cornerstone.edu/tuition-and-fees

PAYMENT OF BILLS

The balance for total tuition, fees, room & board charges is reduced by all financial aid awards a student receives for that semester. If your financial aid award letter includes "Federal Work Study," your account balance will not be reduced by the suggested amount of work study. Bills will be sent to students prior to the beginning of each semester provided the student registers in a timely manner. Students have two choices for paying the balance due:

Pay in Full: Full payment is due by the first day of the semester.

Payment Plan: Students may choose to pay the balance due in four or five equal monthly installments. Fall semester payment due dates are the fifth or twentieth of each month August – December, depending on payment plan chosen. Spring semester payment due dates are the fifth or twentieth of each month January – May, depending on payment plan chosen. There is a \$40 payment plan fee each semester. Students who do not pay as arranged on the payment plan may be excluded from using the payment plan in succeeding terms.

Late payment fees may be added to accounts not paid as arranged. Accounts are expected to be paid in full before taking examinations, obtaining transcripts, receiving diplomas, or registering for subsequent term. All balances must be paid in full prior to starting classes for a semester. Accounts not paid as arranged may be submitted to a collection agency. Students are responsible for all collection costs if an account is submitted to a collection agency.

REFUNDS: WITHDRAWAL FROM INDIVIDUAL COURSES

Students withdrawing from individual courses will receive refunds based upon the following schedule:

One week or less	100 percent
Second week	86 percent
Third week	80 percent
Fourth week	73 percent
Fifth week	66 percent
Sixth week	60 percent
Seventh week	53 percent
Eighth week	46 percent
Ninth week	40 percent
After nine weeks	No refund

Students who cease attending, but do not officially withdraw from a course, will receive a failing grade for that course and be charged in full. Appropriate adjustments will be made to financial aid programs following formulas mandated by federal, state and institutional regulations. Students whose enrollment status (i.e. full-time, 3/4-time, 1/2-time) would change if classes were dropped should consult with the Student Financial Services office to determine the extent of these adjustments.

REFUNDS: WITHDRAWAL FROM THE INSTITUTION AND/OR RESIDENCE HALLS

Students who cease attending, but do not officially withdraw from a course, will receive a failing grade for that course and be charged in full. Tuition and Room & Board refunds for students who withdraw during the course of the semester, those who are dismissed or suspended, or those who moved out of the residence halls will be computed as follows:

One week or less	100 percent (93 percent for Room & Board)
Second week	86 percent
Third week	80 percent
Fourth week	73 percent
Fifth week	66 percent
Sixth week	60 percent
Seventh week	53 percent
Eighth week	46 percent
Ninth week	40 percent
After nine weeks	No refund

Tuition refunds are based on the withdrawal date. Room & Board refunds are based on the week of the check out date or move out date, whichever is later. Fees are not refundable after drop/add week. Students who receive financial aid and withdraw from the institution during the semester may be required to return all or a portion of the aid to the appropriate programs. A calculation will be made based on the student's withdrawal date to determine what portion of the financial aid must be returned. Students may request a copy of the refund and repayment policy from the Student Financial Services office.

Federal Title IV Aid – If a student withdraws before completing 60 percent of the semester or period of enrollment, the institution must determine the percentage of Title IV assistance the student has earned. The percent earned is determined by dividing the total number of calendar days in the semester into the number of calendar days completed as of the withdrawal date. Any unearned amount must be returned to the Title IV program(s).

State of Michigan – If a student is assessed any tuition and required fee charges, the State of Michigan award is retained. If all charges are cancelled, the entire award must be returned to the State.

Institutional Aid – Institutional aid is reduced by the percent of the tuition originally covered by the institutional aid. The student may retain an amount equal to the percent of the actual tuition and fees charged based on the withdrawal date. The remaining amount must be returned to the institutional programs.

Room & Board – Students must officially check out of their residence hall by contacting their resident director and completing a Room Condition and Inventory (RCI) form. Refunds are based on the week of the check out date. Check out date used will be the date of the check out on the RCI and/or date of move out, whichever is later. Each week starts on the day of the week the term starts.

FINANCIAL AID

INTRODUCTION TO FINANCIAL AID

Cornerstone University provides financial aid to students who can benefit from further education but cannot do so without assistance. It also seeks to recognize students with exceptional abilities in the areas of academics, athletics and music. The Cornerstone University Student Financial Services office is committed to assisting students in receiving the maximum amount of financial assistance for which they qualify under federal, state, and institutional programs. It is important to keep in mind that the primary responsibility for financing a college education rests with the student and the student's family.

All students wishing to receive need-based financial assistance through federal, state, and/or institutional need-based aid programs must file the Free Application for Federal Student Aid (FAFSA) as soon as possible after Jan. 1 each year. Access the FAFSA at www.fafsa.gov or through the financial aid page of the CU website.

It is important that all requested information be submitted to the Student Financial Services office in a timely manner. Failure to do so will create delays and may result in the loss of aid. When all requested information is received, the Student Financial Services office makes an evaluation to determine student aid eligibility. Notification is sent to students informing them of the types and amounts of their awards. Awards can be viewed on WebAdvisor.

Students may view the institution's federal financial aid policies and procedures in the Student Financial Services office.

Summer is considered a leader term. Federal financial aid eligibility will be based on the FAFSA for the upcoming year (e.g. Summer 2017 = 2017-18 FAFSA). Aid received for the summer counts against total eligibility for the year. There is no institutional aid given for summer courses.

REQUIREMENTS TO RECEIVE FEDERAL FINANCIAL AID

Statement of Educational Purpose – A student must be enrolled as a degree-seeking student and must sign a statement indicating that all federal financial aid will be used for expenses related to study at Cornerstone University.

Statement of Refund and Default – A student must not owe a refund on any previously awarded federal grant or loan. A student must not be in default on any Federal loan, or must have made satisfactory arrangements to repay any defaulted federal loan, and have not borrowed in excess of the loan limits under federal programs at any institution.

Selective Service Registration – Male students born after Dec. 31, 1959, are required to comply with Selective Service registration regulations.

Satisfactory Academic Progress – To be eligible for financial aid, students must maintain Satisfactory Academic Progress (SAP) in accordance with the following guidelines:

Qualitative Requirements: The student must meet the appropriate cumulative grade point requirement. Cumulative G.P.A.s are monitored at the end of each semester. Entering freshmen have NO MINIMUM G.P.A. requirement.

1-25 credits completed	1.60 G.P.A.
26-57 credits completed	1.85 G.P.A.
58-ABOVE credits completed	2.00 G.P.A.

Quantitative Requirements: A student must complete his/her program within a period not greater than 150% of the normal program length (measured by credit hours). A student who receives financial aid is required to maintain the following pace to ensure progression towards the 150% completion requirement:

<u>Cumulative Hours Completed</u>	<u>Minimum Percent Completed</u>
1-25	65%
26-57	70%
58+	75%

SAP and all related criteria are evaluated at the end of each academic term for which a student is enrolled.

All regularly accepted and continuing students who do not meet either or both of the above requirements will be placed on financial aid warning. After a semester on financial aid warning, students still not meeting the criteria will have their financial aid suspended.

If a student suffers unusual circumstances and would like to appeal the financial aid suspension, he/she must submit to the Academic Appeals Committee a written explanation regarding noncompliance with these criteria. The Academic Appeals Committee will then determine the academic status of the student. If the student is granted financial aid eligibility, the student will be placed on financial aid probation. The Student Financial Services office will then consider eligibility for financial aid based upon the availability of funds and financial need.

If a student meets the qualitative requirements but does not meet the quantitative requirements and is allowed to continue enrollment, he/she will not be eligible for any type of financial aid until the proper level of progress is attained.

Repeat Courses – Federal rules allow a student to receive federal aid for a course more than once as long as it is not a result of more than one repetition of a previously passed course or any repetition of a previously passed course due to the student failing other coursework. A repeated course will be counted towards the 150% maximum time frame.

Please contact the Student Financial Services office for a copy of the complete SAP policy.

FEDERAL FINANCIAL AID PROGRAMS

Eligibility for federal student financial aid is determined through the annual submission of the Free Application for Federal Student Aid (FAFSA).

Financial aid is typically disbursed in equal disbursements for the fall and spring semesters.

Federal Parent PLUS Loan Program – Parents may be eligible to borrow up to the cost of education minus other aid each academic year. Both interest and principal payments begin 60 days after disbursement of the loan. Credit approval is required.

Federal Pell Grant – This federal program provides grants to students with exceptional financial need. The grant amount is based upon the information provided on the FAFSA each year. There is a lifetime Pell limit of 12 full-time semesters or the equivalent.

Federal Perkins Loan Program – This federal program provides loans to students demonstrating exceptional financial need. No interest accrues, nor is repayment required while the student carries at least a half-time academic load at any institution of higher education. Repayment begins nine months after the student ceases enrollment or graduates. The interest rate is 5 percent.

Federal Direct Loan Program – This federally insured loan program is available to all students who successfully file the FAFSA. The maximum loan eligibility each year is based on total credit hours earned and dependency status. For those who qualify for a subsidized (need-based) loan, the government pays the interest while the student is in school. The student is responsible for all interest on an unsubsidized loan which accrues from the date of disbursement. Repayment of both principal and interest begins 6 months after the student enrolls less than half-time or graduates. The student must complete online entrance counseling and a master promissory note prior to the initial distribution. There are lifetime limits on the amount a student can borrow and the amount of interest subsidy a student can receive.

Federal Supplemental Educational Opportunity Grant (SEOG) – This grant is awarded to students who demonstrate exceptional need based upon the information provided on the FAFSA. Recipients must be eligible for a Pell grant.

Federal TEACH Grant – The TEACH Grant program provides grant funds to future teachers who agree to serve at least four years as a full-time, highly qualified teacher in a high-need area of study and in a school serving low-income students. Eligible students may receive up to \$3,728 per year in TEACH Grant funds, up to a maximum of \$16,000 for undergraduate and \$8,000 for graduate study. If the recipient does not complete the required four years of teaching service within eight years after completing the coursework or does not meet all other requirements of the program, the TEACH Grant funds will be converted to a Federal Unsubsidized Stafford Loan that must be repaid in full, with interest accrued from the original date of the grant. If the TEACH Grant is converted to a loan, it cannot be converted back to a grant.

Federal Work Study – This program provides work opportunities for students with financial need. Federal funds are used to subsidize part of each eligible student's salary. Students may receive federal work study funds for employment in areas of community service contingent on prior approval by the Student Financial Services.

STATE FINANCIAL AID PROGRAMS

Persons who are legal residents of the state of Michigan as defined by the Michigan Department of Education may receive aid from state programs. Eligibility for state student financial aid is determined through the submission of the Free Application for Federal Student Aid (FAFSA). The current state application deadline for priority consideration is March 1. Consideration is given to applications received prior to June 30 and is based on availability of funds.

Michigan Competitive Scholarship – The award is available to students attending either private or public Michigan colleges. A qualifying score must be achieved on the SAT exam, and financial need must be established by filing the FAFSA before March 1. Lifetime eligibility is limited to 10 full-time semesters or the equivalent.

Michigan Tuition Grant – The grant is available to students attending independent non-profit Michigan colleges. Awards are based on financial need only. Application is made by filing the FAFSA prior to June 30. Students may only receive either the Michigan Tuition Grant or the Michigan Competitive Scholarship at any one time. Lifetime eligibility is limited to 10 full-time semesters or the equivalent.

INSTITUTIONAL GRANT AND SCHOLARSHIP PROGRAMS

To be eligible for need-based university gift aid programs, a student must submit a Free Application for Federal Student Aid (FAFSA). A student must be enrolled full-time as a degree-seeking student in a traditional undergraduate program. Students who have previously earned a bachelor's degree are not eligible for institutional aid. Priority consideration is given to students with financial need who have completed their FAFSA by March 1. In many cases, students only need to complete the FAFSA to be considered for these awards. Some upperclassmen awards require completion of an institutional scholarship application. Contact the Student Financial Services office for additional information. Apply online through the Student Financial Services website by February 1st. Conditions for receiving an endowed or restricted fund institutional scholarship include attendance at the Legacy dinner and the writing of thank-you notes to the donors or donor representatives. The Advancement Office will provide further details regarding these conditions to recipients.

Amanda and Michael Nielsen Children's Ministry Scholarship – This scholarship is awarded to undergraduate students who are pursuing a career in children's ministry in a local church or para-church organization following graduation or for a student serving in summer camping ministries. Application is made on the institutional scholarship application.

Athletic Scholarships – Awards are based on proven athletic ability. Athletic scholarship information may be obtained by contacting the athletic director or coach directly.

Belden Brick and Supply Architectural and Masonry Scholarship – This \$1,000 scholarship is provided to assist undergraduate students whose parents or grandparents are associated with the masonry, architectural or home building professions. Priority is given to employees of Belden Brick & Supply. Applicants must be high school students with a 3.0 G.P.A. or undergraduate students with a 2.5 G.P.A.. Application is made on the institutional scholarship application.

Bernie and Marge Mollema Multicultural Ministry Scholarship – This scholarship was created to financially assist Cornerstone University students entering full-time multicultural (Hispanic preferred) ministry after graduation. Applicant must maintain a minimum 3.0 G.P.A. Application is made on the institutional scholarship application.

Bertha Dewey Stock Memorial Scholarship – These funds are awarded to married students who have completed 60 credit hours and are preparing for full-time Christian ministry. Recipients must demonstrate financial need. Application is made on the institutional scholarship application.

Billy Zeoli/Gospel Communications International Scholarship in Christian Communications – This scholarship was established to honor the contributions of Billy Zeoli to the field of Christian Media Communications and will provide financial assistance to students seeking a career in the field of media production who desire to make an impact on the culture through media. Sophomore or greater status with a minimum 3.25 G.P.A. is required. Selection will be made by the media faculty.

Bronkema Family Scholarship – This \$1,000 scholarship is granted to a full-time female student facing unusual family and financial challenges. Applicant must maintain a 2.35 G.P.A. Application is made on the institutional scholarship application.

Capital Region Community Foundation Davis Fund Scholarship – This scholarship is awarded to a resident of Ingham, Eaton, or Clinton County (Michigan). Selection criteria include scholastic ability, scholarship application and character. Applicant must maintain a 2.5 GPA. Application is made on the institutional scholarship application.

Catherine Ross Wirtz Elementary Education Scholarship – This scholarship was established to provide assistance to students endeavoring to become elementary and middle school teachers. Candidates must have a record of service to the Lord and mankind, and must be accepted into the teacher education program with a minimum 3.0 G.P.A.. Financial need will be considered. Application is made on the institutional scholarship application.

Chancellor's Scholarship – Available to incoming students based on high school G.P.A. and ACT scores. The maximum amount for first-time students is \$12,000. Maximum amount for transfer students is \$8,500. The scholarship is renewable.

C. John Miller Business Leadership Scholarship – Assists returning students who have demonstrated exceptional potential for leadership in business. Applicant must be a business major, have at least 30 completed credits, and a minimum 3.0 GPA. Application is made on the institutional scholarship application.

Cornerstone Need Grant – The grant is awarded to students who meet specific need criteria based on a student's EFC, academics, residency plans and other gift aid. The amount of the award is determined based on the same criteria.

Cornerstone University Assistance – Available to incoming students based on high school G.P.A. and ACT scores. The maximum amount is \$6,000 for first-time students. The scholarship is renewable.

Cornerstone University Ministry Major Grant – This grant is awarded to Michigan residents who are ineligible for the Michigan Tuition Grant due to their enrollment in a Christian ministry major. Students must have attained junior or senior status and otherwise demonstrate eligibility for the MTG to be eligible for this grant. The amount of the grant is one-half of the estimated state grant eligibility for the year.

Creation Stewardship Scholarship Award – Students of Environmental Biology or Biology Majors who show behavior and activities outside of the classroom for stewardship of creation, with a 2.5 GPA or better, can apply for this award up to \$1,000. The student is voted upon by three science professors.

Deanna Scholarship – Assists students who were raised by a single parent with economical challenge. Application is made on the institutional scholarship application.

Dean's Scholarship – Available to incoming students based on high school G.P.A. and ACT scores. The maximum amount is \$10,000 for first-time students and \$7,500 for transfer students. The scholarship is renewable.

Dorothy Sayers Scholarship – Assists undergraduate writers in their endeavor to develop the skills for writing-connected careers. English or English writing major; financial need considered. Application is made on the institutional scholarship application..

Dr. Raymond E Bartholomew Scholarship – This scholarship was established in memory of Dr. Bartholomew, Cornerstone professor of English literature and language from 1971 to 1983. Recipient must be a junior or senior undergraduate student pursuing a career in the fields of professional writing or publishing and have established involvement and leadership in on-campus publications or off-campus internships in related fields. A 3.7 G.P.A. or higher and essay are required. Financial need is not a factor. Candidate is chosen by the faculty of the Humanities division.

Edward R. Powell Family Scholarship – This scholarship recognizes students majoring in media studies who intend to pursue careers in secular organizations in order to be “salt and light” as described in Matthew 5:13-16. The applicant must have completed at least 60 credit hours toward a degree at Cornerstone. Application is made on the institutional scholarship application.

Ernest and Yvonne Rogers Scholarship – This scholarship was established to financially assist music majors with at least 26 completed credits who demonstrate exceptional instrumental or vocal ability and are actively involved in a church music ministry during the academic year. The recipient must maintain a 3.0 G.P.A. Application is made on the institutional scholarship application.

Esther Gilbertson Scholarship – This scholarship is reserved for continuing students preparing for vocational ministry. A cumulative 3.0 college G.P.A. and financial need is required. Application is made on the institutional scholarship application.

Ethel M. Collins Children’s Education Scholarship – This scholarship assists students with demonstrated financial need who are majoring in teacher education and preparing for a teaching profession ministering to children. Applicants must have at least 26 completed credits and a 2.0 GPA. Application is made on the institutional scholarship application.

The Frank H. Gordon Memorial Scholarship – This scholarship of \$1,500 is awarded by vote of the music department faculty to the outstanding junior music major.

Ginger Coburn Memorial Scholarship – This scholarship assists female teacher education students with the cost of education at Cornerstone University. Priority is given to students from Alpena County, Mich. Applicants must have 60 earned credits and a minimum cumulative 3.0 G.P.A. Application is made on the institutional scholarship application.

Glenn and Barbara Steil Scholarship – This scholarship assists undergraduate students over the age of 21 who have completed two years of college course work and demonstrate financial need. The recipient must have a minimum 2.0 G.P.A. Application is made on the institutional scholarship application.

Global Scholarship – Awarded to incoming freshmen or transfer students who are missionary kids of families serving in overseas missions. Students must be nominated by a mission organization leader based on demonstrated spiritual maturity, the capacity to contribute to a spiritually contagious environment at Cornerstone, strong academic credentials, active participation within their church and community, and a desire to be an influencer in the world for Christ. Students must be accepted for admission, meet academic criteria, complete the nominated student resume form and file the FAFSA. The scholarship is renewable each year based on engagement with the campus community. Students are required to live on campus to be eligible. Amount and number of awards varies based on available funds.

Gloria Baker Endowed Kinesiology Award – The Gloria Baker Endowed Kinesiology Award is granted yearly to a student with at least 58 completed credits who demonstrates the qualities necessary to become successful in the field of Physical Education or Exercise Science. Selection is made by the Kinesiology Department faculty.

Gonzales Scholarship Fund – To recognize urban students with great potential. Eligible students must be outstanding inner city students who require financial assistance to attend Cornerstone University. Application is made on the institutional scholarship application.

Howard and Mary Simms Memorial Scholarship – This scholarship assists students majoring in social work with demonstrated growth and intentional work in several arenas, and who demonstrate financial need. Application is made on the institutional scholarship application.

International Student Grant – These scholarships are available to international students who have financial need and are not eligible to receive assistance through the federal student aid programs. Eligibility is determined by the director of admissions and the director of Student Financial Services, based on a student’s financial situation. The maximum amount is \$3,000.

Jabez Urban Scholarship - The Jabez Scholarship Fund was created to recognize inner-city students with great potential, educate them in a Christ-centered atmosphere, and prepare them to distinguish themselves as people of professional agility, integrity and spiritual depth in order to influence our world for Christ. Selection is made by the Cornerstone Scholarship Committee. Application is made on the institutional scholarship application.

Kent and Hazel Hager Endowment – The Kent and Hazel Hager Endowment Fund was established to financially assist students preparing for full-time Christian work who have completed at least 58 credits and maintain a minimum G.P.A. of 3.0. Application is made on the institutional scholarship application.

The Lukas Squires Memorial Scholarship – This scholarship was established to financially assist an undergraduate student with a declared youth ministries major or minor; preference given to those who has overcome a personal hardship. The recipient must maintain a 2.5 G.P.A. Application is made on the institutional scholarship application.

Margaret Ward Music Scholarship – This scholarship is provided for students who have demonstrated financial need, are majoring in music with an emphasis in piano or voice and have a minimum 3.0 G.P.A. Application is made on the institutional scholarship application.

Meryl Welch Musical Arts Endowed Scholarship – This fund financially assists students in their commitment to exhibit excellence in the field of music. Priority given to those with a concentration in piano. Application is made on the institutional scholarship application.

Multicultural Scholarship – This award is available to students who are part of a recognized minority group and who meet specific institutionally determined need requirements. Filing of the FAFSA is required.

Music Scholarship – Renewable scholarships are awarded to students in various designated areas of study (i.e. voice, keyboard, brass, woodwinds, etc.). Recommendations for awards are submitted by the music department faculty. Entering students must complete an application and will be expected to audition in person before the music faculty (or send an audition tape if a visit to campus is not possible). Recipients must adhere to contractual obligations, including participation in the appropriate applied lessons and large ensemble.

Nepal Student Scholarship – Assists students from Nepal who demonstrate financial need, minimum 2.75 G.P.A., and a desire to study in a student-focused learning community where Jesus Christ is central.

Orpha Galloway Endowed Scholarship – Established to provide financial assistance to an outstanding music student who shows significant leadership in the spiritual life of Cornerstone University and maintains a minimum 3.0 G.P.A.. The \$1,000 award is given by the Chairman of the Department of Music.

Outstanding Female Athlete Scholarship – This scholarship is intended to recognize outstanding female student athletes who have displayed outstanding Christian character, leadership, and involvement in Cornerstone University. The student must have earned a minimum of 60 credit hours. Nominations are made by the Athletic Advisory Committee.

Outstanding Scholar Award – This scholarship recognizes National Merit scholarship finalists. It is available to students who enroll at Cornerstone by the beginning of the third semester after the student graduates from high school. Recipients are eligible to receive the award for up to ten semesters at Cornerstone University. After a student has earned a degree, he or she is no longer eligible to receive the award. Finalists will receive a \$15,000 scholarship. Total institutional aid and Michigan Tuition Grant, or Competitive Scholarship for recipients of either award may not exceed total tuition. The award may not be used for off-campus programs such as CCCU programs.

Partners for Success Award – Available to incoming students based on high school G.P.A. and ACT score. The maximum amount for first-time students is \$8,000. The maximum amount for transfer students is \$6,500. The scholarship is renewable.

Pastor's Scholarship – Students must be incoming freshmen nominated by their pastor or youth pastor based on demonstrated spiritual maturity, the capacity to contribute to a spiritually contagious environment at Cornerstone, strong academic credentials, active participation within their church and community, and a desire to be an influencer in the world for Christ. Students must be accepted for admission, meet academic criteria, and file the FAFSA. The scholarship is renewable each year based on engagement with the campus community. Students are required to live on campus to be eligible. Amount and number of awards varies based on available funds.

Paul Gordon Family Endowed Scholarship – This scholarship was established to assist three financially needy students who demonstrate good citizenship, give evidence of strong Christian character, and maintain a minimum 3.0 G.P.A.. One student whose parents are in ministry, one student who is an ministry major, and one student who is a business major. Application is made on the Institutional Scholarship Application.

Phi Theta Kapa Scholarship – This scholarship is designed to award students who transfer from a community college with Phi Theta Kappa membership. Phi Theta Kappa is a prestigious college honor society and Cornerstone University values student involvement. The scholarship adds \$1,000 to the recipient's academic scholarship. Students with a 3.7 or higher G.P.A. and Phi Theta Kappa membership can apply by filing the Phi Theta Kappa Application.

Presidential Scholarship – Available to incoming first-time students based on high school G.P.A. and ACT score. The maximum amount is \$14,000. The scholarship is renewable.

Renee K. Spaanstra Memorial Scholarship – This scholarship was established after the death of Renee Spaanstra, an employee of Cornerstone's Student Financial Services office, to financially assist undergraduate single parents with children under the age of 18. Secondary consideration is given to undergraduate students who face domestic hardship that results in loss of financial support. The recipient must have at least 26 completed credits and demonstrate financial need. Application is made on the institutional scholarship application.

Resident Need Grant – Awarded to students living in university residence halls who demonstrate financial need. Funds are available to students meeting specific criteria based on a student's EFC, academics, residency plans and other gift aid. The amount of the award is determined based on the same criteria.

Rev. Joseph Balbach Scholarship – Assists Bible or music majors who have a passion for others, demonstrate financial need, and have good academic standing. Application is made on the institutional scholarship application.

Richard and Doris Baker Learning Center Endowment – This endowment was created to develop the learning center staff and programming and to provide scholarships to learning center students who face emotional, physical or educational challenges. Nominations for scholarships are made by faculty or staff, and the amounts vary based upon funding.

Robert and Ruth Lanting Endowed Scholarship – The student candidate must be committed to Christian ministry or mission work and demonstrate financial need. Application is made on the institutional scholarship application.

The Ronald B. Mayers Religion Major Award – This \$1,000 scholarship is provided to a student on the basis of scholarship, vocational ministry aspirations, and seminary education expectations. It is awarded to a student in his or her junior year who is selected by the faculty of the Bible, Religion and Ministry Division. Awarded candidate is chosen by the faculty of the BRM division.

Ronald Meyers Scholarship – The Ronald Meyers Science Scholarship is granted yearly to a student who demonstrates the qualities necessary to become a successful scientist. Recipient is selected by the science department faculty and must be a full-time junior or senior science major with a 3.6 higher cumulative G.P.A. An essay may be required.

Samuel L. Westerman Scholarship – This scholarship is awarded to students who have earned at least 60 credit hours and at least a 3.0 G.P.A. with financial need, and who have demonstrated active involvement in community and/or church related work. Application is made on the institutional scholarship application.

Servant Leadership Award – The \$1000 Servant Leader Award identifies and recognizes students entering their senior year who are chosen by their peers and faculty as servant leaders in the areas of ministry and community service. This award serves as an effective instrument to the entire educational community by promoting the ideals of service that substantially benefits others. Application is made on the servant leadership application which can be obtained from the Dept. of Student Development.

Stewart-Woodward Accounting Scholarship - This endowed fund was established by Scott Stewart, Cornerstone University Controller to honor his grandfather Robert Woodward and to financially assist Cornerstone University students with at least 60 completed credits preparing for a career in accounting. Application is made on the Institutional Scholarship Application.

Study-abroad Scholarship – Students participating in a study-abroad program may be eligible for this scholarship. The amount of the scholarship may be up to 100% of a student's normal institutional aid depending on available funds and whether it is an international or domestic program.

Sylvia King Music Scholarship – This scholarship is provided for the undergraduate student who has demonstrated financial need, is majoring in music with an emphasis in piano or voice and has a minimum 3.0 G.P.A. Candidate is chosen by the faculty of the Music division.

T. M. Branch Scholarship – This scholarship was provided by the Thomas M Branch family to support baseball athletes with financial need and is awarded annually by the athletic department.

Urban Scholarship – Scholarship for African American or Hispanic students from diverse, urban backgrounds. Scholarship amounts range from \$500-\$2,500 per year. Student must display strong leadership potential and clear spiritual commitment to excel in the Cornerstone campus community. Involvement must include, but is not limited to, the Cornerstone University Multicultural Organization. Student must maintain a cumulative 2.0 G.P.A. in college and live on campus in order to retain the scholarship each year. Students must be nominated and complete their FAFSA to be considered for this scholarship.

The Victor Matthews Center for Leadership (CLD) Award Program Scholarship - This scholarship was created to financially assist undergraduate students who have completed the CLD program and are enrolling full- time at Cornerstone University. Selection is made by the Office of Admissions. Contact them for application details.

Virtual Soccer, LLC Christian Character Scholarship – Recognizes a returning Cornerstone woman soccer player who has displayed exceptional Christian Character, leadership, and involvement through participation on the Cornerstone University Women's Soccer team. \$500 minimum award. 2.0 minimum G.P.A..

Wendell K. Babcock/Grand Rapids School of Bible and Music Alumni Children's Scholarship – To be eligible, a student must be the child of a GRSBM alumnus with demonstrated financial need. An eligible student may receive up to \$1,500 per academic year. Application is made on the institutional scholarship application.

ACADEMIC INFORMATION

(Refer to the Professional & Graduate Studies catalog for academic information related to accelerated programs.)

ACADEMIC ASSISTANCE

The Center for Student Success at Cornerstone functions in a dual role as both an academic resource center and a disability accommodations center. In the first capacity, the Center for Student Success will provide tutoring services and academic support to the traditional undergraduate community on an “as needed” basis. In the second capacity, the Center for Student Success will be the contact point for all disability services on campus, including academic and otherwise. In addition to the Center for Student Success, the Writing Center provides writing tutors for the traditional undergraduate community.

The following courses are offered for students requiring additional academic support. These courses may be counted for purposes of financial aid, sports eligibility and G.P.A., but do not count toward the total hours required by the institution for graduation.

DEPARTMENT AND LEVEL/COURSE NAME

CREDITS/FREQUENCY
(See page 59 for codes)

CLC-096 **CLC Learning Strategies** **2/1**
An introduction to university learning strategies designed to provide each student with an opportunity to assess learning styles, priorities, values and cognitive skills. The course will feature a combination of lectures, group activities, guest speakers, personal assessment inventories and study skills development exercises.

MAT-096 **Pre-Algebra** **2/1**
An individualized review of applied arithmetic. Patterns leading to operations with fractions, decimals, percents and proportions. Graphing, drawing, probability and spreadsheet tools are used in technology activities to learn problem-solving strategies, numerical geometry, pre-algebra, and basic statistics concepts. Prerequisite: The Math Placement Examination. Credits earned in this course do not count toward graduation.

ACADEMIC CALENDAR: SEMESTER AND HOURS

The academic year is divided into two semesters of 14 weeks each. A semester hour represents one class period of 60 minutes per week for one semester. Students register for approximately 16 hours per semester. Students may register for more than 18 hours when a completed 18-hour limit waiver form is submitted to the Registrar’s Office.

ACADEMIC INTEGRITY

As a Christian institution of higher education, Cornerstone University seeks to maintain the highest standards of academic integrity. The faculty trusts the integrity of Cornerstone students and encourages them to maintain the integrity of the faculty-student relationship. Academic dishonesty, therefore, is a serious breach of university standards and will result in substantial penalties. Violations of academic integrity include:

Plagiarism: Willfully submitting as part or all of one’s own work material that is copied or paraphrased from another source, including on-line sources, without proper acknowledgment of that source.

Cheating: Using unauthorized material or study aids for assistance on examinations or other academic work. Examples include but are not limited to: looking at a peer’s exam, altering a graded exam, using notes without permission, etc.

Fabrication: Submitting altered or contrived information in any academic assignment. Examples include but are not limited to: falsifying data, text material, or sources.

Facilitating academic dishonesty: Helping another student violate this policy. Examples include but are not limited to: allowing one’s work to be copied, working together on an assignment where collaboration is not allowed, doing work for another student.

APPEALS PROCESS

- A student who feels that he or she has been unfairly accused or unjustly treated may appeal the decision to the appropriate division chair. Such appeals shall be made in writing within seven days of notification of the decision.
- If a professor or student deems that the case has not been resolved satisfactorily and that a more comprehensive university response is needed, he or she may appeal to the Associate Dean of Assessment and Student Success.
- Final appeals shall be made to the Vice President for Traditional Undergraduate Academics.
- In the case of a successful student appeal, the record of the offense will be expunged from the student's file.

ACTION REGARDING VIOLATIONS OF ACADEMIC INTEGRITY

Violations of the academic integrity policy will result in the following actions:

First Offense: Faculty Response:

- File a written report with the Associate Dean of Assessment and Student Success.
- The student will receive no credit for the assignment or test on which he or she has been dishonest.
- More severe penalties may be imposed if such penalties are announced in the course syllabus.

Associate Dean of Assessment and Student Success Response:

- A file will be created recording the student's violation of the academic integrity policy.

Second Offense: Faculty Response

- File a written report with the Associate Dean of Assessment and Student Success.

Associate Dean of Assessment and Student Success Response:

- The student's file will be updated to reflect a second violation of the academic integrity policy.
- Written notification will be given to the faculty member who reported the academic integrity violation indicating that the student who violated the academic integrity policy will fail the course.
- Written notification will be given to the Vice President for Student Development who will implement an accountability and mentoring plan for the student.

Third Offense: Faculty Response:

- File a written report with the Associate Dean of Assessment and Student Success.

Associate Dean of Assessment and Student Success Response:

- The student's file will be updated to reflect a third violation of the academic integrity policy.
- Written notification will be given to the faculty member who reported the academic integrity policy violation indicating that the student who violated the academic integrity policy will fail the course.
- The student will face suspension or dismissal from the university.

The student's Academic Integrity file will be destroyed upon graduation.

Education Regarding Academic Integrity Policy

Cornerstone University shall make all students and faculty aware of this policy by publishing it in the Student Handbook and the Faculty Handbook. Furthermore, faculty will reference the policy in their course syllabi. However, ultimate responsibility for knowledge of and compliance with this policy rests with the student.

ACADEMIC PROBATION, ACADEMIC SUSPENSION AND ACADEMIC DISMISSAL

Any student who does not earn for his or her work at Cornerstone University a cumulative G.P.A. in his or her classification of 1.6 or better for freshmen (0-25 credits), 1.85 or better for sophomores (26-57 credits) and 2.0 or better for juniors and seniors (58+ credits) will be placed on academic probation.

The Academic Office will notify each student placed on academic probation at the close of the semester. A student on academic probation should not enroll in more than 14 credit hours and may be required to enroll in CLC-096. The purpose of probation is not designed to punish, but rather to serve as an indication to students that they are not progressing at a satisfactory rate toward graduation. Thus, co-curricular activities should be limited in order to devote more time to academic concerns.

Students who, after one semester of academic probation, do not reach the cumulative G.P.A. outlined for their class standing will be academically suspended. Students on suspension may appeal to the Academic Appeals Committee.

NOTE: There are standards of satisfactory progress related to financial aid and Veterans' benefits.

ATTENDANCE POLICY

Students are expected to attend all classes. Class attendance is directly related to a student's performance, and performance is enhanced by class attendance.

Students who anticipate an absence due to official co-curricular participation should consult with the professor in advance and, if possible, complete any scheduled work in advance of the absence. Faculty or others in charge of a co-curricular activity will provide the faculty with a list of students participating prior to any activity that would remove students from classes.

All faculty are required to include an attendance policy in each course syllabus. In addition, faculty will record the absences of students in all classes. Whenever a student does not attend class in accordance with the attendance policy recorded in the syllabus, the professor will take appropriate action. The nature of the action should relate to the excessiveness of the absenteeism. Any student who misses 1/3 or more of the scheduled meetings of a class automatically fails the course.

As much as possible, official school functions that require student participation should not be scheduled as to require absence from classes. No official co-curricular participation may be scheduled during the final exam period.

AUDIT POLICY

Students may audit courses (see the Financial Information section for the current rate). Audited courses do not include honor points (G.P.A.) or credits toward graduation. Applied music and physical education courses are not open to auditors. Audit status does not count toward full-time enrollment.

Changes from credit to audit and vice versa will not be permitted after the first week of the semester (drop/add period).

CENTER FOR CAREER AND LIFE CALLING

The Center for Career and Life Calling exists to assist Cornerstone University students with finding and developing their unique, God-given potential to become all God has called them to be as individuals and professionals.

Throughout your Cornerstone years, our Career and Life Calling team commits to partner with students to:

- Develop an accurate knowledge of self to make informed decisions on choice of majors and curricular/co-curricular involvement
- Offer goal-oriented career planning appointments
- Integrate LifePath Initiatives within academic advising
- Moderate career-related workshops and presentations
- Provide opportunities to network with alumni
- Assist with resume and online brand development
- Provide internship and job search assistance
- Maintain an online internship and job bank

Various career-related resources (resume development, interviewing, etc.) and instructions on how to register for internships can be found on the CU Portal under Student Services. Students can search for jobs (off-campus and on-campus), internships, and professional employment opportunities through Cornerstone's Handshake online career platform at cornerstone.joinhandshake.com.

CENTER FOR STUDENT SUCCESS

The Center for Student Success team will empower you to develop an individualized four-year plan, provide academic counseling and support, and assist you in developing skills that will help you thrive as a student. A variety of resources are available to students through the Center for Student Success, including:

- **Academic advising and strengths-centered coaching** - The Center for Student Success team provides academic advising for all enrolled first-year students.
- **Peer tutoring** - Enrolled students may request a tutor at any time throughout the semester. Private, one-hour weekly sessions are held in the Center for Student Success.
- **Learning Strategies Course (CLC-096)** - Students enrolled in CLC-096 enhance their academic skills in this 2-credit hour course through participation in discussions on goal formation strategies and strengths, as well as best practices for engaging course work as a student.
- **Connections to campus resources and contacts** - Maximize the experience of your undergraduate years through campus networks.
- **Tailored academic support services** - The Center for Student Success team assists with testing strategies, establishment of an academic organizational system, time management, and the development of effective study skills.
- **Disability services for Traditional Undergraduate and adult students** - Cornerstone University offers both academic and housing accommodations. For additional information and application instructions, see the Student Disability Services section on page 41.

CLASSIFICATION OF STUDENTS

Students are officially classified according to the semester hours of credit they earn:

Freshman: 1-25 semester hrs.

Junior: 58-89 semester hrs.

Sophomore: 26-57 semester hrs.

Senior: 90 + semester hrs.

CORRESPONDENCE CREDIT

A maximum of 30 semester hours of credit earned by correspondence or extension may be applied toward a degree. Such work should be taken only from well recognized correspondence programs through accredited institutions. Currently, correspondence work is accepted from a number of accredited institutions.

Students interested in taking correspondence courses should receive approval from the Registrar's Office before registering for the courses. Correspondence courses intended to fulfill degree requirements should be certified as equivalent by Registrar's Office personnel before the course is taken and by completion of the transfer pre-approved form.

CREDIT BY EXAM

A student may be granted advanced placement or college credit on the basis of examination. Amount of credit and level of placement are determined by the undergraduate academic committee. Credit for advanced standing can be acquired by the following means:

1. Advanced Placement Program of the College Board with scores of 3*, 4, or 5. Students who intend to enter the university under this program should arrange to have their Advanced Placement examination records sent to the Office of Admissions. (*Some exceptions for a score of 3 are noted on the CU website.)
2. College Level Examination Program (CLEP) with scores at or above 50.
3. Defense Activity for Non-Traditional Education Support (DANTES) Subject Standardized Tests (DSST's) with scores meeting or exceeding the minimum score recommendation provided by the American Council on Education.
4. A student may be awarded college credit on the basis of International Baccalaureate (IB) examinations. The amount of credit and level of placement are approved by the Cornerstone Education Policy Committee. IB Higher Learning (HL) exams will be accepted with scores of 5, 6, or 7. Letter grades are not given in any course for which credit is granted. These credits may be used to satisfy degree requirements, but do not apply to the residency requirement and are treated as transfer credit. Students must provide an official IB transcript to the university admissions office at the point of admission.

Credit awarded for examination (Advanced Placement, CLEP, or DANTES) will not be permitted for courses previously waived (on the basis of ACT scores or by instructor permission) to permit enrollment in an advanced course.

Students are encouraged to verify the course equivalent with the Registrar's Office prior to writing one of the exams. A maximum of 30 credit hours earned by CLEP, Advanced Placement, DANTES and/or IB may be applied toward a degree program. No charge will be assessed for the processing of Advanced Placement, CLEP or DANTES credits.

DEAN'S LIST

At the end of each fall and spring semester the Dean's List will be published with the following requirements:

1. A student must earn a 3.5 G.P.A. for that semester.
2. A student must be enrolled as a full-time student (12 credit hours).
3. A student must complete all courses by the end of the semester when grades are reported by the faculty. Any "incomplete" will remove a student's eligibility for the Dean's List.

DEGREES OFFERED

1. Associate of Arts: (A.A.), 60 semester hours. (See Teacher Education Division for specific requirements)
2. Associate of Science - Business Studies: (A.S.), 60 semester hours. (See the Professional and Graduate Studies catalog for specific requirements) & Health Services (A.S.), 68 semester hours (See K.S.M. Division for specific requirements)
3. Bachelor of Arts: (B.A.), 120 semester hours. Majors: See the complete listing of majors in the B.A. degree in the Degree Information section.)
4. Bachelor of Music: (B.Mus.), 129 semester hours. Majors: Music Education (K-12), Performance and Performance: Commercial Music. (See the Music division for specific requirements.)
5. Bachelor of Science: (B.S.), 120 semester hours. Majors: See complete listing of majors in the B.S. degree in the Degree Information section.
6. Bachelor of Science in Engineering: (B.S.E.), 140 semester hours minimum. Majors: Data Science and Management. (See Kinesiology, Science & Mathematics section.)
7. Bachelor of Social Work: (B.S.W.), 120 semester hours. Majors: Social Work
8. Master of Arts: (Education) (M.A.) See the Professional and Graduate Studies catalog for specific requirements.
9. Master of Arts: (Ministry Leadership) (M.A.) See the Graduate Programs catalog for specific requirements.
10. Master of Business Administration: (M.B.A.) See the Professional and Graduate Studies catalog for specific requirements.
11. Master of Science (Management): (M.S.) See the Professional and Graduate Studies catalog for specific requirements.

DIRECTED READING (470)

Directed Reading is an option in the major or minor for students who possess a 3.0 cumulative G.P.A. and who have reached junior class standing. Students must secure the permission of the faculty member with whom they will be working as well as the chair of the division in which the study will be taken. Eligible students must complete the application form as well as a proposal of the title, tentative bibliography, nature and scope of the work to be accomplished before registering.

For each credit of Directed Reading desired, 1,500 pages of reading are required. Grades of "A" through "F" are assigned. The student is responsible to assume the initiative in completion of the course. Directed Reading courses may not be substituted for courses listed in the catalog.

A Directed Reading course not finished in the semester for which the student enrolled may be given an incomplete with approval from the chief academic officer or division chair. If unfinished by the deadline by which the incomplete must be removed (see Incomplete Grades), the grade will be changed to an "F."

Faculty members are limited to a total of two Independent Studies and/or Directed Readings during a given semester. Division chairs will be responsible for determining the appropriateness of the study plan and credits to be awarded for the Directed Reading. The faculty and student will interact on a regular and substantive basis to assure progress of the directed reading. A fee of \$95/credit hour will be charged to the student for each Directed Reading.

DROP/ADD/WITHDRAW COURSE POLICY

Students are strongly encouraged to finalize their course schedule during the first five business days of each term. Students may drop or add courses without penalty or charges only during the first five (5) business days of each term. After the fifth business day, courses cannot be added and refunds for withdrawn courses will be calculated using the chart listed under the Financial Information section of the current catalog entitled, "Refunds: Withdrawal from Individual Courses."

Drop Courses (during Drop/Add Period):

- No record on transcript

Withdrawn Courses (after Drop/Add Period):

- After Drop/Add and before the end of 9th week: W - no effect on G.P.A.
- After end of 9th week: W/P or W/E (W/P - no effect on G.P.A.; W/E - treated as an F for G.P.A. calculation)
- After end of 12th week: W/E - treated as an F for G.P.A. calculation (no W/P option)

W = Withdrawn

W/P = Withdrawn - Passing

W/E = Withdrawn - Failing

A student who wishes to withdraw from all of his or her classes shall complete a full withdrawal form to be obtained from the Retention Office. The student must obtain the proper signatures and return the form before being considered officially withdrawn. See "Withdrawal From Institution" on page 43 for more details.

EDUCATIONAL POLICY

While all students must follow academic programs as listed in the catalog in effect at the time of entrance or re-admission to the university, any changes instituted by academic policy councils or faculty decision becomes effective immediately unless otherwise stated and may differ from the entering catalog.

ENGLISH COMPETENCY

English placement is based upon SAT information provided at the time of enrollment. Students placed in classes lower than ENG-212 must progressively move to the next level course (i.e. A student enrolled in ENG-100 must also take ENG-114 and ENG-212.)

ENROLLMENT STATUS

For federal financial aid calculations, all students are considered to be enrolled full-time if they are enrolled in 12 or more credits. Aid is calculated based on formulas related to a student's academic year, federal payment periods and the federal award year.

For state financial aid calculations, enrollment status is based on the number of credits for which a student is enrolled for a given term. The full-time enrollment status for state programs is 12 or more credits per term.

FIELD PRACTICUM (SOCIAL WORK)

In their senior year, Social Work students participate in a required field practicum experience under the supervision of an experienced social worker for a minimum of 440 hours. This provides opportunity for hands-on training and application of theory, knowledge and skills to actual situations in a variety of settings. Student field practicum placements have included adoption and foster care agencies, crisis pregnancy centers, juvenile court, hospitals, nursing homes, child and adolescent group homes, community mental health and residential treatment centers.

To enroll in the field practicum, students must achieve senior status (i.e., completed 96 credit hours) and have approval from the Social Work Department faculty. Students register to take SWK-450 Field Practicum I and SWK-451 Field Practicum Seminar I concurrently in the fall, then SWK-460 Field Practicum II and SWK-461 Field Practicum Seminar II concurrently in the spring.

GLOBAL STUDIES REQUIREMENT

In order to fulfill the Global Studies requirement in the core, students must choose **one** of the following options:

1. Minimum two-week international study experience as approved by International Programs Committee.
2. A minimum three-credit cross-cultural internship as approved by the division.
 - Cross-cultural internships are approved by the division. However, the International Programs Committee advises that to be considered cross-cultural, an internship should include significant immersion in a cultural setting different from the predominant cultural experience of the student intern.
3. A global studies course as approved by the International Programs Committee, UAC and Faculty Senate.

BUS-215	International Business Experience	MGT-339	International Management
BUS-317	International Business	MKT-359	International Marketing
CMI-243	Introduction to Intercultural Studies	PSY-448	Cross-Cultural Psychology
COM-311	Intercultural Communication	SOC-352	Intercultural Communication
ECN-335	International Economics	SOC-417	Minorities
ECN-215	International Business Experience	SSC-312	World Affairs
EDU-363	Diverse Populations/Diff. Instruction	SWK-417	Human Diversity
LIN-100	Language in Culture		

4. Students with non-U.S. high school diploma are exempt.

GRADES AND HONOR POINTS

The student's scholastic standing is indicated both by grades and honor points. The student earns honor points in accordance with grades as follows:

Grade	Interpretation	Honor Points (per class hour)
A	Exceptional	4.00
A-		3.70
B+		3.30
B	Good	3.00
B-		2.70
C+		2.30
C	Average	2.00
C-		1.70
D+		1.30
D	Below Average	1.00
D-		0.70
F	Failure	0.00
CR	Credit Received	
F/W	Failed to Withdraw	W (Withdrawn)
I	Incomplete	W/E (Withdrawn - Failing)
NC	No Credit	W/P (Withdrawn - Passing)

GRADE POINT AVERAGE (G.P.A.)

The G.P.A. is computed by dividing the total number of credits attempted into the total number of honor or quality points. Credits and honor points are not given for courses in which the grades “W/P,” “W/E” and “I” have been received. “W/E” is considered when calculating G.P.A.

GRADUATION AWARDS

The following departmental awards are typically presented at the annual Honors Convocation chapel in recognition of high academic achievements.

Bible, Religion & Ministry – The criteria for the Bible, Religion, and Ministry Division award are: academic performance, attitude in the classroom, potential for ministry, involvement in ministry while at Cornerstone, evidence of God’s calling for ministry in one’s life, and attitude toward and acceptance by one’s peers and professors. The recognized student is a positive catalyst for ministry among one’s colleagues.

Business Division Academic Excellence Award – The Business Division Academic Excellence Award is presented to the student in the Division of Business who demonstrates the highest degree of academic excellence, exhibits leadership within the division, promotes a Christian worldview through his or her character, community and campus involvement and exhibits a high level of business competency.

Communication & Media – The Division of Communication and Media is pleased to give its highest award to the senior majoring in Communication, Audio Production, Digital Media or Film & Video Production who best demonstrates the following criteria: excellent academic performance, skills and proficiency in communication, and Cornerstone University’s distinctives of leadership, citizenship and Christian world view.

Music – The Outstanding Senior Music Major Award is given to that senior who has exemplified the values of the division by a history of outstanding service to the collegiate community as demonstrated by high scholastic achievement and musical excellence. Through distinction in the area of performance, composition, music ministry or music education, this student has proven his or her potential to excel in the field of music as a professional.

Humanities – The Humanities Division employs the following criteria when choosing its divisional award winner: academic performance, general attitude and outlook on life, on-campus involvement, community involvement, and other special items of consideration.

Kinesiology, Science & Mathematics – This award is given to a student who has exhibited commitment to academic excellence, very strong likelihood of professional success in a chosen field, impeccable moral character and desire to serve mankind for the glory of God, and significant contribution to the campus community with a positive attitude and spiritual sensitivity.

Social Science – The Social Sciences Division award is given to the student who best exemplified high academic achievement, spiritual maturity, involvement in on-campus and/or off-campus activities with plans for graduate work in one of the disciplines represented.

Teacher Education – The Outstanding Student Educator Award is given to a student who has demonstrated in class, in field experiences, and in personal life the knowledge, skills and Christian character to think critically, to enable positive change in themselves, their society, and the environment as servant leaders to their students and others to bring glory to God.

GRADUATION HONORS

Three groups are recognized at graduation. Those graduating Cum Laude must achieve a G.P.A. of not less than 3.60; Magna Cum Laude, 3.70; and Summa Cum Laude, 3.85. For the purposes of Honors Convocation (awarding of honor cords) and recognition at commencement, the determination of those eligible for honors will be made as of the end of the fall semester. The final transcript and diploma will record graduation honors as of the completion date of the student’s entire program.

To be eligible for graduation honors for the Bachelor’s degree the student must complete 64 semester hours of credit in residence (32 hours for associate degrees). The G.P.A. will be calculated on work completed at Cornerstone University only.

GRADUATION REQUIREMENTS

To be eligible for graduation, students must fulfill the following conditions:

1. General Education Core (see pages 49-55 for specific degree requirements). Required for all majors unless otherwise specified. Where requirements for general education core differ from this listing, these core requirements are specified under individual majors. (Teacher education students see additional requirements in the Teacher Education Division section.)
2. Bachelor of Music degree requires completion of 129 credit hours, including the hours prescribed for general education core, a major, and one minor (major = 30 minimum of credit hours; minor = minimum of 18 credit hours).
3. Bachelor of Arts, Bachelor of Science, and Bachelor of Social Work degrees require completion of 120 credits, including the hours prescribed for general education core, a major and one minor (major=minimum of 30 credit hours; minor=minimum of 18 credit hours).
4. Bachelor of Science in Engineering degree requires completion of a minimum of 140 credit hours prescribed in general education core and a major.
5. Double counting of courses/hours is not allowed between majors and minors. Additional appropriate courses must be taken in order to complete the sum of the required hours for the major or minor. Business and Social Science allow limited double counting. Multiple counting of general education courses is allowed. Any questions regarding double counting should be directed to the appropriate division chairperson or the Registrar's Office. The only condition is that the student must have completed non-duplicated hours for his/her degree program.
6. Master of Arts in Education. (See the Professional & Graduate Studies catalog for specific requirements.)
7. Master of Arts in Ministry Leadership. (See the Graduate Programs catalog for specific requirements.)
8. Master of Science in Management. (See the Professional & Graduate Studies catalog for specific requirements.)
9. A cumulative G.P.A. of 2.0 or higher in all work, 2.5 or higher in the major and 2.0 or higher in the minor. All teacher education students must meet the following minimum cumulative G.P.A.: 2.5 overall, C- in education courses and 2.5 in their majors. Elementary education students in the triple minor program must have a minimum combined G.P.A. of 2.5 for the two minors other than the planned program minor and a minimum 2.0 G.P.A. in each of the minors other than the planned program minor.
10. A grade of "C-" or better in ENG-212 Writing In Culture and COM-112 Communication In Culture.
11. Transfer students are required residency for at least 32 hours. All students are required residency for at least 24 of the last 33 hours, and at least 12 hours of the major must be completed in residence. For elementary education students enrolled in the triple minor program, the two minors other than the planned program minor shall be equivalent to a major for the purpose of calculating residency requirements. (Students enrolled in the associate degree program require residency for at least 24 hours, residency for 24 of the last 33 hours and residency for at least 12 hours of the major.)
12. Chapel attendance requirements, as outlined in the Student Handbook.
13. A graduation application to the Registrar's Office no later than Nov. 1 for December, May and August graduates.
14. Completion of senior assessment testing. Social Science majors must attain the 30th percentile on Senior Assessment Exam to graduate.
15. Commencement participation will be limited to those who have completed their degree program or have no more than six credit hours to complete by the end of August of that same year.

All graduation requirements for a given degree must be met prior to posting an official graduation date and diploma. It follows that:

1. Students in the teacher education program will not receive a graduation date and diploma until they complete their entire program, including student teaching.
2. Students who begin the teacher education program and decide to drop it must complete a departmental major and minor to fulfill their graduation requirements. Group majors/minors, planned minors and triple minor programs allowed for education students are not allowed for students graduating outside of the education program.
3. Students who intend to pursue the teacher education program, but cannot meet the requirements to gain entrance into the program must complete a departmental major and minor to fulfill their graduation requirements.
4. Students taking credit at an institution other than Cornerstone University for completion of Cornerstone University degree requirements must have their final, official transcript from that institution on file in the Cornerstone University Registrar's Office by the following dates:

<u>GRADUATION DATE</u>	<u>TRANSCRIPTS DUE THE FOLLOWING:</u>
December	March 15
May	Aug. 15
August	Nov. 15

Transfer course work must be completed within the term of the student's intended graduation date. The same applies to the August and December graduation dates.

Transfer work completed after that date will necessitate moving the graduation date to the next regularly occurring graduation date.

5. All Prior Learning petitions for credit must be processed by the Registrar's Office before students participate in the spring commencement ceremony.

INCOMPLETE GRADE

This is a temporary grade given for work that is passing in quality but lacking in quantity to meet course objectives. It may be assigned by the professor with the permission of the appropriate division chair under the following conditions:

1. A student is unable to complete his or her work due to illness or other serious physical impairment or other unavoidable circumstance, and
2. The student has done satisfactory work in a course and in the professor's opinion can complete the work in a satisfactory manner.

This grade cannot be given for unsatisfactory work. Grade changes for incompletes from the spring semester must be turned in to the Registrar's Office no later than Aug. 15, grades from summer session must be turned in no later than Nov. 15, and grades from the fall semester must be turned in no later than March 15. Every effort should be made to have the incomplete work completed in the shortest time possible following the close of the academic term in which the work is taken. Incompletes will be assigned an "F" grade after the above dates. A "change of grade" is possible if it is processed within one calendar year from receipt of initial incomplete.

INDEPENDENT STUDY (490)

Independent Studies are designed to challenge students academically with material not presented or undeveloped in currently cataloged courses offered at the university. Independent Study is an option for students in the area of their major or minor who possess a 2.75 cumulative G.P.A. in the subject area of their study and who have reached junior class standing. Students may receive a maximum of six credits of Independent Study during their studies at Cornerstone University. Students must secure the permission of the faculty member with whom they will be working, as well as the division chair in which the study will be taken. Eligible students must complete the application form as well as a proposal of the title, tentative bibliography, nature and scope of the work to be accomplished before registering.

Grades of "A" through "F" will be assigned. The student is responsible to assume the initiative in completion of the course. Independent Study courses may not be substituted for courses listed in the catalog.

An Independent Study course not finished in the semester for which the student enrolled may be given an incomplete with approval from the appropriate division chair. If unfinished by the deadline by which the incomplete must be removed (see Incomplete Grades), the grade will be changed to an "F."

Faculty members are limited to a total of two Independent Studies and/or Directed Readings during a given semester. Division chairs will be responsible for determining the appropriateness of the study plan and credits to be awarded for the Independent Study. The faculty member and the student will interact on a regular and substantive basis to assure progress of the independent study. A fee of \$95/credit hour will be charged to the student for each Independent Study.

INTERNSHIPS

One of the distinguishing characteristics of the Cornerstone collegiate experience is completion of at least one internship. Recognizing that the classroom can never fully duplicate real-life circumstances, Cornerstone University requires students in every major complete either an internship, or for those students enrolled in social work or teacher education, a practicum or student teaching, respectively. Students have completed local internships with organizations including Alpha Women's Center, Kentwood Community Church, Gerald R. Ford Museum, Mary Free Bed Rehabilitation Hospital, Kellogg, Our Daily Bread and WOOD-TV 8. Interns have also worked across the United States and around the world.

Internships can be taken for up to six credits per internship per semester, and up to 12 credits per semester may be taken with permission of the Division Chair and Dean of Career and Life Calling on a per case basis. A maximum of 12 internship credits are allowed toward graduation requirements. One credit hour will be awarded for a minimum of 40 clock hours worked at the internship site. No more than nine credit hours can be counted in meeting minor requirements. Interns may be required, by the employing organization, to work more clock hours than are required for the credit a student is seeking. Students should work with their academic advisor to determine the advantages and disadvantages of taking more than the credits required to complete their major. NOTE: A student must enroll in an internship during the semester they are completing the experience. Hours must be completed between the first and the last day of the semester.

To register for an internship, a student must:

1. Follow the instructions listed on the CU Portal under the Office of Career and Life Calling.
2. Have achieved junior status, i.e., completed 58 credit hours (30 credit hours for a student enrolled in a two-year degree program).
3. Have a cumulative G.P.A. of 2.0 or higher.
4. Have completed nine credit hours in the major or minor concentration where the internship credit is desired.
5. Select an internship in the student's major. An additional internship may be chosen in the student's minor if desired. No more than nine hours of internship credit can be counted in meeting major field requirements and no more than six hours in meeting minor field requirements.
6. Not take more than twelve hours of internship credit toward the 129 hours required for graduation and no more than six hours in any one internship experience.

J-TERM ENROLLMENT POLICY

Students who choose to enroll in a J-term course are allowed to register for no more than three credit hours unless:

- the second course is a one credit hour course
- or the course is a four credit hour course

LANGUAGE REQUIREMENT

All Bachelor of Arts students must fulfill one of the following language requirements:

1. Language 101 and LIN-100 Language in Culture.
2. Language 101 and Language 102.
3. Two years of the same high school foreign language and LIN-100 Language in Culture.
4. Two years of the same high school foreign language and Language 102.
5. Three years of the same high school foreign language.
6. Students who have English as their second language are exempt.

MATHEMATICS CORE COMPETENCY: CREDIT BY EXAM AND TRANSFER OPTIONS

There are several courses that fulfill Cornerstone University's core mathematics competency requirement. These include MAT-110 College Mathematics, MAT-121 College Algebra, MAT-122 Trigonometry, MAT-131 Calculus I and MAT-132 Calculus II. Credit can be earned in most, but not all, of these courses by standardized examination or transfer credit. Options are:

1. Either the MAT-110 or MAT-121 final examination can be used to fulfill the Math Core Competency requirement. There is no fee, but this option does not grant college credit. See the Mathematics Coordinator for details.
2. CLEP offers an examination in College Algebra which can be used for credit in MAT-121 College Algebra.
3. Adequate scores on the Calculus AP examination grants credit in one or both of MAT-131 Calculus I and MAT-132 Calculus II. Either fulfills the core requirement.
4. Many community colleges and universities offer courses which transfer to Cornerstone University as MAT-121 College Algebra, MAT-122 Trigonometry, MAT-131 Calculus I or MAT-132 Calculus II.
5. Transfer credit for MAT-110 is not likely. This is a course of custom design, intended to prepare Cornerstone students for success in later core courses, and to meet the general education objectives of this university.

ORIENTATION FOR NEW STUDENTS

An orientation program is held several days before registration each semester to help students in their adjustment to collegiate life. A full schedule of information sessions, group discussions and testing make it imperative that every new student be present.

PHYSICAL EDUCATION REQUIREMENT

Three hours of physical education will be required of all students in Bachelor degree programs. All students must take KIN-100 *Total Fitness and Wellness*, and then a one-hour activity course of their choosing (Education students: KIN-147). Two hours of physical education are required for students graduating in Associate Degree programs.

A maximum of two credits will be awarded for participation in two different varsity sports or two years of active duty or four years reserve duty of military service. These credits will be allowed as physical education electives only. They may not be used to fulfill any part of the three hour general education requirements. Persons with military experience, described above, must take KIN-100 (*Total Fitness and Wellness*). The division chair will give consideration to exempting students from the additional hour in physical education depending upon their activities within the military. Exemptions will be made for physically handicapped students who present doctor's certification to the chief academic officer.

PRIOR LEARNING CREDIT

Students who have skills and prior learning experiences in disciplines of the university may be awarded college credit. Students must have completed two years of full-time employment since high school and be able to document their learning. Workshops, seminars, licenses, professional schools or other significant learning experiences constitute possible credit awards. An academic advisor works with students in identifying experiences for possible credit awards. Life-learning papers identifying significant learning experiences are read and evaluated by appropriate faculty members. Students who are interested in pursuing such credit must attend the Prior Learning Seminar coordinated by the division of Professional and Graduate Studies (PGS).

RE-TAKE POLICY

Students are permitted to retake a course in which an unsatisfactory grade was achieved during a previous period of enrollment. In such situations, registration for the course and payment of the related tuition and fees at the current tuition rates are required. The grade achieved by the retake course replaces the initial grade in relation to the G.P.A. calculation, though the initial grade will remain on the permanent transcript record.

Federal rules allow a student to receive federal aid for a course more than once as long as it is not a result of more than one repetition of a previously passed course or any repetition of a previously passed course due to the student failing other coursework.

REGISTRATION PROCEDURE

After acceptance, each new student is assigned to a professional advisor who offers counsel and direction and assists with registration. Every attempt will be made to assign a student to a faculty member in the student's major area of concentration after their freshman year. A schedule of registration and current course schedule is available on the CU Website. See Center for Student Success on page 33 for more details.

While the school offers help with planning a student's program, each student is responsible for meeting his or her graduation requirements. All students must register at the scheduled time and cannot be admitted to classes without formal registration. Students unable to complete their registration, according to the registration schedule, may register late through the end of the drop/add period. Academic records and transcripts are maintained by the Registrar's Office. Each student has access to his or her own personal file.

All continuing students are required to indicate their schedule for the coming semester during the scheduled registration period. This proposed schedule may be changed during the official registration procedure required of all students at the beginning of each semester.

New and re-admitting students are sent registration materials and notification of academic advisor prior to the official registration.

STUDENT DISABILITY SERVICES (SDS)

The university will make reasonable accommodations for students with disabilities in compliance with section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. The purpose of accommodation is to provide equal access to educational opportunities to students with disabilities, and the university does not intend that academic standards be altered, nor that essential elements of programs or courses be changed.

Students having documented disabilities may apply for accommodations through Student Disability Services (SDS), which is part of the Cornerstone University Center for Student Success located in Miller Hall on the main campus. Disability accommodations for students from the traditional Cornerstone University undergraduate program, Professional & Graduate Studies programs, and Grand Rapids Theological Seminary are addressed centrally in SDS. Accommodations are granted on the basis of determined need and appropriate documentation of disabilities. Students must complete an application and submit appropriate documentation, which will be reviewed by the Accommodations Officer and the Accommodations Review Committee (ARC). Upon acceptance, the student will meet with the Director of the Center for Student Success to develop an Individualized Student Accommodation Plan (ISAP) based on the ARC recommendations. Students will be given a green Verification Letter to give to their professors, and students should schedule a meeting with each professor at the beginning of each semester to discuss their needs. In the event that students have questions regarding whether they are eligible for accommodations, how they might provide appropriate documentation of disabilities, or how they might handle a disagreement with a professor over questions of accommodation, the Director of the Center for Student Success should be contacted immediately at 616.222.1596 or at learning.center@cornerstone.edu. If a disagreement arises surrounding eligibility for services, or the manner in which a specific accommodation is being implemented, the student has a right to informal and formal grievance procedures. A copy of the Grievance Procedures is available at the Center for Student Success in Miller Hall, or online at www.cornerstone.edu.

Please note that the process for determining eligibility for accommodations can take 5-6 weeks, so students should complete an application and submit appropriate documentation well in advance of the semester in which accommodations are required to begin. To be deemed appropriate documentation, testing and assessment of disability must have been completed no more than five years prior to the application for accommodations at Cornerstone University. Applications for disability-related accommodations, as well as other helpful information, can be obtained online at: <https://www.cornerstone.edu/academics/student-disability-services/>, by calling (616) 222-1596, or by visiting the Center for Student Success in Miller Hall.

SUMMER ON-LINE ENROLLMENT POLICY

Students who choose to enroll in a summer on-line course are allowed to register for only two on-line courses each summer term.

TEACHER EDUCATION PROGRAM

Students may apply for admission to the teacher education program only after they have completed a year of college study. In addition, at least 9 semester hours must be completed at Cornerstone University, including at least 3 hours in the Teacher Education Division. Transfer students, those entering Teacher Education late and post-baccalaureate students must be admitted to the program if they seek teacher certification. Course work and the G.P.A. from other institutions may be used to meet admission requirements. For specific requirements, see the Teacher Education Division section.

TERRA FIRMA

The first-year experience course provides a curricular/co-curricular community where CU students are introduced to the “4 C’s” of Christ, Character, Community, and Culture that form a foundation for their college experience through a relational lens. The course includes academic readings and discussions, focusing on college transition and both local and global perspectives. Students participate in a two semester long Grand Rapids service-learning opportunity and selected global initiative.

TRANSCRIPTS

Transcripts will be issued with written authorization from the student. Receipt of transcript fee is required before any transcript request will be processed. Requests held due to unsatisfactory financial status will be kept on file for one month. If all financial obligations have been met at that time, the transcript will be sent as requested.

The release of an unofficial transcript if a restriction/hold is placed on the student’s record is stated below:

1. Cornerstone University will provide only one unofficial copy of an academic transcript (one per student per lifetime) if there is a current restriction on his/her record and the student specifically inquires. The \$5 fee is waived.
2. The transcript will clearly note it is an “Unofficial Copy” and “Student Reference Only” and if appropriate, “Transcript Hold: Financial Obligation.”
3. Cornerstone University will only release the unofficial transcript to the student and not to any third party.

TRANSFER CREDIT

Applicants who are transferring from other colleges are required to have a transcript sent directly to the Admissions Office at Cornerstone University from all colleges previously attended. This is a condition for admission.

After being accepted for admission, an official credit evaluation is placed into the student’s file with copies provided to the student and the academic advisor. Transcripts from foreign institutions will be evaluated by an outside agency. The student will be responsible for following the procedure required by that agency. Complete information is available in the Registrar’s Office.

Cornerstone University will accept transfer credit from the following types of institutions:

1. All regionally accredited institutions.
2. All Accrediting Association of Bible Colleges accredited institutions.
3. Non-accredited institutions, if those institutions supply three letters of acceptance from regionally accredited institutions (to the Registrar’s Office).
4. These institutions, due to the nature of their relationship with Cornerstone University: Bob Jones University, Spurgeon Baptist Bible College and Word of Life Bible Institute, since they have not met the above stated requirements.
5. Technical and vocational institutions in the area of liberal arts course work; however, other credits may be accepted in consultation with divisional chairs.

Students planning to take courses at other institutions to apply to their degree program at Cornerstone University should contact the Registrar’s Office to verify the acceptance of these courses.

Transfer credit will not be given for remedial or non-college level work or for any course in which a grade lower than a “C-” was received. G.P.A. does not transfer with the credit transferred. Some transfer credits may not necessarily apply toward a particular degree program. The applicability of credits may be determined in counsel with the appropriate division chair.

Physical and biological science courses without labs are transferable, but a lab must be completed to satisfy departmental requirements for courses that contain labs.

Credit transferred from schools that are on a quarter system will be transferred as .66 (2/3) semester hours for every quarter hour.

The minimum hours to be taken at CU to be eligible for graduation honors is 64 for B.A./B.S. degrees and 32 for Associate degrees.

TRANSFER OF MAJORS AND MINORS

Transfer credit will be granted such that the equivalent of a minor is the maximum allowable in any discipline. Students taking a minor at another institution must complete the minor prior to their final 24 hours at Cornerstone. The residency hour graduation requirement is still enforced. All students must complete 24 of their last 33 hours at CU. Students are not eligible to receive financial aid at both institutions if enrolled during the same semester. Also, students may not be considered full-time for insurance purposes. Please take these matters into serious consideration when making this decision. A complete major may not be transferred without permission of the Dean of Undergraduate Education (at least 12 hours of the major must be completed in residence). An entire minor for which Cornerstone University has an equivalent may be transferred from another institution. A minor for which Cornerstone University has no equivalent may be transferred with the permission of the Dean of Undergraduate Education if the requirements for the minor at the sending institution have been completed.

VETERANS

Cornerstone University cooperates with the U.S. Department of Veterans Affairs in processing benefits for the training of honorably-discharged service members. Veterans who wish to use the benefits should obtain the necessary forms and instructions from the nearest office of the Veterans Affairs or the Cornerstone University Student Financial Services office.

It should be understood by veterans that they would be reimbursed directly by the Department of Veterans Affairs. Veterans should plan to pay their bills in accordance with the payment schedule.

The G.P.A. of veterans will be monitored at the end of each semester. Veterans who are placed on academic probation and fail to change this status within one additional semester will be reported to the Department of Veterans Affairs. (See Scholastic Probation, Academic Suspension and Academic Dismissal.) This action may result in termination of benefits by the Department of Veterans Affairs. If benefits are terminated, a veteran may reapply to the university for re-certification of veteran's benefits after the probationary status has been removed.

Veterans entering as transfer students will be provided a written statement of the number of credits accepted in transfer and the number of credits remaining that are required to complete the program in which they are enrolling. This information will be provided to the Department of Veterans Affairs. This information will also be provided to students prior to submission of their enrollment certification and will be based on the student's stated educational plans as to degree program and major. This transfer credit evaluation may be subject to change should the student decide to change majors or degree programs.

Veterans having advanced educational training while in the military may submit their transcripts or educational records for evaluation for transfer credit. The recommendations in the Guide to the Evaluation of Educational Experiences in the Armed Services produced by the American Council on Education will be followed in the evaluation of such credit.

WITHDRAWAL FROM INSTITUTION

Students who stop attending, but do not officially withdraw from a course by completing a drop/add form will receive a failing grade for that course.

A student who wishes to withdraw from all courses should complete a withdrawal form, available from the Retention Office. To complete the withdrawal process, the student should return the completed withdrawal form to the Retention Office.

Students who cease attending all of their classes during the semester and receive all "F's" will be administratively withdrawn and placed on academic suspension. This could result in a loss of financial aid. More information regarding administrative withdrawals can be found in the Refund and Repayment policy from the Student Financial Services office.

WRITING ACROSS THE CURRICULUM (WAC)

Written communication is important for learning and discovery in every avenue of life. At Cornerstone, we strive to foster a culture of writing across all programs. To that end, the WAC initiative supports a campus-wide commitment to student writers and writing-rich coursework.

This is accomplished through the Writing Center and the College Writing Program:

1. Each semester, the Writing Center offers one-on-one peer tutoring to all traditional undergraduate students. Research shows that writers benefit from meaningful feedback on their writing, and working collaboratively, tutors support students revising and editing their own work. Writing Center tutors will also assist students with formatting, researching, and avoiding plagiarism.
2. The Writing Center provides consultation, workshops, and resources for faculty and students throughout the year both in the classroom and through mini-workshops in Miller Library.
3. The College Writing Program offers an early identification system to assist faculty in identifying student writers who could use extra writing support. These students are referred to the Director of the Writing Center to be matched with a writing tutor for weekly tutoring.
4. An important aspect of the College Writing Program is the continuous evaluation of student writing at all levels. This evaluation helps foster a culture of writing improvement and excellence across all divisions and programs.

OFF-CAMPUS PROGRAMS

Cornerstone University's Off-Campus Study Programs provide students the opportunity to broaden and deepen their educational experience to further prepare them to impact the kingdom for Christ. Cornerstone's commitment to and policies for off-campus programs are driven by two guiding principles:

- Study-abroad programs that immerse students in a foreign culture are some of the most valuable, life-changing educational experiences that a student can have.
- Cross-cultural study that occurs in a Christian context and is motivated from a Christian worldview is the most meaningful kind of semester-abroad experience. Therefore, Cornerstone University seeks to give priority in financial aid support and student selection to cross-cultural programs that share its Christian mission and educational perspective.

Interested students are encouraged to review the following information and consider the impact of a study-abroad program on their overall educational program and make adjustments in their schedules and financial planning early on. Students should always confer with the Registrar's Office in determining course equivalencies prior to enrollment in the program, as well as discuss with their faculty advisor how the study-abroad courses will fit into their program of study at Cornerstone.

SHORT-TERM STUDY TRIPS

Each year, Cornerstone faculty members lead a variety of short-term study trips during Jterm or Summer term. This is a great way for students to complete a course within the core or in their program of study in a cross-cultural setting. In addition to receiving credit for the course offered, all international study trips fulfill the global studies requirement. Admission of auditing students is at the discretion of the trip leader but is not allowed to exceed the number of for-credit students. Past study trip locations have included South Africa, Ireland, Netherlands, Dubai, Ecuador, England, and many more. To review the policies and updated listing of short-term study trip options, visit www.cornerstone.edu/academics/study-abroad/.

SEMESTER PROGRAMS

Cornerstone University partners with many domestic and international programs to offer students a variety of semester-long opportunities to study off-campus. For Cornerstone University credit to be awarded, the program or experience must be approved in advanced by the International Programs Committee. The programs listed below have been approved by the International Programs Committee.

SEMESTER PARTNER PROGRAMS: DOMESTIC

- AMERICAN STUDIES PROGRAM (ASP) | asp.bestsemester.com

ELIGIBILITY REQUIREMENTS

All students looking to participate in an off-campus semester program must apply for approval. To be eligible to apply for an off-campus semester program, students must meet the following criteria:

- 2.5 GPA (or higher to meet program-specific minimum GPA)
- Good standing with Student Development
- Recommended by references
- The student must have declared a major or program
- The student meets all financial aid requirements
- Students must be able to use the credits from the study abroad program in their academic program prior to degree completion.

APPLICATION DEADLINE AND SELECTION PROCESS

To study off-campus at one of Cornerstone's approved semester programs, students must complete two applications: one for the specific program to which they're applying and one for Cornerstone University. For details regarding program-specific applications, students should consult the program's website. The Cornerstone off-campus programs application is due the Friday before Cornerstone's Spring Break the year prior to study. For example, if a student is hoping to study off-campus during the 2018-2019 academic year, s/he must submit the application to the Associate Dean of Assessment and Student Success no later than the Friday before Cornerstone's Spring Break in 2018. The application is available to current university students on the CU Portal or it can be accessed by contacting the Associate Dean of Assessment and Student Success.

All students approved for study abroad by the International Programs Committee will maintain their enrollment at Cornerstone University during the semester of study. The following factors are taken into consideration when approving students for off-campus study:

- GPA
- Year of study/credits earned
- Student Development conduct history
- Prior submission of CU off-campus semester application for consideration (student not approved previously; student already participated in off-campus semester program)
- Cost of program
- Proposed semester of study (preference given to fall and spring semester programs; full-time summer programs only considered after spots have been awarded for fall and spring)

FINANCIAL AID AND OFF-CAMPUS PROGRAM SCHOLARSHIPS

All students approved to study off-campus for a semester will be able to apply all federal and state aid or loans toward their off-campus study program. All institutional aid from Cornerstone University (e.g. academic scholarships, athletic scholarships, etc.) does not apply for that semester; however, when students submit their off-campus semester application, they are automatically considered for off-campus semester study scholarships offered through Cornerstone University.

Scholarship award amounts for each individual student will vary based on the overall number of students applying for study-abroad, the particular program attended, and the amount of aid for which the student is eligible. In addition, the following factors will be used to determine approval and award amounts: placement of study-abroad within Cornerstone academic program, prior participation in semester-abroad programs, cost of the program, financial need and overall G.P.A.

The maximum award amount will be determined as follows:

- Equivalent to up to 100% of institutional financial aid, depending on available funds: All international programs approved by the International Programs Committee.
- Equivalent to up to 75% of institutional financial aid, depending on available funds: All domestic programs approved by the International Programs Committee.

OTHER STIPULATIONS AND POLICIES

- Students attending Cornerstone University under a tuition exchange program from another college cannot carry that benefit to an off-campus program.
- Students will pay a technology fee to Cornerstone University in addition to the study-abroad program costs.
- Payment plans are not available for study-abroad programs. Payment in full is due by May 1 for summer programs, August 1 for fall programs, and January 1 for spring programs.
- Employee remission may not be used to cover study-abroad programs.

For more information regarding off-campus programs, visit www.cornerstone.edu/academics/study-abroad.

DEGREE INFORMATION

THE CORNERSTONE CORE CURRICULUM

The Cornerstone University core curriculum reflects our intellectual commitment to our students as we teach them to understand, navigate and ultimately shape culture as Christ-followers. We are committed to educating students who have the passion and ability to effectively engage the cultures of our world for Christ, and a robust liberal arts core is a crucial component of that process. Furthermore, we believe that every student will thrive more fully in his or her major, and ultimately in his or her vocation, as a result of engaging in this sequence of courses.

The Cornerstone core curriculum builds on a foundation of first-year courses that induct students into the Cornerstone ethos, develop their creative skills, and establish principles for physical wellness. The core then weaves together three crucial strands to help shape a profoundly Christian vision for life in this world. First, our Biblical studies strand offers a developmental sequence of courses that guides students through surveys of the Old Testament and New Testament and a historical overview of Christian theology. These courses ground each student in the Biblical narrative of God's work in His creation and with His people.

Second, our scientific knowledge strand combines theory with praxis in bringing students into engagement with God's creation through the study of the material world and the scientific method. Lectures and experiential learning are coupled with courses that ask crucial questions about the nature and scope of science for those of us who seek to live as wise stewards of God's creation.

Finally, our human culture strand enables students to explore the historical and contemporary terrain of human culture making. Practical skills in critical thinking and communication in written and spoken forms are an important part of this preparation, but so also are the deep questions that permeate courses such as Writing in Culture, Philosophy in Culture and Imagination in Culture. Embedded in this strand is a developmental process by which students begin to understand themselves and the cultures in which they live, then to navigate those and other cultures with wisdom and discernment, and finally to creatively shape culture as God's image-bearers.

The core curriculum culminates in a Senior Seminar in the major that equips students to apply the skills and insights gained in the core to their chosen vocation. With all three strands unified in the quest to educate effective agents of the Kingdom of God, our core curriculum provides our graduates with a strong yet flexible foundation from which to live fully in the vocations to which God calls them.

Listed below are the Core Requirements for each degree offered at Cornerstone University. See specific divisions for information regarding major and minor requirements or course exceptions to the following guidelines:

CORE CURRICULUM FOR THE ASSOCIATE OF ARTS DEGREE

Early Childhood Education and TESOL (A.A.)

Math Competency (see page 40).....	0-3
English Competency**.....	0-6
Global Studies Requirement (see below).....	0-3
Foreign Language Requirement (see below).....	0-8
Total Core Requirements41 (minimum)

* KIN-1XX excludes the following courses: KIN-147, KIN-100, KIN-16X or KIN-17X. Elementary education students take KIN-147.

** All students must meet the university's competency requirements for writing before being placed into ENG-212. See page 35 for placement criteria.

MATH COMPETENCY – Choose one of the following:

1. MAT-110 College Mathematics
2. MAT-121 College Algebra
3. MAT-122 Trigonometry
4. MAT-131 Calculus I
5. MAT-132 Calculus II
6. Exemption by examination (see page 40 for details).

Math Placement Criteria – All students will be given a Mathematics Placement Examination prior to enrollment in mathematics courses. The Math Department will place students in MAT-096, 107 or 110 according to the result of the placement examination.

GLOBAL STUDIES REQUIREMENT – Choose one of the following:

1. Minimum two-week international study experience as approved by International Programs Committee.
2. A minimum three-credit cross-cultural internship as approved by the division.
3. A Global Studies course as approved by the International Programs Committee. (See page 36 for a list of approved courses.)
4. Students with a non-U.S. high school diploma are exempt.

FOREIGN LANGUAGE REQUIREMENT – Choose one of the following:

1. Language 101 and LIN-100 Language in Culture
2. Language 101 and Language 102
3. Two years of the same high school foreign language (meeting the minimum grade standard level) and LIN-100 Language in Culture.
4. Two years of the same high school foreign language (meeting the minimum grade standard level) and Language 102.
5. Three years of the same high school foreign language (meeting the minimum grade standard level).
6. Students who have English as their second language are exempt.

CORE CURRICULUM FOR THE BACHELOR OF MUSIC

(B.Mus.), 129 semester hours.

Majors: Music Education (K-12), Performance, Commercial Music. See Music division for additional requirements.

Requirement	Credit Hours

Total Core Requirements	37 (minimum)

* HIS-114 not required for Music Education majors.

** KIN-1XX excludes the following courses: KIN-147, KIN-100, KIN-16X or KIN-17X.

***All students must meet the university's competency requirements for writing before being placed into ENG-212. See page 35 for placement criteria

**** Vocal performance majors (including Commercial Music) must meet the university's language requirement in order to graduate.

MATH COMPETENCY – Choose one of the following:

1. MAT-110 College Mathematics
2. MAT-121 College Algebra
3. MAT-122 Trigonometry
4. MAT-131 Calculus I
5. MAT-132 Calculus II
6. Exemption by examination (see page 40 for details).

Math Placement Criteria – All students will be given a Mathematics Placement Examination prior to enrollment in mathematics courses. The Math Department will place students in MAT-096, 107, 110, 121, 122 or 131 according to the result of the placement examination.

GLOBAL STUDIES REQUIREMENT – Choose one of the following:

1. Minimum two-week international study experience as approved by International Programs Committee.
2. A minimum three-credit cross-cultural internship as approved by the division.
3. A Global Studies course as approved by the International Programs Committee. (See page 36 for a list of approved courses.)
4. Students with a non-U.S. high school diploma are exempt.

FOREIGN LANGUAGE REQUIREMENT – Choose one of the following:

1. Language 101 and LIN-100 Language in Culture
2. Language 101 and Language 102
3. Two years of the same high school foreign language (meeting the minimum grade standard level) and LIN-100 Language in Culture.
4. Two years of the same high school foreign language (meeting the minimum grade standard level) and Language 102.
5. Three years of the same high school foreign language (meeting the minimum grade standard level).
6. Students who have English as their second language are exempt.

CORE CURRICULUM FOR THE BACHELOR OF SCIENCE

(B.S.), 120 semester hours. For a complete listing of majors in the Bachelor of Science program, see page 56.

INTERDISCIPLINARY STUDIES MAJOR

In special circumstances, a student wishing to pursue a course of study not available within the stated offerings of Cornerstone University may present a proposal to the Associate Dean of Assessment and Student Success, requesting approval of an individualized program leading to a baccalaureate degree. Such a program should be thoughtfully designed in consultation with a faculty advisor after the student has had significant college experience. Therefore, a student should not begin the proposal process earlier than the second term of the sophomore year.

Interdisciplinary Studies programs require a minimum of 46 credit hours across at least two (2) disciplines. Normally, at least twelve (12) credit hours of upper-division courses, with no presumption of waiver of specified prerequisites, must be taken from each of these two disciplines. The program must also include either an internship or a scholarly research project.

Students must include in their proposal a written statement of purpose. Proposals require the approval of two faculty advisors, the respective division chair or chairs, and the Dean of Undergraduate Education. Proposals will not be considered from any student with a current cumulative grade point average of less than 2.8.

DESIGNING A PROGRAM

HOW TO READ THE CATALOG

COURSE NUMBERS, LEVELS AND CREDITS

This does not mean that freshman students, for instance, are limited to those courses numbered in the 100s. Often scheduling difficulties make it more convenient to take a course or two just above or below the general class standing. In most cases, this will not present great difficulties. Courses numbered lower than 100 are remedial and do not count toward graduation credit. The letter preceding a course number indicates the department from which a course is taught. Cornerstone University's letters indicate the following:

100 - Freshman
200 - Sophomore
300 - Junior
400 - Senior

Prefix	Course Type	Division Listing Description
ACC	Accounting	Business

Credits for completion of the course are listed directly after the course name. Note: The courses are alphabetized according to the full spelling of the discipline, not just the three letter code.

Example:

<u>Department</u>	<u>Level</u>	<u>Course Name</u>	<u>Number of Credits</u>
ENG	226	Intro to Creative Writing	3

COURSE DESCRIPTIONS AND FREQUENCIES

Course descriptions are located at the end of each division section of the catalog. They will indicate the general content of the course, prerequisites for the course, credits and frequency of the course. Course frequencies are listed here and at the beginning of each division's course descriptions for your convenience:

- 1 = Every Semester
- 2 = Alternate Semesters
- 3 = Every Third Semester
- 4 = Alternate Years
- 5 = Every Three Years
- 6 = As Needed

Example:

<u>Department</u>	<u>Level</u>	<u>Course Name</u>	<u>Credits/Frequency</u>
ENG	212	Writing In Culture	3/1

Using effective and ethical research practices to develop and write persuasive essays on topics related to contemporary culture and social justice. Particular attention will be paid to rhetorical sensitivity, stylistic accuracy, and thoughtful worldview engagement. Prerequisites: English competency

BIBLE, RELIGION & MINISTRY

DIVISION

John Duff, Ph.D
Division Chair

Courses in the Bible, Religion & Ministry (BRM) Division prepare students to deal with foundational issues of life, and upon this foundation students will be able to build their future academic and vocational plans.

Teaching from a biblical perspective, our faculty enable students to articulate a Christian worldview, develop skills for ministry, and mature in the spiritual disciplines. Students will emerge from BRM programs with an essential knowledge of Scripture as well as the requisite tools for applying Scripture to new and emerging contexts.

The majors and minors in the BRM Division reflect an educational philosophy that students should design their programs in accordance with their needs and expectations for the future. The Ministry major prepares students to work with various age groups - from children to adults - in a variety of contexts, such as the local church, Christian camps, sports ministries, urban settings and other parachurch organizations. The Biblical Studies major provides preparation for ministry, seminary, or related postgraduate training. The Intercultural Studies major empowers students to minister across cultural and ethnic boundaries. The Missions Aviation major, in partnership with the School of Missionary Aviation Technology, equips individuals with the biblical knowledge, intercultural awareness and technical skills to serve the greater missions community through the critically useful tool of air transportation.

Duff, John H., Professor of Theology (Chair); B.A., Cedarville College; M.A., Western Kentucky University; M.T.S., Grand Rapids Theological Seminary; Ph.D., Calvin Theological Seminary

Dekker, Jim, Associate Professor of Ministry; B.Th., Tyndale College; M.A., Calvin College; Ph.D., Trinity Evangelical Divinity School

Marko, Jonathan, Assistant Professor of Theology, B.S., University of Akron; M.Div., Ashland Theological Seminary, Ph.D., Calvin Theological Seminary

Mohrmann, Douglas C., Assistant Professor of Religion; B.A., Evangel University; M.A., Gordon-Conwell Theological Seminary; Ph.D., University of Durham

Nguyen, Kimberly Lan, Assistant Professor of Old Testament; B.S., University of Houston – Central Campus; M.Div., Alliance Theological Seminary; M.A., University of Wisconsin; Ph.D., University of Wisconsin

Perini, Donald P., Professor of Creativity and Ministry; B.A., Biola University; M.A., Talbot School of Theology; M.F.A., National University

Roberts, Ryan N., Assistant Professor of Old Testament; B.S., Clarks Summit University; M.A., Trinity Western University; M.A., University of California, Los Angeles; Ph.D., University of California, Los Angeles

Smith, Andrew L., Associate Professor of New Testament; B.A., Grand Rapids Baptist College; M.Div., Grand Rapids Theological Seminary; M.A., Western Kentucky University

CRITERIA FOR GRADUATION AS A DIVISION MAJOR

See the *Academic Information* section under *Graduation Requirements*.

Degree information for the Bachelor of Arts and Bachelor of Science degrees along with major and minor listings by division can be found in the catalog section entitled Degree Information.

ADMISSION TO THE BIBLE, RELIGION & MINISTRIES PROGRAMS

Admission to the BRM programs occurs while the student is enrolled in REL-236 New Testament Literature & History. Transfer students should pursue admission to all BRM programs their first semester at Cornerstone.

A student who wishes to be admitted into the BRM division must do the following: 1) achieve a minimum cumulative G.P.A. of 2.5; 2) complete an application; 3) obtain references from a professor outside the BRM division and a pastor; 4) interview with a faculty member of the BRM; and 5) be approved by a vote of the BRM faculty.

Students who maintain the minimum academic standards and show Christian maturity will continue in the program. Assistance in these areas can be obtained from your academic advisor, the BRM faculty, Student Development, the Center for Student Success and the Center for Career and Life Calling.

BACHELOR OF SCIENCE MAJORS & MINORS

The aims of the Bachelor of Science majors are to bring the student to a comprehensive understanding of the Bible as a whole, to achieve reasonable competency in independent Bible study and to develop skills in the communication and ministry of the Word of God.

General Education Core requirements for the Bachelor of Science degree are listed in the Degree Information section (see page 54). Ministry and Intercultural Studies majors must also take a Biblical Studies minor.

BIBLICAL STUDIES MAJOR *(requires a minor)*

Students selecting a Biblical Studies major are required to choose one of the four concentrations listed below as well as complete a minor.

Required Courses	Credit Hours
REL-103 Biblical Hermeneutics.....	3
REL-130 Old Testament Literature (substitute for core class).....	3
REL-212 Religions of the World.....	3
REL-236 New Testament Literature (substitute for core class).....	3
REL-354 Theology I (substitute for core class).....	3
REL-356 Theology II.....	3
REL-380 Internship.....	3
REL-43X Bible Analysis Course.....	3
REL-462 Senior Seminar.....	3
<i>One of the following:</i>	3
REL-330 Mosaic Literature	
REL-333 Wisdom Literature	
REL-334 Prophetic Literature	
REL-357 Old Testament History and Theology

SOC-352/COM-311 Intercultural Communication	
Total.....	18

MINISTRY MAJOR *(requires a Biblical Studies Minor)*

This degree is designed to equip students for practical ministry in the church or parachurch setting. It seeks to train students by providing a robust curriculum that is biblically based, theoretical and practical. Intentional aspects of the program are to empower students to become innovative leaders, to seek emotional health, to pursue personal integrity, to understand and engage the emerging postmodern culture, and to mature spiritually.

The Ministry major recognizes the need for specialization and allows each student to focus on a particular ministry interest. Therefore, students choose a specific emphasis where all their coursework and projects will be directed. We offer a focus in youth, children, camping, sports, parachurch, emerging adults, and urban ministries.

Required Courses	Credit Hours
CMI-151 Lifespan Development	3
CMI-221 Learning, Liturgy, and Technology.....	3
CMI-222 Poverty and Justice.....	3

MISSIONS AVIATION MAJOR (does not require a minor)

This degree is the merging of biblical studies, intercultural studies and aviation technology. Students enrolled in this program are prepared to engage with mission organizations that employ missionary aviators. The freshmen, sophomore and senior years are spent at Cornerstone completing core requirements, a biblical studies major and several courses in intercultural studies. The junior year is spent at the School of Missionary Aviation Technology (SMAT). It will be necessary to complete the pre-entrance requirements of SMAT before proceeding with the technical training. Cornerstone will accept the FAA certificate earned by the graduates of SMAT as evidence of prior learning in the amount of 60 credits (for aircraft maintenance certificate) or 45 credits (for flight certificate).

Required Courses		Credit Hours

Total		48

* Cornerstone Core Course

** CMI-381 takes the place of REL-380 and CMI-418 takes the place of REL-462 for students who double major in Ministry and Bible.

COURSE DESCRIPTIONS

DEPARTMENT AND LEVEL/COURSE NAME

CREDITS/FREQUENCY
(See page 59 for codes)

CHRISTIAN MINISTRIES

CMI-151 Lifespan Development and Ministry 3/2

A survey of physical, cognitive, emotional and moral development and current trends and issues related to adolescents and adults. Students will analyze lifespan development with the intent of developing ministries that meet the specific needs of youth and adults.

CMI-221 Learning, Liturgy and Technology 3/2

A study in learning theory, liturgical practices and the use of technology in ministry. Students will design lessons with special consideration for ways to communicate biblical truths through a variety of creative teaching methods. Students will analyze current curriculum, learn basic hermeneutical skills and create curriculum that is experiential, interactive, multi-sensory and communal.

CMI-222 Poverty and Justice 3/2

This course will equip students for urban ministry in the cities of North America and around the world. With an emphasis on race and class, students will develop a biblical, historical and sociocultural foundation for ministry in the city while engaging different strategies for effective relationships and Christian community development.

CMI-223 Cultural Anthropology 3/4

An introductory course in the tradition of culture designed for students pursuing intercultural vocational work. The course addresses the nature of peoples in their culture, their worldview, cultural change, cultural adaptation, social organization, language, religion and other related topics.

CMI-243 Introduction to Intercultural Studies 3/1

An overview of the global inter-cultural mandate as outlined in Scripture and emphasized in the Great Commission noting the biblical, theological, and historical foundation for missions, the framework for the missionary undertaking today, and the task of the missionary in our world with an emphasis on the missionary career track.

CMI-252 Interpersonal and Intrapersonal Relationships in Ministry 3/2

A practical study in developing healthy relationships with adolescents, leadership staff, parents and volunteers. Includes conflict management, inner dialog issues, making meaning of everyday experiences, and special attention is given to communication skills within small groups.

CMI-311 Evangelism and Discipleship 3/2

Designed to guide the student in the development of a personal commitment to and involvement in evangelism and discipleship ministries. Integrates New Testament principles with varied techniques for a practical orientation.

CMI-321 Camp Philosophy and Administration 3/4

Basic administration, philosophy, and methodology of Christian camping with emphasis on principles of decentralization. Attention to objectives, staff personnel, campsite, equipment, facilities, problem-solving, and evaluation. Offered alternate fall semesters.

CMI-334 Spiritual Formation 3/1

Provides a biblical foundation for spiritual development. Special consideration is given to spiritual disciplines, scriptural meditation, contemplative prayer and spiritual listening.

CMI-336 Integrated Leadership 3/2

An examination of leadership as it relates to the development of individuals and organizations. The emphasis on leadership will include such issues as personal character, styles of leadership, vision, creativity and teamwork. Students will also analyze, interpret and build theories on leadership. The focus on administration will cover issues including finances, correspondence, conducting meetings and planning events.

CMI-381 Internship I: Career Development 3/1

Designed to help the student discover their gifts, talents, calling, interest and abilities as they relate to youth ministry and parachurch settings. A minimum of 140 hours in supervised ministry is required. *Prerequisites: Junior status, Admission into BRM division.*

CMI-382 Internship II: Teacher and the Teaching Task 3/1

Designed to help the student develop the skills necessary for teaching youth. Emphasis on writing objectives, preparing lesson plans, using creative illustrations, storytelling, gestures and delivery. Students will be teaching in the class and in a field setting where they will be video recorded. A minimum of 140 hours in supervised ministry is required. *Prerequisites: Admission into BRM division.*

CMI-383 Internship III: Specialization 3/1

Designed to help the students study and experience specialized topics that relate to youth ministry or parachurch settings. A minimum of 140 hours in supervised ministry is required. *Prerequisites: Junior status, Admission into BRM division.*

CMI-418 Art of Ministry Capstone 3/2

An interactive framework that allows students to investigate distinct philosophical and ecclesiological views regarding how ministry relates to the church at large. Each student will design his/her own philosophy of ministry within the context of the local church and parachurch ministries. *Prerequisite: Admission to the BRM division or permission of the instructor or division chair.*

CMI-434 Leadership in Short-Term Missions 3/4
A study of the biblical basis for short-term mission including philosophy, history and strategy. Students will evaluate short-term missions and learn how to implement and lead a short-term missions trip.

CMI-444 Contemporary Global Issues 3/2
An investigation of current global issues and how they are forming mission strategy in our contemporary and future world. The course analyzes current topics such as the environment, disease, poverty, and globalization, as well as mission issues of leadership, development, partnerships, and spiritual warfare.

CMI-470 Readings in Christian Ministries 1 - 3/1
Guided readings and reports in the student's area of interest and need.

CMI-480 Current Issues/Critical Concerns 3/-
Designed to address current issues or critical concerns that relate to youth ministry. Studies will specialize in various topics not covered in the catalog. May be taken two times with different emphasis.

CMI-481 Counseling Families in Ministry 3/2
An in-depth look of the issues related to providing counseling to children, adolescents and their parents. Focus will be on addictive behaviors, abnormal development, intervention, spiritual abuse and awareness of when and to whom to refer individuals for professional therapy.

CMI-490 Independent Study 3 - 6/1
Consult with division chair and instructor in Christian ministries concerning possible studies.

GREEK

GRK-101 Greek Grammar I 4/2
An introduction to Greek grammar of Koine Greek.

GRK-102 Greek Grammar II 4/2
A continuation of GRK 101, completing the basic grammar and beginning the reading of simple selections of ancient Greek. *Prerequisite: GRK-101.*

GRK-201 Semantic Analysis I 4/2
Review of grammar, reading in selections of Greek, and a study of intermediate Greek grammar. *Prerequisite: GRK-102 or equivalent.*

GRK-202 Semantic Analysis II 3/2
A continuation of GRK-201 including a study of the structure of selected Greek texts and exegetical methodology. *Prerequisite: GRK-201.*

GRK-336 Septuagint Studies 3/6
A study of select passages in the Septuagint (Greek Old Testament) with a view to advancing the student's facility in reading, translation and semantic analysis. *Prerequisite: Admission into BRM division.*

GRK-470 Readings in Greek 1-3/6
Guided readings and reports in the student's area of interest and need. *Prerequisite: Admission into BRM division.*

GRK-471 Advanced Greek Reading 1-3/6
Prerequisite: Admission into BRM division.

GRK-480 Advanced Topics Seminar: Greek 3/6
Formal class dependent upon student demand and interest of the professor. May deal with a particular biblical book or issues of interpretation and methodology. *Prerequisite: Admission into BRM division.*

GRK-490 Independent Studies in Greek 1-3/6
Consult with Division Chair and instructor in Greek concerning possible studies. *Prerequisite: Admission into BRM division.*

HEBREW

HEB-101 Hebrew I 4/4
The fundamentals of biblical Hebrew with special attention to orthography, morphology, vocabulary, and the translation of simple texts.

HEB-102 Hebrew II 4/4
A continuation of Hebrew I with emphasis given to grammar and expansion of vocabulary by means of translation of simple passages from the Old Testament. *Prerequisite: HEB-101.*

HEB-470 Readings in Hebrew 1-3/6
Guided readings and reports in the student's area of interest and need.

HEB-480 Advanced Topics Seminar: Hebrew 3/6
Formal class dependent upon student demand and interest of the professor. May deal with a particular biblical book or issues of interpretation and methodology.

HEB-490 Independent Studies in Hebrew 1-3/6
Consult with Division Chair and instructor in Hebrew concerning possible studies.

- REL-352 Christian Beliefs and History 3/1**
A study of the major doctrines of Christianity. Consideration is given both to the biblical bases and the historical contexts out of which these beliefs were fashioned. The course also traces key developments in the history of Christianity that help explain the diversity of beliefs and practices among various Christian traditions. *Prerequisites: REL-104 and REL-204 (or REL-130 and REL-236) and PHI-211, Junior status.*
- REL-354 Theology I 3/2**
A biblical, historical, and systematic treatment of four theological topics: the doctrine of revelation, theology proper, anthropology and Christology. The relevance of these topics to the student's personal life, the corporate life of the Church, and the cultural milieu is emphasized. *Prerequisites: REL-104 and REL-204 (or REL-130 and REL-236) and PHI-211, Junior status.*
- REL-356 Theology II 3/2**
A biblical, historical, and systematic treatment of the remaining theological topics: pneumatology, soteriology, ecclesiology, and eschatology. Like REL-354, the course emphasizes both orthodoxy and orthopraxy. *Prerequisites: REL-104 and REL-204 (or REL-130 and REL-236), PHI-211, Junior status.*
- REL-357 Old Testament History and Theology 3/2**
A study of the periods of Israel's history from the Patriarchs to the Restoration in relation to the surrounding nations of the Near East and the unfolding theological revelation of these periods centered in the Abrahamic Covenant, the Mosaic institutions, Israel's response of apostasy and formalism, and the prophetic reactions to that defection.
- REL-358 New Testament History and Theology 3/2**
The inter-testamental period is considered in its historical development as a bridge to the New Testament era. The New Testament is set in its historical, political, cultural, social, economic and religious environments. Considers the major biblical theological themes that emerge from the New Testament in their historical development and presentation. *Prerequisite: REL-236.*
- REL-380 Internship 1-6/1**
Practical field experience in a ministry context designed to help the student develop ministry skills and to clarify the student's sense of vocation.
- REL-411 Philosophy of Religion 3/4**
An analysis of the major philosophical problems of religion in the twenty-first century. Emphasis is placed on the problem of religious knowledge in relation to faith and reason, traditional arguments for the existence of God, and contemporary difficulties of religious language and verification. *Prerequisite: PHI 211.*
- REL-412 History & Religions of the Ancient Near East 3/4**
A study of the history, culture, and religions of the ancient Near East (3500-323 BC). This class examines the main people groups of Mesopotamia, Egypt, and the Levant (Canaan/Israel) with special attention to shared cultural elements, the development of writing, and distinguishing characteristics and events. The class studies key primary texts (in English translation) of different genres while presenting a synthesis of prevalent ideologies. There will also be an introduction to scholarly methods for studying the textual and material finds that form the basis for historical reconstruction.
- REL-414 Islam 3/4**
A précis of the Islamic religion including its history, beliefs and current practices. This course will give a basis for understanding the current unrest in the Middle East. Islam will be contrasted with Christianity and the student will gain an appreciation of the Muslim people, their culture and practices. Strategies for engaging Muslims with the gospel will be included.
- REL-434 Judges 3/4**
An examination of Judges in its historical context. Particular attention will be given to Hebrew narrative, the tribal system and societal structure in ancient Israel, Israelite religion, and various interpretative methodologies. The seminar will help students develop competency in research, Hebrew word studies, archaeological interpretation, and historical geography.
- REL-435 Psalms 3/4**
This course explores ancient Israel's expression of faith in different seasons and aspects of life. Students will develop a deeper understanding and appreciation of psalms by analyzing the form and content of a variety of psalms.
- REL-436 Revelation 3/4**
A study of the historical, literary, and theological features of the Book of Revelation and the various schools of its interpretation. The course will examine various examples of apocalyptic literature as they inform our understanding of Revelation.
- REL-438 Romans 3/4**
This course on Romans is built upon the hermeneutical and biblical literature courses. The seminar aims to develop the student's ability to grasp the textual content and application of this important book of the Bible. Emphasis is on the analytical and textual work of the student supplemented by the insight of the professor.
- REL-441 Apologetics 3/2**
Prepares students to meet a variety of current challenges to the credibility of the Christian faith. The course introduces the major types of apologetic methods, considers several arguments against the truth of Christianity and provides resources to rebut those arguments. It also enables students to give positive reasons for why they believe the Christian story.
- REL-462 Senior Seminar Capstone 3/2**
A capstone experience that helps students envision how they might contribute to fulfilling God's purpose in the world. Specific attention will be given to the topics of calling, career, decision making, and personal finance. Students will assemble a portfolio of a variety of materials to assist them in formulating next steps after graduation. *Prerequisite: Senior Status.*

REL-470	Readings in Religion or Biblical Studies	1-3/1
Guided readings and reports in the student's areas of interest and need. <i>Prerequisite: Admission to the BRM division or permission of the instructor or division chair.</i>		
REL-480	Advanced Topics Seminar	3/6
Formal class dependent upon student demand and interest of the professor. May deal with particular issues of Christian theology, religious epistemology, modern religious thought, or the writings of a particular theologian or religious thinker. May deal with a particular biblical book or issues of interpretation and methodology. <i>Prerequisite: Admission to the BRM division or permission of the instructor or division chair.</i>		
REL/HIS-481	Ancient Studies Thesis Project I	2/6
<i>Prerequisite: Admission into BRM division.</i>		
REL/HIS-482	Ancient Studies Thesis Project II & Capstone Seminar	2/6
<i>Prerequisite: Admission into BRM division.</i>		
REL-490	Independent Studies	3-6/1
Consult with division chair concerning possible studies. <i>Prerequisite: Admission to the BRM division or permission of the instructor or division chair.</i>		

BUSINESS

DIVISION

K. Brad Stamm, Ph.D.
Division Chair

The division has a threefold purpose: first, to prepare students for professional roles in organizations to influence the world for Christ; second, to prepare students to serve in professional roles within Christian and non-profit organizations; and finally, to prepare students for graduate study in business.

FACULTY

Stamm, K. Brad, Professor of Economics (Chair); B.S., Bowling Green State University; M.B.A., Eastern College; Ph.D., Fordham University

Detwiler, Timothy J., Professor of Business; B.A., Cedarville College; M.A., Temple University; Ph.D., Pennsylvania State University

Fleenor, Victoria, Assistant Professor of Business; B.A., Cedarville College; B.S., Aquinas College; M.S., Grand Valley State University

Hammond, Rachel M., Assistant Professor of Business; B.A., Cornerstone University; M.M., Aquinas College

Loiselle, Christopher, Assistant Professor of Accounting; B.B.A., Western Michigan University; M.B.A., Western Michigan University

Morter, Scott D., Associate Professor of Business; B.R.E., Grand Rapids Baptist College; M.B.A., Grand Valley State University; D.B.A., A.B.D., Anderson University

Newhouse, Shawn M., Vice President for Traditional Undergraduate Academics and Associate Professor of Business; B.S., Taylor University; M.B.A., Taylor University; D.B.A., Anderson University

VanPutten, April A., Assistant Professor of Business; B.A., Cornerstone University; M.B.A., Grand Valley State University

CRITERIA FOR GRADUATION AS A DIVISION MAJOR

See the Academic Information section under Graduation Requirements.

Degree information for the Bachelor of Science degree along with major and minor listings by division can be found in the catalog section entitled Degree Information.

General Education Core requirements for the Bachelor of Science degree are listed in the Degree Information section (see page 54).

Students Bound for Business Graduate School – Cornerstone University has established a special agreement for traditional undergraduate students who wish to earn their master’s degree through the CU Professional & Graduate Studies unit of the university. Students can earn their MBA degree within 1 year of graduating from their undergraduate program. Students should contact their undergraduate advisor or the PGS enrollment office at (800) 947-2382 for more information.

MAJORS & MINORS

ACCOUNTING MAJOR *(Bachelor of Science) (does not require a minor)*

Most states now require 150 semester hours of education to become a Certified Public Accountant (CPA). The State of Michigan allows candidates for the CPA to take the exam after completing a bachelor’s degree with appropriate courses. The Cornerstone University B.S. degree with a major in accounting will meet those requirements, although candidates will need to complete the 150 semester hours and experience requirements before being granted the CPA Certificate in Michigan. Most Cornerstone University graduates in accounting will pursue a master’s degree in a related field to meet the 150-hour requirement. Some states require that the 150 hours be completed before taking the exam.

Required Courses		Credit Hours
ACC-221	Accounting I	3
ACC-222	Accounting II	3
ACC-321	Intermediate Accounting I	3

COURSE DESCRIPTIONS

DEPARTMENT AND LEVEL/COURSE NAME

CREDITS/FREQUENCY
(See page 59 for codes)

ACCOUNTING

ACC-221	Accounting I	3/2
An introduction to the fundamental principles of financial accounting. Accounting cycle, asset valuation, short-term liabilities, payroll, income determination, and financial reporting are emphasized.		
ACC-222	Accounting II	3/2
A continuation of ACC-221 and managerial accounting topics. Long-term liabilities, owner's equity, cash flow and interpretation of financial statements. Cost accounting and managerial accounting and analysis will be introduced. <i>Prerequisite: ACC-221.</i>		
ACC-321	Intermediate Accounting I	3/2
The practice and theory of accounting as applied to assets and liabilities. Emphasis on developing analytical abilities and applying accounting principles to a wide variety of business situations. <i>Prerequisite: ACC-222.</i>		
ACC-322	Intermediate Accounting II	3/2
The practice and theory of accounting as applied to stockholders' equity, leases, pensions, revenue recognition, tax allocation, and financial reporting and analysis. <i>Prerequisite: ACC-321.</i>		
ACC-327	Taxation	3/2
Federal income tax structure as related to individuals, partnerships, and corporations. Problems intended to provide an understanding of the theory, law, and regulations. <i>Prerequisite: ACC-222.</i>		

ACC-331 Cost Accounting 3/4
 Accounting functions in the manufacturing environment. Product costing, overhead cost analysis, standard costs, activity based costing, variance analysis, contribution accounting, flexible budgeting, and responsibility center accounting.
Prerequisite: ACC-222.

ACC-332 Accounting Information Systems 3/4
 Students will learn to apply their knowledge about accounting transactions to various accounting information systems. Topics will include the sources of accounting data, entry, processing, storage and output. Students will be able to identify various internal controls throughout the flow. The need for and control of changes in accounting systems will be analyzed.
Prerequisite: ACC-222.

ACC-380 Internship 1-6/1
 This course will be aimed at practical work experience in a business setting. Students will have opportunities to apply classroom knowledge to business world situations in accounting. Prerequisite: Permission of internship instructor. See page 39 for internship requirements.

ACC-421 Advanced Accounting 3/4
 A study of specialized accounting topics. Emphasis is placed on accounting for business combinations. Additional topics include partnerships, governmental, nonprofit organizations, estates and trusts, and accounting procedures for insolvency.
Prerequisite: ACC-321.

ACC-423 Auditing 3/4
 Functions of financial audits and auditors' reports, audit evidence and techniques, internal control review and evaluation, application to selected financial statement topics, applications of statistics, audit of EDP systems, auditors' ethical and legal responsibilities. *Prerequisites: ACC-321, ACC-332, BUS-211 or MAT-151.*

BUSINESS

BUS-211 Business Statistics 3/1
 Descriptive statistics including measures of central tendency and standard deviation, time series analysis, statistical inference with emphasis upon testing of hypotheses and measures of association, and application of these techniques to decision-making and planning. Emphasis is placed on methods for defining, researching, analyzing, and evaluating problems found in business. *Prerequisite: Core requirement in Math.*

BUS-213 Business Communications 3/2
 This course is a study of the effective communication skills as applied to business organizations, including written, oral and mediated communication. An experiential learning approach will be used to apply course knowledge to creating the communication required to start a new business or non-profit.

BUS-215 International Business Experience (ECN-215) 3/2
 This course provides an opportunity for participants to acquire a hands-on overview of global business challenges and opportunities. With experienced faculty and practitioners as guides, participants will tour selected country firms and organizations and visit with industry executives with the purpose of exploring country-specific business practices and cultures.

BUS-236 ENACTUS 0-2/1
 The objective of ENACTUS is experiential learning through community projects. Students will continually develop, innovate and implement an assortment of projects that will benefit partners in the community while furthering the student's understanding of standard business practices through application of their college curriculum.

BUS-241 Personal Financial Planning 3/6
 A study of the principles and practices of personal money management. Topics include: budgeting, taxes, banking, credit, investments, retirement, and estate planning.

BUS-280 Topics in Business 1-3/6

BUS-317 International Business 3/2
 A study of international business systems within the context of the challenges of globalization. Emphasis is on fundamental economic theory and trade arguments, international monetary systems, international organizations, the role of trading blocs in regional integration, foreign direct investments, and international environmental forces, including ethical and legal considerations. *Prerequisite: MKT-251 or MGT-231.*

BUS-337 Quantitative Methods and Quality Control 3/6
 Inspection techniques and statistical quality control as it applies to production processes and purchasing function. *Prerequisite: BUS-211.*

BUS-361 Business Law 3/1
 A study of the legal process, negligence, wills, trusts and estates, property law, contracts, negotiable instruments, bank deposits, secured transactions, bankruptcy, business enterprises, administrative law, agency and employment law. Emphasis is placed on the practical application of legal concepts in the business world and the relationship between the Bible and business law concepts.

BUS-380 Internship 1-6/1
 This course is aimed at practical work experience in a business setting. Students will have opportunities to apply classroom knowledge to business world situations. *Prerequisite: Permission of internship instructor. See page 39 for internship requirements.*

BUS-470 Directed Readings 1-3/6

BUS-480	Advanced Topics	1-3/6
BUS-490	Independent Study	1-3/6

COMPUTER INFORMATION SYSTEMS

CIS-211	Foundations of Information Systems	3/2
Information systems are an integral part of all business activities and careers. This course is designed to introduce students to contemporary information systems and demonstrate how these systems are used throughout global organizations. The focus of this course will be on the key components of information systems - people, software, hardware, data, and communications technologies - and how these components can be integrated and managed to create competitive advantage.		
CIS-216	Introduction to Data Management	3/2
This course is an introduction to the core concepts in data and information management. Topics include identifying information requirements, data modeling, and implementation in commercial database software, database management, query languages, data quality, and security. <i>Prerequisite: CIS-211</i>		
CIS-218	Introduction to Application Development	3/2
Students will be introduced to fundamental programming concepts and constructs. Structures presented will include sequence, selection, repetition, and the use of methods and objects. Classes, objects, error handling and arrays will be designed, coded, and tested through lab assignments in an object-oriented programming language. <i>Prerequisite: CIS-211</i>		
CIS-280	Topics in Computer Information Systems	1-3/6
CIS-331	Web Development	3/2
Introduction to programming for the World Wide Web. The course uses a variety of tools for editing, debugging, and testing web applications. Commonly used languages and scripting are used on both the browser side and server side of the information systems. <i>Prerequisite: CIS-216, CIS-218</i>		
CIS-332	Systems Analysis and Design	3/4
This is a study of the analysis, design, and management of information systems development and/or modification. This includes coverage of systems improvement and controls. Accounting majors team with Computer Information Systems majors on projects. <i>Prerequisite: CIS-211.</i>		
CIS-352	Data Communications	3/4
This course is designed to provide the Computer Information Systems major with an understanding of the various communication technologies with their capabilities and limitations. The course focuses on Internet-based solutions, computer and network security issues, business continuity, and the role of infrastructure in regulatory compliance. <i>Prerequisite: CIS-211.</i>		
CIS-380	Internship	1-6/1
This course is aimed at practical work experience in a situation where decisions are made concerning equipment, programming or workflow operations. <i>Prerequisite: Permission of internship instructor. See page 39 for internship requirements.</i>		
CIS-470	Directed Readings	
CIS-480	Advanced CIS Topics	
CIS-490	Independent Study	

ECONOMICS

ECN-215	International Business Experience	3/2
This course provides an opportunity for participants to acquire a hands-on overview of global business challenges and opportunities. With experienced faculty and practitioners as guides, participants will tour selected country firms and organizations and visit with industry executives with the purpose of exploring country-specific business practices and cultures.		
ECN-231	Macroeconomics	3/2
Emphasis upon macroeconomic theories, principles and theories of national income determination, consumption, investment, savings, business cycles, prices and money, the banking system, and monetary and fiscal policy.		
ECN-232	Microeconomics	3/2
Emphasis upon general microeconomic theory, an introduction to theories of consumer behavior, product demand, cost and supply, production, the firm and its markets, and capital and pricing factors.		
ECN-321	Managerial Economics	3/4
This course is designed to provide students with the tools from intermediate microeconomics, game theory, and industrial organization that they need to make sound managerial decisions. Topics include present value analysis, supply and demand, regression, indifference curves, isoquants, production, costs, and the basic models of perfect competition. Readings include essays by several Nobel Prize-winning economists. <i>Prerequisite: ECN-232.</i>		
ECN-331	Research in Economics	3/6
Under supervision of a faculty member, this course is designed to expose students to the process of conducting independent research in empirical economics and effectively communicating the results of the research. Qualified students receive valuable training in applied economic research and quantitative and qualitative research methods. The course begins with an econometric analysis of an assigned economic question and culminates in each student choosing an original topic, performing appropriate analysis, and delivering oral and written project reports. <i>Prerequisites: BUS-211, ECN-321.</i>		

ECN-334	Money & Banking	3/4
This course will focus on the role of money in the economy. Topics include money flows, the Federal Reserve System, banking regulation and performance. <i>Prerequisites: ECN-231, ECN-232.</i>		
ECN-335	International Economics	3/4
A detailed study of international trade and finance with both macro and micro applications. Topics include international accounting standards, exchange rates, foreign direct investment, international markets and financial control in an international setting. <i>Prerequisites: Either ECN-231 or ECN-232.</i>		
ECN-336	Economic Development	3/6
Theoretical and empirical investigation of economic development of under-developed countries. Includes a study into the nature and causes of poverty along with discussions on our role as Christians in the third world developing countries. The course includes a case-study of a low-income nation using various standard of living measures. <i>Prerequisites: ECN-231 or ECN-232 or permission of the instructor</i>		
ECN-360	Entertainment Industries Economics	3/6
Entertainment Industries is an overview of the business aspects of the entertainment industry using the principles of economics and business. The course will focus on supply, demand, and industry structure in the following areas: music, theater, and film. The course will use both micro and macro economics to analyze the business of the entertainment industry. The approach will also require demographic and sociological analysis. These cultural industries will also be looked at in terms of integration of faith and learning; that is, what is the Christian's role in and response to entertainment.		
ECN-470	Directed Readings in Economics	
ECN-380	Internship	1-6/1
This course will be aimed at practical work experience in a business setting. Students will have opportunities to apply classroom knowledge to business world situations in economics. <i>Prerequisite: Permission of internship instructor. See page 39 for internship requirements.</i>		
ECN-480	Advanced Topics	1-3/6
ECN-490	Independent Study in Economics	

FINANCE

FIN-341	Principles of Finance	3/1
Basic theoretical framework for decision-making in financial management and the role of the financial manager in capital budgeting, investing and financing activities. <i>Prerequisite or Corequisite: ACC-222.</i>		
FIN-342	Corporate Finance	3/2
This course will focus on business application of the principles of finance. Business case studies will be used to relate financial theory to business practice. Current financial topics will be analyzed. <i>Prerequisite: FIN-341.</i>		
FIN-371	Investments	3/2
This course will focus on the allocation of capital in the capital markets. Topics include the operation and regulation of investment markets, investment asset classes, portfolio management, analysis of risk and return and investment trading. <i>Prerequisite: FIN-341.</i>		
FIN-372	Securities Brokerage	3/4
This course will focus on the securities industry and the brokerage business. Topics include financial ethics, the regulatory environment, client relations, investment planning, security analysis and transaction procedures. <i>Prerequisites: FIN-341, FIN-371.</i>		
FIN-373	Real Estate Management & Investment	3/4
This course will focus on the basic principles of real estate management and investment. Topics include real estate markets, characteristics of real estate, appraising methods, government regulation, licensing and ethical considerations. <i>Prerequisite: FIN-341</i>		
FIN-374	Insurance and Risk Management	3/4
This course will focus on the basic principles of insurance and risk management. Topics include personal and business insurance vehicles, business exposure, types of coverage and minimizing risk. <i>Prerequisite: FIN 341.</i>		
FIN-376	Management of Financial Institutions	3/4
This course will focus on the financial management of retail banks, commercial banks and other financial intermediaries. Topics include risk management, asset composition, capital adequacy, liquidity and the regulatory environment. <i>Prerequisite: FIN 341.</i>		
FIN-380	Internship	1-6/1
This course will be aimed at practical work experience in a business setting. Students will have opportunities to apply classroom knowledge to business world situations in finance. <i>Prerequisite: Permission of internship instructor. See page 39 for internship requirements.</i>		

MANAGEMENT

MGT-215	Introduction to Sports Management	3/2
An overview of the diverse field of Sports Management. This course includes an in-depth examination of various careers, training and necessary courses of study. Additionally, management skills along with related speaking and writing competencies are emphasized.		
MGT-221	Introduction to Non-Profit Administration	3/2
The course will provide the student with an introduction to non-profit administration, program evaluation, community development and organizing, an overview of the non-profit sector and philanthropy.		
MGT-231	Principles of Management	3/2
This course is an introduction to the four management functions including planning, organizing, leading and controlling. Students will also discuss the integration of faith and business in both personal and corporate contexts.		
MGT-238	Principles of Leadership	3/2
Students will engage in a basic study of current theories of leadership. Through a variety of presentation methods, small group work, self-reflection, and peer review, students will observe and practice leadership principles, while identifying personal styles and preferences.		
MGT-270	Readings In Leadership	1/6
This is primarily a readings course, which requires the student to read leadership literature, interview a leader, and write a personal philosophy of leadership. In these activities, the student will analyze, synthesize, and evaluate findings.		
MGT-330	Human Resources Management for Non-Profits	3/4
This course provides the fundamental concepts, terminology and technical basics involved in public sector human resources management to deal effectively with the human issues in the workplace. Instructors and guest speakers use lectures, case studies and discussions to provide real world perspectives, along with a focus on ethics in human resources management. <i>Prerequisite: MGT-221.</i>		
MGT-332	Human Resources Management	3/2
The objectives, functions, and organization of personnel programs; recruitment, selection, training, evaluation, development, and promotion; wage incentives, fringe benefits, OSHA, and the collective bargaining process. <i>Prerequisite: MGT-231.</i>		
MGT-333	Operations Management	3/2
This course is a survey of operations management and will focus on the systematic planning, design and operation of processes required for the production of goods and services. This course covers operations, management tools, quality issues and process reengineering. <i>Prerequisite: MGT-231.</i>		
MGT-335	Organizational Behavior	3/2
Presents integrative theory of organization behavior and human motivation as influenced by leadership, the organization itself, and social environment. <i>Prerequisite: MGT-231.</i>		
MGT-336	Project Management	3/2
This course will examine key factors related to successful completion of both large and small projects. Topics will include project selection, chartering, scope, resources, scheduling, budgeting, controlling, termination and team leadership. Students will approach learning through a semester-long project planning activity. <i>Prerequisite: MGT-231.</i>		
MGT-337	Entrepreneurship	3/4
This course reviews and explores important skills and practices used to develop creative, innovative, and successful businesses. Entrepreneurial models focusing on sustainable business development are presented and evaluated to assess emerging customer needs, resource requirements, product and service development, marketing strategies, and economic and social contributions. <i>Prerequisites: ACC-221, MGT-231, MKT-251.</i>		
MGT-338	Advanced Leadership Studies	3/4
This class will build on the notion that leadership is about relationships with an emphasis on Bible-friendly models. Chaos theory as applied to organizations will be examined regarding planning methodologies. Additional major topics include: leading in a time of rapid change, Kouzes & Posner's LPI model, and Leadership Development; both self-development and as a management consultant. <i>Prerequisite: MGT-238.</i>		
MGT-339	International Management	3/4
A focus on management challenges associated with developing strategies and managing the operations of enterprises whose activities stretch across national boundaries. International firms will be examined with special emphasis on the management of resources and production. <i>Prerequisite: MGT-231.</i>		
MGT-341	Fund Development	3/4
This course provides an overview of fund development, fund-raising strategies and sources to consider as part of a healthy fund-raising program. It will discuss the principles of non-profit finance. Grant writing will also be covered. <i>Prerequisite: MGT-221.</i>		
MGT-343	Non-Profit Law & Governance	3/4
A practical look at non-profit governance, including organizational life cycles and best practices. Topics include starting a non-profit, non-profit law, board governance, public policy and advocacy and how to monitor and evaluate the Executive Director. <i>Prerequisite: MGT-221.</i>		
MGT-361	Sports Media Relations & Event Management	3/4
Creating the goals and philosophy of events, event planning and scripting, entertainment programming, security, traffic and first-aid services, managing relations with the media, connecting with the community and philanthropic alignment. Practical field experience would be included. <i>Prerequisite or corequisite: MGT-215.</i>		

- MGT-364 Sport in Society 3/4**
Interaction between social institutions and sports. Inquiry into how various behavior, psychological and social variables interact in the culture of sport, trends and patterns of change in the culture of sport. Practical field experience would be included. *Prerequisite or corequisite: MGT-215.*
- MGT-380 Internship 1-6/1**
This course will be aimed at practical work experience in a business setting. Students will have opportunities to apply classroom knowledge to business world situations in management or sports management. *Prerequisite: Permission of internship instructor. See page 39 for internship requirements.*
- MGT-432 Capstone Seminar: Strategic Management 3/2**
This course is the senior level capping course designed to integrate the knowledge and techniques studied in other courses such as accounting, economics, finance, management, marketing, and quantitative methods. It is also designed to provide experience in formulating organizational strategies and policies for meeting specified organizational strategic and operational goals. The case and business game approach is used. *Prerequisite: Senior status.*
- MGT-434 Organizational Theory, Development and Change 3/6**
This course focuses on organizational theory with a special emphasis on the organizational development cycle and change management techniques. *Prerequisites: MGT-231, MGT-335.*

MARKETING

- MKT-251 Principles of Marketing 3/2**
An introduction to marketing centered on the areas of product, pricing, distribution, and promotion with specific application to market orientation and the marketing function.
- MKT-350 Marketing Management 3/2**
A systematic assessment of the roles, responsibilities and tools of the marketing manager and how these are used to develop marketing plans and strategies. Application to current situations will be emphasized. *Prerequisites: MKT-251, Junior status.*
- MKT-352 Marketing Research 3/2**
An analysis of research methodology, including both quantitative and qualitative traditions of inquiry and the skills needed to conduct market research and resolve marketing related problems. Emphasis will be placed on the mechanics of basic market research. *Prerequisites: MKT-251, BUS-211.*
- MKT-353 Marketing Communications (PUB-262 Advertising Principles) 3/2**
An integrated study of the strategy and methods of advertising campaigns, including print, radio, television, Internet, direct mail, public relations and viral marketing. This course provides “hands-on” practice working with real clients and businesses, emphasizing message elements, primary research, the creative process, copyrighting and pitching ideas in oral presentations. *Prerequisite: COM-112.*
- MKT-355 Retailing 3/4**
A study of topics related to retail businesses. Topics include management methods, location analysis, store organization, personnel planning, merchandising, buying and pricing techniques, identifying target markets, public relations, and cost management. *Prerequisite: MKT-251.*
- MKT-357 Consumer Behavior 3/4**
Develops awareness of various aspects of consumer motivation and behavior. Provides understanding of influences of business and environment and how each will affect consumer purchase decisions. *Prerequisite: MKT-251.*
- MKT-358 Sales Management 3/4**
Analyzes development and administration of the sales effort within the marketing organization. Included will be an assessment of the administrative functions required to manage the sales function as well as personal skills needed to function in a sales environment. *Prerequisite: MKT-251.*
- MKT-359 International Marketing 3/4**
A study of global markets within the context of general, regional and country-specific environmental forces, including managerial challenges of implementing international marketing strategies. Emphasis is on environmental analysis, international marketing strategies, and current international marketing issues, including the challenges of standardization, adaptation, marketing laws and ethical considerations and practices. *Prerequisite: MKT-251.*
- MKT-362 Sports Marketing and Sales 3/4**
Marketing mix and its connection to the strategic plan of the organization; identification and critique of the major marketing strategies in sport, preparing local economic analysis necessary to develop a sales program strategy, creating a program of incentives for sales personnel. Practical field experience would be included. *Prerequisites: MGT-215 (concurrent) and MKT-251.*
- MKT-380 Internship 1-6/1**
This course will be aimed at practical work experience in a business setting. Students will have opportunities to apply classroom knowledge to business world situations in marketing. *Prerequisite: Permission of internship instructor. See page 39 for internship requirements.*
- MKT-452 Marketing Problems/Strategy 3/2**
An in-depth view of marketing strategies and how they are employed to identify and resolve today’s marketing problems, including ethical considerations. Emphasis is on case analysis, concepts applications based on identifiable controllable and uncontrollable forces, the integration and synergy of marketing programs. *Prerequisites: MGT-231, MKT-251, Junior status.*

COMMUNICATION & MEDIA DIVISION

Desiree Duff, Ph.D.
Division Chair

The Communication & Media Division exists to instruct, equip and mentor students to engage the marketplace of ideas in strategic and creative ways as skilled professionals and agents of reconciliation who seek to influence their culture.

Our students will carry with them the ability to employ valued communication and media theory in their specialized areas, evaluate and discern ethical practices and present mastery of skills with professional expertise.

Our students have access to high-end technical equipment through the Center for Academic Media Services (CAMS). Our classrooms include studio spaces, two music recording studios and fully equipped editing suites with major non-linear editing platforms. Experienced professors, with professional connections in each of the disciplines assist and mentor students through their internships. Students also benefit from the media-rich Grand Rapids/West Michigan marketplaces.

We have assembled a superb faculty to meet the needs of our growing programs. They bring a firm commitment to Christ, and strong academic credentials combined with decades of professional experience. They demonstrate their passion for developing communication and media professionals skilled in leadership, creativity and integrity.

COURSE DESCRIPTIONS

DEPARTMENT AND LEVEL/COURSE NAME

CREDITS/FREQUENCY
(See page 59 for codes)

COMMUNICATION STUDIES

- COM-112 Communication In Culture 3/1**
An introduction to the purposes, theory and practice of human communication. Students will develop knowledge, skills and attitudes needed to communicate confidently, effectively and charitably as wise citizens in interpersonal, small group, public speaking and mediated contexts. Prerequisite or corequisite for all COM and some MDA courses.
- COM-212 Interpersonal Communication 3/1**
Study of the theory and practice of interpersonal communication. This course emphasizes the cultural, social, psychological, semantic, developmental and practical variables which influence communication in significant relationships. Students develop competence through a variety of learning experiences. *Prerequisite: COM-112*
- COM-214 Health Communication 3/2**
This course explores the field of health communication. It focuses on the research-based theories and practices that inform health communication, health-related decision-making, health promotion, risk and crisis communication at interpersonal, organizational, and community levels. *Prerequisite: COM-112, SOC-111*
- COM-241 Introduction to Oral Interpretation 3/2**
Exposure to and experience with the art of bringing literature to life for an audience. The course will explore the methods of analyzing narrative prose, drama, and poetry for performance. An emphasis will be placed on learning techniques to effectively communicate the meaning and feeling in each selection. *Prerequisite: COM-112*
- COM-311 Intercultural Communication 3/1**
An investigation into the many variables extant among people and groups with different cultural backgrounds, including the study of similarities and differences across cultures. *Prerequisite: COM-112, Junior status*
- COM-315 Communication Theory 3/2**
Examination and evaluation of general, thematic, and contextual theories of communication. The course includes philosophical assumptions that impact the theoretical development of a Christian perspective for communication studies. *Prerequisite: COM-112*
- COM-319 Grant Writing 3/4**
This course orients students to the essential elements of the grant writing process and provides practical experience in writing grant proposals. *Prerequisite: COM-112, ENG-212*
- COM-321 Group Communication 3/2**
The study of general and specific group communication theories and their relationship to communication in a variety of group settings. Topics include group formation, cohesiveness, groupthink, norms, leadership, decision-making and conflict. Students become better leaders and participants through a variety of experiential learning opportunities. *Prerequisite: COM-112*
- COM-322 Advanced Public Speaking 3/2**
Advanced training in the invention and presentation of speeches appropriate for public contexts. Students develop greater skill in adapting to rhetorical situations through analysis of the speaker-message-audience-context relationship. Students also gain further skill in critiquing the speeches of others. *Prerequisite: COM-112, Junior status*
- COM-326 Organizational Communication 3/4**
A study of the structure and function of communication within organizations; organizational climate and culture, information flow, networks and role relationships are among the major themes addressed. *Prerequisite: COM-112*

COM-339 Social Media 3/2
The course aims to provide students majoring in communication and other fields with knowledge about finding and distributing information in conversations over social media. Students will be introduced to common platforms, techniques and ethical considerations.

COM-354 Announcing and Reporting 3/4
A multi-faceted class with individualized, professional coaching for on-camera performances. This class trains the individual talent's voice and presence in tone, diction, breath support, articulation and style, and also gives experience to those desiring to be shooters, directors, and/or producers on how to coach and work with talent. *Prerequisite: COM-112, MDA-121*

COM-364 Special Events and Promotions 3/4
Examines the elements of the event planning process, creative brainstorming, budgeting, overcoming obstacles, attracting sponsorships, soliciting volunteers, and evaluating success. Practical field experiences include meeting professional meeting planners and visiting venues. *Prerequisite: PUB-161*

COM-369 Communication Research Methods 3/2
Students learn qualitative and quantitative approaches in conducting and analyzing research in communication. Students gain "hands-on" research experience and analytical, scientific writing, and oral presentation skills. They become familiar with public opinion polling, survey techniques, focus groups, external research services and consultants, media and clipping analysis, and other research methods, including the ethical considerations in conducting research with human subjects. Course focuses are results-based decision making, measuring program effectiveness, measuring staff and counselor performance, and evaluation and reporting on results. This course will prepare students for graduate work as well as many job options in communication and business involving research, analysis, and documentation. *Prerequisites: COM-112, COM-315, Junior status*

COM-380 Internship 1 - 6/1
Practical work experience using communication theory and skills in an appropriate setting relevant to the student's area of emphasis. *Prerequisites: Institutional requirements; COM-112*

COM-400 Capstone Seminar: Communication Studies 3/2
Examines, from a Christian worldview, the ethical and vocational issues associated with the study of human symbolic interaction. The interactions between philosophy, theory and practice will be analyzed. *Prerequisite: Senior status*

COM-432 Health Communication Campaigns 3/2
This course focuses on the design, implementation, and evaluation of health communication campaigns. It applies theory and research in communication, behavior change, social marketing, public relations, and consumer behavior to the effective design of mediated health promotion and disease prevention messages. *Prerequisite: COM-214, CHL-111, Junior status*

COM-433 Nonverbal Communication 3/4
This course is taught as a seminar focusing on the cultural, social, psychological and practical variables relating to nonverbal communication. Students will become familiar with the classic and contemporary research and scholarship of nonverbal communication. In addition, students will understand the impact of nonverbal behavior in professional and personal contexts and will develop their own nonverbal competence through a variety of practical learning experiences. *Prerequisite: COM-212, Junior status*

COM-463 Secondary Language Arts Methods (ENG-463) 3/2
Focuses on the content-specific pedagogy for teaching the language arts curriculum in public or private secondary schools. *Prerequisite: Admission to and good standing in the Teacher Education program*

COM-490 - Independent Study 3 - 6/1
An independent project-related course. Students work closely with a professor in the choosing of a topic, its design, and in the developing of a plan for its completion. *Prerequisite: Approval of the division chair*

JOURNALISM

JRN-201 News Writing & Reporting 3/1
Information gathering, development of news judgment, and writing of basic news stories will be studied, along with news style, structure, readability, news sources, and interviewing techniques.

MEDIA

MDA-111 Introduction to Story 3/2
An overview of basic story structure from a variety of genres, but most specifically from the perspective of narrative films. Students will read and analyze feature screenplays, watch and critique the story structure of numerous films, and write script coverage and plot outlines. By the end of the course, students will be able to break down plots into their elementary building blocks and assemble treatments for their own stories.

- MDA-112 Drawing I: Drawing for New Media 3/2**
 This course focuses on the fundamentals of creating drawings and sketches for new media applications such as those utilized by designers, Ads, and creative professionals working in the contemporary design field. Examples of things to be illustrated are vehicles, people, hands/faces, products, user interfaces, Etc. The basic idea of this course is to move away from the more traditional drawing courses offered at surrounding institutions, which focus on traditional fine art approaches to drawing, and instead teach students how to draw and sketch for the purpose of workflows that are germane to the design industry.
 Tools: Rather than teaching the utilization of traditional tools, such as brushes, inks, charcoal and color media, this course should teach students how to draw and sketch with a limited/relevant tool set that lends itself to the graphical production workflow. Specific tools to be used should be pencil, mechanical pencil, proismacolor markers and fine-point black ink pens (Micron). While there is plenty of focus on form and volume and line quality for the drawings created in a course like this, the emphasis moves away from extensive study of value and rendering techniques (as in fine arts) and instead focuses on creating clean line art, with limited/necessary values, which is more feasible for scanning and utilizing as storyboard or graphical template purposes. Rather than drawing all kinds of media -and always drawing from still life, students are taught to draw relevant topics and to study book-based resources (vehicles, proportions of anatomy, contemporary stylings) and glean additional techniques from resources such as online tutorials.
- MDA-121 Introduction to Digital Media 3/2**
 An overview of the skills, teamwork, and career options in this industry, offering “hands-on” experience with a television crew, radio announcing, interviews and producing and editing audio and video projects. An exploratory course, it gives students the opportunity to visit stations and meet media professionals, as well as learning skills for a wide variety of careers.
- MDA-151 Music Fundamentals for Audio Production 3/2**
 This course is designed for the audio professional that has little or no musical background. This course will be an introduction to the fundamentals and analysis of both written music and the aural perception of music and notes. The goal of this class is familiarize the student with the basic knowledge of music, and how to follow a score in a studio setting. This is skill that will be fundamental in the process of completing the course work of the degree.
- MDA-161 Audio/Video Technical Production 3/2**
 Coverage of the basics of being an A/V Technician. The course covers cabling and component interconnect as well as system design. This class will also teach the student how to provide the basic audio visual technical support needed in a typical environment.
- MDA-164 Film and Video Production Seminar I 1/2**
 Students will participate in a weekend retreat that aims to assimilate them into the policies and protocols of a film production set. Topics include teamwork, conflict resolution, and basic production assistant duties. There will also be ad hoc meetings throughout the semester.
- MDA-212 Drawing II: Drawing for Creating Graphics 3/2**
 This course focuses on teaching students how to create drawings which are specifically suited for utilization as templates for the creation of vector graphics and graphical UI elements. The ability of graphic designers to work in a program such as Adobe Illustrator to create custom graphics and icons for design workflows is a very relevant skill in contemporary design fields, where UI and UX design positions are an ever-emerging (and prosperous) position. Young designers will want to position themselves for the emerging “always-on” digital society they will be working in by learning about graphical creation for devices and media. This course will teach fundamentals of creating drawings for generating icons, graphics, UI elements, graphical suites, web-based graphics and more, suitable for a wide variety of emerging tech industries.
 Tools: The core tools of a class such as this are paper, sketchbooks, pencils and mechanical pencils, and various ink pens. Tracing paper is also helpful. Scanning devices should be utilized as well. Digital design tablets are not needed. *Prerequisite: MDA-112*
- MDA-213 Graphic Design I: Introduction to Graphic Design 3/2**
 This course teaches an overview of the graphic design field and industry, introducing students to the preferred software, concepts and workflows of this industry. Specifically, students are given an introduction to design concepts such as balance, contrast, scale, proportion, typography, and composition. Software introduced are the Adobe Creative Suite (CC). Specifically Illustrator, Photoshop and InDesign. Students are given collaborative design projects to work on which introduce and reinforce the taught principles of design. Students participate in interactive lectures, group conversations, online research and study, and more. Students are taught simplified workflows for software, such as vector graphics creation, Photoshop compositing and image enhancement, page layout techniques and file export preferences.
- MDA-225 Graphic Design II: Graphic Design for Print and Media 3/2**
 This course teaches students design principles, with corresponding software skills and workflows, for print and digital media. Students will learn how to use industry-standard design software, such as Adobe InDesign and Photoshop, to create layouts and design files for print and digital. Concept development is also taught as a core component of this course. On a per-project basis, students will begin with pencil and ink wire frame drawings and compositional sketches, before moving on to digital workflows, thus becoming experienced with a mature, healthy creative workflow that exists partly outside of the spectrum of digital software (where ideation and design strategy is key). Students will specifically learn how to create projects intended for high-end industry print output (on four-color press), as well as digital workflows intended for digital distribution or collaborative creative processes. In InDesign, students will learn about inks, resolution, graphical outputs and compositing. In Photoshop, students will learn about photographic manipulation and retouching techniques, along with compositing, masking, layer effects, and more. *Prerequisite: MDA 213*
- MDA-250 Writing for Film 3/2**
 Survey of a variety of genres developed by writers in the scripting of a film production. Emphases include both theoretical and practical concerns of this contemporary art form. *Prerequisite: ENG-114*

- MDA-254 Film History 3/2**
An examination of film throughout its key movements: start-up from nickelodeons through silents, talkies through the studio system, film goes to war, film fights television, the new Hollywood and the digital arena. The course will interweave the impact – and at times lack thereof – of the institutional church when it interlaces with the film industry across these historical time periods.
- MDA-261 Audio Production I 3/2**
An overview of basic audio engineering, covering topics pertaining to collection and arrangement of sound within the recorded environment and basic auditory skills as they apply to the recording engineer. Must achieve a grade of C- or greater to pass.
- MDA-262 Live Sound Production 4/2**
Extension of theories and techniques used in MDA-261 and application to a live sound reinforcement context. Other topics include signal flow, speaker coverage, feedback control, equipment management, amplification wattage and basic troubleshooting. Students will complete a lab component mixing live sound for Cornerstone events. *Prerequisite: MDA-261 or MUS-171*
- MDA-271 Film and Video Production I 3/2**
An exploration of the elements of video production from a theoretical and practical perspective through the three phases of production. Students will gain an understanding of the fundamental process and technology of video production through the “hands-on” application of exercises and projects.
- MDA-272 Deconstructing Popular Music Production 3/2**
Coverage of the basic production methodology of musical genres from the conception of rock and roll in the 1950s through to current musical trends. Particular attention will be given to the development of contemporary Christian music.
- MDA-281 Audio Production II 3/2**
An extension of the skills and concepts introduced in Audio Production I, as students refine and learn to apply their knowledge of audio collection, arrangement, coloring, and sweetening in a variety of production types. Both group and individual productions and the opportunity for professional critiques by Cornerstone University Radio personnel will be given. Must achieve a grade of C- or greater to pass. *Prerequisite: MDA-261 or MUS-171 for music majors*
- MDA-282 Film and Video Production II 3/2**
Students apply the principles and skills of camera, lighting, sound, directing, producing, editing, etc. for a variety of non-fiction production environments and purposes. Students will work on both group and individual productions to benefit the community and communicate with their publics.
- MDA-284 Film and Video Production III 3/2**
An extension of Video Production II, this class is the capstone of the student’s underclass work. Students work in the three major segments of the film making with the primary focus on storytelling in the creation of a short film (3-5 mins.). In pre-production, the scripting process is analyzed from the perspective of message clarity and level of influence. In production, the collection of sonic and visual information is analyzed from the perspective of supporting the story. In post-production the process of engaging the audience member in a unified impactful vision is paramount. *Must achieve a grade of C- or greater to pass. Prerequisite: MDA-282*
- MDA-318 Writing for the Media 3/2**
A “hands-on” class where students learn the basics of many genres of media writing in one semester – news writing, advertising, documentaries, and dramatic script writing. Students are able to explore where their interests and skills lie and grow in learning to express themselves in all these different forms of media writing. *Prerequisites: MDA-111 or MDA-121, and ENG-212*
- MDA-319 Mass Media Literacy 3/2**
Focus on the integration of a critical media skills program into an elementary or secondary school curriculum. A study of the various methods for analyzing, evaluating, and controlling the impact of the mass media. *Prerequisite: COM-112*
- MDA-321 Spirituality on Screen 3/2**
The examination and analysis of the intersection between faith and cinema. Students in the course will study, deconstruct, research, and critique films for their meanings and messages while appraising their own personally held beliefs and understandings. Heavy emphasis will be placed on communicating individual perspectives in written form and group discussion.
- MDA-323 Pre-Production Theory and Praxis 3/2**
The course covers an in-depth examination of the pre-production stage of a media project from development, through script writing, revision to producing and preparation for principal photography. Various genres will be analyzed and recreated. This class is required for those wishing to specialize as writers, producers and directors in senior production classes. *Prerequisite: MDA-284*
- MDA-324 Production Theory and Praxis 3/2**
The course covers an in-depth examination of the production stage of a media project from principal photography including advanced cinematography and location audio. Various genres of lighting will be analyzed and recreated. This class is required for those wishing to specialize as camera operators and directors of photography in senior production classes. *Prerequisite: MDA-284*
- MDA-325 Post-Production Theory and Praxis 3/2**
The course covers an in-depth examination of the post-production stage of a media project including vision and audio editing and delivery systems. Various genres of editing will be analyzed and recreated. This class is required for those wishing to specialize as editors or sound designers in senior production classes. *Prerequisite: MDA-284*

- MDA-326 Graphic Design III: Graphic Design for Web and Devices 3/2**
 This course is a partner course to Graphic Design II and teaches very similar competencies as they pertain to creative workflows and design strategies for designers that wish to develop toward web-based products and device-centric products (web sites and handheld/mobile applications). The same competencies are taught as in graphic Design II, but geared specifically toward the digital handheld spectrum. Thus, heavy emphasis will be placed on understanding design principles for digital handheld devices. Whereas Graphic Design II teaches print and digital layout, this course teaches UI and X development, an understanding of responsive design principles, graphical creation for navigation elements and iconography, and more. A similar emphasis is placed on non- digital concept creation and ideation via sketching and pen and ink drawings for concept generation.
Prerequisite: MDA 213
- MDA-341/342 Advanced Production I and II 3/2**
 These topic classes allow students to explore their selected genre through readings, viewings and practical assessment items. Topics include music videos, corporate videos, experimental film, multi-cam, documentary and fictional dramatic productions. The mid-semester productions assessment will be a generalist film project where students demonstrate proficiency in all the roles. Depending on the scope, the final assessment film will be group oriented with students demonstrating excellence in more specialist roles. *Prerequisite: MDA-284*
- MDA-363 Audio for Post-Production 3/4**
 Examination of the fundamentals of sound for motion pictures covering the evolution of sound technology through to advanced surround sound editing and foley construction. *Prerequisite: MDA-281*
- MDA-364 Film and Video Production Seminar II 1/2**
 This weekend retreat seeks to blend under class and upper class students in production workshop with a focus on leadership on set. Upper class students will also be required to attend sessions throughout the semester on media business aspects including freelance work and internship preparation.
- MDA-375 Deconstructing Cinema 3/2**
 Observation and analysis of the construction of movies within the three phases of production: pre-production (scripting and semiotics), production (capture) and post-production (assembling of meaning). Particular attention will be given to the formation of worldview messages through the juxtaposition of visual and audio content.
- MDA-379 Cornerstone University Production Company 1/1**
 Students will engage in real world projects for the university, non-profits or paying clients. Direct supervision will be given by a coordinator who can manage the production process, equipment needs, and quality control. Students may take the class up to a maximum of four times. *Prerequisites: Invitation only, Junior status*
- MDA-380 Internship 1 – 6/1**
 Practical work experience using audio, film or video skills in an appropriate setting relevant to the student's area of emphasis.
Prerequisite: Junior status
- MDA-381 Mixing 3/2**
 An advanced engineering course that will explore the artistic approach to audio engineering in the field of mixing, then instruct in advanced Pro Tools functions, and finally instruct in various mixing assignments designed to fine tune both the listening capabilities and engineering skills of the student. *Prerequisites: MDA-281*
- MDA-383 Mastering 3/2**
 This course covers advanced topics in the post mixing process. Students will learn the specific tools used to modify, enhance, and correct the sound of a recording. Topics include applying signal processing to enhance audio material, noise reduction techniques, advanced editing techniques such as album sequencing and manual gain riding, the importance of quality control, and disc/electronic delivery preparation. Students will also delve into other popular techniques in the field of audio mastering, including enhancing the stereo field of a master and cutting edge filtering and fading techniques. *Prerequisite: MDA-381*
- MDA-426 Graphic Design IV: Comprehensive Concentrations of Design 3/2**
 This course teaches higher-level design strategies and techniques to students in the Graphic Design concentration at Cornerstone. Building upon previous coursework, students in this course will create three major projects; one for print, one for the web and one for user a interface. This is the highest-level course so students will be expected to create fully fleshed-out projects, complete from concept to execution, including preliminary drawings, all layout, accompanying graphics, and compositions. The three projects are: A 5-page print magazine with graphics, a 3-page website for a technological product, and a user interface for a new breed of automobile. Students will work in small groups for one project and individually on the other two. Students are expected to have excellent typography, design skills, branding, iconography and Etc. *Prerequisite: MDA 225 and MDA 326*
- MDA-441/442 Advanced Production III and IV 3/2**
 These topic classes allow students to explore their selected genre through readings, viewings and practical assessment items. Topics include music videos, corporate videos, experimental film, multi-cam, documentary and fictional dramatic productions. The mid-semester productions assessment will be a generalist film project where students demonstrate proficiency in all the roles. Depending on the scope, the final assessment film will be group oriented with students demonstrating excellence in more specialist roles. *Prerequisite: MDA-284*
- MDA-484 Music Producing 3/2**
 Expansion of the principles of Music Producing to extend the student's knowledge and experience in music production.
Prerequisite: MDA-383

MDA-486 Capstone Audio Project 3/2
Complement to the recording project requirements of the CCM program. Students will complete tasks as a studio producer from song arrangement and selection through to mastering and packaging. *Prerequisite: MDA-383*

MDA-490 Independent Study 3-6/1
An independent project-related course. Students work closely with a professor in the choosing of a topic, its design, and in the developing of a plan for its completion. *Prerequisite: Approval of the division chair*

PHOTOGRAPHY

PHO-235 Principles of Visual Communication 3/2
Historical, physiological, perceptual and cognitive aspects of visual communication will be studied in this course. Critical analysis methods and ethical implications of electronic and print media images will be discussed. Students will engage in visual thinking. The course will include class discussion, analysis of visual communication and collection of visual communication examples in scrapbooks.

PHO-236 Introduction to Digital Photography 3/1
A beginning course in still/digital photography. Instruction covers basic photographic concepts, camera handling and the aesthetics of photography.

PUBLIC RELATIONS

PUB-161 Introduction to Public Relations 3/2
A survey of public relations as a vital communication function between an organization and its publics. Content includes the nature and role of public relations, the history of public relations, the societal forces affecting the profession, its current practice and theories of public relations. Students learn specialized writing and techniques used in print and electronic media for disseminating information, including news releases, fact sheets, brochures, newsletters and press kits. *Prerequisite or corequisite: COM-112*

PUB-262 Advertising Principles (MKT-353 Marketing Communications) 3/2
An introduction to the strategy and methods of advertising campaigns, including a study of how advertising works on individuals and society. This course provides “hands-on” practice in developing advertising campaigns in a variety of print and electronic media formats, with emphasis on message elements, the role of research in developing message strategies, the creative process, pitching ideas, and clear, effective, and persuasive copywriting. *Prerequisite: COM-112.*

PUB-361 Advertising Practices 3/2
An extension of the principles learned in PUB-262 to give students a variety of experiential opportunities with the conceptual thinking, creative campaign planning, audience analysis, budgeting, writing commercials, pitching presentations and measurement methods involved in advertising. Through interplay with experts from various advertising agencies, students will learn first-hand what’s involved in an advertising career, as well as how to integrate a working knowledge of advertising into a variety of communications or business career options. *Prerequisite: PUB-262 or MKT-353.*

PUB-363 Media Relations 3/4
A “hands-on” course on working effectively with the news media, developing relationships with journalists, and representing businesses and ministries effectively as a media spokesperson. Students will be given a variety of opportunities in planning and practicing on-mic and on-camera interviews, as well as experience with live press conferences. *Prerequisite: PUB-161*

HUMANITIES

DIVISION

Michael Pasquale, Ph.D.
Division Chair

The Humanities Division fulfills the university mission by advancing the foundational liberal arts disciplines integral to a Christian education. The Humanities faculty instructs and mentors students in the development of essential qualities to influence world cultures for Christ—qualities such as critical thinking, creativity, communication skills, cross-cultural competency, and a deep understanding of both the glory and depravity in modern culture.

The division has many courses in the Core Curriculum and offers degree programs in English, History, Philosophy, Linguistics and Foreign Languages. The focus of the division is not just on teaching content, but rather forming and mentoring wise Christians who will exercise a winsome, redemptive, and reflective influence in today's culture.

COURSE DESCRIPTIONS

DEPARTMENT/LEVEL AND COURSE NAME

CREDITS/FREQUENCY
(See page 59 for codes)

ARABIC

ARB-101 Introductory Arabic I 4/2

An elementary-level Arabic course in which the four basic skills in language learning are taught: speaking, reading, writing, and listening.

ARB-102 Introductory Arabic II 4/2

An elementary-level Arabic course that builds on ARB 101. More sophisticated grammar concepts are presented in a communicative setting. *Prerequisite: ARB-101 or equivalent.*

ARB-201 Intermediate Arabic I 3/2

An intermediate-level Arabic course that builds on material presented in ARB 102. The student will communicatively investigate the Arabic world with grammar integrated into the written and oral work. *Prerequisite: ARB-101/-102 or equivalent.*

ARB-202 Intermediate Arabic II 3/2

An intermediate-level Arabic course that builds on ARB 201. The student will communicatively investigate topics of interest (university life, home life, social issues, etc.) relevant to life in the Arabic-speaking world. The primary emphasis will be on conversation and composition with grammar integrated into the communicative framework. Respective worldviews will be highlighted. *Prerequisite: ARB-201 or equivalent.*

ENGLISH

ENG-100 Introduction to English Writing 2/1

This course provides students with practice and instruction in writing with the goals of increased fluency and refinement of grammar, punctuation, and revision skills. Building writing confidence and increasing students' awareness of the variety of genres used in academic writing is also stressed.

ENG-114 College Composition 3/1

The study and practice of the process approach to writing with attention paid to the rhetorical dynamic of the writer, text and reader. This course includes essays, a library orientation, a review of reading strategies and readings relevant to the study of written discourse. Grammar is studied as part of precise, effective written communication.

ENG-212 Writing in Culture 3/1

Using effective and ethical research practices to develop and write persuasive essays on topics related to contemporary culture and social justice. Particular attention will be paid to rhetorical sensitivity, stylistic accuracy, and thoughtful worldview engagement. *Prerequisite: English competency.*

ENG-223 Introduction to Literature 3/1

The study and application of various methods of literary interpretation and evaluation to develop critical and analytical skills in the various genres of imaginative literature. *Prerequisite: ENG-212.*

ENG-224 World and Literature 3/1

This class will investigate the nature of literature as it both conveys and shapes our perceptions of the world. We will also investigate the various "worlds," i.e. the internal and external, the subjective and objective realities writers attempt to embody. *Prerequisite: ENG-212.*

ENG-226 Introduction to Creative Writing 3/1

Introduction to the basic forms and techniques of writing poetry, fiction, and drama. *Prerequisite: ENG-212.*

ENG-227 Introduction to Professional Writing 3/1

Introduction to the study and practice of professional writing, including rhetorical techniques, document design, editing, technical writing, business writing, and public writing. Students will gain practice in researching, planning, drafting, designing, and evaluating communications for a variety of rhetorical situations with an emphasis on writing in the workplace. *Prerequisite: ENG-212, C- or higher.*

ENG-313 Feature Writing 3/3

Study of the types, principles, and methods of feature writing with emphasis on preparing and submitting articles for publication. *Prerequisite: ENG-212, C- or higher.*

ENG-315 Poetry Writing 3/3

An advanced workshop in poetry writing, with the intent of producing publishable work. *Prerequisite: ENG-226.*

ENG-316 Fiction Writing 3/3

A workshop in the writing of short stories and novel fragments, with the intent of producing publishable work. *Prerequisite: ENG-226.*

ENG-317 Creative Non-Fiction 3/3

Practice in the writing of prose that explores the boundaries between fiction, journalism, and personal essay. *Prerequisite: ENG-226.*

ENG-318	Introduction to Editing	3/3
Provides principles and practice in the art of preparing manuscripts and articles for publication. <i>Prerequisite: ENG-212, C- or higher.</i>		
ENG-319	Advanced Grammar	3/2
This course will explore the descriptive and prescriptive grammar of English, which will be analyzed according to traditional, structural, and transformational methods. <i>Prerequisite: ENG-212.</i>		
ENG-320	Advanced Writing Workshop	3/2
An advanced writing workshop that will cover the forms and techniques of creative writing. <i>Prerequisite: ENG-212.</i>		
ENG-324	Literary Modernisms: Anglo-American Writers	3/2
An in-depth look at the emerging voices between (and just before and just after) the two World Wars, with special attention paid to the philosophical and spiritual crises of the era. <i>Prerequisites: ENG-212 & ENG-223.</i>		
ENG-326	Contemporary Literature	3/4
A survey of Anglo-American (and some broader world) authors whose works are recent or current, and who are in discourse with contemporary themes, especially relating to post-modernism. Attention will also be given to the various strands of literary theory that have helped to shape the contemporary context. <i>Prerequisites: ENG-212 & ENG-223.</i>		
ENG-327	Introduction to Publishing	3/3
This course introduces students to the process of book publishing and the people who make it happen: authors (content developers, whether individuals or groups); agents and agencies (the link between authors and publishers); publishers (editorial, marketing, and sales); retailers (brick and mortar and online booksellers); readers (both customers and consumers). <i>Students will come away with an overview of publishing. Prerequisite: ENG-212, C- or higher.</i>		
ENG-328	Selected Authors and Eras	3/2
This rotating course will provide an opportunity for students to study deeply the works of a single important author (such as Austen or Faulkner) or a school or authors who helped define an era (such as Romanticism or Restoration Satire). The course can be repeated for credit. <i>Prerequisites: ENG-212 & ENG-223.</i>		
ENG-329	Selected Topics in Professional Writing	3/2
A rotating topics course that focuses on particular topics in professional writing, including technical writing and writing for digital communication.. <i>Prerequisites: ENG-227.</i>		
ENG-334	American Renaissance in the Nineteenth Century	3/3
A survey of the 'coming of age' of the American literary voice, beginning with the Concord movement of Emerson, Thoreau, Hawthorne and Melville, and following through with such disparate pre- and post war voices as Dickinson, Whitman and Twain. <i>Prerequisites: ENG-212 & ENG-223.</i>		
ENG-342	British Romantic and Victorian Literature	3/3
A survey of major Romantic and Victorian writers from historical, ideological and aesthetic viewpoints. <i>Prerequisites: ENG-212 & ENG-223.</i>		
ENG-344	British Literature to 1700	3/3
A survey of important formative works, both in terms of language and of imaginative vision, from Beowulf up to The Fairie Queen. <i>Prerequisites: ENG-212 & ENG-223.</i>		
ENG-347	Religious Authors	3/6
Will focus on a variety of religious authors from both British and American perspectives. Students may expect semesters on C.S. Lewis, J.R.R. Tolkien, John Milton, John Donne and other contemporary authors, or a combination of several authors, giving a perspective of the development of religious writing. <i>Prerequisites: ENG-212 & ENG-223.</i>		
ENG-353/LIN-353	Linguistic History of the English Language	3/2
The development of the English language from its Indo-European roots to the present, paying attention to the historical contexts and linguistic features of the language. <i>Prerequisites: ENG-212.</i>		
ENG-361/HIS-361	Holocaust Literature	3/6
This course will examine the Holocaust as an historical event and examine the literature that it has produced and continues to produce. <i>Prerequisites: ENG-212 & ENG-223 or permission of the instructor.</i>		
ENG-364	Writers and Styles	3/4
A reading course for writers, focused on analyzing the styles and techniques of well-regarded writers in various genres. <i>Prerequisites: ENG-212.</i>		
ENG-380	Internship	1-6/1
Academic credit and evaluation for practical work learning experience in the field of English developed in cooperation with an internship coordinator and a sponsoring organization. <i>Prerequisites: junior status, a G.P.A. of 2.00 or higher and nine completed credit hours in the major or minor where the internship is required.</i>		
ENG-463/COM-463	Secondary English Methods	3/2
Focuses on the content-specific pedagogy for teaching the language arts curriculum in public or private secondary schools. <i>Prerequisite: Admission to and good standing in the Teacher Education program, ENG-212 & ENG-223.</i>		
ENG-470	Directed Readings	1-3/1
Guided readings and reports in areas of interests and need. The student may complete an in-depth study of specific areas that include literature and creative writing. <i>Prerequisites: ENG-212 & ENG-223 and approval of the division chair.</i>		

- HIS-113 World Civilization I 3/1**
A broad survey of the political, social, economic, religious, and cultural developments of ancient, medieval, and early modern Europe with emphasis placed on the contributions of Western civilization but including study of African, Far Eastern, and Middle Eastern societies. The course begins with Egypt and Mesopotamia and concludes with the 1500s.
- HIS-114 World Civilization II 3/2**
A study of major Western and non-Western nation-states from 1500 to the present including ideological developments such as the Enlightenment and Romanticism. Interwoven throughout are themes of industrialism, imperialism, revolutions, communism and the Cold War.
- HIS-115 American Studies 3/2**
A study of American culture using a thematic approach including such topics as Puritanism, colonization, the native American experience, Constitutional development, the Enlightenment, immigration, the Black experience, industrialism, religious trends, technology, reform movements, the role of women, the impact of war on American life, economic development and contemporary issues.
- HIS-211 Michigan History 3/3**
A study of Michigan beginning with the territorial period to the present that emphasizes the economic, political, constitutional, social, and religious developments.
- HIS-221 United States History I 3/2**
The political, social, religious, diplomatic and economic history from Colonial times through the Civil War. Topics include colonization, the American Revolution, Constitution-making, the early national period, the Jacksonian era, the Age of Expansion, slavery, sectionalism, and Civil War.
- HIS-222 United States History II 3/2**
A survey of American history from 1865 to the present. The course combines a topical with a chronological approach. Reconstruction, the Gilded Age, Industrialism, Populism, and Progression are followed by a study of the domestic and diplomatic events of Twentieth-Century presidential administrations.
- HIS-321 American Colonial History (1607-1787) 3/4**
Establishment and development of political, religious, economic, and Constitutional traditions that made up the American character. Major emphasis is given to British policies that resulted in revolutions and independence. *Prerequisite: HIS-221.*
- HIS-324 Twentieth Century American History 3/4**
A political, diplomatic, social and constitutional study of the United States that emphasizes such developments as Progressivism, World War I, the social tensions of the twenties, the Great Depression, the New Deal, World War II, the Cold War, the Space Age, and the high tech revolution. *Prerequisite: HIS-222.*
- HIS-327 History of American Foreign Relations 3/4**
This course covers the key events, developments, trends, issues and figures in the history of American foreign relations. It will address the political, international, economic, social, and cultural facets of this history. It will examine both governmental and non-governmental activities and interests. The class format will include both lecture and discussion; students are to be ready to discuss the relevant topics in a thoughtful and considerate manner.
- HIS-328 Themes in History 3/4**
A thematic study of an aspect of American, European or global history. The class may explore political, economic, intellectual, cultural, social, or religious history in a regional, national, or trans-national perspective. Possibilities include history of American business history of Evangelism; British-American foreign relations in the twentieth century; history of consumerism; Christianity, War, and Peace in the Twentieth Century. (Can be repeated for credit). *Prerequisite: HIS-114.*
- HIS-332 The Classical World: Greece and Rome 3/4**
A history of Greece including such topics as the emergence of the city state, the Periclean age of Athens and the age of Alexander followed by a study of Rome beginning with the Etruscans antecedents, the rise of Rome, the republic and the empire through the decay and decline of Rome. *Prerequisite: HIS-113.*
- HIS-338 Second Temple Judaism & the Dead Sea Scrolls 3/4**
An examination of the historical and religious significance of Khirbet Qumran and the literary materials recovered near the Dead Sea, including Qumran, Murabba'at, Nahal Hever, and others. The study will be situated in the religio-historical setting of the Levant from 586 BCE - 70 CE. Attention will be given to a range of issues arising from the materials, such as paleography, textual criticism, of Jewish biblical and non-biblical writings, changing political landscapes, and religious developments in Judaism vis-à-vis Hellenism and Zoroastrianism.
- HIS-341 Medieval History 3/4**
A study of European society from the fall of Rome through the fourteenth century. The central role of the Church, the development of feudalism, the interplay of peoples, the crusades, the Black Death, and the rise of universities are among the topics addressed. *Prerequisite: HIS-113.*
- HIS-342 Renaissance and Reformation 3/3**
A study of European culture and religion from c. 1350-c. 1600. Topics examined include humanism, civic renewal, artistic expression in Italy and Northern Europe, the development of the four branches of Protestantism, and the Catholic Reformation.
- HIS-343 Early Modern Europe 3/3**
A survey of European political, social and cultural history from 1500-1789. Topics include the growth of centralized states, absolutism and limited monarchy, the scientific revolution, the Enlightenment, and movements of religious renewal and revival.

HIS-345 Europe Since 1789 3/3
A survey of modern Europe since the French Revolution to the present. The rise of nationalism, extension of liberalism, socialism, imperialism, totalitarianism, the World Wars, the Cold War, and social and cultural developments will be examined.

HIS-346 Britain Since 1688 3/3
A study of the British Isles from 1688 to the present. Topics examined include national identity, industrialization, the rise of Parliamentary democracy, political ideologies and parties, the Labour movement, the Irish question, foreign policy, social reform, and key themes in religion and culture.

HIS-361 Holocaust Literature (ENG 361) 3/5
This course will examine the Holocaust as an historical event and examine the literature that it has produced and continues to produce. *Prerequisite: HIS-114.*

HIS-362 Latin American History 3/4
This course covers the key events, developments, trends, issues and figures of Latin American History. It will address the political, international, economic, social, and cultural facets of this history. The class format will include both lecture and discussion; students are to be ready to discuss the relevant topics in a thoughtful and considerate manner.

HIS-380 Internship 1-6/1
Individualized opportunities with historical societies, museums, libraries, investigative journalism, and others.

HIS-451 Historiography I (SSC-451) 2/2
The first of two sequential capstone courses which address the making of history. This will examine philosophy of history, select historians and schools of interpretation, a Christian worldview of history, and pertinent professional issues. It will focus on the development of professional research methods, skills and practices. It will entail initial topic development and primary and secondary research for a major original research project. *Prerequisite: 21 hours of history.*

HIS-452 Capstone Seminar: Historiography II (SSC-452) 1/2
The second of two sequential capstone courses which address the making of history. This will build upon the first course, employing knowledge, skills and preliminary work from that experience to complete a major research project based upon intensive primary and secondary research. This will culminate with the proper writing and presentation of such research. *Prerequisite: HIS/SSC-451.*

NOTE: HIS-451 and HIS-452 must be taken in sequence during consecutive semesters.

HIS-461 Early Church History 3/4
This course will investigate the foundations of the Church beginning with Greco-Roman and Judaic backgrounds through the 7th Ecumenical Council. Particular attention will be given to the theological developments, heresies and schisms and the most significant personages in this period. Persecution and the rise of monasticism will also be studied in detail.

HIS-470 Readings in History I 3/1
With faculty supervision, students read in a specific period or area that complements their major concentration. *Prerequisite: Approval of the division chair.*

HIS-480 Advanced Topics 3/6
Course possibilities include Great American Presidents, Presidential Assassinations, Russian History, America's Wars, British history, Civil War and Reconstruction, the Holocaust, and others.

HIS-482 Thesis 2/6
Completion, submission and defense of a research project on a topic related to the Ancient Near East. *Prerequisites: HIS-451 & HIS-481*

HIS-490 Independent Studies 1-3/1
With faculty supervision, the student researches and/or writes on a specific period or area of his or her interest. *Prerequisite: Approval of the division chair.*

HUMANITIES

HUM-121 Humanities & Vocation I 1/1
This course is designed for majors in the Humanities. Students will prepare for their post-graduation careers. We also will examine specific work environments (e.g., corporations, universities, and nonprofits); the value of attending graduate or professional school; and the role that internships, undergraduate research, and networking play in career development.

HUM-221 Humanities & Vocation II 1/1
This course is designed for majors in the Humanities. Students will prepare for their post-graduation careers. We also will examine specific work environments (e.g., corporations, universities, and nonprofits); the value of attending graduate or professional school; and the role that internships, undergraduate research, and networking play in career development. *Prerequisites: HUM-121.*

HUM-311 Imagination in Culture 3/1
This course is an examination of the forms and structures of various literary, visual, and musical texts. Students will develop a charitable hermeneutic enabling them to discover and understand the worldviews embodied in various cultural artifacts and leading them to responsible cultural and civic engagement. *Prerequisite: PHI-211.*

HUM-382 Humanities Seminar 3/2
A seminar that is centered on themes that cross disciplinary boundaries in the Humanities. May be taken for up to 12 credits.

HUM-421 Creative Endeavors 3/4
Maximize the creative impulse. Engage soul-level tools that keep creativity fresh: journaling, filling the “well,” and other exercises in Julia Cameron’s *The Artist’s Way*. Creative Endeavors frees, equips, and develops creativity regardless from which field the creativity arises. *Prerequisite: ENG-212 & ENG-223 or permission from instructor.*

HUM-481 Humanities Capstone 2/2
A culminating integration of theory and practice with a two-fold aim: First, we will discuss the nuanced relationship of language and ideas from the various perspectives represented within the Humanities strands, using representative texts from each. Second, we will weave in the notion of Vocation in both a general sense (through a common reading), and in the specific sense of discussions about graduate school and career preparation. *Prerequisite: Senior Status.*

HUM-482 Thesis 2/1
A final, individual project that provides an in-depth exploration of a topic related to course strand. Students work closely with a thesis advisor and are required to submit a comprehensive written thesis as well as make an oral presentation of the research results in front of an academic panel. *Prerequisite: Senior Status.*

LATIN

LAT-101 Elementary Latin I 4/2
An introduction to Latin grammar of classical times and Roman History as the cultural context of the Latin language. The class will teach morphology, syntax, and vocabulary, so that students will be able to translate prose literature.

LAT-102 Elementary Latin II 4/2
This class is a continuation of Latin 101 with more work on grammar and vocabulary and Roman history. Students will be able to translate longer prose passages and basic poetry. Readings from selected passages of classical authors will begin. *Prerequisite: LAT-101 or equivalent.*

LAT-201 Intermediate Latin I 3/2
The course studies passages from selected authors, such as Cicero, Livy, and Ovid. It reviews grammar and gives students the opportunity to focus on translation skills. Students will become familiar with the diversity of writing styles, philosophical interests, rhetorical techniques, and literary excellence of Classical Latin. *Prerequisite: LAT-102 or equivalent.*

LAT-202 Intermediate Latin II 3/2
Readings from classical authors continue, now focused on Virgil, Quintilian, and Seneca. These studies will advance the students’ appreciation of classical Latin. Selected readings from Augustine’s Confessions will be offered as well. *Prerequisite: LAT-201 or equivalent.*

LINGUISTICS

LIN-100 Language in Culture 3/1
This course gives strategies for students to develop the ability to communicate in a second language at a beginning level. Emphasis is on oral proficiency and listening skills. Students will also examine a Christian theology of language learning based on linguistic hospitality.

LIN-225 Introduction to Linguistics 3/2
Provides an understanding of the nature and structure of human language and introduces students to the goals, techniques, and subject matter of modern linguistics. Presents the properties of human language, and the scientific methods for analyzing it. Topics include basic aspects of the structure of language, language change, dialects and language variation, language acquisition, language and the brain. This course will look at the data from English and a variety of languages. *Prerequisite: ENG-212.*

LIN-353/ENG-353 Linguistic History of the English Language 3/2
The development of the English language from its Indo-European roots to the present, paying attention to the historical contexts and linguistic features of the language. *Prerequisites: ENG-212.*

LIN-371 Second Language Acquisition 3/4
The objective of this course will be to examine the process of learning a second language. This course will survey current SLA theory and learning models. Linguistic, cognitive, affective, cultural, and social factors influencing the acquisition of another language will be explored. *Prerequisite: LIN-225.*

LIN-372 Sociolinguistics 3/4
The objective of this course will be to look at language in its social and cultural contexts. This course presents the basic sociocultural variables (such as gender, age, and social status) and shows their relation to language use and language learning. Areas covered in this course will include bilingualism, dialectology, language variation and style with their relation to multi-cultural educational situations. *Prerequisite: LIN-225.*

LIN-380 Internship 1-6/1
Academic credit and evaluation for practical work-learning experience in the field of linguistics developed in cooperation with an internship coordinator and a sponsoring organization. *Prerequisites: junior status, a G.P.A. of 2.00 or higher and nine completed credit hours in the major or minor where the internship is required.*

LIN/SPA/EDU-465 Methods of Teaching a World Language 3/2
This course will look at methods and techniques used to teach language components (grammar, vocabulary, pronunciation) and language skills (reading, writing, listening and speaking). Practice in developing and implementing balanced and effective language lesson plans will be provided along with evaluating and selecting appropriate ESL and/or Spanish teaching materials. Special focus on the use of technology will be discussed.

- LIN-460 Selected Linguists 3/4**
An in-depth analysis of one or more important linguists. The course can be repeated for credit. *Prerequisite: LIN-225.*
- LIN-461 Linguistic Analysis 3/4**
Analysis and problem solving in phonology, morphology, and syntax using data from many languages. Emphasis is both practical (learning how to describe grammar and sound system of a language) and theoretical (understanding languages' behavior). *Prerequisite: LIN-225.*
- LIN-470 Directed Readings 1-3/1**
Guided readings and reports in areas of interest and need. The student may complete an in-depth study of specific areas of linguistics. *Prerequisites: LIN-225 and approval of the Division Chair.*
- LIN-480 Advanced Topics 3/6**
Seminars, groups, or independent studies and research on topics in linguistics. *Prerequisite: LIN-225.*
- LIN/EDU-489 TESOL Practicum 3-6/1**
Students will teach in an ESL classroom under the direct supervision of an experienced TESOL teacher, and be given progressively more teaching responsibilities. They will implement lesson plans which they have developed, effectively use audio-visual materials and other teaching resources, use a variety of teaching methods, and evaluate their students by testing. *Prerequisite: All other TESOL courses.*
- LIN-490 Independent Study 1-3/1**
With faculty supervision, the student researches and/or writes on a specific area of interest in linguistics. *Prerequisites: LIN-225, plus nine hours on the 300/400 level, permission of instructor, and approval of the Division Chair.*

OXFORD

- OSA-302 Oxford Tutorial in English 3/6**
This tutorial consists of an initial planning session with an Oxford tutor followed by a minimum of four hours of tutorials with essays on English literature or writing.
- OSA-303 Oxford Tutorial in Linguistics 3/6**
This tutorial consists of an initial planning session with an Oxford tutor followed by a minimum of four hours of tutorials with essays on Linguistics topics.
- OSA-304 Oxford Tutorial in Philosophy 3/6**
This tutorial consists of an initial planning session with an Oxford tutor followed by a minimum of four hours of tutorials with essays on Philosophical topics.
- OSA-305 Oxford Tutorial in History 3/1**
This tutorial consists of an initial planning session with an Oxford tutor followed by a minimum of four hours of tutorials on Historical topics.

PHILOSOPHY

- PHI-211 Philosophy in Culture 3/1**
This course is designed to introduce and develop the notion of worldview from a Christian philosophical perspective. The course will pay special attention to the hermeneutical issues surrounding worldview and the important role philosophy has played in western culture.
- PHI-213 Plato and Aristotle 3/4**
A historical and critical study of the thought of Plato and Aristotle with special emphasis placed on the reading of primary texts. *Prerequisite: PHI-211.*
- PHI-215 Augustine and Aquinas 3/4**
A historical and critical study of the synthesis of Christian and Greek thought in the work of Augustine and Aquinas with special emphasis placed on the reading of primary texts. *Prerequisite: PHI-211.*
- PHI-311 Modern Political Philosophy 3/4**
A study of the rise and critique of the modern political conceptions of the nation-state, social contract, classical liberalism and post-nationalism. The course will concentrate on major political thinkers such as Hobbes, Kant, Hegel. *Prerequisite: PHI-211.*
- PHI-353 Philosophical Ethics 3/4**
A study of the development of important ethical theories from Greek sources to postmodern concerns. *Prerequisite: PHI-211.*
- PHI-411 Selected Thinkers 3/4**
An in-depth analysis of one or more important philosophical thinkers. The course can be repeated for credit. *Prerequisite: PHI-211.*
- PHI-413 Globalization and Localization 3/4**
A study of the issues and concerns surrounding the expansion of economic and political boundaries and alternative visions stressing the local. *Prerequisite: PHI-211.*
- PHI-470 Directed Readings 1-3/1**
Guided readings and reports in areas of interest and need. The student may complete an in-depth study of specific areas of philosophy. *Prerequisites: PHI-211 and approval of the Division Chair.*

- PHI-480** **Advanced Topics** **3/6**
 Formal class dependent upon student demand and interest of the professor. May deal with particular philosophers or philosophical problems. *Prerequisite: PHI-211.*
- PHI-490** **Independent Study** **1-3/1**
 With faculty supervision, the student researches and/or writes on a specific area of interest in philosophy. *Prerequisites: PHI-211, plus nine hours on the 300/400 level, permission of instructor, and approval of the Division Chair.*

SOCIAL SCIENCE

- SSC-161** **World Geography** **3/4**
 An analysis and comparison of disparate peoples and cultures to give students an appreciation of the diversity of the world in such areas as physical makeup and resources, cultural evolution, economic development and political and cultural ties.
- SSC-211** **American Government** **3/2**
 An introductory study of the political structure, process and function of the American national, state and local (including urban) governments.
- SSC-262** **Geography of North America** **3/4**
 A study of the physical landscape and cultural development of North America using a regional approach involving the study of land use, spatial analysis, resources, economy, urban systems and problems confronting each area.
- SSC-312** **World Affairs** **3/4**
 A study of contemporary political problems within the international community involving the interplay of economics, religion, race, ideology and culture.
- SSC-421** **Applied Anthropology** **3/6**
 A study of the application of anthropological principles to current mission situations. Independent research by each student in one of the following regions: Africa, Asia, Europe, Latin America or North America.
- SSC-451** **Social Studies Research I (HIS-451)** **2/2**
 A capstone course which addresses the making of social studies knowledge. This will examine philosophy of history, select historians and schools of interpretation, a Christian worldview of history, and pertinent professional issues. It will focus on the development of professional research methods, skills and practices, as well as the transmission of such knowledge. This will entail a major research project based upon intensive primary and secondary research, and proper writing and presentation. Cross-referenced with HIS-451 Historiography. *Prerequisite: 21 hours of Social Studies courses.*
- SSC-452** **Social Studies Research II (HIS-452)** **1/2**
 The second of two sequential capstone courses which address the making of history. This will build upon the first course, employing knowledge, skills and preliminary work from that experience to complete a major research project based upon intensive primary and secondary research. This will culminate with the proper writing and presentation of such research. *Prerequisite: HIS/SSC-451.*
- SSC-464** **Secondary Social Studies Methods** **3/1**
 The focus of this course is the teaching of social studies in the public or Christian secondary school. Students will explore the various philosophies regarding the purpose and teaching of social studies, the planning of social studies units, the teaching and evaluation strategies appropriate to and exclusive of secondary social studies, and finally the issues surrounding the social studies discipline, including but not exclusively gender, race, and exceptionality.

SPANISH

(Please note that SIS courses are offered in Seville, Spain during the "Semester in Spain" program. SPA courses are offered at the Cornerstone University campus)

- SIS-303** **Selected Readings in Spanish Literature** **4**
 This course provides the study and perfection of the language through a selection of readings by Spanish writers of the 19th and 20th Centuries.
- SIS-304** **Spanish Short Story** **4**
 This course is an in-depth study of the Spanish language through a selection of writings by some of the most significant contemporary Spanish storytellers - Unamuno, Clarín, Aldecoa, and others.
- SIS-306** **History of Spanish Art** **4**
 This course teaches the student to identify by style, period, and artist major works of Spanish art from its early history to the present. It also gives them a solid grounding in the backgrounds of the artists and the periods themselves.
- SIS-307** **Modern Spanish Culture** **4**
 This course is meant to give the student a general but thorough idea of modern-day Spain: society, mentality and customs, political organization, and relations with the rest of the world. This will be achieved in two different ways. First, there will be classes explaining the different aspects of Spanish society. Students will also be required to follow news, debates, and issues that may arise during their time in Spain and discuss these events as they are presented.
- SIS-312** **Spain of Three Cultures: Muslim, Jewish and Christian (8th - 15th Centuries)** **4**
 A study of the Three Cultures in medieval Spain: cultural and artistic contribution of Muslims, Christians and Jews; their peaceful coexistence and tensions. The city of Seville is fundamental, since this was the most prosperous city in medieval XV-century Spain and important artistic examples of the Three Cultures are found here.

SIS-351	Advanced Grammar and Composition	4
This course is designed for students with a solid base of the Spanish language and covers vocabulary and idiomatic expressions of special difficulty for the foreign student, the more complex Spanish grammar, and composition techniques.		
SIS-355	Spanish Literature I	4
This course is an introductory study of Spanish literature covering the principal literary movements and their authors from the 11 th through the 17 th Centuries. It is a very practical course, in which students work with a carefully selected series of texts in order to familiarize themselves with the differing styles covered over that time period.		
SIS-356	Spanish Literature II	4
This course is an introduction to Spanish literature covering the most important literary movements and authors from the 19 th Century to the present.		
SIS-366	Spanish American Literature II	4
This study of Spanish American Literature reviews the most significant passages of key works from independence to the present.		
SIS-399/499	Independent Studies	4
Independent studies are available only for Advanced students. Topics must be selected in consultation with and approval by the Academic Director. Students undertaking an Independent Study must have a very good knowledge of the Spanish Language.		
SIS-401	Comunicación Avanzada	4
This course is designed for students with a good command of the Spanish language who want to perfect their knowledge increasing and enriching vocabulary, verb forms and complexity of structures. Students will learn to speak, write, and think rather fluently in Spanish.		
SIS-402	Don Quijote de la Mancha	4
This course studies the life, personality, and literary significance of the foremost exemplar of Spanish literature of all times: Cervantes. It analyzes the most significant chapters of the greatest work of Spanish literature: Don Quijote de la Mancha.		
SIS-403	La Generacion del 98	4
This course is a literary and historical study of the Generación del 98 as well as an analysis of the most representative works of the most outstanding authors of that period.		
SIS-404	El Siglo de Oro	4
This course covers three works that are not only typical of their era, but also, stand as classics of Spanish literature. They also provide valuable information about, and insights into, Spanish society and culture during the Golden Age.		
SIS-405	La Novela Espanola del Siglo de Oro: Novela Picaresca y Cervantes	4
This course studies the Spanish novel during the Golden Age (XVI-XVII centuries). It offers an in depth study of the first novel, Lazarillo de Tormes, and the genre it inaugurated (Novela Picaresca) as well as a study of the short Spanish novels for which Cervantes provided the main characteristics.		
SIS-406	Romanticismo	4
This course deals with the general characteristics of the literature and an assessment of the period through the reading and exhaustive analysis of the most representative works by the greatest exponents of Spanish Romanticism.		
SIS-407	Teatro del Siglo XX	4
This course is a literary study of the most important twentieth century Spanish theatrical works, their authors, and major characteristics. It is also a study of the political and social scenario of this century as well as an analysis of the most representative collective mentality of the era.		
SIS-408	Historia de Espana en el Siglo XX	4
Starts with a brief introduction of XIX century history and continues with a study of the history and sociology of the present democratic Spain. The recent history of the country is analyzed: the most important political events (Republic, Civil War, Franco's dictatorship and democracy); the social and economic structures during the century and the development of the Spanish way of life and way of thinking.		
SPA-101	Elementary Spanish	4/2
An elementary-level Spanish course in which the four basic skills in language are taught: reading, writing, listening, and speaking.		
SPA-102	Elementary Spanish II	4/2
An elementary-level Spanish course that builds on SPA 101. More sophisticated grammar concepts are presented in a communicative setting. <i>Prerequisite: SPA-101 or equivalent.</i>		
SPA-201	Intermediate Spanish I	3/2
An intermediate Spanish course that builds on the material presented in SPA 102. The student will communicatively investigate the Spanish world with grammar integrated into the written and oral work. Great emphasis will be put on comparing the Latin American/Spanish worldview and the Christian perspective. <i>Prerequisite: SPA-101/-102 or equivalent.</i>		
SPA-202	Intermediate Spanish II	3/2
An intermediate-level Spanish course that builds on SPA 201. The student will communicatively investigate topics of interest (university life, home life, social issues, etc.) relevant to the contemporary Latin American and Spanish life. The primary emphasis will be on the conversation and composition with grammar integrated into the communicative framework. Respective worldviews will be highlighted. <i>Prerequisite: SPA-201 or equivalent.</i>		

- SPA-231 Business Spanish 3/6**
An advanced course in Spanish dealing with Business vocabulary, writing business letters, international communication, etc. *Prerequisite: SPA-202.*
- SPA-313 Advanced Spanish Grammar & Composition I 3/2**
A conversation-based course emphasizing advanced vocabulary, idiomatic expressions and communicative language usage. Communicative real-world topic areas will be developed. *Prerequisite: SPA-202.*
- SPA-323 Advanced Spanish Grammar & Composition II 3/2**
Course stressing techniques of effective writing in Spanish. Key advanced grammar structures will be emphasized. *Prerequisite: SPA-313 or equivalent.*
- SPA-334 Selected Topics in Spanish Language and Culture 3/2**
Rotating course that will provide students an in-depth study of interesting and relevant topics ranging from Spanish Linguistics to Hispanic culture, literature and history. This course may be repeated for credit. *Prerequisite: SPA-313, SPA-323.*
- SPA-380 Spanish Internship 1-6/1**
Academic credit and evaluation for practical work learning experience developed in cooperation with Spanish majors and minors, the internship coordinator and a sponsoring organization. *Prerequisite: Junior status, a 2.00 G.P.A. and nine completed hours in the major or minor.*
- SPA-413 Introduction to Hispanic World Literature and Culture I 3/2**
Survey course studying the major works of Spanish and Latin American Literature. Hispanic worldview will be contrasted with Christian worldview. *Prerequisite: SPA-313.*
- SPA-423 Introduction to Hispanic World Literature and Culture II 3/2**
Comprehensive study of Peninsula culture and society and the role of culture in the formation of Spanish national character and attitudes. *Prerequisite: SPA-313.*
- SPA/LIN/EDU-465 Methods of Teaching a Foreign Language 3/2**
This course will look at methods and techniques used to teach language components (grammar, vocabulary, pronunciation) and language skills (reading, writing, listening and speaking). Practice in developing and implementing balanced and effective language lesson plans will be provided along with evaluating and selecting appropriate ESL and/or Spanish teaching materials. Special focus on the use of technology will be discussed.
- SPA-470 Directed Readings 1-3/1**
Guided faculty supervision in student areas of interest (Literature or language). *Prerequisites: SPA-323, approval of the Division Chair.*
- SPA-490 Independent Study 1-3/1**
With faculty supervision, the student researches and/or writes on a specific area of interest. *Prerequisite: SPA-313 and SPA-323, permission of the instructor and institutional requirements.*

INTERDISCIPLINARY STUDIES

DIVISION

Emily Gratson
Division Chair

The Interdisciplinary Studies (IDS) division exists to serve programs and courses that are interdisciplinary in their nature. It offers B.A. and B.S. degrees in General Studies and Interdisciplinary Studies, and minors in Social Justice and Creativity and Innovation. It also houses the foundational course in Creativity, Innovation, and Problem-Solving, the year-long orientation course for first-year students – Terra Firma – and the interdisciplinary Honors Seminar course that serves as the centerpiece of the Cornerstone Honors Program.

DEGREES

Bachelor of Arts (B.A.)
Bachelor of Science (B.S.)

MAJORS

General Studies
Interdisciplinary Studies

MINOR

Social Justice
Creativity and Innovation

CREATIVITY AND INNOVATION MINOR

The Creativity and Innovation minor is designed for anyone who wants to thrive in this emerging world by producing work that is both new and useful. Providing a curriculum that is both theoretically sound and pragmatic, this program will help students discover their vital role as creative cultivators. Special emphasis will be placed on cultivating creative habits, developing talents, practicing innovative processes, and studying current research on creativity. Students who meet a G.P.A. of 2.5 or higher will be awarded a Certificate in Creativity and Innovation. This program is a perfect complement to anyone seeking to enhance their life, talents, and career.

After completing this Certificate Program, the student will have the expertise to:

1. Practice creative habits for talent development
2. Use the basic competencies in the six essential human abilities needed to survive in the Conceptual Age (Design, Story, Systems Thinking, Empathy, Play, and Meaning).
3. Effectively lead others in the Innovative Process (IP), in Design Thinking (DT), and in Creative Problem Solving techniques (CPS).
4. Identify current psychological, neurological, and social theories in creativity.
5. Construct a personal philosophy of creativity which integrates creativity and innovation with your talents, career, and personal endeavors.

Required Courses		Credit Hours
HUM-311*	Imagination in Culture	3
IDS-101*	Creativity, Innovation, and Problem Solving	2
IDS-202	Creativity in the Conceptual Age	4
IDS-205	Strategies for Innovative Thought and Design.	3
IDS-312	Science of Human Innovation	3
IDS-450	Creative Emergence.	3
Total		18

*Denotes core class

GENERAL STUDIES MAJOR *(Bachelor of Arts/Bachelor of Science)*

In special circumstances, the chair of the Interdisciplinary Studies division, in consultation with a student's faculty advisor, may approve a student graduating with a general studies program. Any such program would meet all of the following requirements:

1. Meet minimum credit (120) and grade point average requirements for the Bachelor of Arts/Bachelor of Science.
2. Meet all core course requirements for the Bachelor of Arts/Bachelor of Science.
3. Meet minimum residency requirements (60 credits from Cornerstone, with 24 of the last 33).
4. Meet minimum upper-division course requirements (30 credits of 300- and 400-level courses overall).
5. Meet minimum credit (39) and grade point average (2.5) requirements for a major in General Studies.

The General Studies major is available only by approval of the chair of the Interdisciplinary Studies division.

INTERDISCIPLINARY STUDIES MAJOR *(Bachelor of Arts / Bachelor of Science)*

In special circumstances, a student wishing to pursue a course of study not available within the stated offerings of Cornerstone University may present a proposal to the Associate Dean of Assessment and Student Success/Chair, requesting approval of an individualized program leading to a baccalaureate degree. Such a program should be thoughtfully designed in consultation with a faculty advisor after the student has had significant college experience. Therefore, a student should not begin the proposal process earlier than the second term of the sophomore year.

Interdisciplinary Studies programs require a minimum of 46 credit hours (excluding core courses) across at least two (2) disciplines. Normally, at least twelve (12) credit hours of upper-division courses, with no presumption of waiver of specified prerequisites, must be taken from each of these two disciplines. The program must also include either an internship or a scholarly research project.

Students must include in their proposal a written statement of purpose. Proposals require the approval of two faculty advisors, the respective division chair or chairs, and the Associate Dean of Assessment and Student Success/IDS Chair. Proposals will not be considered from any student with a current cumulative grade point average of less than 2.8

SOCIAL JUSTICE MINOR

A broadly interdisciplinary approach based equally in Ministry, Humanities, and Social Science, this minor allows students to explore the issue of social justice from a Biblical perspective, understanding both its theoretical underpinnings as well as its practical applications in a globalizing world.

After completing this minor, the student should be able to:

1. Identify the foundational ideas that ground social justice in the biblical narrative
2. Formulate an interdisciplinary Christian explanation of the central issues of social justice.
3. Demonstrate concern for working out the biblical call "to do justice" in contemporary social contexts.
4. Judge the appropriateness and faithfulness of particular responses to issues of injustice.
5. Generate a plan of action or set of guidelines that help their community to address a specific issue of social justice

Required courses	Credit Hours
CMI-222 Poverty and Justice.....	3
PHI-353* Philosophical Ethics	3
SOC-243* Social Problems	3
Three courses from the following:.....	9
ECN-231 Macroeconomics	
ECO-241 Environmental Science

*Has one or more prerequisites

COURSE DESCRIPTIONS

DEPARTMENT/LEVEL AND COURSE NAME

CREDITS/FREQUENCY
(See page 59 for codes)

INTERDISCIPLINARY STUDIES

IDS-101	Creativity, Innovation & Problem Solving	2/1
Students will unleash their creative potential to enrich their life and the world as they examine the creative processes, the lifestyles of creative people, the environments and methods of innovative organizations, and the tools of problem solving techniques.		
IDS-103	CU Foundations I	1/1
This course is designed to create a foundational understanding of being a devoted follower of Christ. Through the learning activities of this course, students will learn about themselves and how to work with a group of other students to the end of influencing the world for Christ, His Church and His Kingdom. Specific learning activities include LifePath reflections, development of problem solving and critical thinking skills, and reflections on discipleship both locally and globally.		
IDS-104	CU Foundations II	1/1
This course is designed to continue with the foundational understanding of being a fully-devoted follower of Christ and authorship on their life. The specific learning-medium is an intensive service-learning experience at a local non-profit organization, allowing students to practice problem-solving and critical thinking skills, and continue reflecting on discipleship and their Christian worldview.		
IDS-111	Honors Seminar	3/1
The Honors Seminar is a Great Books-oriented discussion for students participating in the Cornerstone University Honors Program. Readings from antiquity to contemporary are read in preparation for each week's meeting, and the seminar is a wide-ranging conversation led by a team of faculty members. Occasional presentations and/or written work by students supplement the central aim of widening intellectual discourse on campus for students from a range of different majors.		
IDS-202	Creativity in the Conceptual Age	4/4
A course outlining the six essential human abilities needed to survive in the Conceptual Age: Design, Storytelling, Systems Thinking, Empathy, Play, and Meaning. <i>Prerequisite: IDS-101</i>		
IDS-205	Strategies for Innovative Thought and Design	3/4
An examination of the latest Creative Problem Solving Techniques (CPS), Design Thinking Tools (DT), and Human Centered Design (HCD). Students will learn to use, lead others, and analyze CPS, DT and HCD effectively in real world situations. Emphasis will be placed on how innovative thought can be applied to their specific major and personal endeavors. <i>Prerequisite: IDS-101</i>		
IDS-312	Science of Human Innovation	3/4
This course examines the psychology and neuroscience behind creativity and the sociological research on situations, contexts, and networks of creative activity. <i>Prerequisite: IDS-101, IDS-202</i>		
IDS-450	Creative Emergence	3/4
This course is the culminating course of creativity content which is designed to help students integrate creative theory with their talents, career, and personal endeavors. Students will be required to complete a research paper based on current theories and present it both verbally and in writing. <i>Prerequisite: IDS-312, Junior status</i>		

KINESIOLOGY, SCIENCE & MATHEMATICS

DIVISION

Ned Keller
Division Chair

The Kinesiology, Science and Math Division equips students to love and worship Christ through the study of His creation. Mathematics explores the beauty and order of creation as revealed through symbolic representation and logical implications. The physical sciences explore matter and its interactions. The biological sciences explore life in all of its intricate design. Kinesiology explores human movement and its effects. All of these areas are explored from the foundational theme that as God's image-bearers, humans are called to wisely steward God's marvelous creation.

Students who major or minor in KSM Division fields will be equipped to influence their culture for Christ as skilled professionals in health care, education, the sciences and other important segments of society. Specifically, the division offers majors in biology, environmental biology, exercise science, integrated science for teacher education, mathematics and physical education. Pre-medical, pre-veterinary, pre-dental, and pre-pharmacy students are well prepared for their professional education through their individual major. Minors may be taken in biology, chemistry, coaching, general science, integrated science, mathematics and physical education.

Cornerstone University is distinguished by its emphasis on the hands-on, experiential study of nature and is a founding member of the AuSable Institute of Environmental Studies. Cornerstone students can participate in the AuSable Institute field programs as part of their degree requirements.

DEGREES

- Associate of Science (A.S.)
- Bachelor of Arts (B.A.)
- Bachelor of Science (B.S.)
- Bachelor of Science in Engineering (B.S.E.)

MAJORS

- Biology (B.A.)
- Biology (Secondary; B.A.)
- Engineering (B.S.E.)
 - Data Science
 - Management
- Environmental Biology (B.S.)
 - Naturalist
 - Water Resources
 - Wildlife Biology
- Exercise Science (B.S.)
 - Cardiovascular Rehabilitation
 - Pre-Occupational Therapy
 - Pre-Physical Therapy
- Integrated Comprehensive Science (Secondary; B.A.)
- Integrated Science Major (Elem. & Secondary; B.A.)
- Mathematics (B.A. & B.S.)
- Mathematics (Secondary; B.A.)
- Physical Education (K-12; B.A.)
- Pre-Dental (B.S.)
- Pre-Medical (B.S.)
- Pre-Pharmacy (B.S.)
- Pre-Veterinary (B.S.)

MINORS

- Biology
- Biology (Secondary)
- Chemistry
- Chemistry (Secondary)
- Coaching
- Engineering
- General Science
- Integrated Science (Elementary)
- Mathematics
- Mathematics (Elementary & Secondary)
- Physical Education
- Physical Education for Secondary

PROGRAMS

AuSable Institute

FACULTY

Keller, Charles N., Professor of Science (Chair); B.A. and B.S., University of Kansas; Ph.D., University of Kansas

Crompton, Nigel E.A., Professor of Biology; B.Sc., Victoria University of Manchester, England; M.Sc., Victoria University of Manchester, England; PhD., Justus-Liedig University of Giessen, Germany; D.Sc., University of Zurich, Switzerland

Devereaux, Stephen M., Assistant Professor of Mathematics; B.S., Cedarville University; M.A., Western Michigan University

Fryling, James A., Professor of Chemistry; B.S., United States Air Force Academy; M.S., Ph.D., University of Arizona; M.A., Grand Rapids Theological Seminary

Gates, Raymond R., Associate Professor of Biology; B.A., Spring Arbor University; M.S., Central Michigan University

Keys, Robert S., Professor of Science; B.A., Cornerstone University; M.Ed., Gannon University; Ph.D., Western Michigan University

Wideman, Charles, Instructor of Science; B.A., Cornerstone University; B.S., Calvin College

Williams, Sherry, Assistant Professor of Kinesiology; B.A., Central Michigan University; M.A., Western Michigan University

Zainea, Kimberly A., Associate Professor of Kinesiology; B.A., Cedarville College; M.A., University of Dayton

CRITERIA FOR GRADUATION AS A DIVISION MAJOR

See in the Academic Information section under Graduation Requirements.

Degree information for the Bachelor of Arts and Bachelor of Science degrees along with major and minor listings by division can be found in the catalog section entitled Degree Information.

REL-204	New Testament Literature	3
SOC-111	Intro to Sociology	3

Science Courses

BIO-151	General Biology	4
BIO-241	Anatomy & Physiology I	4
BIO-242	Anatomy & Physiology II	4
BIO-347	Intro to Nutrition	3
BIO-352	Microbiology	4
CHM-111	Principles of General Chemistry	4
CHM-212	Principles of Organic and Biochemistry	4
CHL-263	Population Health and Epidemiology	3

Total **68**

NOTE: A qualified Pathophysiology must be taken prior to entry at Detroit Mercy. Students must meet both English and Math competency requirements. See Degree Information Section.

BACHELOR OF ARTS MAJORS & MINORS

BIOLOGY MAJOR *(requires a minor)*

General Education Core requirements for the Bachelor of Arts degree are listed in the Degree Information section.

Required Courses	Credit Hours
BIO-151 General Biology.....	4
BIO-225 Botany.....	4
BIO-233 Zoology.....	4
BIO-351 Genetics.....	4
BIO-400 Capstone Seminar: Bioethics & Argument Theory.....	3
SCI-380 Internship.....	3
SCI-495 Senior Research Project.....	1
SCI-496 Senior Research Seminar.....	1
Electives in Biology/Ecology (must be upper-level).....	12
Total.....	36

Required Cognates*

CHM-111 Principles of General Chemistry (Prerequisite: MAT-121).....	4
CHM-212 Principles of Organic and Biochemistry.....	4
Electives in Mathematics (<i>Not MAT-096, 107, 108, 110, or 312</i>).....	6

*A cognate is a course that supports the success of completing a major program.

BIOLOGY MINOR

Required Courses	Credit Hours
BIO-151 General Biology.....	4
BIO-225 Botany.....	4
BIO-233 Zoology.....	4
Electives in Biology (must be upper-level).....	8
Total.....	20

Required Cognate*

CHM-111 Principles of General Chemistry (Prerequisite: MAT-121).....	4
--	---

*A cognate is a course that supports the success of completing a major program.

BIOLOGY MAJOR FOR SECONDARY TEACHERS *(requires a minor)*

General Education Core requirements for the Bachelor of Arts degree are listed in the Degree Information section.

Required Courses	Credit Hours
BIO-151 General Biology.....	4
BIO-161 Human Biology.....	4
BIO-225 Botany.....	4
BIO-233 Zoology.....	4
BIO-351 Genetics.....	4
BIO-400 Capstone Seminar: Bioethics & Argument Theory.....	3
BIO-451 Molecular Cell Biology.....	4
ECO-341 Ecology.....	4
SCI-361 Evolution & Origins.....	3
Total.....	34

Required Cognates*

CHM-111 Principles of General Chemistry (Prerequisite: MAT-121).....	4
CHM-212 Principles of Organic and Biochemistry.....	4
MAT-151 Statistics.....	3
SCI-465 Secondary Science Methods.....	3

*A cognate is a course that supports the success of completing a major program.

BIOLOGY MINOR FOR SECONDARY TEACHERS

Required Courses	Credit Hours
BIO-151 General Biology.....	4
BIO-161 Human Biology.....	4
BIO-225 Botany.....	4
BIO-233 Zoology.....	4
ECO-341 Ecology.....	4
Total.....	20

Required Cognate*

CHM-111 Principles of General Chemistry (Prerequisite: MAT-121).....	4
SCI-465 Secondary Science Methods.....	3

*A cognate is a course that supports the success of completing a major program.

PHYSICAL EDUCATION MAJOR FOR K-12 CERTIFICATION *(requires a minor)*

(Secondary Program Track Only)

General Education Core: Requirements for the Bachelor of Arts degree are listed in the Degree Information section.

Students should follow the professional education program required for secondary education and will have an elementary and secondary student teaching experience.

Required Courses		Credit Hours
BIO-241	Anatomy and Physiology I	4
BIO-242	Anatomy and Physiology II	4
KIN-211	History and Principles of Kinesiology	3
KIN-243	Strategies for Teaching Physical Education K-12	3
KIN-251	Motor Development and Learning	3
KIN-342	Exercise Physiology (Prerequisite: BIO-241 and 242)	3
KIN-344	Adapted Physical Education K-12	2
KIN-345	Measurement and Evaluation	3
KIN-357	Physical Education in Preschools & Elementary Schools <i>(Prerequisite: KIN-243)</i>	3
KIN-359	Physical Education in Secondary Schools <i>(Prerequisite: KIN-243)</i>	3
KIN-362	First Aid, Injury Prevention and Treatment	3
KIN-401	Capstone Seminar: Ethics in Teaching Physical Education <i>(Professor Permission)</i>	2
KIN-441	Organization and Administration	3
KIN-461	Skill and Performance Competencies*	1
Total		40

*Students must sign up with the instructor for KIN-461 at the time they decide to major in Physical Education.

PHYSICAL EDUCATION MINOR

General Education Core: Requirements for the Bachelor of Arts degree are listed in the Degree Information section.

Required Courses	Credit Hours
BIO-241 Anatomy and Physiology I	4
BIO-242 Anatomy and Physiology II	4
KIN-211 History and Principles of Kinesiology	3
KIN-251 Motor Development and Learning	3
KIN-341 Anatomical Kinesiology (Prerequisite: BIO-241)	4
KIN-362 First Aid, Injury Prevention and Treatment	3
KIN-461 Skill and Performance Competencies*	1
<i>Choose one of the following:</i>	3
KIN-231 Principles of Coaching	
KIN-243 Strategies for Teaching Physical Education K-12	
KIN-342 Exercise Physiology	
KIN-344 Adapted Physical Education	
KIN-345 Measurement and Evaluation	
KIN-441 Organization and Administration	
Total	25

*Students must sign up with the instructor for KIN-461 at the time they decide to minor in physical education.

PHYSICAL EDUCATION MINOR FOR SECONDARY TEACHERS

Students who minor in physical education must meet the core activity program course requirements in physical education. (Grades 6-12 endorsed).

Required Courses	Credit Hours
BIO-241 Anatomy and Physiology I	4
BIO-242 Anatomy and Physiology II	4
KIN-211 History and Principles of Kinesiology	3
KIN-243 Strategies for Teaching Physical Activities K-12	3
KIN-251 Motor Development and Learning	3
KIN-344 Adapted Physical Education K-12	2
KIN-359 P.E. in Secondary Schools (Prerequisite: KIN-243)	3
KIN-362 First Aid, Injury Prevention, and Treatment (Prerequisites: BIO-241 & 242 or permission of instructor)	3
KIN-401 Capstone Seminar: Ethics in Teaching Physical Education (professor permission)	2
KIN-461 * Skill and Performance Competencies	1
Total	28

*Students must sign up with the instructor for KIN-461 at the time they decide to minor in physical education.

BACHELOR OF SCIENCE MAJORS & MINORS

CHEMISTRY MINOR (ALSO FOR SECONDARY TEACHERS)

Required Courses	Credit Hours
CHM-121 General Chemistry I	4
CHM-122 General Chemistry II	4
CHM-411 Perspectives in Chemistry	2
Chemistry Electives: (200 level or above)	8
<i>One of the following:</i>	4

MAT-110	College Math	
MAT-121	College Algebra	
MAT-122	Trigonometry	
MAT-131	Calculus I	

Required Courses		Credit Hours
BIO-347	Introduction to Nutrition	3
KIN-211	History and Principles of Kinesiology	3
KIN-251	Motor Development and Learning	3
KIN-342	Exercise Physiology (<i>Prerequisite: BIO-241/242 & KIN-346</i>)	3
KIN-345	Measurement and Evaluation (<i>Prerequisite: Math core requirement</i>)	3
KIN-346	Exercise Testing & Prescriptions (<i>Prerequisite: BIO-241/242</i>)	3
KIN-362	First Aid and Injury Prevention	3
KIN-380*	Internship (<i>ExSCI, PT, and OT Majors ONLY. Cardiac Rehab majors take KIN-380 in their own concentration - see below</i>)	6
KIN-400	Professional Capstone Seminar (<i>Prerequisite: MAT-151</i>)	2
MAT-151	Statistics	3
Total		51-53

*Cardiac Rehabilitation - see below

EXERCISE SCIENCE MAJOR with a Cardiac Rehabilitation Concentration *(does not require a minor)*

This program is designed for students intending to pursue the field of Cardiac Rehabilitation following graduation. These courses will help prepare the student to sit for the American College of Sports Medicine (ACSM) Exercise Specialist Certification Exam.

In addition to the Program Specific Core and Major Courses listed previously, students must also complete the following courses:

Required Courses		Credit Hours
BIO-353	Pathophysiology	3
KIN-361	ECG (Electrocardiography)	2
KIN-364	Cardiovascular Disease and Risk Management	3
KIN-380*	Internship	12
PSY-239	Adult Psychology	3
SCI-242	Medical Terminology	2
SCI-346	Pharmacology	3
Total		28

*500 documented clinical hours in one experience required to take ACSM certification exam

EXERCISE SCIENCE MAJOR with a Pre-Occupational Therapy Concentration *(does not require a minor)*

This program is designed for students intending to pursue graduate education in Occupational Therapy. These courses represent the most common pre-requisite courses for OT programs, but it remains the student's responsibility to ensure that their desired graduate school's requirements have been met.

In addition to the Program Specific Core and Major Courses listed previously, students must also complete the following courses:

Required Courses		Credit Hours
PSY-111	General Psychology	3
PSY-235	Lifespan Development Psychology	3
PSY-353	Abnormal Psychology	3
PSY-441	Physiological Psychology	3
SOC-111	Introduction to Sociology	3
SCI-242	Medical Terminology	2
Total		17

EXERCISE SCIENCE MAJOR with a Pre-Physical Therapy Concentration *(does not require a minor)*

This program is designed for students intending to pursue graduate education in Physical Therapy. These courses represent the most common pre-requisite courses for PT programs, but it remains the student's responsibility to ensure that their desired graduate school's requirements have been met.

In addition to the Program Specific Core and Major Courses listed previously, students must also complete the following courses:

Required Courses	Credit Hours
PHY-211 General Physics I	4
PHY-212 General Physics II	4
PSY-111 General Psychology	3
<i>One of the following:</i>	3-5
MAT-121 College Algebra	
MAT-122 Trigonometry	
MAT-131 Calculus I	
<i>One of the following options:</i>	4-8
CHM-111 Principles of General Chemistry	
CHM-121/122 General Chemistry I & II	
Total	18-24

GENERAL SCIENCE MINOR

Required Courses	Credit Hours
Two physical science courses (CHM, PHY, SCI designations)	8
Two biological science courses (BIO, ECO designations)	8
One other physical or biological science course	4
Total	20

MATHEMATICS MAJOR *(requires a minor)*

General Education Core requirements for the Bachelor of Science degree are listed in the Degree Information section.

Required Courses	Credit Hours
MAT-131 Calculus I	5
MAT-132 Calculus II	4
MAT-233 Differential Equations	3
MAT-234 Multivariate Calculus	3
MAT-241 Applied Linear Algebra	3
MAT-244 Methods of Mathematical Research	2
MAT-245 Mathematical Proofs	3
MAT-251 Probability and Statistics	3
MAT-333 Real Analysis	3
MAT-341 Modern Algebra	3
MAT-380 Internship	3
MAT-401 Capstone Seminar for Mathematics	2
Total	37

PRE-DENTAL MAJOR *(does not require a minor)*

General Education Core requirements for the Bachelor of Science degree are listed in the Degree Information section.

Biology Core Courses	Credit Hours
BIO-151 General Biology	4
BIO-233 Zoology	4
BIO-351 Genetics	4
BIO-400 Capstone Seminar: Bioethics & Argument Theory	3
SCI-361 Evolution & Origins	3
SCI-380 Internship	3
SCI-495 Senior Research Project	1
SCI-496 Senior Research Seminar	1
Total	23
Pre-Dental	Credit Hours
BIO-241 Anatomy & Physiology I	4
BIO-242 Anatomy & Physiology II	4
BIO-352 Microbiology	4
BIO-451 Molecular Cell Biology	4

Continued on Next Page

<i>Choose at least two of the following:</i>	6-8
BIO-347	Intro to Nutrition
BIO-353	Pathophysiology
BIO-431	Vertebrate Zoology
CHM-472	Biochemistry
SCI-346	Pharmacology
SCI-423	Neuroscience

Total **22-24**

Required Cognate* (satisfies minor requirement)

Required Courses		Credit Hours
CHM-121	General Chemistry I	4
CHM-122	General Chemistry II	4
CHM-230	Organic Chemistry I Lab	2
CHM-231	Organic Chemistry I	3
CHM-232	Organic Chemistry II	3
CHM-233	Organic Chemistry II Lab	2
MAT-151	Statistics	3
PHY-211	Physics I	4
PHY-212	Physics II	4
<i>One of the following:</i>		3-5
MAT-121	College Algebra	
MAT-122	Trigonometry	
MAT-131	Calculus I	

Total **32-34**

Total Program Hours **77-81**

*A cognate is a course that supports the success of completing the major program.

PRE-MEDICAL MAJOR (*does not require a minor*)

General Education Core requirements for the Bachelor of Science degree are listed in the Degree Information section.

Biology Core Courses		Credit Hours
BIO-151	General Biology	4
BIO-233	Zoology	4
BIO-351	Genetics	4
BIO-400	Capstone Seminar: Bioethics & Argument Theory	3
SCI-361	Evolution & Origins	3
SCI-380	Internship	3
SCI-495	Senior Research Project	1
SCI-496	Senior Research Seminar	1

Total **23**

Pre-Medical		Credit Hours
BIO-241	Anatomy & Physiology I	4
BIO-242	Anatomy & Physiology II	4
BIO-352	Microbiology	4
BIO-451	Molecular Cell Biology	4

Choose at least two of the following: 6-8

BIO-347	Intro to Nutrition
BIO-353	Pathophysiology
BIO-431	Vertebrate Zoology
CHM-472	Biochemistry
KIN-341	Anatomical Kinesiology
KIN-342	Exercise Physiology
KIN-346	Exercise Testing & Prescription
SCI-423	Neuroscience
SCI-346	Pharmacology

Total **22-24**

Required Cognate* (satisfies minor requirement)

Required Courses		Credit Hours
CHM-121	General Chemistry I	4
CHM-122	General Chemistry II	4
CHM-230	Organic Chemistry I Lab	2
CHM-231	Organic Chemistry I	3
CHM-232	Organic Chemistry II	3
CHM-233	Organic Chemistry II Lab	2
MAT-151	Statistics	3

PHY-211	Physics I	4
PHY-212	Physics II	4

COURSE DESCRIPTIONS

DEPARTMENT/ LEVEL AND COURSE NAME

CREDITS/FREQUENCY
(See page 59 for codes)

BIOLOGY

BIO-111 Introduction to Biological Sciences 4/1

An introductory course in Biology in which plants and animals are used to illustrate basic biological principles. The course will examine the relationships among living organisms, including man, and their environment. It is designed to increase student awareness and appreciation of organisms in nature as well as the natural history of selected plants and animals. The laboratory includes the identification of common organisms living in West Michigan during field trips. This course is for non-science majors and minors and satisfies the core requirement for Lab Science. **Lab fee applied.**

BIO-151 General Biology 4/1

This course is designed to provide a natural science foundation for all science majors and minors. Foundational concepts in cell biology/chemistry, genetics (classical and molecular) and microbiology will be stressed in both lecture and lab. This course satisfies the core requirement for Lab Science. **Lab fee applied.**

BIO-161 Human Biology 4/1

This course includes examination of the structure and function of the human body with special emphasis on disease process as it relates to dysfunction along with practical applications for a lifestyle of healthful living. Emphasis is placed upon cell biology, tissues and various systems of the body including integumentary, skeletal, muscular, nervous, endocrine, circulatory, lymphatic, respiratory, digestive, urinary, endocrine and reproductive systems. This general survey course fulfills the science core requirements for a lab science and is open to students desiring basic knowledge of human anatomy and physiology. **Lab fee applied.**

BIO-225 Botany 4/2

Studies basic plant science, including the structure, reproduction, and ecological relationships among plants. Lecture and lab. This course satisfies the core requirement for Lab Science. **Lab fee applied. Prerequisites: BIO-111 or BIO-151 or advanced high school biology course.**

BIO-233 Zoology 4/2

Introduction to the basic principles of zoology, including development, distinguishing characteristics and interactions of the major animal kinds, with special emphasis on the invertebrates. Lecture and lab. This course satisfies the core requirement for Lab Science. **Lab fee applied. Prerequisites: BIO-111 or BIO-151 or advanced high school biology course.**

BIO-241 Anatomy and Physiology I 4/2

A systems approach to the structure and function of the human body with special emphasis on disease process as it relates to dysfunction along with practical applications for a life-style of healthful living. Includes integumentary, skeletal, muscular, nervous, and endocrine systems. Laboratory experiences will use microscopic and lab animal investigation. Stresses the homeostatic function and intricacy of the body and its analogies to the Body of Christ, the Church. Lecture and lab. This course satisfies the core requirement for Lab Science. **Lab fee applied.**

BIO-242 Anatomy and Physiology II 4/2

A systems approach to the structure and function of the human body with special emphasis on disease process as it relates to dysfunction, along with practical applications for a life-style of healthful living. Includes cardiovascular, digestive, respiratory, lymphatic, urinary, and reproductive systems. Laboratory experiences will use microscopic and lab animal investigation. Stresses the homeostatic function and intricacy of the body and its analogies to the Body of Christ, the Church. Lecture and lab. This course satisfies the core requirement for Lab Science. **Lab fee applied.**

- BIO-331 Ornithology 4/4**
Study of bird anatomy, behavior, life cycles, migration, distribution, and economic relations. Field work is concerned with identification by sight and song and observing the habitat requirements of each species. Lecture and lab. This course satisfies the core requirement for Lab Science. **Lab fee applied.**
- BIO-347 Introduction to Nutrition 3/1**
This course is designed to study foods and their effects upon health, development, and performance of the human body. Students will develop an understanding of healthful and performance nutrition as it relates to optimal health and physical performance. Also, students will study energy pathways in the body and the six basic nutrients related to performance. Additionally, students will investigate body composition and weight control.
- BIO-351 Genetics 4/2**
A study of classical Mendelian genetics, as well as the current molecular basis of gene expression. Lab investigations include inherited traits studies with a variety of organisms from bacteria to humans. Lab experience includes modern techniques in molecular genetic analysis. **Lab fee applied. Prerequisite: BIO-151.**
- BIO-352 Microbiology 4/4**
A survey study of the structure and function of micro-organisms, with an emphasis on bacteria. Lab includes basic techniques in the isolation, identification and culture of micro-organisms. Lecture and lab. **Lab fee applied. Prerequisite: BIO-151 or BIO-233.**
- BIO-353 Pathophysiology 3/4**
The Pathophysiology course is designed to promote the understanding and application of fundamental concepts of disease processes. General concepts of disease (e.g. cell injury, inflammation, necrosis, wound healing, immune response, infectious disease, and neoplasia) are discussed. These concepts are then applied in a systems-oriented approach, including the pathogenesis, clinical manifestations, diagnosis and treatment of the various disease processes. *Prerequisites: BIO-241/242.*
- BIO-400 Capstone Seminar: Bioethics & Argument Theory 3/2**
This course is a senior capstone course for Biology and Pre-Professional Majors, and investigates the ethical and theological issues confronting one choosing a biology-related career. Emphasis will be placed upon constructing a personal, Christian philosophical framework. Students will address these concepts as they investigate and evaluate relevant biological issues. *Prerequisite: upper-class biology, environmental or pre-professional major.*
- BIO-431 Vertebrate Zoology 4/4**
Introduction to the characteristics of the seven classes of vertebrate animals, their structure and life history. Lecture and lab. **Lab fee applied. Prerequisite: BIO-233.**
- BIO-451 Molecular Cell Biology 4/2**
Examines the structure, function, differentiation and reproduction of cells at all levels of organization with special emphasis on current research in biological problems. Lab experience includes modern techniques in sterile tissue culture and cell growth. Lecture and lab. **Lab fee applied. Prerequisite: BIO-351.**

CHEMISTRY

- CHM-111 Principles of General Chemistry 4/2**
Investigates properties of substances and the changes they can undergo. Special emphasis on laws of chemical combination, theories of atomic structure, periodic trends, kinetic theory, and chemical and physical equilibria as well as activities to communicate the centrality of chemistry to historical development, modern civilization, and life itself. Explores proper biblical stewardship in chemical manufacturing, disposal, and use. Lecture and lab. This course satisfies the core requirement for Lab Science. **Lab fee applied. Prerequisite: MAT-121 or equivalent.**
- CHM-121 General Chemistry I 4/2**
Investigation of the composition and properties of substances and the changes they can undergo. Special emphasis on laws of chemical combination, theories of atomic structure, periodic trends, and chemical and physical equilibria as well as activities to communicate the centrality of chemistry to historical development, modern civilization, and life itself. Explores proper biblical stewardship in chemical manufacturing, disposal, and use. Lecture and lab. This course satisfies the core requirement for Lab Science. **Lab fee applied. Prerequisite: MAT-121 or its equivalent.**
- CHM-122 General Chemistry II 4/2**
A continuation of CHM-121 with emphasis on reaction types and rates, electrochemistry, equilibria, group properties, nuclear chemistry, and qualitative analysis. Addresses environmental concerns and safe handling and disposal of chemicals. Chemical demonstrations as well as laboratory experiments are used throughout the course. Lecture and lab. **Lab fee applied. Prerequisite: CHM-121.**
- CHM-212 Principles of Organic and Biochemistry 4/2**
Study of the structure, properties, reactions, and interactions of the compounds of carbon and the molecules of life. Special emphasis upon the relationship of macromolecular structure and function to their components. Explores and utilizes chemical theory in the understanding of simple and complex molecular behavior. Laboratory exercises concentrate on synthesis, identification and investigation of both natural and man-made products. Lecture and lab. **Lab fee applied. Prerequisite: CHM-111 or CHM-121.**
- CHM-230 Organic Chemistry Lab I 2/2**
This course develops laboratory principles, methods and techniques for synthesis and analysis of organic molecules. **Lab fee applied. Corequisite: CHM-231.**
- CHM-231 Organic Chemistry I 3/2**
A study of carbon compounds including nomenclature, structures, bonding, reactions, mechanisms, and spectroscopic characterization. *Prerequisite: CHM-122 or equivalent.*

- CHM-232 Organic Chemistry II 3/2**
 A continuation of CHM-231 with special emphasis on polyfunctional compounds and molecules with biological significance. Natural product synthesis and polymer chemistry will also be covered. *Prerequisite: CHM-231.*
- CHM-233 Organic Chemistry Lab II 2/2**
 Continuation of Organic Chemistry Lab I. This course develops laboratory principles, methods and techniques for synthesis and analysis of organic molecules. **Lab fee applied.** *Corequisite: CHM-232.*
- CHM-411 Perspectives in Chemistry 2/4**
 Investigation in the history, philosophy, curricular structure, methodology, key ideas and concepts of chemistry. Emphasis will be given to the central role in technology and society as well as stewardship issues of production, utilization, and disposal. *Prerequisites: Minimum of three chemistry courses, Junior or Senior standing.*
- CHM-472 Biochemistry 4/4**
 Investigation of biologically important molecules including proteins, lipids, carbohydrates, and nucleic acids. Metabolic and biochemical problems will be explored. Lecture and lab. **Lab fee applied.** *Corequisite: CHM-232.*

ECOLOGY

- ECO-241 Environmental Science 4/2**
 Studies how ecological principles, philosophy, economics, sociology and politics interact with identifying and solving environmental issues. Topics include: air quality, water quantity and quality, population dynamics, energy sources, types of waste, sustainability, environmental policy and legislation, and pertinent government agencies. Lecture and lab. **Lab fee applied.**
- ECO-341 Ecology 4/4**
 The study of the interrelationships of living organisms, plant or animal, and their environments. These are studied with a view of discovering the principles that govern relationships. A special emphasis on the different ecosystems of Michigan bogs, marshes, streams, and sand dunes, and man's impact on them, will be studied. Lecture and lab. **Lab fee applied.** *Prerequisites: BIO-225, 233, and MAT-151.*
- ECO-342 Field Biology 4/4**
 First two weeks: Instruction and experience in the use of the tools of the field biologist, trips to different types of ecosystems: forest, field, stream, pond, lake, marsh, and bog. Final week: Travel experience covering points of interest in the Upper Peninsula and Lower Peninsula of Michigan, or the student may elect to work on a field problem in the Grand Rapids area. **Lab fee applied.** *Prerequisites: BIO-225 and BIO-233.*
- ECO-442 Advanced Field Studies variable credit/6**
 A field-oriented course in the study of the relationships of the fauna and flora of special segment of the biosphere such as Northern Ireland, Yellowstone National Park or the Florida peninsula. Students spend most of the time on location experiencing the ecology of the area. **Lab fee applied.**

[Lab attendance is required in all courses with a lab. The Center for Student Success in Miller Hall 107 provides tutorial and technology support for students and instructors.]

ENGINEERING

- EGR-214 Circuit Analysis I 4/6**
 The first of a two-course sequence in linear circuit analysis. Topics include Ohm's Law, Kirchhoff's Laws, node voltage and mesh current analysis, Thevenin's and Norton's Theorems, superposition, basic operation of diodes, transistors, operational amplifiers and transformers, capacitance, inductance, and time-domain analysis of first order circuits. *Declared as an engineering major.*
- EGR-220 Measurement and Data Analysis 1/6**
 Measurement and data analysis lab that complements MAT-234. This course uses hands-on engineering tests and experiments to build understanding of applied statistical analysis. The use of various measurement and data-acquisition tools and data analysis techniques are introduced. Technical writing in the form of lab reports is introduced and emphasized. Offered fall and winter semesters. *Prerequisites: MAT-131 and ENG-114. Co-requisite: MAT-234.*
- EGR-226 Introduction to Digital Systems 4/6**
 A first course in the analysis and design of digital systems. Provides an introduction to digital systems and microcontroller programming, Boolean algebra, combinational and sequential logic, microprocessor architecture, C programming for microcontrollers. Laboratory. *Prerequisites: Grade of C or better in EGR-107. Declared as an engineering major or permit.*
- EGR-336 Project Management 3/2**
 This course will examine key factors related to successful completion of both large and small projects. Topics will include project selection, chartering, scope, resources, scheduling, budgeting, controlling, termination and team leadership. Students will approach learning through a semester-long project planning activity.
- EGR-380 Internship 1-6/6**
 This course provides an opportunity to work in a supervised engineering setting. The experience must include opportunities to apply the theories and concepts learned in the discipline of engineering.

EGR-485 Senior Engineering Project I (Capstone) 1/6
An independent investigation of theoretical or experimental design problems in engineering. The nature and scope of the project are determined by the student in consultation with the instructor and depend upon the facilities available. Normally this project is carried out during the entire senior year, with one-hour of credit during the first semester and two hours of credit during the second semester. A written technical report is required. All seniors meet together each week to discuss their projects with each other and their supervisor. Laboratory. *Prerequisites: Acceptance into the B.S.E. degree program and completion of the prerequisite courses listed under the student's engineering major.*

EGR-486 Senior Engineering Project II (Capstone) 2/6
Continuation of student's work in EGR-485. Both an oral report and a final written technical report are required. *Prerequisites: EGR-485.*

KINESIOLOGY

KIN-100 Total Fitness & Wellness 2/1
This course focuses on whole person wellness in the context of Biblical principles. Emotional, mental, intellectual, physical, social, and spiritual wellness areas are addressed. Students are taught and encouraged to transition from the mindset of high school attitudes and habits to a collegiate level of thinking and decision making with regards to nutrition, personal wellness, social attitudes and actions as responsibilities of Biblical stewardship.

KIN-101 Champions of Character 1/6
The Champions of Character program is designed to instill an understanding of character values in sport and provide practical tools for student-athletes, coaches, and athletic administrators to use in modeling exemplary character traits. This course is designed to introduce the five core values of integrity, respect, responsibility, sportsmanship and servant leadership and explain how these values are embedded in the culture of CU athletics.

KIN-111 Badminton 1/1
The study and practice of basic techniques in the game of badminton. This course includes topics such as ready position, grip, strokes, serve, rules of the game, and strategy. Opportunities are given to test skills against other class members through tournament play.

KIN-113 Golf 1/2
An introduction for the beginner to golf encompassing basic techniques of the stance, grip, swing, rules of the game and etiquette. This course is designed to offer opportunity to test and improve skills on a regulation eighteen-hole golf course. It is desired that this activity leads to the appreciation of golf and becomes a lifelong enjoyment for the Christian steward. **Course fee applied.**

KIN-114 Coed Basketball 1/2
Students will learn the basic skills of dribbling, passing, rebounding and shooting, along with various offensive concepts like screen and roll and give and go. Students will also learn defensive concepts such as help and recover, hedging on screens and defending the post. Various strategies of the game will be incorporated into the class.

KIN-115 Tennis 1/2
Instruction in basic techniques of the sport including the history and rules. This course focuses on the forehand, backhand, serve and volley. Strategy for singles and doubles is included along with opportunity for game play. **(External fee applied. - TBD)**

KIN-116 Racquetball 1/1
An introduction for the beginner to racquetball encompassing rules, basic skills, terminology, strategy and safety. This course is designed to offer game play with class members and is desired that this activity leads to the appreciation of racquetball and becomes a lifelong enjoyment for the Christian steward.

KIN-118 Zumba® and Aerobics 1/2
The Zumba® class will include basic steps of aerobic moves with interval sections for muscular strength and endurance exercises to burn calories with cardio-training to strengthen the heart for overall well-being. Zumba® is a Latin inspired dance-fitness routine with a mixture of different dance style including swing, tango and even twist. The student will learn merengue, cumbia, salsa and raggaeton steps.

KIN-119 Downhill Skiing/Snowboarding 1/2
Introduction in techniques for all levels of skiers and boarders. Cannonsburg staff will divide the students into various groups (beginners to advanced) and teach techniques and etiquette appropriate for each group. **Course fee applied.**

KIN-121 Outdoor Skills 1/6
Instruction in the basic skills and equipment needed for participation in outdoor activities. This course includes opportunity to develop skills and problem solving skills. Activities will be determined based on season and weather, but may include snowshoeing, map & compass, hiking, backpacking, adventure racing, and canoeing. **Course fee applied.**

KIN-123 Beginning Fencing 1/2
This course is designed to give the student a fundamental background in the skills, technique, rules, and etiquette of foil and epee fencing. Special attention will focus on conditioning, strategy, competitive bouting and safety. Upon completion of this course, students will be equipped with the basic skills necessary to enjoy a lifetime of both competitive and recreational fencing. **Course fee applied.**

KIN-124 Pickleball/Paddletennis 1/2
The study and practice of basic techniques in the game of Pickleball (the newest and fastest racquet sport). The course includes topics such as ready position, grip, strokes, serve, rules of game, and strategy. Opportunities are given to test skills against other class members through tournament play.

KIN-127 Introduction to Martial Arts 1/1
 This activity course is designed to introduce the student to the basic principles of the Martial Arts from a Christian perspective and open the student's mind to the possibilities of the Martial Arts being used for Christian ministry. Each student will be working toward earning an actual an actual novice rank in the traditional Japanese Karate style of Shinsei Wado-Ryu Karate-Do. Students will learn solid, time-proven Martial skills that are effective for self-defense as well as disciplining the body, mind and spirit. **External fee applied.**

KIN-129 Beginning Dance 1/2
 An introduction for the beginner dancer, including basic rhythm and terminology necessary for individual and partner dancing. Line, Ballroom, Swing, and other popular forms of dance will be explored throughout the course.

KIN-132 Coed Soccer 1/2
 The study and practice of rules, basic fundamentals, strategy, team play, and game etiquette. Opportunities will be given to the student to test skills against other players through tournament play.

KIN-133 Volleyball 1/1
 The study and practice of the basic techniques in the game of volleyball. The course includes topics such as ready position, serve, set, forearm pass, rules of the game, and strategy. Opportunities are given to test skills against other class members through tournament play.

KIN-143 Jogging 1/2
 To provide students with a thorough understanding of aerobic activity and its application to physical conditioning. The content of this course also includes general Biomechanics of jogging, flexibility, nutrition, a proper Christian viewpoint of jogging as a lifetime fitness activity.

KIN-144 Ladies Weight Training & Fitness Class 1/2
 This class will be an introduction of weight training and fitness opportunities for the college female. It will emphasize proper technique and safety precautions for weight lifting while promoting the importance of a healthy and personal physical fitness conditioning program. This course will also educate female students in the importance of the injury prevention through building muscle strength and teaching proper fitness components.

KIN-146 Physical Conditioning 1/2
 For the student who is unable to meet the core requirement of a traditional physical activity course due to physical limitations or disability, this course offers an individualized program of fitness activities set up by both the supervising professor and the student, in consultation with staff from Student Disability Services. Objectives and requirements are set forth in an initial meeting and must be completed by the end of the enrolled semester. The student must have applied for disability accommodations through the Accommodations Review Committee and been approved in order to register for this course.

KIN-147 Physical and Health Education for Classroom Teachers 2/1
 This course is designed to provide classroom teachers with a basic understanding of the purpose of physical education programs at the elementary level. The elementary education major will be equipped with basic theory, methods, and management techniques for providing quality movement experiences for all students with emphasis placed on the needs of individual learners. A variety of teaching methods, organizational techniques, and strategies for integrating physical education across the curriculum will be explored in this course. Various health related topics and their relationship to elementary students will be discussed.

KIN-148 Weight Training 1/1
 An introduction for the beginner to basic techniques and instruction in weight training for both muscular strength and endurance. This course is designed for the development of a personalized weight training program and is desired that this activity leads to lifelong enjoyment for the Christian steward.

KIN-180 Disc (Frisbee) Golf 2/1
 An introduction for the beginner to disc golf, encompassing basic equipment (drivers, mid-range, and putter discs) as well as techniques, rules for different versions of the game, and game etiquette. This course is an opportunity to learn new skills or enhance existing disc golf skills right on Cornerstone's excellent disc golf course. **Course fee applied.**

Varsity Sports 1
 A maximum of two credits will be awarded for participation in two different varsity sports. Students must register for credit at the beginning of the semester their sport is in season. These credits will count as elective credit only, and do not apply toward core physical education requirements or the Physical Education major or minor. Sports included are:

KIN-161	Baseball	KIN-165	Soccer	KIN-171	Golf
KIN-162	Softball	KIN-166	Tennis	KIN-172	Bowling
KIN-163	Basketball	KIN-167	Track	KIN-173	Cheerleading
KIN-164	Volleyball	KIN-168	Cross Country		

PROFESSIONAL PROGRAM COURSES

KIN-211 History and Principles of Kinesiology 3/1
 A study of physical education, sport, and fitness in the context of their historical development and how they have been an integral part of culture. The psychological, sociological, and philosophical factors that have affected these topics. This course includes learning techniques such as class debates, readings, and presentation.

KIN/MGT-215 Introduction to Sports Management 3/2
 An overview of the diverse field of Sports Management. This course includes an in depth examination of various careers, training and necessary courses of study. Additionally, management skills along with related speaking and writing competencies are emphasized.

- KIN-231 Principles of Coaching 3/2**
The study of the nature and responsibilities of the profession of coaching. Topics include philosophy of coaching, the coach and his/her personality, the athlete and his/her personality, communication, team cohesion, motivation, discipline, teaching techniques, and scouting.
- KIN-243 Strategies for Teaching Physical Activities K-12 3/2**
This course is designed to provide an analysis of the strategies and process of teaching physical education activities appropriate for students PreK-12. The course is an overview of PreK-12 strategies to prepare physical educators develop the instructional skills necessary to teach physical education effectively. The physical education major will be equipped to select, develop and implement units of instruction as well as learn how to write measurable objectives for course activities. Lesson planning and peer teaching will provide the practical experience needed for professional growth.
- KIN-251 Motor Development and Learning 3/2**
A study of childhood growth and development patterns as it relates to motor learning and motor skill acquisition. This course is designed to enhance the understanding of growth and motor behavior/development of children from conception through adulthood. Principles of motor development and learning are explored along with an opportunity to apply them in a lab setting.
- KIN-280 Special Topics in Kinesiology 1-3/6**
- KIN-341 Anatomical Kinesiology 4/2**
This course is designed as a functionally specific approach to the musculoskeletal system. Emphasis will be placed on the qualitative analysis and description of human movement. **Lab fee applied.** *Prerequisite: BIO-241.*
- KIN-342 Exercise Physiology 3/2**
A study of the physiological responses of the healthy human body to exercise. This course includes topics such as energy systems, nutrition, conditioning, exercise testing, and exercise prescriptions. Lecture and lab. *Prerequisites: BIO-241, 242 and KIN-346; Recommend: CHM-111.*
- KIN-344 Adapted Physical Education 2/2**
This course is an orientation to the theoretical and practical aspects of teaching physical education for K-12 students with physical and mental disabilities. The focus is on the history and scope of adapted physical education, key techniques required for effective and safe instruction, general needs of special populations, legal issues, development of Individualized Education Programs and accommodation of activities, equipment and instructional materials for special populations. These topics will be studied within the context of our Christian worldview, with special attentions given to issues of equity and individual worth. *Prerequisite: KIN-243 or permission of instructor.*
- KIN-345 Measurement and Evaluation 3/4**
A study of methods for evaluating cognitive, affective, and psychomotor domains of learning in physical education. The course provides opportunity for practical experience in test construction and administration as well as evaluation of the results. Topics such as statistics, fitness testing, grading procedures, and affective checklists will be covered. *Prerequisite: core mathematics requirement.*
- KIN-346 Exercise Testing and Prescription 3/2**
This course will explore theory and practices related to exercise testing and prescription. It will include practical experience in body composition techniques, electrocardiography, muscle strength and endurance testing, flexibility testing and cardiovascular endurance testing. The results of the testing will be used to form appropriate exercise prescriptions according to the American College of Sports Medicine guideline. **Lab fee applied.**
- KIN-357 Physical Education in Preschools and Elem. Schools 3/4**
This course is designed specifically to provide in-depth methods of instruction for teaching preschool and elementary children in physical education programs. The course includes motor development and basic movement education emphasizing movement patterns, fundamental motor skills, manipulative skills, locomotor activities, physical fitness testing, and introduction to sports related skills. Introduction to teaching scope and sequences will be utilized. Lesson planning and peer teaching will provide the practical experience needed for professional growth. *Prerequisites: KIN-243 and KIN-251.*
- KIN-359 Physical Education in Secondary Schools 3/4**
This course is designed specifically to provide in-depth methods of instruction for teaching team and individual sport skills as well as leisure time activities in the secondary school environment. Techniques for management and organization for the middle and high school level students will be emphasized to prepare the physical education major to be an effective teacher. Instruction of teaching scope and sequences will be utilized. Lesson planning and peer teaching will provide the practical experience needed for professional growth. *Prerequisites: KIN-243 and KIN-251.*
- KIN-361 ECG (Electrocardiography) 2/2**
Anatomy and physiology of the heart will be reviewed, including the conduction system and circulatory system, as well as layout of the ECG, essentials of the 12-lead ECG, and lead placement and interpretation. Discussion on how the pathophysiology of the acute MI process affects the normal 12-lead ECGs and the average times in which such effects are evidenced. Students will learn to identify normal 12-lead ECG's ST segments, isoelectric lines, J points, and R-Wave progression. (Offered during May Term). *Prerequisite: BIO-242.*
- KIN-362 First Aid, Injury Prevention, and Treatment 3/2**
Basic principles of injury prevention and care, first aid principles of prevention, injury evaluation and current rehabilitation methods are taught. The student will have active participation in caring for various injuries. **Course fee applied.** *Prerequisite: BIO-241 and 242, or permission of instructor.*
- KIN-364 Cardiovascular Disease Risk and Management 3/4**
Health risk factors associated with cardiovascular and other chronic diseases will be identified and studied. Management and risk to morbidity and mortality will be emphasized. *Prerequisites: BIO-241/242, KIN-342 and KIN-346.*

KIN-370	Practicum in Coaching	1
KIN-380	Internship	*1-6
An opportunity to gain practical experience in settings appropriate for exercise science and coaching. <i>Prerequisites: junior status and approval of divisional chair. *Cardiac Rehabilitation major must take 12 credits of internship.</i>		
KIN-400	Professional Capstone Seminar	2/2
The seminar will examine from a Christian worldview perspective the ethical and professional issues associated with the major. As a capstone course, the seminar will devote time to Christian worldview reflection in regard to a senior's prior academic preparation and future vocational opportunities. The seminar will include significant evaluation instruments including a portfolio, philosophy thesis, skill and performance competencies (KIN-461) and completion of the senior assessment exam for Kinesiology. Students must sign up with the professor at the time they decide to major in exercise science so they can begin work towards meeting competencies in the areas required. Registration to receive credit will be delayed until the seminar year. <i>Prerequisites: MAT-151 and Senior status or approval of divisional chair.</i>		
KIN-401	Capstone Seminar: Ethics in Teaching Physical Education	2/2
The final seminar will examine the ethical and professional issues associated with physical education, youth in sport, and Title IX law from a Christian worldview. The capstone seminar will devote time to reflection on prior academic preparation and future vocational opportunities for the physical educator. The course will include significant evaluation instruments including a portfolio, a physical education philosophy paper, and a created curriculum with daily lesson plans. The physical education major/minor will work closely with the supervising professor to demonstrate content competency prior to the student teaching semester. <i>Prerequisite: KIN-359.</i>		
KIN-441	Organization and Administration	3/4
The study of organization, administration, planning, implementation, interscholastic activities, and sports/fitness clinics. The students will gain a closer look at the administrative roles at these various settings. Topics will include budget creation and control, program development, leadership techniques, and program evaluation.		
KIN-461	Skill and Performance Competencies	2/1
This course involves a series of experiences to help students understand the many roles of the physical educator. The specific experiences will be planned jointly by the student and the professor as soon as a physical education major or minor is declared. The work will begin towards meeting the competencies in the areas required over the next three years. The goal of this course is to improve the students' personal and professional expertise through participation, observation and coaching opportunities. <i>Corequisite: KIN-401.</i>		
KIN-470	Readings in Physical Education	3/1
Guided readings and periodic reports in areas of student's interest and need. <i>Prerequisite: approval of the division chair.</i>		
KIN-480	Advanced Topics in Kinesiology	1-3/6
KIN-490	Independent Study	3/1
With faculty supervision, the student will research and write on a specific topic or area. Outside involvement in topic is normally required. <i>Prerequisite: approval of the division chair.</i>		

MATHEMATICS

MAT-096	Pre-Algebra	3/2
An individualized review of applied arithmetic. Patterns leading to operations with fractions, decimals, percents and proportions. Graphing, drawing, probability and spreadsheet tools are used in technology activities to learn problem-solving strategies, numerical geometry, pre-algebra, and basic statistics concepts. <i>Prerequisite: Qualifying score on mathematics placement test; this course does not count toward graduation.</i>		
MAT-107	Algebra	3/2
A study of number properties, variation, graphs and equations involving linear, quadratic and exponential functions. This course introduces the use of calculators and/or spreadsheets for the study of functions and data. It does not count toward a major or minor in mathematics. MAT-107 is designed to review the necessary foundations in algebra for MAT-110. <i>Prerequisite: Qualifying score on math placement test; this course does not fulfill the core mathematics requirement.</i>		
MAT-108	Intermediate Algebra	3/2
This class elaborates on the foundation of basic algebra built in MAT-107. A variety of concepts and skills will be introduced to prepare students for work in college level algebra and related subjects. Skills include: factoring; simplifying and solving rational expressions and equations; simplifying and solving exponential and radical expressions and equations; solving linear and quadratic equations; using function notation; graphing lines and parabolas; and writing equations of lines. Topics include: basic scientific and business models; basic applications of geometry and right triangle trigonometry and exponential growth and decay. <i>Prerequisite: Qualifying score on mathematics placement test; this course does not fulfill the core mathematics requirement.</i>		
MAT-110	College Mathematics	3/1
College Mathematics introduces students to several applications of algebra and statistics important for the professions, cultural literacy and liberal arts. Applications include the mathematics of finance, a brief review of algebra and an introduction to data analysis, probability and statistics. Computational skills with calculators and/or spreadsheets are developed. This course satisfies the core requirement in Mathematics. <i>Prerequisite: Qualifying score on math placement test.</i>		
*Warning: Math, Science, Engineering, and Exercise Science majors check with your advisor for the correct math course.		
MAT-121	College Algebra	3/1
College Algebra introduces the study of polynomial, rational, exponential, and logarithmic functions, in addition to the quadratic formula, geometric series, binomial series, systems of equations and probability. A graphing calculator is required (TI-83/84 or TI-89/92/200 recommended). This course satisfies the core requirement in mathematics. <i>Prerequisite: Qualifying score on math placement test.</i>		

MAT-122	Trigonometry	3/2
Properties, graphs and applications of the sine, cosine and tangent functions and their reciprocals and inverse functions. Connections with the geometric series, binomial series, quadratic formula and logarithms. A graphing calculator is required (TI-83/84 or TI-89/92/200 recommended). This course satisfies the core requirement in mathematics. <i>Prerequisite: Qualifying score on math placement test.</i>		
MAT-131	Calculus I	5/2
The study of rates of change for polynomial, exponential, logarithmic, and trigonometric functions, tangent lines, graphs, maximum values, and areas. Applications of calculus will be modeled with graphing calculators. Computer software and/or graphing calculator (TI-89/92/200 recommended) is a required tool for this course. This course satisfies the core requirement in mathematics. <i>Prerequisite: Qualifying score on math placement test.</i>		
MAT-132	Calculus II	4/2
Applications of differentiation and integration from MAT 131 will include techniques of integrating functions and series approximations to these functions. Computer software and/or a graphing calculator (TI-89/92/200 recommended) is a required tool for this course. This course satisfies the core requirement in Mathematics. <i>Prerequisite: MAT-131.</i>		
MAT-151	Statistics	3/1
Descriptive statistics including measures of central tendency and standard deviation, statistical inference with emphasis upon testing of hypotheses and measures of association, and application of these techniques to decision-making and planning. Computer software and/or graphing calculator is required (TI-83/84 preferred). <i>Prerequisite: Core competency in math.</i>		
MAT-233	Differential Equations	3/4
The study of equations involving derivatives by methods of algebra, series, or computer approximations. Graphing calculators and computers will graph solutions, phase planes, and chaotic systems. <i>Prerequisite: MAT-132.</i>		
MAT-234	Multivariate Calculus	3/4
Derivatives and integrals of functions of several variables such as $z=f(x,y)$, Jacobian determinants, volumes, and surface areas. Three-dimensional graphs and chaotic systems will be investigated on graphing calculators and computers. Computer software and/or graphing calculator (TI-89/92/200 preferred) is a required tool for this course. <i>Prerequisite: MAT-132.</i>		
MAT-241	Applied Linear Algebra	3/2
The algebra of matrices, determinants, vectors, inverting matrices, diagonalizing matrices, eigenvalues and their applications. Computer software and/or graphing calculator (TI-89/92/200) will be used for calculations and applications to dynamic systems.		
MAT-243	Discrete Mathematics	3/2
A study of fundamental principles of discrete mathematics, with applications to computing. Topics such as sets, functions, relations, counting methods, graph theory, matrix theory, and number theory. An introduction to operation counts and algorithmic complexity. Computer software and/or graphing calculator (TI-89/92/200 preferred) is a required tool. <i>Prerequisite: MAT-121 or MAT-131.</i>		
MAT-244	Methods of Mathematical Research	2/2
Students in this course will be introduced to the typesetting language of L ^A T _E X, solving mathematical problems with Maple, understanding mathematical articles, locating and researching mathematical topics, and preparing mathematical presentations. <i>Prerequisite: MAT-245 and ENG-212.</i>		
MAT-245	Mathematical Proofs	3/2
A course in reading and constructing mathematical proofs. How to start proofs (direct proofs, proofs by cases, proofs by contrapositive, proofs by contradiction); proofs about sets, functions, numbers, inequalities, and equivalence relations; proofs by mathematical induction; understanding the theorems of calculus and linear algebra; and preparing to do proofs in Modern Algebra and Real Analysis. <i>Prerequisite: MAT-241 or MAT-243.</i>		
MAT-251	Probability and Statistics	3/4
This is a Calculus-based course in probability and statistics which includes discrete and continuous random variable probability models. Topics include the central limit theorem, sampling distributions, estimation, confidence intervals, hypotheses testing, analysis of variance, and regression analysis. Emphasis will be placed on statistical software to create probability models and run statistical procedures, specific to applications in economics and science. <i>Prerequisites: MAT-131 and MAT-132.</i>		
MAT-312	Elementary Mathematics & Methods and Field Experience	4/1
The course integrates elementary and middle school mathematics education and basic geometry content, methods and technology. Emphasis is on pedagogy, concepts and relationships, problem solving, reasoning, communicating and connecting ideas in elementary school mathematics. Prospective teachers implement a mathematics curriculum that models NCTM curriculum teaching and evaluation standards and principles. They plan, implement and evaluate units and lessons in applied arithmetic, pre-geometry and pre-algebra. Concepts are taught through applications with manipulatives, multimedia technologies, calculators and computers. Students will apply methods (such as diagnosis and instruction) through a tutoring experience with elementary aged children. <i>Prerequisites: Math competency, EDU-230, acceptance into Teacher Education Program.</i>		
MAT-333	Real Analysis	3/4
A first course in the theory of the calculus of a single real variable. Students will study the real number system as a complete ordered field, convergence of sequences and series, continuity and differentiability of functions of a real variable, theory of the Riemann integral and integrable functions. <i>Prerequisites: MAT-132, 241, 233, or 234, and MAT-245.</i>		
MAT-341	Modern Algebra	3/4
Groups, rings, and fields and their substructures with examples from transformation groups, matrix rings, and number fields. Computer software and/or graphing calculator (TI-89/92/200 preferred) is a required tool. <i>Prerequisites: MAT-241 and MAT-245.</i>		
MAT-380	Internship in Mathematical Sciences	1-6/1
An individualized assignment arranged with an agency, business or other organization to provide guided practical experience in a mathematical sciences related career/ministry activity. <i>Prerequisites: Junior standing and approval by division chair.</i>		

MAT-400 **Capstone Seminar: The History of Mathematical Science** **3/4**
For Math Ed. Majors: Models and proofs in Euclidean and non-Euclidean geometry from an advanced standpoint. The language and logic of geometry for representing and solving visual problems; points, lines, angles, circles, perimeter, area, 3-D figures, transformations, congruence, and similarity. Emphasis on communicating mathematical arguments with dynamic geometry tools. Internet manipulative and computer explorations appropriate for e-learning in the secondary classroom. Advanced project topics from motion, transformational, topological, projective, conic, axiomatic, differential, discrete, synthetic, hyperbolic, coordinate, finite, fractal, elliptic and spherical geometries. Computer software and/or a TI-92/200 graphing calculator required. *Prerequisites: MAT-241 and MAT-245, or permission.*

MAT-401 **Capstone Seminar for Mathematics** **2/2**
Students will research and present an important topic in mathematics using both library research and personal preparation. *Prerequisite: 15 hours of 300-level or above math courses.*

MAT-470 **Readings in Mathematical Sciences** **1-6/6**
Readings in specific mathematical sciences or mathematics education topics in areas of student need and interest. Required periodic reports with related discussions, labs, or creative/classroom activities. May be repeated. *Prerequisites: Dependent upon topic selection; permission of research advisor and instructor.*

MAT-471 **Secondary Mathematics Methods** **3+lab/4**
Prospective teachers implement a secondary mathematics curriculum that models NCTM curriculum, teaching, and evaluation standards. They plan, implement, and evaluate a unit and lessons in algebra, geometry, functions, probability and statistics, trigonometry, precalculus and discrete mathematics. Explorations with manipulatives, computers, multimedia technologies, Internet, BASIC, calculator programming; statistics, graphing, and drawing tools. Computer software and/or a TI-92/200 graphing calculator is a required tool. *Prerequisites: MAT-132, 151, 241, and 243.*

MAT-480 **Advanced Topics in Mathematical Sciences** **1-3/6**
Selected topics in mathematical modeling, set theory, number theory; topology, complex variables; differential geometry, set theory, number theory; topology, complex variables; differential geometry, modern geometries; abstract linear algebra, advanced matrix algebra, vector analysis, numerical analysis, graph theory, combinatorics, computer programming. Advanced project topics in physics may be selected from Fourier series, transform calculus, partial differential equations, boundary value problems, complex variables, and vector calculus. Designed for mathematical sciences majors' current needs and for students planning graduate study in the physical sciences or applied mathematics. May be repeated. *Prerequisite: Permission of instructor.*

MAT-490 **Independent Study** **1-3/1**
An opportunity to perform independent study/research/creative activity in the various branches of mathematical sciences and allied fields of application. Submission and approval of a research proposal must precede registration. May be repeated. *Prerequisites: Major in mathematical sciences; permission of research advisor.*

PHYSICS

PHY-211 **General Physics I** **4/2**
An introductory survey of the basic concepts of mechanics, heat, sound, and wave motion. Appropriate for students in life sciences. Lecture and lab. This course satisfies the core requirement for Lab Science. **Lab fee applied.** *Prerequisite: MAT-121.*

PHY-212 **General Physics II** **4/2**
An introductory survey of the basic concepts of electricity, magnetism, light and modern physics. Appropriate for students in life sciences. Lecture and lab. **Lab fee applied.** *Prerequisite: PHY-211.*

PHY-221 **Physics for Scientists and Engineers I** **5/2**
An introductory survey of the basic concepts of mechanics, heat, sound and wave motion. Appropriate for students in the mathematical sciences and engineering. Lecture and Lab. *Prerequisite: MAT-131.*

PHY-222 **Physics for Scientists and Engineers II** **5/2**
An introductory survey of the electricity, magnetism, light and modern physics. Appropriate for students in the mathematical sciences and engineering. Lecture and Lab. *Prerequisite: PHY-221.*

SCIENCE

SCI-201 **Integrated Science for Elementary Teachers** **3/1**
A college-level study and application of science concepts contained in the Michigan Grade Level Content Expectations for pre-service elementary teachers. Focus of the course will be on Science Process Skills, Physical Science, Life Science and Earth/Space Science, centering on the integration of these disciplines using inquiry-based learning, labs and field trips. **Lab fee applied.** *Prerequisites/Corequisites: EDU-230 and a declared elementary education program.*

SCI-211 **Science of Music** **1/4**
This 1-credit laboratory course is designed to introduce students in the B.Music degree program to the methods and limitations of science as a means of inquiry in the context of music and sound. Topics include general wave phenomena such as propagation, Doppler shifts, interference and resonance; specific sound phenomena and applications; elementary acoustics; and numerous applications to music and musical instruments. This course satisfies the core lab science elective for B. Music students and serves as the required prerequisite course for them to register for SCI-311 Science in Culture. The course is simply an elective course for any other students. **Lab fee applied.** *Prerequisite: Mathematics core competency.*

SCI-242	Medical Terminology	2/2
This course equips members of the health care professions with a working knowledge of medical vocabulary. Emphasis is placed on definitions, spelling, and pronunciation as it relates to the body. The course is designed for students desiring to pursue health-related careers.		
SCI-261	Astronomy	4/2
A study of the distinctive qualities of the planets, their moons, the stars, and galaxies through laboratory exercises in observations and calculations. Lecture and lab. This course satisfies the core requirement for Lab Science. Lab fee applied. <i>Prerequisite: Core requirement in mathematics.</i>		
SCI-262	Geology	4/2
A study of the materials and processes of the earth, leading to a responsible Christian appreciation for it and its use. Explores basic principles through a survey of the history of the ideas about the earth. Applies basic insights of chemistry, biology, physics, and mathematics to the solution of problems such as earthquakes, volcanic eruptions, floods, marine erosion, the nature and distribution of fossil fuels, metals, ground water, and other mineral resources. Studies man-imposed and natural boundaries to characterize geographic regions. Lecture and lab. This course satisfies the core requirement for Lab Science. Lab fee applied.		
SCI-263	Atmosphere & Weather	2/4
This primarily on-line course is adapted from the American Meteorological Society <i>Online Weather Studies</i> . Students are led through the major aspects of atmospheric composition, weather production and parameters and forecasting models. Does not satisfy lab core requirement.		
SCI-311	Science In Culture	3/1
This course is a rigorous examination (based on a Christian philosophical worldview) of the nature of science and some of the major scientific ideas and issues affecting our culture. <i>Prerequisites: Lab science course, PHI-211, Junior or Senior status.</i>		
SCI-346	Pharmacology	3/4
This course is designed to teach the student principles of pharmacology, including mathematics and calculations, rules and regulations governing medications, medication administration and safety issues. Medications specific to various diseases and disorders will be studied, emphasizing desired effects, side effects, and contraindications. <i>Prerequisites: BIO-151, 241, and 242.</i>		
SCI-361	Evolution & Origins	3/2
A scientific investigation of the feasibility of various origin theories with special emphasis on the creation vs. evolution debate. Explores the difference between origins science and operation science and analyzes the conflict in the Christian scientific community as well as the population at large. <i>Prerequisites: BIO-111 or 4 credits from SCI, BIO, CHM or PHY courses.</i>		
SCI-380	Internship	1- 6
This course provides an opportunity to work in a supervised biological setting (e.g., DNR, nature center, public health agency). The experience must include opportunities to apply the theories and concepts learned in the discipline or to enhance biological science research skills.		
SCI-400	Capstone Seminar: Integrated Science	2/2
This course is designed to serve as the culminating course of science content for the integrated science major and minor, just prior to the directed teaching semester. Using the major themes motif, each subject will be explored for the common and varied approaches to understanding its physical, biological and earth/space science content and interconnections. Philosophical underpinnings and ethical considerations will be stressed for each theme along with its outworking. Students will be responsible for developing their own set of alternative solutions for each problem encountered, discovering strategies for communicating integrated content in their classroom and devising techniques to stimulate their students to join the quest. <i>Prerequisite: Junior or Senior status.</i>		
SCI-423	Neuroscience	3/4
A special topics course which introduces workings of the brain and aspects of personality dealing with these at the level of the nerve cells and brain structures. Learned topics include: Perception, cognition, intelligence, the basis of emotional states, personality disorders and questions of guilt; progressive and degenerate diseases of the mind; nerve impulses and the synapses to understanding drug abuse and addictions; neural pathologies like speech disorders, attention deficit hyperactive disorder and the epilepsies; sensations, reflexes and movement control; brain waves, sleeping and arousal, awareness, consciousness and the soul, along with investigating the neural brain of gender differences. <i>Prerequisite: BIO-151, BIO-241, or PSY-441, or permission of instructor.</i>		
SCI-465	Secondary Science Methods	3/2
This course focuses on specific knowledge, skills, and attitudes that are demonstrated by effective science teachers in secondary schools. Students will learn to design, organize, present, and evaluate the learning of science subject matter utilizing various instructional models and methods of teaching science.		
SCI-470	Readings in Science	1-3/1
SCI-480	Advanced Topics Seminar	3/6
SCI-490	Independent Study	1-3/1
SCI-495	Senior Research Project	1/1
The senior research project is independently conducted research under the guidance of a science faculty mentor and is taken as a summer credit before taking the senior research seminar (SCI-496) or in the spring after the senior research seminar.		
SCI-496	Senior Research Seminar	1/2
The senior research seminar is designed to help students develop the skills necessary to complete their senior research project (SCI-495). Seminars will focus on literature review, scientific writing, use of statistics in writing, creating tables and figures, review-editing of manuscripts and posters and presentations.		

AU SABLE INSTITUTE COURSES

The following courses are offered through the Au Sable Institute of Environmental Studies. See the Off-Campus Programs section on page 45 for further details.

ECO-301 Land Resources 4
Systems-level perspective on land forms and ecosystems. Includes analysis and interpretation of on-site data recorded in the field, remote-sensing data derived from satellite and low-altitude aerial imagery and geographic information systems (GIS). Field trips to and analysis of forests, bogs, marshes, dunes, and rivers. Includes application to policy and land use planning. *Prerequisite: One year of introductory science.*

ECO-302 Lake Ecology & Management 4
Field study of lakes and streams with applications to planning and management. Includes an introduction to limnology and investigation of representative lakes and streams of the region. *Prerequisites: One year of general biology and one year of general chemistry.*

ECO-303 Ecological Agriculture: Farms & Gardens for Sustainability 4
Environmental analysis and natural resources in relation to people and policy. The focus is on ethnobotany, ecological agriculture, and land stewardship. It employs a discussion format both in classroom and field settings. Its emphasis is grappling with difficult practical and ethical problems and issues that require deep and persistent thought.

ECO-304 International Development & Environmental Sustainability 4
Global Development and Ecological Stewardship: Environmental analysis and natural resources in relation to society and development issues. The focus is on ecological sustainability and sustainable society in the context of the various factors that are bringing environmental degradation and impoverishment of people and cultures. It deals with topics of tropical agriculture, hunger, poverty, international debt, appropriate technology, relief programs, missionary earthkeeping, conservation of wild nature, land tenure, and land stewardship. It employs a discussion format both in classroom and field settings. Its emphasis is grappling with difficult practical and ethical problems and issues that require deep and persistent thought.

ECO-310 Environmental Law and Policy 4
Analysis of the policy-making process at a local, national, and international scales with examination of environmental policy challenges, including climate change, resource management, and energy development. Students will interact with regional policy-making and land managers in the field to consider linkages between policy and science and ways for science to inform the policy-making process. Environmental ethics, environmental justice, and environmental advocacy will also be considered.

ECO-311 Field Botany 4
Field identification and ecology of vascular plants as components of natural communities in Michigan. Emphasis is placed upon on-site examination of plants in communities such as bog, dune, forest, marsh, meadow, and swamp. Plants difficult to study under field conditions are brought to the laboratory for microscopic examination and identification. Ecological features such as community stratification and plant zonation along ecological gradients are examined. *Prerequisite: One year of general biology or one semester of botany.*

ECO-318 Marine Biology 4
Marine Biology focuses on intertidal life and marine ecology in oceanic and geophysical contexts. Students study the biology of marine plants and animals in the field, specifically trophic relationships of eel grass communities and the intertidal zone, workings of the island systems of Puget Sound, ecological roles of sea birds and fishes, population and community structure dynamics, exploitation and oceanic microbialization and biogeochemical processes and their linkages with the biosphere. Marine stewardship and effects of human activity on the marine environment are integral to the course. *Prerequisite: General biology or permission of professor.*

ECO-321 Animal Ecology 4
Interrelationships between animals and their biotic and physical environments emphasizing behavioral aspects. A field course that centers on the ecology of northern Michigan fauna from a stewardship perspective. Included are individual student projects. *Prerequisite: One year of introductory science.*

ECO-322 Aquatic Biology 4
Ecology, identification, systematics, culture and care of aquatic plants and animals, and adaptations to freshwater environments. Aquatic life is studied in lakes, ponds, bogs, marshes, streams, and in the laboratory. The course assesses human impact on aquatic species and ecosystems, presents procedures for the stewardship of aquatic habitats, and introduces aquatic restoration ecology. *Prerequisites: One year of general biology or one semester each of general zoology and general botany.*

ECO-332 Environmental Chemistry 4
Principles and analysis of chemical movement and distribution both natural and human-induced in natural environments. Sampling and analytical methods are included for water, soil, and air. Work is conducted both on site in natural habitats and the laboratory. *Prerequisites: One year of general chemistry and one semester of either biochemistry or organic chemistry.*

ECO-343 Tropical Agriculture and Missions 4
An introduction to tropical agriculture for working with resource-poor farmers. Topics include the scientific basis behind successful low cost techniques, a survey of major tropical crops and their requirements, and on-site practical work. Selected issues in Christian missions and in community development, and some urban gardening and small animal techniques are also covered. Taught in a rural, mountainous village in Costa Rica in collaboration with a Christian organization aiding redevelopment after an earthquake, with several trips to different ecosystem regions of Costa Rica.

- ECO-345 Wildlife Ecology 4**
Ecology, conservation and stewardship of wildlife species and their habitats. Includes growth and structure of natural and managed populations, environmental and human social factors affecting wildlife communities and wildlife conservation. The course is set in the context of the historical development of the field from management, to ecology, and to the land ethic of Leopold. Includes management and stewardship of non-game and endangered species, and long-term prospects of wildlife in changing environmental, climatic and social contexts. *Prerequisite: One course in biology, or permission of professor.*
- ECO-355 Watersheds in Global Development 4**
Principles of watershed ecology. Includes principles and practice of community-based water monitoring and watershed management for developing and developed countries and data access and analysis using an online relational database and data-to-action strategies. Designed for students in science and public policy, including students interested in missions and development and agencies involved in environmental assessment and community development. *Prerequisite: One year of general biology.*
- ECO-359 Marine Mammals 4**
Biology, behavior, ecology, identification and conservation of the marine mammals of the Pacific Rim. This study area covers some major habitats in Puget Sound and the Salish Sea, with attention to the diving physiology, social behavior, and communications of whales and seals. The course aims to develop a stewardship perspective rooted in biological principles and directed at the global conservation of marine mammals and their ecosystems. Special attention is given to their use by cultures of the region in order to understand current issues. *Prerequisite: One year of general biology or one semester of zoology.*
- ECO-360 Applied Biodiversity Genetics 4**
A field class introducing recent advances in molecular biology techniques, computation and storage for applied ecological work. The ability to utilize these techniques is becoming more and more important to scientists for addressing fundamental questions in biology. This course will expose you to a broad range of techniques and concepts in molecular biology and phylogenetics. Emphasis is placed on the strengths and limitations of each method and its application to a wide range of organisms, including plants, animals and microorganisms. It will provide a foundation for molecular applications to issues of environmental stewardship. *Prerequisites: Two years of biology, one year of chemistry.*
- ECO-361 Field Biology in Spring 4**
Springtime plants and animals, their field identification, field biology, behavior and landscape context with a focus on spring flora, amphibia, and birds.
- ECO-362 Environmental Applications for Geographic Information Systems 4**
Introduction to the theory and application of spatial analysis for environmental conservation and planning using geographic information systems (GIS) technology in the context of real world conservation problems.
- ECO-365 Insect Ecology of Streams, Forests, and Fields 4**
Life history, behavior, and ecology of terrestrial and aquatic insects, and their roles in pollination, herbivory, predation, agroecosystems, disease and vector epidemiology, invasion ecology, soil ecology, biodiversity, and freshwater ecology. Practical applications include study of Integrated Pest Management (IPM) approaches to reduce negative impacts of pest species in agricultural, subcultural, and medical settings while preserving biodiversity and ecosystem functionality.
- ECO-367 Conservation & Development in the Indian Tropics 4**
Tropical ecology of South India, including an introduction to and comparative analysis of coastal ecosystems, the plains, and montane tropical ecosystems of the Western Ghats including altitudinal zonation. The course will be taught on-site at a variety of ecosystem preserves and national parks. If suitable arrangements can be made, a number of ecosystems will be studied on the Andaman Islands. Topics include tropical ecosystem structure and function, adaptations of flora and fauna, biodiversity surveys, past and present human interactions with the landscape, and autecology of selected plant and animal species. *Prerequisites: Upper division standing and at least one ecology course (preferably completed at AuSable).*
- ECO-368 Forest Biology 4**
This course will focus on how plants interact with the abiotic environment and with other organisms. Field trips will provide opportunity to examine various physiological adaptations and population and community processes; and to introduce research approaches in different contexts. Quantitative skills including data collection, management, and basic analysis will be emphasized. *Prerequisite: One year of biology.*
- ECO-390 Directed Individual Study**
Field or laboratory study of a problem selected by the student in consultation with a professor, and presented as a written proposal in advance of the session in which the study is to be conducted. Normally, problems are outgrowths of previous coursework with a given professor at Au Sable. *Prerequisite: A study proposal including goals and objectives, methods, protocols for evaluation; to be signed by the professor and program director.*
- ECO-471 Conservation Biology 4**
Principles of conservation biology with applications to sustainable human society and biospheric integrity. An integrative approach to biology and society that interrelates population biology, ecological principles, biogeochemical cycles, ecosystem functions, and human society in the context of biospheric degradation. The course develops a stewardship perspective rooted in biological principles and directed at conservation of plant and animal species, biotic communities, ecosystems, and human society. Included are topics of human development, poverty, and economic growth. *Prerequisites: One year in biology and one course in ecology, or permission of professor.*
- ECO-478 Alpine Ecology 4**
Ecology of the mountains of the Pacific Northwest, with particular attention to adaptation of plant and animal life to montane climates and altitudes, and analysis and interpretation of altitudinal zonation of biotic communities with applications to latitudinal biogeography. Also included are topics of physiological responses of organisms to reduced oxygen levels, low temperatures and high altitude radiation regimes. Field work includes on-site studies in the Olympic Mountains of the Olympic Peninsula.

- ECO-482 Restoration Ecology 4**
Ecological foundations and techniques for ecosystem and biotic community restoration. This course applies ecological principles and environmental ethics to redeeming and restoring degraded and damaged ecosystems and endangered species. Field studies include analysis of restoration and rehabilitation work with the Kirtland Warbler, an officially designated wild river, coastal dunes, kettlehole bogs, old growth forest, deforested lands, degraded residential and farming sites, and abandoned oil wells. A practical field laboratory is included in which techniques are applied to a specific site.
- ECO-490 Research Methods I 4**
This course is designed to prepare natural science majors to conduct scientific field research. It introduces students to experimental design and statistics relevant, scientifically testable question or a hypothesis. Students, in conjunction with a research mentor, prepare a research proposal and initiate an investigation. *Prerequisites: Third year status, previous AuSable course and research interest.*
- ECO-491 Research Methods II 1**
This course follows Research Methods I with an exploration of data analysis, report writing and presentation and poster preparation. *Prerequisite: Research Methods I.*
- ECO-499 Directed Independent Research 4**
Field or laboratory study of a problem selected by the student in consultation with a professor and presented as a written proposal in advance of the session in which the study is to be conducted. Normally, problems are outgrowths of previous coursework with a given professor. *Prerequisite: Permission of professor.*

MUSIC DIVISION

Michael Stockdale, DipRCM
Division Chair

The Music Division is a dynamic team of expert faculty devoted to preparing students to influence their culture as skilled music professionals. The faculty remains active in their respective fields bringing real-world experience directly to the classroom. Musical diversity makes our division an exciting and challenging place to learn.

We exist to prepare students for professional and vocational life as educators, performers and worship leaders. Our programs are designed to give students a solid musical and theoretical foundation through discipline, skill acquisition, character development and a strong work ethic. We aspire to educate skilled music professionals who value music as reflecting the beauty and order of God's creation.

The Music Division offers Bachelor of Arts (B. A.) and Bachelor of Music (B.Mus.) degrees with emphases in Worship Arts, Music Education, and Commercial Music. In each major, students will develop the knowledge and skill in a variety of musical styles and traditions. In addition, each music major participates in large and small ensembles, and has the opportunity to participate in one of the division's three touring groups: Credo (vocal ensemble), CU Brass and Red Letter Edition (Contemporary Ensemble).

DEGREES

Bachelor of Arts (B.A.)
Bachelor of Music (B.Mus.)

MAJORS

Music (B.A.)
Music: Worship Arts (B.A.)
Music Education (B.Mus.)
Performance (B.Mus.)
Performance: Commercial Music (B.Mus.)

MINORS

Music (B.A.)

Cornerstone University is accredited by the National Association of Schools of Music (NASM)

FACULTY

Stockdale, Michael, Associate Professor of Music (Chair), Director of Commercial Music and Worship Arts; ARCM, DipRCM, Royal College of Music, London, England

Walters, Kent, Associate Professor of Music, Director of Choral Studies; B.A., Calvin College; M.M., Michigan State University; D.W.S., Robert E. Webber Institute for Worship Studies

CRITERIA FOR GRADUATION AS A DIVISION MAJOR

See the Academic Information section under Graduation Requirements. Refer also to the Music Division Handbook.

Degree information for the Bachelor of Arts and Bachelor of Music degrees along with major and minor listings by division can be found in the catalog section entitled Degree Information.

PROGRAM INFORMATION & REQUIREMENTS

ACCEPTANCE AS A MAJOR INTO THE MUSIC PROGRAM

All prospective students must pass an audition for admission as a major into the music program. Students wishing to minor in music are not required to complete the audition process. Students must complete the audition at their first fall semester jury in December of their freshman year. On the basis of the audition, the music division will either accept or deny the student admission into the program. In some instances, students may be accepted on a probationary basis. If a student is not accepted into the program, that student has two additional opportunities to re-audition and may continue to enroll in music major courses. Transfer students who enter in the spring semester must complete the process at the end of their first semester.

MUSIC DIVISION SCHOLARSHIPS

Prospective students who wish to be considered for a Music Division Scholarship must audition in the spring prior to starting classes at Cornerstone University. Prospective students must complete the online application for scholarship consideration. Specific information regarding the application form, audition dates, required repertoire and other guidelines can be obtained on the music division portion of the Cornerstone University website, or by calling the music division at 616.222.1545. The scholarship audition will also be used to determine acceptance into the music program.

REQUIREMENTS FOR CONTINUATION AS A MUSIC MAJOR

Music Division Handbook – The Music Division publishes a handbook setting forth requirements and policies in addition to those stated in the catalog. The handbook is considered an extension of the Cornerstone University Academic Catalog.

Minimum Grades – Music Majors must pass all music courses in their prescribed degree program with a “C-” or better.

Large ensembles – All music majors must register for a large ensemble every semester. Those students with a concentration in instrumental music are required to participate in Symphonic Winds (MUP-X21). Those students with a concentration in voice are required to participate in University Chorale (MUP-X01) or Chancel Singers (MUP-X11). Keyboard and guitar majors may choose either a vocal or instrumental large ensemble. Music scholarship recipients must register for their large ensemble every semester.

Applied Lessons – All students enrolled as music majors must register for applied lessons every semester. Exceptions to this are limited to music education majors who are completing their student teaching requirement and students who are not enrolled full time.

Juries – All students enrolled in any applied lessons (MUA-XXX) must perform a jury before the music faculty each semester. The jury is the final exam for applied lessons and provides a record of student performance progress. A jury is not required in a semester in which the student performs a recital.

Performance Lab – All music majors must register for Performance Lab (MUS-099) every semester. All music majors must perform at least once in a performance lab recital or studio class every semester they are enrolled.

Piano Proficiency Requirement – All students enrolled as music majors must pass a piano proficiency exam as part of their degree requirements. Students whose primary performance area is piano satisfy this requirement through their applied piano lessons and jury exams. All other students should enroll in Class Piano I-II (MUS-143, 144) to prepare the following exam components. Students must complete both levels of class piano courses until the exam is passed. If further preparation is required, students must enroll in applied piano lessons. Students entering the music program with a minimum of two years' experience may opt to take the exam without enrolling in classes, subject to the approval of the Director of Keyboard Studies.

1. Technique:

- All major and minor scales and arpeggios, memorized, two octaves, hands together with correct fingering, quarter note = 100.

2. Repertoire:

- Two contrasting classical pieces, selected from list provided by Class Piano Instructors.
- A four-part hymn, chosen from list provided by Class Piano Instructors.
- Prepared three-part choral score, chosen by instructors from Class Piano text

3. Sight-Reading:

- Student must sight-read from Class Piano text.

4. Four-part Chordal Texture:

- Student must prepare simple harmonization from a lead sheet.

Sophomore Evaluation – All students enrolled as music majors must successfully complete a sophomore evaluation. This assessment is administered during the fourth semester of the major, and includes the following: 1) a full-faculty judged performance, 2) a brief interview, 3) an essay, and 4) fulfillment of specified academic requirements. Please refer to the Music Division Handbook for complete details.

Recitals – All students enrolled in music major degree programs must complete recital requirements as prescribed by their specific degree program.

BACHELOR OF ARTS MAJORS & MINORS

The music major within the B.A. degree is designed for those students wishing to combine music with another discipline (e.g., music and business) or wishing to pursue private applied teaching at the elementary through intermediate levels.

General Education Core for the B.A. degree, as well as Minor concentrations, are listed in the Degree Information section.

MUSIC MAJOR *(requires a minor)*

Required Courses	Credit Hours
MUA-XXX Applied Major	8
MUP-X01, X11, X21 Large Ensemble (Chancel Singers, Chorale, Symphonic Winds)	8
MUP-141, 151 Small Ensemble	2
MUS-099 Performance Lab (8 semesters)	0
MUS-113, 114, 213 Aural Perception I, II, III	3
MUS-117, 118, 217 Music Theory & Analysis I, II, III	9
MUS-171 Introduction to Music Technology	3
MUS-221, 222, 225 Music History, Literature and Form I, II, III	9
MUS-251 Basic Conducting	3
MUS-380 Internship	3
MUS-440 Senior Recital	0
MUS-441 Capstone Seminar: Senior Recital Project	1
Music Hours.	49

MUSIC: WORSHIP ARTS MAJOR *(does not require a minor)*

Required Courses	Credit Hours
CMI-221 Learning, Liturgy and Technology	3
CMI-252 Interpersonal & Intrapersonal Relationships in Ministry	3
CMI-334 Spiritual Formation	3
MDA-262 Live Sound with Lab	4
MDA-281 Audio Production II	3
MUA-XXX Applied Major (8 semesters)	8
MUP-X01, X11, X21 Large Ensemble (Chancel Singers, Chorale or Symphonic Winds)	8
MUP-141, 171 Contemporary Ensemble or Worship Ensemble	2
MUS-099 Performance Lab (8 semesters)	0
MUS-113, 114, 213 Aural Perception I, II, III	3
MUS-117, 118, 217 Music Theory & Analysis I, II, III	9
MUS-171 Introduction to Music Technology	3
MUS-221, 222, 225 Music History, Literature and Form I, II, III	9

MUSIC MINOR

Required Courses		Credit Hours
MUA-XXX	Applied Music (4 semesters)	4
MUP-X01, X11 or X21	Large Ensemble (Chancel Singers, Chorale, Symphonic Winds)	4
MUS-113, 114	Aural Perception I, II	2
MUS-117, 118	Music Theory & Analysis I, II	6
MUS-221, 222 or 225	Music History, Literature and Form I, II, III	3
MUA/MUP/MUS-XXX	Music Electives	3
Total		22

BACHELOR OF MUSIC MAJORS

The Bachelor of Music degree is designed for students seeking careers in areas associated with music performance, K-12 teaching and for students who desire to continue their studies on the graduate level. Students may choose from the following majors: performance, performance: commercial music and music education.

PERFORMANCE MAJOR *(does not require a minor)*

General Education Core requirements for the B.Mus. are listed in the Degree Information section (see page 53).

Required Courses		Credit Hours
MUA-XXX	Applied Major	16
MUA-XXX	Applied Minor	4
MUP-X01, X11 or X21	Large Ensemble (Chancel Singers, Chorale, Symphonic Winds)	8
MUP-141, 151	Small Ensemble	2
MUS-099	Performance Lab (8 semesters)	0
MUS-113, 114, 213, 214	Aural Perception I, II, III, IV	4
MUS-117, 118, 217, 218	Music Theory & Analysis I, II, III, IV	12
MUS-171	Introduction to Music Technology	3
MUS-221, 222, 225	Music History, Literature and Form I, II, III	9
MUS-251	Basic Conducting	3
MUS-314	Orchestration and Arranging	3
MUS-317	Keyboard Harmony	2
MUS-340	Junior Recital	0
MUS-380	Internship	3
MUS-432	Pedagogy	2
MUS-440	Senior Recital	0
MUS-441	Capstone Seminar: Senior Recital Project	1
MUA/MUP/MUS-XXX	Music Electives*	6
Music Hours		78

*MUS-253 Diction I and MUS-255 Diction II replace music electives for vocal majors only.

PERFORMANCE: COMMERCIAL MUSIC MAJOR *(does not require a minor)*

General Education Core requirements for the B.Mus. are listed in the Degree Information section (see page 53).

COURSE DESCRIPTIONS

DEPARTMENT AND LEVEL/COURSE NAME CREDITS/FREQUENCY
(See page 59 for codes)

MUA-XXX Applied Lessons 1-2/1
 Foundational to the development of skills in a performance area, weekly one half-hour or hour private lessons are available to all students on many orchestral instruments, piano, organ, guitar, percussion, and voice.

MUP-X01 University Chorale 1/1
 This select choral ensemble is dedicated to the performance of outstanding choral literature, providing singers with a number of exciting opportunities. Focusing on public performance as a means of worship and Christian service, the Chorale performs a broad spectrum of choral literature including a cappella motets, large-scale works for chorus and orchestra, spirituals and contemporary compositions. Auditions for the Chorale are held at the beginning of each fall semester. *Membership by audition only.*

MUP-X11 Chancel Singers 1/1
 A large choral ensemble emphasizing the performance of a variety of choral literature for the joy of singing, the development of the singer, and the inspiration of audiences. The choir prepares for seasonal concerts, ministry in Chapel and on campus, as well as occasional concerts in the community. Membership is open to all students without audition.

MUP-X21 Symphonic Winds and Chamber Winds 1/1
 A select group of woodwind, brass and percussion players committed to the quality performance of outstanding wind ensemble and concert band literature. Each semester the Symphonic Winds and Chamber Winds perform formal concerts consisting of standard and contemporary masterworks. At the beginning of each fall term, a weekend retreat is held off-campus to foster musical growth and camaraderie among its members. *Membership by audition only.*

MUP-X41 Contemporary Ensembles 1/1
 Small ensembles comprised of drums, bass, keyboard, guitars and vocalists. Contemporary Ensembles perform a variety of musical styles drawn from the broad umbrella of popular music. The groups explore various ensemble textures, the development of charts and arrangements, microphone techniques, lead and background vocals, improvisation and listening skills. Red Letter Edition and Gold Standard are *membership by audition only*. The university's touring group "Red Letter Edition" performs throughout the community. Two semester (fall and spring) commitment for Red Letter Edition. *Corequisite: MUA course in appropriate performance area.*

MUP-X51 Small Ensembles 1/1
 A variety of ensembles provide an opportunity to study and play representative standard chamber literature. Opportunities include woodwind quintet, brass quintet (CU Brass), percussion ensemble, and vocal ensemble (Credo). CU Brass and Credo are university touring groups that perform throughout the community. Some ensembles require an audition. Two semester (fall and spring) commitment for CU Brass and Credo. *Corequisite: MUA course in appropriate performance area.*

MUP-X61 Pep Band 1/1
 A highly energetic ensemble comprised of winds, bass and drums. Pep Band serves to enhance the atmosphere at Cornerstone University men's and women's basketball games, by performing rock, funk, jazz and traditional pep band cheers. Membership is open to all students.

MUP-X71 Worship Ensemble 1/1
 A small ensemble comprised of drums, bass, keyboard, guitars and vocalists. Through this ensemble, students will prepare and minister music for congregational singing. Students will not only develop related musical skills, but also ministry skills such as calls to worship, scripture reading and public prayer. Primarily serving in the university chapels, the group may also perform off campus. *Membership by audition only. Prerequisite: 2nd semester freshman*

MUS-099 Performance Lab 0/1
 A regular forum for student performance. Performance Lab is an extension of the applied lesson including recitals, studio classes, concert attendance and guest lectures designed to enhance and enrich students' music education. Required of all music majors.

MUS-113 Aural Perception I 1/2
 Parallels the course work in Music Theory I to match the student's aural skills with their theoretical skills. Equips the student with the skills needed to sight-sing basic tonal melodies using solfege, to notate melodies, rhythms, and harmonies, and aurally identify scales, intervals, triads and simple harmonic progressions. *Corequisite: MUS-117.*

MUS-114 Aural Perception II 1/2
 A continuation of Aural Perception I. The student's skills are expanded to include the ability to notate and identify basic chord progressions and cadences utilizing triads in all inversions. Sight-singing and dictation skills are further developed. *Prerequisites: MUS-113 and MUS-117; Corequisite: MUS-118.*

- MUS-117 Music Theory & Analysis I 3/2**
An introduction to music theory, providing fundamental skills in the development of the student as musician. Components include music notation writing skills, identifying and notating scales, key signatures, intervals, chords, and rhythms, chords using inversion symbols and figured bass as well as pop notation, utilizing basic principles of voice leading for triads, harmonic analysis of excerpts and smaller works. *Corequisite: MUS-113.*
- MUS-118 Music Theory & Analysis II 3/2**
A continuation of Music Theory I. Expansion on previous materials, including cadences and other basic structural units such as phrases and periods, harmonic analysis of more complex progressions and larger classical and popular works, non-chord tones, development of four-part writing including all diatonic triads and seventh chords. Introduction to eighteenth-century counterpoint, as well as the fundamental components of musical form. *Prerequisites: MUS 113 and MUS 117; Corequisite: MUS-114.*
- MUS-143 Class Piano I 1/2**
The first of two piano courses designed to prepare students for the level of playing necessary to pass the piano proficiency exam required of all music majors. Orientation to the keyboard, including basic technique, rhythm, tone conception, articulation and fingering. Major and minor pentachord patterns, sight reading, transposition, simple I-V harmonization, basic repertoire.
- MUS-144 Class Piano II 1/2**
Continuation of MUS-143, including pedaling and phrasing, major scales, I-IV-V progressions and harmonization/transposition with simple accompaniment patterns. Introduction to playing by ear and improvisation. Appropriate sight reading and solo repertoire.
- MUS-161 Vocal Fundamentals 1/4**
An introductory study and application of basic vocal technique including physiology of singing, respiration, phonation, resonance, registers, diction, interpretation, and communication. Both classical and contemporary vocal techniques are utilized. Some individual instruction provided using standard song repertoire.
- MUS-165 Guitar Fundamentals 1/4**
An introductory study and application of basic guitar techniques including scales, standard chord voicing and inversions, finger-style techniques, tone production and rhythmic accompaniment. Both classical and contemporary guitar styles are incorporated. Some individual instruction provided using standard guitar repertoire.
- MUS-171 Introduction To Music Technology 3/2**
A survey course designed to provide hands-on exposure to a broad spectrum of topics related to music technology. Students learn fundamentals of synthesis, MIDI, analog and digital audio, scoring (using Finale and Sibelius), computer-assisted music education, and computer-based accompaniment packages (i.e. SmartMusic).
- MUS-213 Aural Perception III 1/2**
A continuation of Aural Perception II. The aural identification of all seventh-chords, more complex rhythmic patterns, and an intense concentration on sight-singing and melodic and harmonic dictation. *Prerequisites: MUS-114 and 118; Corequisite: MUS-217.*
- MUS-214 Aural Perception IV 1/2**
A continuation of Aural Perception III. The aural identification of modes, secondary dominants, Neapolitans and augmented sixth chords in both melodic and harmonic contexts. Sight-singing melodies using chromaticism. *Prerequisites: MUS-213 and 217; Corequisite: MUS 218.*
- MUS-217 Music Theory & Analysis III 3/2**
A continuation of Music Theory II. Secondary dominants, modulations, chromatic harmonies (including Neapolitan and augmented sixth chords), counterpoint, and binary and ternary formal structures are introduced and examined. Emphasis is placed on compositional techniques, analysis, and part writing. *Prerequisites: MUS-114 and 118; Corequisite: MUS-213.*
- MUS-218 Music Theory & Analysis IV 3/2**
A continuation of Music Theory III. Larger forms, including theme and variations, sonata, and rondo, are introduced and examined. Late Romantic and twentieth-century techniques, including non-Western scales and harmonic structures, atonality and basic set theory, and serial techniques are introduced and examined. Emphasis is placed on compositional techniques, analysis, and part writing. *Prerequisites: MUS-213 and 217; Corequisite: MUS-214.*
- MUS-221 Music History, Literature and Form I 3/2**
A study of the development of Western music from earliest record through the Baroque period (1750). Representative composers, works, and forms are examined. Emphasis is placed upon historical and cultural context, aesthetic attitudes, musical philosophies, trends in theory and composition, and developments in form and style.
- MUS-222 Music History, Literature and Form II 3/2**
A study of the development of Western music from early Classic through the Romantic period. Representative composers, works, and forms are examined. Emphasis is placed upon historical and cultural context, aesthetic attitudes, musical philosophies, trends in theory and composition, and developments in form and style.
- MUS-225 Music History, Literature and Form III 3/2**
A study of the development of Western music from the twentieth century to the present time. Also includes contemporary popular forms such as Jazz and Rock and Roll. Representative composers, works, and forms are examined. Emphasis is placed upon historical and cultural context, aesthetic attitudes, musical philosophies, trends in theory and composition, and developments in form and style.

- MUS-251 Basic Conducting 3/2**
A one-semester course covering the fundamental skills required for leading ensembles in performance. It is a multi-dimensional course encompassing the physical skills (baton technique, symmetrical and asymmetrical patterns, cueing, subdivisions, fermatas, releases, expressive gestures, non-verbal communication, hand independence, etc.), aural skills (internalization, error detection, aural imaging, intonation deficiencies, etc.), and theoretical skills (score reading, transposition, terminology, score analysis and preparation, rehearsal technique, leadership, etc.) of conducting. *Prerequisites: MUS-114 and 118.*
- MUS-253 Diction I 2/4**
An introduction to the rules of pronunciation for singing Latin, Italian and German languages. As a part of learning proper pronunciation, students will develop proficiency in their use of the International Phonetic Alphabet through reading, writing and speaking phonetically transcribed song and aria texts.
- MUS-255 Diction II 2/4**
An introduction to the rules of pronunciation for singing in the French and English languages. As a part of learning proper pronunciation, students will develop proficiency in their use of the International Phonetic Alphabet through reading, writing and speaking phonetically transcribed song and aria texts.
- MUS-280 Topics in Music 1/3**
An investigation of a musical topic chosen by the instructor in conjunction with student demand.
- MUS-291 Brass Methods 1/4**
Study in the technical aspects of embouchure, tone production, hand position, fingering, articulation and playing of the trumpet, horn, euphonium, trombone and tuba. Emphasis is on teaching methods and materials to prepare students for teaching these instruments privately or in the schools.
- MUS-292 Woodwinds Methods 1/4**
Study in the technical aspects of embouchure, tone production, hand position, fingering, articulation and playing of the flute, oboe, clarinet, bassoon, and saxophone. Emphasis is on teaching methods and materials to prepare students for teaching these instruments privately or in the schools.
- MUS-293 Percussion Methods 1/4**
Study in the technical aspects of playing the snare drum, timpani, keyboard mallet instruments, drumset, marching percussion, and other percussion accessory instruments. Emphasis is on teaching methods and materials to prepare students for teaching these instruments privately or in the schools.
- MUS-294 String Methods 1/4**
Study in the technical aspects of tone production, manual dexterity, fingering, and bowing of the violin, cello and double bass. Emphasis is on teaching methods and materials to prepare students for teaching these instruments privately or in the schools.
- MUS-314 Orchestration and Arranging 3/4**
A study of the art of orchestration and arranging for a variety of ensembles, including the full orchestra, concert band, rock band, jazz ensemble and smaller chamber groups. Includes a detailed examination of all of the major instrument groups and their typical uses in both classical and popular/contemporary musical genres. *Prerequisites: MUS-213 and 217.*
- MUS-315 Songwriting 2/4**
Students examine the art of songwriting in a variety of popular music styles. Class work involves analysis of popular song melodies and lyrics, study of lyric writing and organization, hooks, form and melodic structure and creation of song demos. Students are required to compose at least four songs over the course of the semester in a variety of styles. Students are able to hear their songs performed in periodic "seminar" type sessions and have the opportunity to have their work recorded by students in other music technology courses. *Prerequisites: MUS-171, 213 and 217, or permission of instructor.*
- MUS-317 Keyboard Harmony 2/2**
Application of harmony to the keyboard, includes scales, modes, diatonic triad and seventh chord harmonizations, cadential formulas, secondary dominants, additional chromatic harmonies, modulations and enharmonic resolutions. *Prerequisites: MUS-213 and 217.*
- MUS-326 Non-Western Music 2/4**
A survey of the traditional music from the world's non-Western cultures and the various methods of ethnomusicological research. The student acquires objective listening skills through the study of the traditional music of China, Japan, Southeast Asia, India, and Arabic countries as well as other cultures such as American Indian, Australian Aborigine, African, and Micronesian. These skills are used to develop the understanding that music, like any art form, is a cultural expression of the society that produced it. *Prerequisite: Junior Status.*
- MUS-334 Music And Worship 3/4**
Students will develop a philosophy of worship and aesthetics through a historical survey of the development of music and worship in the church and a theological survey of music and worship throughout scripture. Students will then apply their philosophy practically in the development of a public worship service that is musically, aesthetically and theologically consistent and coherent.
- MUS-337 Church Music, Methods and Materials 3/4**
A practical study of current denominational music practices including traditional, contemporary and alternative; students explore current resources including repertoire, literature, audio, video and Web based. Students are required to design musical components of worship services for a variety of settings. *Prerequisite: MUS-334.*

MUS-340	Junior Recital	0/1
One half-hour recital required of B.Mus performance majors. Students must submit an application to the Music division one semester prior to the recital. <i>Prerequisite: Junior status</i>		
MUS-352	Advanced Conducting: Choral	3/4
A one-semester course advancing the fundamental skills learned in Basic Conducting with a focus on choral ensembles. In addition to the development of conducting skills (physical, aural and theoretical) and rehearsal techniques necessary for preparing choral ensembles for performance, student have practical opportunities to develop self-confidence and leadership skills within a laboratory setting. <i>Prerequisite: MUS-251.</i>		
MUS-353	Advanced Conducting: Instrumental	3/4
A one-semester course advancing the fundamental skills learned in Basic Conducting with a focus on instrumental ensembles. Students develop mastery of conducting skills (physical, aural and theoretical) with several opportunities for practical application within a laboratory setting. Preparing the instrumental music educator for conducting instrumental ensembles from creation to concert is the primary course focus. <i>Prerequisite: MUS-251.</i>		
MUS-380	Internship	3/1
An experience outside of the classroom where the student gains practical experience in the area of desired employment. Includes church music, music/business, pedagogy, accompanying, and other areas related to music. Applications must be submitted through the Office of Career and Life Calling one semester prior to enrollment. <i>Prerequisite: Junior Status.</i>		
MUS-382	Music Teacher Assistant Practicum	1/1
A practical experience assisting in a successful elementary or secondary music program. The student must complete a minimum of 50 contact hours visiting the classroom two or three times per week. The schedule is arranged by the student and cooperating music teacher. The student will observe, participate and evaluate the music classroom experience. The student will be assigned a university supervisor. Application must be submitted to the music division chair one semester prior to enrollment in this course. This course must be taken one or two semesters prior to student teaching. <i>Prerequisites: Junior Status, admission to the Education program, EDU-230.</i>		
MUS-432	Pedagogy	2/4
Required of performance majors to provide an in-depth study of the art and science of pedagogy (teaching). In addition to developing an overall teaching philosophy, students will also have opportunity to explore literature, practical skills and technical components related to their chosen instrument or voice.		
MUS-440	Senior Recital	0/1
One half-hour recital required of B.A. music majors and B.Mus Music Education. One hour recital required of performance majors. Students must submit an application to the Music division one semester prior to the recital. <i>Prerequisite: Senior status; Corequisite: MUS-441.</i>		
MUS-441	Capstone Seminar: Senior Recital Project	1/1
The senior recital project represents the culmination of four years' work towards a music degree. Students will research and incorporate several elements into their final paper including the integration of faith in music, musicology and history, theory and analysis, performance practices and the art of programming. <i>Prerequisite: Senior status; Corequisite: MUS-440.</i>		
MUS-442	Special Recital	0/2
Available to all music majors interested in performing recital repertoire beyond their degree requirements. Offered fall semester only. Students must submit an application in the spring semester. <i>Prerequisites: Junior status, Permission of applied teacher and division chair.</i>		
MUS-450	Music Methods: Middle and High School	3/4
Development of a personal philosophy of successful teaching and administration. Areas covered include aesthetic basis of music education; curriculum development with sequential organization of concepts of the elements of music; general and special music classes; performance groups; select, non-select, ensembles and concert groups; understanding the changing voice of middle school boys and the vocal development and potential of ages 12-18; instrumental pedagogical techniques; rehearsal planning and techniques; choosing or arranging proper literature; exposure to classical, popular, jazz, folk and ethnic music as well as musical theatre; administration of musicals; classroom control; auditioning; festivals and contests, computer applications and current trends; budgets, purchasing procedures, scheduling, library organization, testing and measurement, public relations and ethics. <i>Prerequisites: Junior Status, MUS-251.</i>		
MUS-457	Music Methods: Elementary School	3/4
Course designed for the music specialist. Study includes Kodaly, Dalcroze, Orff, MMCP, Gordon Learning Theory and ETM methodologies and applications; early training in Orff instruments, recorders and autoharp; systematic pedagogy of the basic elements of music; understanding, training and developing the singing voice, ages 4-12; teaching and leading singing; theory and practice of movement; call charts and listening experiences; lesson and program planning; handicapped, gifted, and multi-cultural education. <i>Prerequisite: EDU-230 or permission of instructor.</i>		
MUS-460	Music Business	3/4
An introductory course presenting a structural overview of the music business and entertainment industries. Historical development of music as a business and the development of the marketplace for both music and musicians. Emphasis is placed on contemporary music business practices. Topics include songwriting, publishing, royalties and rights, artist management, arts management, professional organizations, copyright law, record industry, union and guilds, and career development.		
MUS-480	Advanced Topics	1-3/6
An in-depth investigation of a musical topic chosen by the instructor in conjunction with student demand.		

SOCIAL SCIENCE DIVISION

Brenda King, Ph.D.
Division Chair

The Division of Social Science advances the mission of Cornerstone University by equipping students to understand interpersonal relationships and social structures and preparing them to act redemptively within those relationships and structures. Students in the division develop skills in critical thinking, research methods, and communication which prepare them for advanced study and careers in psychology, counseling, family studies, social science, community health, and social work. As such, they are better prepared to influence effectively the cultures of the world for Christ.

The community health major teaches students the knowledge and skills needed to empower communities and groups to improve their health.

The psychology major teaches students to apply scientific methods to human behavior and society, and to understand them from a Christian worldview foundation.

The social work major teaches students the knowledge, values, and skills necessary to work competently as entry level practitioners. Students engage in course work that helps them integrate their faith with social work practice. Their educational experience culminates in an intensive 440-hour field placement in a social service organization during their senior year.

DEGREES

Bachelor of Arts (B.A.)
Bachelor of Social Work (B.S.W.)

MAJORS

Community Health
Psychology: Child and Adolescent Services
Psychology: Counseling
Psychology: Marriage and Family Studies
Psychology: Psychological Science & Practice
Social Work

MINORS

Community Health
Family Studies
Psychology
Social Work
Sociology

FACULTY

King, Brenda T., Professor of Sociology (Chair); B.A., Wilson College; M.R.E., Grand Rapids Baptist Seminary; M.A., Western Michigan University; Ph.D., Western Michigan University

Carew, Nola, Associate Professor of Social Work and Coordinator of Field Placement; B.S.W., Grand Valley State University; M.S.W., Grand Valley State University; Ph.D., Michigan State University

da Silva, Sérgio P. Associate Professor of Psychology; B.A., Faculdades Metroplitanas Unidas; B.A., Biblical Seminary of São Paulo; M.A., University of São Paulo; Ph.D., Central Michigan University

McDonald, Nicole D., Professor of Psychology; B.G.S., University of Michigan; M.A., Michigan State University; Ed.S., Michigan State University; Ph.D., Michigan State University

Sanders, Scott G., Associate Professor & Director of Social Work Program; B.S., Eastern Michigan University; M.S.W., Grand Valley State University; Ph.D., University of Kentucky

CRITERIA FOR GRADUATION AS A DIVISION MAJOR

See the Academic Information section under Graduation Requirements. Students with a major in the Social Science Division must attain the 30th percentile on Senior Assessment exam to graduate. **Students must attend a mandatory reporting workshop to graduate.**

Degree information for the Bachelor of Arts degree along with major and minor listings by division can be found in the catalog section entitled Degree Information.

BACHELOR OF ARTS MAJORS & MINORS

COMMUNITY HEALTH MAJOR *(does not require a minor).*

The community health major prepares students to empower communities to develop and implement programs that can improve their health.

Required Courses

Credit Hours

BIO-161	Human Biology	4
CHL-111	Introduction to Community Health	3
CHL-121	Global Health	3
CHL/SOC-252	Social Determinants of Health	3
CHL-263	Epidemiology	3
CHL/SOC-362	Health Care Systems and Health Policy	3
CHL-380	Internship	3
CHL-400	Senior Capstone.	3
COM-214	Health Communication.	3
PSY-111	General Psychology	3
PSY-235	Lifespan Development Psychology	3
PSY-352	Health Psychology.	3
PSY-355	Integrated Statistics/Research I	3
PSY-356	Integrated Statistics/Research II	3
SOC-111	Introduction to Sociology	3
SOC-417	Human Diversity.	3
<i>Choose two of the following:</i>		6
FAM/SOC/SWK/PSY-480	Domestic Violence	
FAM-451	Marriage and Family Counseling	
PSY-353	Abnormal Psychology	
SOC-344	Substance Abuse	
SOC-432	Sociology of the Family	
SOC-441	Gerontology	
<i>Choose two additional electives in consultation with Academic Advisor (based on student's interest):</i>		6

Note: The following are for illustration purposes only; electives should be chosen with the approval of the academic advisor.

HEALTH PROMOTION/HEALTH EDUCATION

COM-321	Small Group Communication
COM-432	Health Communication Campaigns
PSY-322	Theories of Counseling
PSY-343	Psychology of Learning
PSY-351	Social Psychology

**CH PROGRAM ADMINISTRATOR
(COMMUNITY ORGANIZATIONS)**

MGT-221	Introduction to Nonprofit Administration
MGT-238	Principles of Leadership
MGT-330	Non-Profit Human Resource Management
SWK-311	Social Work Policy
SWK-411	Ethical Decision Making

GLOBAL HEALTH

AuSable Course in Costa Rica (May Term)	
ECN-336	Economic Development
ECO-241	Environmental Science
KIN-347	Nutrition

Total **61**

CRITERIA FOR GRADUATION: *Students must attain the 30th percentile on a standardized test in the field.*

Students must attend a mandatory reporting workshop to graduate.

COMMUNITY HEALTH MINOR

Required Courses		Credit Hours
CHL-111	Introduction to Community Health	3
CHL-121	Global Health	3
CHL/SOC-252	Social Determinants of Health	3
CHL-263	Epidemiology	3
CHL/SOC-362	Health Care Systems and Health Policy	3
<i>Choose two of the following:</i>		6

BACHELOR OF SOCIAL WORK MAJOR & MINOR

SOCIAL WORK MAJOR *(does not require a minor)*

The Social Work Program at Cornerstone University is accredited with the Council on Social Work Education.

PROGRAM MISSION

We exist to empower students, as followers of Jesus, to become professional entry-level social workers able to competently and ethically work with diverse populations in local and global settings.

PROGRAM GOALS

Students graduating from Cornerstone's Social Work Program will:

- Demonstrate** mastery of core competencies necessary for both competent entry-level generalist social work practice and advanced graduate social work education. These competencies include:
 - Identifying as a **professional** and conducting oneself accordingly
 - Acting in accordance with the **values** of the social work profession
 - Applying **critical thinking** to inform professional judgements
 - Understanding and engaging with **diverse** populations
 - Advancing **human rights** and **social justice**
 - Utilizing and engaging in **research** to inform practice
 - Applying knowledge of **human behavior in the social environment**
 - Engaging in **policy** practice to advance social and economic justice
 - Responding to the **contexts** that shape practice
 - Applying the **generalist problem solving model** in a variety of settings with individuals, families, groups, communities and organizations
- Integrate** their **Christian worldview** confidently with social work practice in a **global** context.

ADMISSION TO THE PROGRAM

Students who choose to major in social work must make formal application to the social work program. Applications should be submitted to the social work program director anytime after taking SWK-111, Introduction to Social Work. Students must be admitted to the program before registering for the spring semester of their junior year. Students must meet the following criteria for acceptance into the program:

- Students must have a cumulative G.P.A. of 2.0 or above.
- Students must earn and maintain a 2.5 average or greater in social work and cognate courses taken. Social Work majors receiving a C- or less in any Social Work course will be required to take that course over in order to graduate.
- Students must complete a written application which includes a statement describing the student's interests, goals, strengths, areas of improvement and commitment to the profession.
- Three reference forms must accompany the application. These will include one from a non-relative, a faculty member outside the social work department and at least one from an employment or volunteer experience related to the field.
- Once the application and references are received, the student must schedule and complete an entrance interview with the social work faculty.

Applicants will be notified of their acceptance within a week of completion of the application process. Applicants who are not accepted to the program will be advised as to an alternate field of study. Students may reapply to the program upon written documentation that previous deficiencies were corrected.

A grievance or appeal to the chair of the Social Science Division should be made in writing. Students will receive a response to their appeal or grievance within two weeks.

The Social Work Program reserves the right to request a student to withdraw from the Social Work Program if academic performance, ethical or professional behavior or emotional or physical health indicates that the student may not successfully complete the program or jeopardize the well-being of clients served.

General Education Core: Requirements for the Bachelor of Arts degree are listed in the Degree Information section (see page 52).

GENERAL EDUCATION CORE EXCEPTIONS

Required Courses	Credit Hours
PSY-111 General Psychology**	3
One of the following*:	4
BIO-151 General Biology	
BIO-161 Human Biology (<i>preferred</i>)	
BIO-241 Anatomy and Physiology I	
BIO-242 Anatomy and Physiology II	
Total General Education Core.	44-55

*Fulfills lab science

**Fulfills social science

REQUIRED SOCIAL WORK COURSES (No Minor Required)

Required Courses	Credit Hours
ECN-231 Macroeconomics	3
PSY-355 Integrated Statistics/Research I	3
PSY-356 Integrated Statistics/Research II	3
SOC-111 Introduction to Sociology	3
SOC-243 Social Problems	3
SSC-211 American Government	3
Upper Level Elective in SWK, PSY, FAM or SOC	3
SWK-111 Introduction to Social Work	3
SWK-221 Human Behavior in the Social Environment I	3
SWK-222 Human Behavior in the Social Environment II	3
SWK-311 Social Welfare Policy	3
SWK-331 Social Work Practice I: Individuals and Families	3
SWK-332 Social Work Practice II: Groups	3
SWK-333 Social Work Practice III: Communities and Organizations	3
SWK-411 Ethical Decision Making in Social Work	3
SWK-417 Human Diversity	3
SWK-450 Field Practicum I	5
SWK-451 Field Practicum Seminar I	1
SWK-460 Field Practicum II	5
SWK-461 Field Practicum Seminar II	1
SWK-462 Capstone Seminar: Social Work	3
Total	63

CRITERIA FOR GRADUATION: *Students must:*

- *Attain the 30th percentile on Senior Assessment exam.*
- *Attend a mandatory reporting workshop.*
- *Complete a social work portfolio that demonstrates proficiency in all required social work competencies. Students must include graded rubrics from signature assignments and other evidence as support of their assessment of proficiency in each competency.*
- *Schedule and complete an exit interview with social work faculty during the last semester of their senior year.*

SOCIAL WORK MINOR

Required Courses	Credit Hours
SOC-243 Social Problems	3
SWK-111 Introduction to Social Work	3
SWK-221 Human Behavior in the Social Environment I	3
SWK-222 Human Behavior in the Social Environment II	3

Child Welfare Certificate

The Social Work Program is approved by the State of Michigan to offer a Child Welfare Certificate. Those interested in working with children and families may be interested in pursuing this. To be eligible students must complete the requirements for the social work major and complete the following courses:

SWK-346 Child Welfare	3
SWK, PSY, or FAM elective approved by SWK faculty	3

Additionally, students must complete 440 hours of field work (SWK-450 and 460) in an approved state child welfare agency. Note: placements in an approved child welfare agency may be limited and/or placement is ultimately at the discretion of the Field Coordinator. Social Work majors interested in obtaining the Child Welfare Certificate should consult with their respective social work advisor.

Additionally, students must

1. Be formally admitted into the Social Work Program
2. Have and maintain a minimum of a 3.00 GPA in all professional coursework (This includes all social work classes and any electives relative to the Child Welfare Certificate)
3. Successfully complete with a minimum final grade of B, SWK 346 - Child Welfare
4. Successfully complete one of the following elective courses with a minimum final grade of B:
 - FAM 451 Marriage and Family Counseling
 - PSY 237 Child Psychology
 - PSY 238 Adolescent Psychology
 - PSY 353 Abnormal Psychology
 - PSY 443 Creative Therapies I: Play and Story
 - PSY 444 Creative Therapies II: Art and Music
 - SOC 432 The Family
 - SWK 344 Substance Abuse (SOC-344)
 - SWK 480 Advanced Topic - Domestic Violence

SOCIOLOGY MINOR

Required Courses	Credit Hours

COURSE DESCRIPTIONS

DEPARTMENT AND LEVEL/COURSE NAME

CREDITS/FREQUENCY
(See page 59 for codes)

COMMUNITY HEALTH

CHL-111 Introduction to Community Health 3/2

A foundational course that introduces students to the history, philosophy, and core concepts, tools, and practices of community health.

CHL-121 Global Health 3/2

Examines the relationship between health and economic status as well as social determinants of health in low and middle-income countries (e.g., gender, education, environmental conditions), focusing on nutrition, maternal health, and child health.

CHL-252 Social Determinants of Health (SOC-252) 3/2

An examination of factors other than individual behaviors that affect health and illness. Includes a discussion of individual resources (e.g., education, occupation, and income), neighborhood resources (e.g., transportation, public safety, types of food available, housing), and the impact of broader societal factors, such as environment, racism, and the economic system on health and illness. *Prerequisite: CHL-111 and CHL-121*

CHL-263 Epidemiology 3/2

Conceptual approach to epidemiology. Introduces students to history, philosophy, and ethics of epidemiology. Emphasizes the application of epidemiology (description, association, and causality) to community health policy and practice (e.g., monitoring and evaluating community health programs). *Prerequisite: MAT-110*

CHL-362 Health Care Systems and Health Policy (SOC-362) 3/2

An examination of global and domestic health care systems and policies. Overview of the Affordable Care Act and Millennium Development Goals (for global health policy). *Prerequisite: CHL-111 and CHL-121*

CHL-380 Internship 3-4/1

Prerequisite: SOC-417, 12 credit hours in CHL

CHL-400 Capstone Seminar: Community Health 3/2

(Practicum experience during which students will work on health promotion projects of interest to CU student population). This will require application of Community Health knowledge/skills to promote healthy choices (Examples include: HIV/AIDS, sexuality, intimate partner violence, eating disorders, and substance use/abuse). Ethical considerations of health promotion/research will be included in the course. *Prerequisite: Senior Status*

FAMILY STUDIES

FAM-211 Introduction to Relationships 3/2

This course studies the formation, maintenance and termination of relationships before marriage. Issues such as self in relationship, family background, gender and personality differences are examined in friendships, dating and marriage. An emphasis will be placed on establishing healthy communication patterns, resolving conflict and setting realistic expectations to enhance long-lasting relationships.

FAM-280 Special Topics 3

FAM-346 Child Welfare (SWK-346) 3/4

The examination of the philosophy of child welfare as a specific field in human services and a comprehensive overview of the programs, legislative provisions, policies, and services which comprise child welfare institutions. This course emphasizes the importance of culture and diversity as a major force in the delivery of child services. *Prerequisite: PSY-111 or SOC-111.*

FAM-380 Internship 1-6/4

FAM-400 Capstone Seminar: Family Studies (PSY-400) 3/2

This required capstone course provides senior Family Studies majors the opportunity to explore and critically discuss seminal research in Family Studies, the integration of Family Studies and the Christian worldview, ethical responsibilities of family practitioners, and current trends in research and practice. Attention will also be given to preparation for graduate school and professional employment. *Prerequisite: Senior standing. [Students will prepare a comprehensive portfolio and discuss key issues related to interviewing and applying for jobs and graduate school admission. Each senior seminar group will also work collaboratively in a service learning project to emphasize the importance of ministry and outreach in the psychological profession. Prerequisite: FAM or PSY-355/356. Course fee: \$50.00.*

FAM-451 Marriage and Family Counseling 3/2
This course provides an overview of the fields of premarital, marital and family counseling. Students are introduced to the unique contributions of the major theoretical approaches, with the intent to help the beginning counselor to develop basic skills necessary for clinical work. *Prerequisite: FAM-211.*

FAM-480 Advanced Topics 3

PSYCHOLOGY

PSY-111 General Psychology 3/1
A basic introduction to psychology covering influential people, concepts, theories and methods. Topics include development, personality, perception, learning, biopsychology, psychological disorders, and treatment.

PSY-232 Developmental Psychology K-12 3/2
An exploration of human development from conception through the high school years, focusing on implications for student learning and educational contexts. Students will examine major psychological theories and research, focusing on cognitive, social-emotional, physical and spiritual development in the first 18 years of life. Special attention will be given to topics that are highly relevant to teachers, including language development, learning/memory/cognitive development, the roles of play and creativity in learning, social/peer relationships, interaction of the family-school context, disabilities of childhood, and the "goodness of fit" between students and their classrooms/schools. This course is intended for future educators and cannot be used in a Psychology major/minor where Child Psychology and/or Adolescent Psychology are being used.

PSY-235 Lifespan Development Psychology 3/2
This course examines major developmental issues from conception through the end of life, from a bio-psycho-social-spiritual framework. Students will explore and apply major human development theories including, but not limited to, behaviorism, psychoanalytic, social learning, cognitive theory, psychosocial theory, and ecological theory. A variety of activities including lecture, discussion and case study application will be utilized in exploring the human lifespan.

PSY-237 Child Psychology 3/2
An exploration of human development from conception/pregnancy through childhood and into late adolescence, using a developmental-contextual framework. Students will learn major developmental theories and seminal research in the field of child psychology; they will also gain practice in applying theories to case studies, current events, and to their own developmental journey. In addition to readings, mini-lectures and discussions, students will engage in a series of practical lab activities and field trips designed to promote comprehensive understanding of how to help children develop and thrive within multi-leveled contexts. *Prerequisite: PSY-111. Course fee: \$60.00.*

PSY-238 Adolescent Psychology 3/2
An exploration of human development from tween years through adolescence and into emerging adulthood, using a developmental-contextual framework. Students will read about and discuss key adolescent development research and practical issues, including, but not limited to, puberty and sexuality, cognitive development, social/peer relationships, family influences, psychopathology associated with adolescence, educational experiences, spiritual formation, adolescent art/music/creativity, technology, and entry into the world of work and higher education. Students will also be asked to reflect on, write about and explore their own developmental journey into and through adolescence. *Prerequisite: PSY-111. Course fee: \$60.00.*

PSY-239 Adult Psychology 3/2
An in-depth study of the psychological problems and development of the person from young adulthood through end of life. *Prerequisite: PSY-111*

PSY-280 Special Topics 3

PSY-322 Theories of Personality 3/2
Addresses major theories with respect to the dynamics, structure, and development of personality. *Prerequisite: PSY-111.*

PSY-343 Psychology of Learning 3/2
What engages and motivates human learners? Which factors contribute to an effective learning process? How does one's context affect learning and growth? This course seeks to answer these questions while examining human learning across the lifespan and in various contexts, using developmental and sociocultural frameworks. Students will discuss and apply key learning theories and concepts to case studies and practical real-world scenarios. Emphasis will be on enhancing one's metacognitive awareness and understanding of one's own learning style and learning experiences as a basis for continued growth and development. Students in this course will have ample opportunity to think about and reflect on one's own learning, as well as to observe and interact with other learners. *Prerequisite: PSY-111 or consent of instructor.*

PSY-346 Child Welfare (SWK-346) 3/4
The examination of the philosophy of child welfare as a specific field in human services and a comprehensive overview of the programs, legislative provisions, policies, and services which comprise child welfare institutions. This course emphasizes the importance of culture and diversity as a major force in the delivery of child services. *Prerequisite: PSY-111 or SOC-111.*

PSY-351 Social Psychology 3/2
An examination of how individual behavior is shaped by the situation in which the behavior is emitted. This course addresses the impact of one's physical and social environment upon behavior. Behavior is broadly defined and includes cognitive processing, attitudes, decision-making, and prosocial and deviant actions. *Prerequisite: PSY-111 or SOC-111.*

- PSY-352 Health Psychology 3/2**
Students in this course will examine health and wellness from a psychological perspective, examining how biological, psychological perspective, examining how biological, psychological and social factors influence human health. Topics will include promotion of positive health practices, illness prevention, impact of stress on health, holistic treatment for health problems, coping with and reducing stress and pain, and the recovery, rehabilitation and psychosocial adjustment of people with serious and chronic health challenges. The role of Christian faith in developing and maintaining physical and mental health will be explored.
- PSY-353 Abnormal Psychology 3/2**
This course examines the major categories of psychopathology, including anxiety disorders, affective disorders, schizophrenia, personality disorders, and organic syndromes, with emphases placed on the symptoms and causes of the disorders and therapeutic methods used to treat them. *Prerequisite: PSY-111.*
- PSY-355/356 Integrated Statistics/Research I & II 6/2**
Designed to equip students with basic statistical knowledge and research skills, this course focuses on applications of these skills and competencies within the helping professions. Attention will be given to helping students become more skilled consumers of empirical research literature. In addition to lectures on basic statistical and research concepts, students will work in research teams to apply this knowledge in the context of a series of lab projects and comprehensive research project. The first semester will cover writing a research proposal, securing CU-IRB approval, basic quantitative and qualitative research design, research ethics, and survey/protocol development. In the second semester, students will gather empirical data, conduct SPSS data analysis, and prepare written and oral research reports. Students will be encouraged to seek conference presentation and/or publication of their original work. Note: This 6-credit course must be taken in sequence during consecutive semesters. Students who fail PSY-355 will not be allowed to advance to PSY-356 and must retake PSY-355. *Prerequisites: Math core, Junior or senior status.*
- PSY-362 Sport and Exercise Psychology 3/2**
This course is designed to acquaint students in psychology and kinesiology with basic interventions to enhance athletic performance and promote the physical and mental health of athletic and general populations alike. This course also examines the social psychology and psychobiology of sport and exercise.
- PSY-363 Positive Psychology: Hope, Resilience and Flourishing 3/4**
This course will provide the philosophical and theoretical framework for the entire Child and Adolescent Services concentration. Students will explore positive psychology research in areas including gratitude, hope, mindset, and human flourishing. Practical applications for intervention in working with children, adolescents and families will be explored, situated within school, community, and medical settings. *Prerequisite: PSY-111.*
- PSY-370 Child and Adolescent Practicum/Seminar 3/2**
Students will gain practical experience in a child and/or adolescent-focused setting as preparation for internship placement. Students will spend 4-5 hours weekly in the field, gaining observational and shadowing experience and volunteering directly with children/adolescents. Students will also participate in a one-hour weekly seminar where experiences, case studies, ethical challenges and other practicum experiences will be discussed and debriefed. CAS students must complete this course before applying for their internship.
- PSY-380 Internship 1-6/1**
Each psychology major will complete a minimum of 120 hours in an approved internship setting, under the supervision of a qualified professional. Students will work with both faculty and field supervisors to develop and work toward learning objectives relevant to the psychology disciplines and to their chosen career path. *Prerequisite: PSY-111.*
- PSY-400 Capstone Seminar: Psychology 3/2**
This required capstone seminar provides senior psychology majors the opportunity to explore and critically discuss seminal research in psychology, the integration of psychology and the Christian worldview, ethical responsibilities of psychologists, and current trends in research and practice. Attention will also be given to preparation for graduate school and professional employment. Students will prepare a comprehensive portfolio and discuss key issues related to interviewing and applying for jobs and graduate school admission. Each senior seminar group will also work collaboratively in a service learning project to emphasize the importance of ministry and outreach in the psychological profession. *Prerequisites: FAM or PSY-355/356, Senior status. Course fee: \$50.00.*
- PSY-421 Theories of Counseling 3/2**
This course offers an overview of current approaches to psychological counseling, including psychodynamic, person centered, behavior, cognitive and reality therapy. Major Christian approaches to counseling are also examined with emphasis on theory and practical application. *Prerequisite: PSY-111.*
- PSY-422 History and Systems of Psychology 3/2**
An advanced study of the philosophical, socio-cultural and historical foundations of psychology, presenting the people, ideas, and influences that have contributed to the modern-day science and practice of psychology. *Prerequisite: PSY-111.*
- PSY-441 Physiological Psychology 3/2**
An exploration of the complex interplay between physiological structures/processes and human behavior. Focus topics include the neurological basis of psychological disorders, motor function, language, memory, learning and emotion. Emphasis will be given to gaining a basic understanding of neurological disorders. *Prerequisites: PSY-111, Junior or Senior status.*

PSY-443	Creative Therapies I: Play and Story	3/J-term/Summer
This experiential learning seminar investigates the historical development, theoretical grounding, empirical research, and practical techniques of play therapy with children, adolescents, adults, families and groups. Emphasis is given to exposing students to a broad range of specific therapeutic techniques with various populations. Creative therapies including art therapy, bibliotherapy, and animal-assisted therapy will also be addressed. <i>Prerequisite: PSY-111 or PSY-232 OR instructor approval. Course fee: \$60.00.</i>		
PSY-444	Creative Therapies II: Art and Music	3/J-term/Summer
This advanced psychology seminar examines the history, theory, individuals and techniques within the realm of art therapy and music-based therapies. This course strongly emphasizes experiential learning, with each student engaging actively in a variety of creative art-based projects and activities. This seminar is designed both to enhance academic knowledge, as well as to encourage personal growth and development. <i>Prerequisite: PSY-111, PSY-232 or instructor approval. Course fee: \$60.00.</i>		
PSY-448	Cross-Cultural Psychology	3/4
A study of the multicultural components of human behavior, mental processes, and spirituality. Special attention will be given to research on cross-cultural aspects of critical thinking, perception, emotional states and expression, psychological disorders, cross-cultural social interaction, and spirituality. Applications to cross-cultural service will be discussed.		
PSY-470	Readings in Psychology	1-3
PSY-480	Advanced Topics Seminar	3/6
PSY-490	Independent Study	1/3

SOCIOLOGY

SOC-111	Introduction to Sociology	3/1
Introduction to the general field of sociology. This course includes an overview of several subfields of sociology. Basic theoretical perspectives of sociology are used to provide an explanation of basic institutions and social processes.		
SOC-243	Social Problems	3/2
The study of social problems that are institutional in nature and of policies implemented to alleviate the problems. The course includes a discussion of causes, consequences, and intervention strategies used by private and governmental agencies. <i>Prerequisite: SOC-111.</i>		
SOC-252	Social Determinants of Health (CHL-252)	3/2
An examination of factors other than individual behaviors that affect health and illness. Includes a discussion of individual resources (e.g., education, occupation, and income), neighborhood resources (e.g., transportation, public safety, types of food available, housing), and the impact of broader societal factors, such as environment, racism, and the economic system on health and illness. <i>Prerequisite: CHL-111 and CHL-121.</i>		
SOC-280	Special Topics	3
SOC-344	Substance Abuse (SWK-344)	3/2
The impact of substances including alcohol, marijuana, and cocaine upon individuals, families, and communities is studied. The causes, scope, policy issues, and methods of preventing chemical dependence are investigated. Places emphasis upon developing assessment and treatment skills. <i>Prerequisites: PSY-111 or SOC-111, Junior status.</i>		
SOC-346	Child Welfare (SWK-346)	3/4
The examination of the philosophy of child welfare as a specific field in human services and a comprehensive overview of the programs, legislative provisions, policies, and services which comprise child welfare institutions. This course emphasizes the importance of culture and diversity as a major force in the delivery of child services. <i>Prerequisite: PSY-111 or SOC-111.</i>		
SOC-351	Sociology of Small Groups (COM-321)	3/2
A study of general and specific group communication theories and their relationship to communication in a variety of settings. Topics include group formation, cohesiveness, groupthink, norms, leadership, decision making and conflict. Students become better leaders and participants through a variety of experiential learning opportunities. <i>Prerequisite: SOC-111.</i>		
SOC-352	Inter-Cultural Communication (COM-311)	3/6
A study of the programs of oral and written communication in world areas where cultural or linguistic boundaries must be crossed. <i>Prerequisite: SOC-111.</i>		
SOC-353	Social Psychology	3/2
An examination of how individual behavior is shaped by the situation in which the behavior is emitted. This course addresses the impact of one's physical and social environment upon behavior. Behavior is broadly defined and includes cognitive processing, attitudes, decision-making, and prosocial and deviant actions. <i>Prerequisite: PSY-111 or SOC-111.</i>		
SOC-362	Health Care Systems and Health Policy (CHL-362)	3/2
An examination of global and domestic health care systems and policies. Overview of the Affordable Care Act and Millennium Development Goals (for global health policy). <i>Prerequisite: CHL-111 and CHL-121.</i>		
SOC-380	Internship	1-6/1
Practical experience. Students apply the theories, concepts, or research skills learned in sociology. Internships can be performed in a social agency or another setting that affords students an opportunity to interface theory with practice. Examples of internships include work in social agencies or applied sociology (sociological research).		

SOC-417	Minorities (SWK-417)	3/2
Comparative study of ethnic and racial minorities. This course explores the history of majority-minority relationships, the current status of minorities, and subcultural differences. Students learn the importance of appreciating subcultural differences and the implications of those differences for multi-cultural settings. <i>Prerequisites: SOC-111 and SOC-243 or SOC/CHL-252.</i>		
SOC-432	Sociology of the Family	3/2
An examination of the institution of the family. Issues confronting the family, changes the family is undergoing, and the family life cycle are discussed. <i>Prerequisite: SOC-111.</i>		
SOC-441	Gerontology (SWK-441)	3/4
An interdisciplinary approach to the study of aging. This course provides a comprehensive view of the physiological, social, and psychological dimensions of the aging process. <i>Prerequisite: SOC-111.</i>		
SOC-470	Readings in Sociology	3/1
SOC-480	Advanced Topics Seminar	3/6
SOC-490	Independent Study	1-3/1

SOCIAL WORK

SWK-111	Introduction to Social Work	3/1
An introduction to the history of social work as a profession from its Judeo-Christian origins to current trends and influences. An overview of professional social work education including an introduction to social work values and ethics, generalist practice theory, social welfare policy, populations at-risk, social work roles and various practice settings.		
SWK-221	Human Behavior in the Social Environment I	3/2
The study of theories and knowledge of human behavior and bio-psycho-social-spiritual development from birth to young adulthood. Application of social systems theory in the analysis of the interactions between human behavior and social environmental structures. Attention is given to the role of culture, race, ethnicity, social class, gender and sexual orientation in human development and behavior. <i>Prerequisites: PSY-111, SOC-111, SWK-111, BIO-151 or BIO-241 or BIO-242.</i>		
SWK-222	Human Behavior in the Social Environment II	3/2
The study of theories and knowledge of human behavior and bio-psycho-social-spiritual development from middle to late adulthood. Application of social systems theory in the analysis of the interactions between human behavior and social environmental structures. Attention is given to the role of culture, ethnicity, social class, race, gender and sexual orientation in human development and behavior. <i>Prerequisite: SWK-221. Course Fee: \$25.</i>		
SWK-280	Special Topics	3
SWK-311	Social Welfare Policy	3/2
A survey and analysis of the political, social, cultural and economic forces that influence the development of welfare policies in the United States. The impact of these policies on various populations at risk (including but not limited to those distinguished by age, ethnicity, culture, class, religion and physical or mental ability) is examined. Students develop and articulate their own perspectives on social welfare and the implications for generalist social work practice. <i>Prerequisites: SWK-111, SOC-243, SSC-211, ECN-231. Course fee: \$60.00.</i>		
SWK-331	Social Work Practice I: Individuals and Families	3/2
Direct practice skills essential for the generalist social worker. Interviewing and assessment skills, case management, crisis intervention, ethical decision making methods are applied to case situations. Students are introduced to the generalist Intervention Model with considerations for practice with diverse and vulnerable client populations. <i>Corequisite: SWK-221, Prerequisites: SWK-111, Admission to the SWK Program, Junior status.</i>		
SWK-332	Social Work Practice II: Groups	3/2
This course builds on the first practice course emphasizing social work practice with individuals and families and provides greater focus on the application of generalist practice knowledge, values, and skills in service delivery to groups. Students review the origins of group work as a social work intervention method; stages of group development; and the group dynamics likely present during those stages. Additionally, students study and practice techniques for the implementation and facilitation of various types of groups at varying stages. This also includes discussion of knowledge and skills related to effective group work with diverse client populations. <i>Prerequisites: SWK-331, admission to the SWK Program.</i>		
SWK-333	Social Work Practice III: Communities & Organizations	3/2
Indirect practice and intervention skills essential for the generalist social worker: community organization and development, social planning, social action and social administration. Focuses on the interplay between the individual and the macro environment and viewed from the perspective of the direct service provider seeking resources for vulnerable or oppressed client populations. <i>Prerequisites: SWK-332, admission to the SWK Program.</i>		
SWK-344	Substance Abuse (SOC-344)	3/2
The impact of substances including alcohol, marijuana, and cocaine upon individuals, families, and communities is studied. The causes, scope, policy issues, and methods of preventing chemical dependence are investigated. Places emphasis upon developing assessment and treatment skills. <i>Prerequisites: PSY-111 or SOC-111, Junior status.</i>		

- SWK-346 Child Welfare (SOC-346, FAM-346, PSY-346) 3/4**
The examination of the philosophy of child welfare as a specific field in human services and a comprehensive overview of the programs, legislative provisions, policies, and services which comprise child welfare institutions. This course emphasizes the importance of culture and diversity as a major force in the delivery of child services. *Prerequisites: PSY-111 or SOC-111.*
- SWK-411 Ethical Decision Making in Social Work 3/2**
This course provides a more in-depth analysis of the Social Work Code of Ethics and overviews frameworks for ethical decision-making. The emphasis is on improving students' ability to more readily identify ethical problems and thoughtfully work through these issues through the use of case studies. *Prerequisites: PHI-211, Junior status.*
- SWK-417 Human Diversity (SOC-417) 3/2**
Comparative study of ethnic and racial minorities. This course explores the history of majority-minority relationships, the current status of minorities and subcultural differences. Students learn the importance of appreciating subcultural differences and the implications of those differences for multicultural practice settings. *Prerequisites: SOC-111, and SOC-243 or SOC-252.*
- SWK-441 Gerontology (SOC-441) 3/4**
An interdisciplinary approach to the study of aging. This course provides a comprehensive view of the physiological, social and psychological dimensions of the aging process. *Prerequisite: SOC-111.*
- SWK-450 Field Practicum I 5/2**
Students are placed in a community agency (minimum of 220 hours) under the supervision of a professional social worker. Opportunities are provided to integrate the knowledge, values, and skills of generalist practice in the field setting with client systems that may include: individuals, families, small groups, organizations and communities. Emphasis is on the enhancement and well being of diverse and vulnerable populations and working towards the amelioration of environmental conditions that affect people adversely. *Prerequisites: Admission to the SWK Program and faculty approval, must have completed or be enrolled in all required SWK practice courses, must be taken concurrently with SWK-451, must have Senior status.*
- SWK-461 Field Practicum Seminar I 1/2**
A seminar, held on campus, in which students may share practicum experiences, integrate theoretical knowledge, consider ethical and value issues, and practice mutual support and supervision. Emphasis is on the understanding of oneself in the helping role and developing cultural sensitivity in working with diverse individuals, families, groups, and communities. *Note: Must have completed, or be enrolled in, all required SWK practice courses and must be taken concurrently with SWK-450. Course fee: \$5.00.*
- SWK-460 Field Practicum II 5/2**
Students are placed in a community agency (minimum of 220 hours) under the supervision of a professional social worker. Opportunities are provided to integrate the knowledge, values, and skills of generalist practice in the field setting with client systems that may include: individuals, families, small groups, organizations and communities. Emphasis is on the enhancement and well being of diverse and vulnerable populations and working towards the amelioration of environmental conditions that affect people adversely. *Prerequisites: Admission to the SWK Program and faculty approval, must have completed, or be enrolled in, all required SWK courses, and must be taken concurrently with SWK-461, must have Senior status.*
- SWK-461 Field Practicum Seminar II 1/2**
A seminar, held on campus, in which students may share practicum experiences, integrate theoretical knowledge, consider ethical and value issues, and practice mutual support and supervision. Emphasis is on the understanding of oneself in the helping role and developing cultural sensitivity in working with diverse individuals, families, groups, and communities. *Note: Must have completed, or be enrolled in, all required SWK courses and must be taken concurrently with SWK-460.*
- SWK-462 Capstone Seminar: Social Work 3/2**
This course serves as the capstone to the Social Work Program. Its primary emphasis is on professional development and self-evaluation in the context of the social work competencies. Students also focus on social work practice and the integration of various competencies through the use of a problem based learning approach. Content related to Christian worldview and social work practice is infused throughout the full semester in order to encourage professional development. Finally, opportunities to gain knowledge and skills associated with employment and graduate school are provided. Course fee: \$25.00.
- SWK-480 Advanced Topics 3/6**
An elective course on a selected topic related to social work generalist practice. May include current issues or trends, special populations or advanced practice skills. *Prerequisites: Junior or Senior status.*
- SWK-490 Independent Study 1-3/1**
An elective course requiring student research and a written report on a specific area of interest related to social work practice. The topic is selected by the student with final approval and supervision by Social Work faculty. *Prerequisite: Faculty approval.*

TEACHER EDUCATION DIVISION

Laurie Burgess
*Division Chair, Director of
Teacher Education*

The Teacher Education Division advances the mission of Cornerstone University by preparing students to influence culture as highly qualified teachers in Public, Christian, and International schools. The program combines academically rigorous coursework in education and the liberal arts with practical teaching experience in general and special education at elementary and secondary schools. In addition, education students have the option of completing a portion of their directed teaching practicum as a cross-cultural experience in selected schools around the world.

Cornerstone University's Teacher Education program is accredited by North Central Association of Colleges and Schools and the Association of Christian Schools International. The program has candidate status with the Council for the Accreditation of Educator Preparation and holds exemplary classification from the Michigan Department of Education.

DEGREES

Associate of Arts (A.A.)
Bachelor of Arts (B.A.)

PROGRAMS

Early Childhood (General and Special Education) Education
Elementary Education
Secondary Education
K-12 Music
K-12 Physical Education
K-12 Learning Disabilities
K-12 TESOL (Teaching English to Speakers of Other Languages)

FACULTY

Burgess, Laurie, Assistant Professor of Education (Chair); B.A., Calvin College; M.A., Grand Valley State University; Ph.D. candidate, Western Michigan University

George, Pamela, Assistant Professor of Special Education; B.A., University of Illinois at Chicago; M.A., Northeastern Illinois University

Kronmeyer, Ronald J., Professor of Education; B.A., Hope College; M.A., Ph.D., Kent State University

Myers, Kerisa A., Associate Professor of Education; B.A., Grand Rapids Baptist College; B.S., Calvin College; M.A., Western Michigan University; Ph.D., Western Michigan University

Rich, Kristin, Assistant Professor of Education, Director of Field Experiences, B.A., Crown College; M.A., Hollins University

VanderKolk, Beth, Assistant Professor of Education; B.A., Calvin College; M.A.Ed. Calvin College

PROGRAM INFORMATION & REQUIREMENTS

ADMISSION TO THE TEACHER EDUCATION PROGRAM

Please see Teacher Education Office for current admission requirements.

Students must maintain the minimum academic (overall 2.7 G.P.A., major 2.7, and minor 2.3) and social standards required for admission during enrollment in the Teacher Education Program to be considered in good standing. Refer to the Teacher Education Program Probation Protocol in the Teacher Education Handbook and following this section regarding procedures for failure to maintain these standards. A minimum grade of “C-” is required in all courses with an EDU number, all methods courses with and without an EDU number, ENG-114, ENG-212, PSY-232, COM-112, KIN-147, MAT-312, and SCI-201. Assistance may be provided to students by their academic advisor, the teacher education faculty, the Center for Student Success and the Center for Career and Life Calling.

If circumstances warrant discontinuing a student from pursuing a Teacher Education degree, the decision can be communicated at any point: prior to or during conditional or professional status phase or student teaching, or prior to or during the student teacher practicum. For all details relating to conditional and professional status, please refer to the Teacher Education admissions requirement information, available in the Teacher Education Handbook and on the CU Portal.

POST-BACCALAUREATE STUDENTS

Post-baccalaureate students with a degree from a regionally accredited institution who are returning to college for education certification programs must also meet current admission standards, have (and maintain) a G.P.A. of 2.7 on a 4.0 scale, earn a passing score on the MTTC Professional Readiness Examination required by the State of Michigan, obtain one faculty reference and complete a professional interview with the certification officer or division chairperson. A minimum of 12 credit hours, taken at Cornerstone University and student teaching will be required. Students who have received a degree from a non-accredited institution must complete the requirements for a Bachelor’s degree while completing the Teacher Education program.

STUDENT TEACHING

One year prior to the directed teaching semester, students must apply for admission to directed teaching (EDU-481, 482, 484, 486) (Application forms are available on the Portal). Cut-off dates for applications are the second Wednesday in October for the following fall semester and the second Wednesday in February for the following spring semester. A late fee will be required of students who do not submit all application components for student teaching by the required deadline for the appropriate semester. Placement for the Directed Teaching Practicum is restricted to a 50-mile radius of the university.

Students must be in good standing in the program, which includes a minimum 2.7 G.P.A. in major and overall, and a 2.3 in minor (triple minor – two content area minors = 2.7), must have completed all other requirements for graduation, and must have passed the Professional Readiness Exam and subject area test (see page 181-182 for further details of the Michigan Test for Teacher Certification as required by the State of Michigan). All course work must be completed prior to directed teaching. A minimum of “C-” is required in all courses with an EDU number, all methods courses with and without an EDU number, ENG-114, ENG-212, PSY-232, COM-112, KIN-147, MAT-312, and SCI-201.

As part of the application, students must be accepted for placement by their prospective cooperating teacher. Students will be asked specific questions required by the State of Michigan regarding felonies or misdemeanors and prior revocation of a teaching certificate at three points: time of application to the Teacher Education Program, prior to the directed teaching semester, and before recommendation for certification. If there is a positive response to a question, the university has the option of recommending or not recommending a student for certification based on the information given. In such cases, the decision of the State Board of Education is final. Failure to disclose such information to the university practicum supervisor may result in termination of the placement, failure of the practicum, and/or lack of Michigan certification. As a representative of Cornerstone University, each student is expected to adhere to professional dress, grooming, etiquette and conduct.

1. A student must be admitted into the Teacher Education program and be in good academic standing to enroll and participate in methods courses and/or upper level EDU courses.
2. A student must turn in a completed program evaluation when applying for Directed Teaching internship. This process begins one full year before the scheduled term of student teaching. Application deadlines are posted on the Portal. Students who turn in applications after the deadline will be charged a late fee.

3. Placement for the Directed Teaching Practicum is restricted to a 50-mile radius of the university.
4. A student must maintain the required minimum GPA in his/her major(s) (2.7), minor (2.3; triple minor students GPA requirement of 2.7 is based upon the two content area minors) and a cumulative GPA (2.7) for the Director of Field Experiences to begin the process of locating, and solidifying a teaching placement. If a student has a GPA that falls below that minimum requirements, he/she must withdraw from registering for student teaching until mandatory GPA requirements are reached.
5. Student teaching placements will be forfeited by any student that allows his/her GPA to drop below the minimum requirements at any time before the onset of the teaching internship. Students will then need to resubmit an application and begin the student teaching placement process over again from the start of the placement process.
6. Students on **“Teacher Education Program Probation”** may not initiate arrangements for student teaching placements with cooperating teachers and/or administrators and an internship placement cannot begin to be located during the student’s time on probation.
7. Students must have passed and have results on file in the teacher education office for the MTTC subject area test in their major(s) and minor(s) according to the current MTTC policy prior to the start of student teaching. Failure to pass any of the tests or have results submitted prior to the start of the internship will result in a delay in the student teaching process until the next term.

PLEASE NOTE: Students who have not demonstrated the qualities necessary for the teaching profession as well as a “readiness for student teaching,” may be asked to discontinue the student teaching and education programs.

Any intern terminated from a practicum or student teaching placement will complete a Professional Growth Plan under the guidance of the Director of Field Experiences (EDU 488). This plan usually takes a minimum of one academic semester to complete and is individualized to focus on the needs of the intern and the issues that led to the placement termination. A student released from a placement will not be eligible to continue in their practicum or internship, in another setting, within the same academic semester as the dismissal.

An additional internship (EDU 488), prior to student teaching, can also be required for students who may need more time to develop skills and/or abilities following their Teacher Assistance Practicum (TAP). It is recommended that students plan to take TAP two semesters prior to student teaching. However, if TAP is taken the semester before the student’s planned student teaching internship, this additional practicum would mean that the student teaching would be delayed one semester. During the EDU 488 internship, individual goals and objectives will be the focus of the internship and one-on-one support will be provided to the intern throughout the term.

ONLINE, CORRESPONDENCE COURSE, CLEP TEST POLICY & MTTC REQUIREMENTS

Policy

- Teacher Education students must have all online, correspondence courses and/or CLEP tests completed by the end of the term one year prior to their student-teaching term.

In other words, online, correspondence and/or CLEP tests are not permitted to be taken or completed the term directly prior to the student teaching term. Please note: The spring/summer semester will count as one term.

- All courses enrolled in the term prior to student teaching should be completed at Cornerstone University.

Note: Students will be required to submit a written proposal for outstanding courses one year prior to student teaching.

MTTC TESTS

Teacher Education students **must take and pass** the following MTTC subject area tests during the earliest testing date of their last term of coursework **prior** to student teaching. Ninety percent of course work in the major/minor must be completed in order to meet MTTC’s eligibility requirement to register and take the tests.

- **Secondary students must take and pass** the subject area tests for their major PRIOR to the end of the term directly before student teaching.
- **All elementary students must take and pass** the **Elementary MTTC test (#103)** PRIOR to the end of the term directly before student teaching **along with one content area test** (major or minor).
- **Learning Disability majors** (elementary or secondary track) **must take and pass** the Learning Disabilities test prior to EDU-434 and EDU-48* as well as their content minor test. Elementary LD track students must also pass the Elementary test PRIOR to EDU-434.
- For increased marketability, the Teacher Education Department strongly recommends education students take all subject area tests while still enrolled in classes and when 90% of course work is complete. Students tend to have a higher passage rate on most subject area tests while still enrolled in classes prior to student teaching.

Note: Student Teaching placements will be delayed for failure to follow this timeline and/or failure to pass the required MTTC subject area tests.

TO INCREASE POTENTIAL FOR PASSING THE TESTS, STUDENTS ARE RECOMMENDED TO ONLY TAKE ONE CERTIFICATION TEST PER DAY.

Registering for the MTTC:

Fall Student Teaching

If you are planning on student teaching during a fall semester, you should register to take the MTTC tests during the first available date (listed on the MTTC website) of the previous spring term.

Spring Student Teaching

If you are planning on student teaching during a spring semester, you should register to take the MTTC tests during the first available date (listed on the MTTC website) of the previous fall term.

Please visit the MTTC website (www.mttc.nesinc.com) for further information including sample tests, test objectives and study guides. Students are encouraged to form study groups to prepare for tests or contact teacher.ed@cornerstone.edu to inquire about faculty in subject areas who may be available to help with test preparation. Please find additional information (e.g. electronic study guides) on the Portal under Undergrad Divisions, then to Teacher Education and MTTC Testing Information.

TEACHER EDUCATION PROGRAM PROBATION PROTOCOL

The division of Teacher Education is passionate about preparing our students to serve as highly qualified teachers. Therefore, it is vital that students pursuing a teaching degree establish high academic standards throughout their academic career.

Students applying for admittance into the Teacher Education program must possess the following minimum G.P.A. requirements:

- 2.7 Overall/Cumulative

**Institutional requirements for graduation are 2.5 overall and major; 2.0 minors, but the Teacher Education Department monitors their internal policy for practicum and program admission as stated above.*

Teacher Education policy:

- 2.7 Major(s)
- 2.3 minor(s)
 - Triple minors: 2 content areas of the 3 minors must equal 2.7

Once a student has been admitted into the Teacher Education program, these minimum G.P.A.s must be maintained throughout the student's academic career. G.P.A.s will be checked at the end of each semester.

The following procedure will result if a student's overall and/or major G.P.A. drops below a 2.7 and/or the minor(s) drops below a 2.3.

1. The student and his or her academic advisor will be notified by letter and email of the status of his/her G.P.A.
2. The student must submit a written plan of improvement which includes specific actions/strategies to be implemented in order to raise his/her G.P.A.
 - a. A hard copy of the plan must be submitted to the Teacher Education office by the first day of the next academic semester.
 - b. A copy of the improvement plan will be kept in the student's file.
 - c. Failure to submit a plan of improvement may result in a meeting with the division chair.
3. The student will have one academic semester to re-establish the required G.P.A.
 - a. During that semester, the student will be placed on **"Teacher Education Program Probation"** within the Teacher Education division and the student will not be allowed to register for methods courses and/or upper level EDU courses.

"Teacher Education Program Probation" is a probationary period where a student is given the opportunity and supported in re-establishing academic success. Unless otherwise indicated, "Teacher Education Program Probation" is for a period of one semester.
4. The student must schedule and attend an appointment with his/her advisor to discuss his/her academic progress.
 - a. This appointment should take place around mid-term. Feedback by the division chair may be requested from the academic advisor concerning this meeting.
 - b. The Division Chair may schedule meetings in addition to those set by the advisor.
5. At the conclusion of the semester, the student's G.P.A. will be reviewed.
 - a. If the minimum G.P.A. requirements are re-established, the student will receive a letter indicating his/her removal from "Teacher Education Program Probation" and granted permission to register for upper-level EDU courses.
 - b. If the minimum G.P.A. requirements are not reached, but academic improvement has been demonstrated, the division chair may extend the student's **"Teacher Education Program Probation"** for one additional semester.
 - i. The student will receive a letter stating the extension of the **"Teacher Education Program Probation"** period.
 - ii. Steps 2 through 4 will be applied.
 - iii. Optional: At mid-term, professors for each course may be asked to complete an *Academic Improvement Midterm Evaluation Form*.

- c. If the minimum G.P.A. requirements are not reached and academic improvement has not been demonstrated, the student will no longer be eligible for participation in the Teacher Education Program. An Academic Program Denial letter will be sent to the student and the approval code for registering for education classes and the Teacher Education Program will be removed from the student's Datatel record.
- d. Readmission to the Teacher Education Program is possible once a student has acquired and maintained the minimum G.P.A. requirements for two consecutive academic semesters. If the student does not have **two** consecutive academic semesters left, the division chair will review an alternative plan with the student. The student's request for readmission will be presented to the Teacher Education division for approval.
- e. Readmission requirements:
 - i. Letter from student requesting readmission.
 - ii. Recommendation letter or email from academic advisor supporting the student's readmission.
 - iii. Final decision made by the Teacher Education Professional Committee.

RECOMMENDATION FOR CERTIFICATION

A student is considered a program completer when (a) all institutional academic and other requirements such as establishing eligibility for certification recommendation have been met, and (b) the minimum number of state certification tests for the teaching field desired have been passed. Students who meet all the standards and requirements of the Teacher Education program and the State of Michigan are eligible to apply for certification and to be recommended to the State Board of Education. Students who wish to be considered a program completer of Cornerstone University should make application for certification. Since the State of Michigan requirements are subject to periodic change, students must meet State of Michigan requirements and Teacher Education Department requirements for teacher certification in effect at the time application is made for certification.

The State of Michigan requires the passing of competency tests in the subject areas in which the student is planning to seek certification. Students with questions are encouraged to contact the certification officer. State test information is available at www.mttc.nesinc.com.

When signing up for the Michigan Test for Teacher Certification (MTTC), use the following codes for choosing the correct test for your major(s) or minor(s):

CU SUBJECT	LEVEL	MTTC CODE #	ENDORSEMENT CODE
Biology	Secondary	17	DA
Chemistry	Secondary	18	DC

GENERAL EDUCATION CORE FOR TEACHER EDUCATION *(Required for both elementary & secondary)*

General Education Core

Required Courses	Credit Hours
COM-112 Communication In Culture.....	3
ENG-212 Writing In Culture	3
HIS-114 World Civilization II.....	3
IDS-101 Creativity, Innovation and Problem Solving.....	2
IDS-103 CU Foundations I.....	1
IDS-104 CU Foundations II	1
KIN-100 Total Fitness and Wellness	2
PHI-211 Philosophy In Culture	3
PSY-232 Developmental Psychology (required by the State of Michigan)	3
REL-104 Old Testament Literature	3
REL-204 New Testament Literature	3
REL-352 Christian Beliefs and History.....	3
SCI-311 Science In Culture (Biology majors should take BIO-400 Biological Perspectives, Integrated Science SCI-400).....	3
English Competency	0-6
Foreign Language (See "Language Requirement").....	0-8
Math Competency	0-9
Total.....	33

Elementary Students Only

Required Courses	Credit Hours
EDU-233 Introduction to Special Education and Field Experience.....	3
EDU-321 Children's Literature	3
EDU-264 Visual and Performing Arts for Elementary Teachers	3
HIS-115 American Studies (<i>Social Studies majors & History majors and minors should not take HIS-115 because HIS-221 & HIS-222 are required.</i>) ..	3
KIN-147 Physical and Health Education for Classroom Teachers (<i>Physical Education majors and minors should take KIN-357.</i>)	2
MAT-312 Elementary Mathematics & Methods and Field Experience.....	4
SCI-201 * Integrated Science for Elementary Teachers (<i>physical education majors and minors take BIO-241</i>).....	3
Total.....	24

**If students remain in the Elementary Education program, SCI-201 and EDU-450 meet the lab science requirement. If they leave the Elementary Education program, they will need to take another lab science course.*

Secondary Students Only

Required Courses	Credit Hours
HUM-311 Imagination In Culture	3
One mathematics course (<i>MAT-110, 121, 122, 131, 132</i>)	0-3
One laboratory science course (<i>CHM-111 is required for Biology majors and minors. BIO-241 is required for Kinesiology majors and minors.</i>) ..	4
One lifetime activity course (<i>KIN-1XX</i>).....	1
Total.....	42-55

ELEMENTARY EDUCATION PROGRAMS

Students interested in elementary education should work out a program, if possible, with an education advisor. All elementary education programs require a minimum of 129 semester hours of college work, which includes the satisfactory completion of the professional education courses listed below, the general education core requirements as specified for teacher education students and completion of one of the following two options:

OPTION I - PLANNED PROGRAM (CORE/CONTENT SUBJECTS)

Take **CU CORE COURSES**

PLUS - Students who desire to select a content subject (highly qualified preparation), choose one major from the following:

- Integrated Science
- Language Arts Group
- Social Studies Group

OR - Choose one of the following triple minor combinations (recommended for K-3):

- Integrated Science; Math, Planned Program
- Integrated Science; Reading, Planned Program
- Math; Reading, Planned Program
- Reading; Language Arts
- Math; Language Arts, Planned Program
- Language Arts, Integrated Science, Planned Program

PLUS - Planned Program Minor

**(see customized Planned Program Minor for each major or minor on 4 year Advising Sheets in the Teacher Education Department)*

PLUS - Professional Education Sequence Courses:

Required Courses	Credit Hours
EDU-230 Principles/Philosophy of Education.....	3
EDU-231 School Observation Practicum.....	1
EDU-262 Educational Technology.....	3
EDU-363 Diverse Populations & Differentiated Instruction (Conditional Status required).....	2
Students must be granted Professional Status in the program before taking the following courses [see "Admission to the Teacher Education Program" for requirements].	
EDU-381 Educational Psychology.....	3
EDU-382 Teacher Assistant Practicum.....	2
EDU-430 Capstone Seminar: Directed Teaching.....	3
EDU-482 Directed Teaching Internship.....	12
Total.....	29

OPTION II - COMPREHENSIVE MAJOR PROGRAM

Take **CU CORE COURSES**

PLUS - Comprehensive Major (required):

Required Courses	Credit Hours
COM-112 Communication in Culture.....	3
EDU-264 Visual and Performing Arts for Elementary Teachers.....	3
EDU-321 Children's Literature.....	3
EDU-342 Developmental Reading & Language Arts Methods and Field Experience.....	3
EDU-445 Assessing/Correcting Reading.....	4
ENG-212 Writing in Culture.....	3
EDU-450 Elementary Science Methods.....	3
EDU-460 Elementary Social Studies Methods.....	3
HIS-114 World Civilization II.....	3
HIS-115 American Studies.....	3
KIN-100 Total Fitness and Wellness.....	2
KIN-147 Physical Education for Classroom Teachers.....	2
MAT-110 College Mathematics (Prerequisite: Qualifying scores on math placement test).....	3
MAT-312 Elementary Mathematics & Methods and Field Experience.....	4
SCI-201 Integrated Science for Elementary Teachers.....	3
SCI-311 Science in Culture (SCI-400 or BIO-400 if Biology or Integrated Science major/minor).....	3
* Foreign Language Requirement.....	0-8
Total.....	48-56 <i>(Includes double counted core courses.)</i>

PLUS - Students who desire to select a specialty area, choose one of the following majors or minors:

- Early Childhood (major or minor)
- Learning Disabilities (K-12 major) *(additional content minor required)*
- Spanish (major or minor)
- TESOL (minor)

PLUS - Professional Education Sequence Courses:

Required Courses	Credit Hours
EDU-230 Principles/Philosophy of Education.....	3
EDU-231 School Observation Practicum.....	1
EDU-262 Educational Technology.....	3
EDU-363 Diverse Populations & Differentiated Instruction (Conditional Status required).....	2
Students must be granted Professional Status in the program before taking the following courses [see "Admission to the Teacher Education Program" for requirements].	
EDU-381 Educational Psychology.....	3
EDU-382 Teacher Assistant Practicum.....	2
EDU-430 Capstone Seminar: Directed Teaching.....	3
EDU-482 Directed Teaching Internship.....	12

NOTE: The certification and graduation requirements of the Teacher Education Division of Cornerstone University may be impacted by changes enacted by the Michigan State Department of Education at any time.

SECONDARY EDUCATION PROGRAMS

Students interested in secondary education should work out a program with an education advisor or an appropriate departmental advisor in their major field. All Secondary Education programs require a minimum of 129 semester hours of college work, which includes the satisfactory completion of the professional education courses listed below, the general education core requirements as specified for teacher education students, a certifiable departmental major of not less than 30 semester hours or a group major of 36 semester hours and a certifiable departmental minor of not less than 20 semester hours or a group minor of 24 semester hours.

Group programs normally should not be elected in both the major and the minor. Students should be aware of the fields in which there is a need for teachers when selecting majors and minors and should expect to use their minors to support their majors.

Students who wish to pursue a K-12 endorsement in music, physical education or learning disabilities usually follow the secondary track requirements until they reach the professional semester. Methods classes for these endorsements must be completed satisfactorily, "C-" or better, prior to enrollment in EDU-486, K-12 Directed Teaching Internship.

Secondary Education students must select a certifiable major and minor from the following state approved major and minor programs:

MAJORS

Biology
 Communication Arts Group
 English
 History
 Integrated Science
 Integrated Science Comprehensive
 Learning Disabilities K-12
 Mathematics
 Music Education K-12*
 Physical Education K-12**
 Social Studies Group
 Spanish

MINORS

Biology
 Chemistry
 Communication Arts Group
 English
 Health (*Calvin College*)**
 History
 Mathematics
 Physical Education
 Psychology
 Spanish
 Teaching English to Speakers of Other Languages (TESOL)

*Music Education K-12 see page 195 for degree requirements.

**PE majors are recommended to select a Health minor offered at Calvin College

REQUIRED PROFESSIONAL EDUCATION COURSES - SECONDARY

Required Courses	Credit Hours
EDU-230 Principles and Philosophy of Education	3
EDU-231 School Observation Practicum	1
EDU-262 Educational Technology	3
EDU-344 Content Area Literacy including Learners with Special Needs and Field Experience	3
EDU-363 Diverse Populations & Differentiated Instruction (Conditional Status required).	2
<i>Students must be granted Professional Status in the program before taking the following courses [see "Admission to the Teacher Education Program" for requirements].</i>	
EDU-381 Educational Psychology	3
EDU-382 Teacher Assistant Practicum* (<i>Prerequisite or corequisite: EDU-381</i>)	2
EDU-430 Capstone Seminar: Directed Teaching (To be taken concurrently with Directed Teaching Internship).	3
Content major and minor methods course from the following: (non-music majors; includes psychology minors)	5-6
EDU-335 Theories and Methods of Learning Disability and Field Experience	
ENG-463 Secondary Language Arts Methods	
KIN-359 P.E. in Secondary Schools	
LIN/SPA-465 Methods of Teaching a World Language	
MAT-471 Secondary Math Methods	
SCI-465 Secondary Science Methods	
SSC-464 Secondary Social Studies Methods	
Students with a major and minor in the same general content area will do a practicum in their minor area.	
(Chemistry minor with a Biology major. Psychology minor with a History or Social Studies major.)	
<i>One of the following:</i>	12
EDU-484 Secondary Directed Teaching Internship*	
EDU-486 K-12 Directed Teaching Internship*	
Total	38

*Practicum courses require the student to complete an application for placement. For EDU-382 or EDU-484 or 486, refer to the Course Descriptions at the end of this section.

Note: The certification and graduate requirements of the teacher education division of Cornerstone University may be impacted by changes enacted by the Michigan State Department of Education at any time.

ASSOCIATE OF ARTS DEGREES

For Associate of Arts degree core requirements, please see page 50.

EARLY CHILDHOOD EDUCATION

Required Courses	Credit Hours
EDU-233 Introduction to Special Education and Field Experience	3
EDU-333 Early Childhood Curriculum	3
EDU-352 Preprimary Methods and Materials	3
EDU-371 The Young Child and the Community	3
EDU-372 Assessing and Teaching the Young Child with Special Needs	3
EDU-373 Infant-Toddler Development, Methods, and Practicum	3
EDU-461 Field Experience: Early Childhood	3
Total	21
Total with Core	65

* Twelve credit hours of Early Childhood/TESOL Core must be taken at Cornerstone.

NOTE: Students must meet both the English and Math competency requirements. See Degree Information section.

TEACHING ENGLISH TO SPEAKERS OF OTHER LANGUAGES (TESOL)

Required Courses	Credit Hours
ENG-319 Advanced Grammar	3
LIN-225 Introduction to Literature	3
LIN-371 Second Language Acquisition	3
LIN-372 Sociolinguistics	3
LIN-465 Methods of Teaching a World Language	3
LIN-489 TESOL Practicum	6
Total	21
Total with Core	65

BACHELOR OF ARTS MAJORS & MINORS

BIOLOGY MAJOR FOR SECONDARY TEACHERS *(requires a minor)*

Required Courses	Credit Hours
BIO-151 General Biology	4
BIO-161 Human Biology	4
BIO-225 Botany	4
BIO-233 Zoology	4
BIO-351 Genetics	4
BIO-400 Capstone Seminar: Bioethics & Argument Theory	3
BIO-451 Molecular Cell Biology	4
ECO-341 Ecology	4
SCI-361 Evolution & Origins	3
Total	34

Required Cognates*

CHM-111 Principles of General Chemistry (Prerequisite: MAT-121)	4
CHM-212 Principles of Organic and Biochemistry	4
MAT-151 Statistics	3
SCI-465 Secondary Science Methods	3

*A cognate is a course that supports the success of completing a major program.

BIOLOGY MINOR FOR SECONDARY TEACHERS

Required Courses	Credit Hours
BIO-151 General Biology	4
BIO-161 Human Biology	4
BIO-225 Botany <i>(Prerequisite: An advanced high school biology course or BIO-111 or BIO-151)</i>	4
BIO-233 Zoology <i>(Prerequisite: An advanced high school biology course or BIO-111 or BIO-151)</i>	4
ECO-341 Ecology <i>(Prerequisite: BIO-225, 233 or MAT-151)</i>	4
Total	20

Required Cognate*

CHM-111 Principles of General Chemistry (Prerequisite: MAT-121)	4
SCI-465 Secondary Science Methods	3

* A cognate is a course that supports the success of completing a major program.

CHEMISTRY MINOR FOR SECONDARY TEACHERS

Required Courses		Credit Hours
CHM-121	General Chemistry I	4
CHM-122	General Chemistry II	4
CHM-411	Perspectives in Chemistry	2
Chemistry Electives: (200 level or above)		8
<i>One of the following:</i>		4
CHM-212	Principles of Organic & Biochemistry	
CHM-472	Biochemistry	
Total		22

EARLY CHILDHOOD EDUCATION MAJOR (OPTION II) *(does not require a minor)*

Required Courses		Credit Hours
EDU-233	Introduction to Special Education and Field Experience	3
EDU-333	Early Childhood Curriculum	3
EDU-352	Preprimary Methods and Materials	3
EDU-371	The Young Child and the Community	3
EDU-372	Assessing and Teaching the Young Child with Special Needs	3
EDU-373	Infant and Toddler Development, Methods, and Practicum	3
EDU-431	Admin. and Supervision of Early Childhood Programs	3
EDU-441	Assessing and Teaching Early Literacy	3
EDU-481	Early Childhood Practicum*	6
Total		30

* Application should be made by the end of mid-term week prior to semester the Field Experience is taken.

EARLY CHILDHOOD EDUCATION MINOR

Required Courses	Credit Hours
EDU-233 Introduction to Special Education and Field Experience	3
EDU-333 Early Childhood Curriculum	3
EDU-352 Preprimary Methods and Materials	3
EDU-371 The Young Child and the Community	3
EDU-372 Assessing and Teaching the Young Child with Special Needs	3
EDU-373 Infant and Toddler Development, Methods, and Practicum	3
EDU-431 Admin. and Supervision of Early Childhood Programs	3
EDU-461 Field Experience: Early Childhood*	3
Total	24

**Application should be made by the end of mid-term week prior to semester the Field Experience is taken.*

This minor is for students who are not pursuing a degree in Teacher Education, including certification. Therefore, students with an Early Childhood minor are not required to take the professional education courses and must select core courses that align with their program major.

ELEMENTARY EDUCATION PLANNED PROGRAM MINOR

The planned program minor in elementary education consists of a group of courses related to teaching in the elementary school self-contained classroom. The Planned Program Minor is only available for the majors and triple minor programs with Option I, New Elementary Program. Please see your academic advisor for further information.

ENGLISH MAJOR FOR SECONDARY TEACHERS *(requires a minor)*

Required Courses	Credit Hours
ENG-223 Introduction to Literature	3
ENG-226 Introduction to Creative Writing	3
ENG-319 Advanced Grammar	3
ENG-353 Linguistic History of the English Language	3
ENG-334 American Renaissance in the 19th Century	3
ENG-326 Contemporary Literature	3
ENG-344 British Literature to 1700	3
ENG-342 British Romantic & Victorian Literature	3
<i>Choose one of the following:</i>	<i>3</i>
EDU-323 Adolescent Lit (Elementary or Secondary)	
ENG-328 Selected Authors or Eras (Secondary)	
ENG-324 Literary Modernisms: Anglo-American Writers (Secondary)	
Total	27

ENGLISH MINOR FOR SECONDARY TEACHERS

Required Courses	Credit Hours
ENG-223 Introduction to Literature	3
ENG-226 Introduction to Creative Writing	3
ENG-319 Advanced Grammar	3
<i>Choose one of the following:</i>	<i>3</i>
EDU-323 Adolescent Literature	
ENG-328 Selected Authors or Eras	
ENG-324 Literary Modernisms: Anglo-American Writers	
<i>Choose one of the following:</i>	<i>3</i>
ENG-326 Contemporary Literature	
ENG-334 American Renaissance in the 19 th Century	
<i>Choose one of the following:</i>	<i>3</i>
ENG-342 British Romantic & Victorian Literature	
ENG-344 British Literature to 1700	
Total	18

HISTORY MAJOR FOR SECONDARY TEACHERS *(requires a minor)*

Required Courses		Credit Hours
HIS-113	World Civilization I	3
HIS-114	World Civilization II	3
HIS-211	Michigan History	3
HIS-221	United States History I	3
HIS-222	United States History II	3
HIS-451	Historiography I <i>(Prerequisite: 21 hours of History)</i>	2
HIS-452	Historiography II	1
Upper level electives in History <i>(including two courses in European/non-Western History and one course in American History)</i>		12
Total		30

HISTORY MINOR FOR SECONDARY TEACHERS

Required Courses		Credit Hours
HIS-113	World Civilization I	3
HIS-114	World Civilization II	3
HIS-211	Michigan History	3
HIS-221	United States History I	3
HIS-222	United States History II	3
Upper level electives in History		6
Total		21

INTEGRATED SCIENCE MAJOR FOR SECONDARY TEACHERS *(requires a minor)*

Required Courses		Credit Hours
Life Sciences		
BIO-151	General Biology	4
BIO-233	Zoology	4
BIO-351	Genetics	4
Physical Sciences		
CHM-111	Principles of General Chemistry <i>(Prerequisite: MAT-121)</i>	4
CHM-212	Principles of Organic & Biochemistry	4

LEARNING DISABILITIES MAJOR FOR K-12 CERTIFICATION *(requires a minor)*

Students may follow either the elementary or secondary track in the selection of a minor. The Directed Teaching Experience will include opportunities in both regular education and learning disability classrooms.

A content minor is required for Learning Disability majors. Elementary track students are highly encouraged to select a Language Arts or Math minor. Secondary track are highly encouraged to select an English or Math minor.

Required Courses	Credit Hours
EDU-233 Introduction to Special Education and Field Experience	3
EDU-234 Emerging Educational Models in Special Education <i>(Prerequisites: EDU-233)</i>	3
EDU-335 Theories and Methods of Learning Disability and Field Experience <i>(Prerequisites: EDU-233 and EDU-234)</i>	4
EDU-338 Assessment and Diagnosis for Learning Disabilities <i>(Prerequisites: EDU-233, EDU-234, EDU-335)</i>	4
EDU-363 Diverse Populations & Differentiated Instruction <i>(Prerequisites: EDU-230 & EDU-381 and admission to the Teacher Ed. Program)</i>	2
EDU-381 Educational Psychology <i>(Prerequisites: EDU-230 and admission to the Teacher Education Program.)</i>	3
EDU-432 Current Issues in Learning Disabilities Ed.	3
<i>(Concurrent w/ EDU-434 and PSY-441. Course can only be taken after other coursework for the LD major has been completed. Offered only in the Fall)</i>	
EDU-434 Practicum in Learning Disabilities	6
<i>(Concurrent w/ EDU-432 and PSY-441, semester prior to Directed Teaching. Course can only be taken after other coursework for the LD major has been completed. Offered only in the Fall.)</i>	
PSY-441 Physiological Psychology <i>(Corequisite: EDU-432 and 434)</i>	3
EDU-443 Severe Reading Problems & Field Experience <i>(El. Prerequisite: EDU-342 & Corequisite: EDU-445; Secondary Prerequisite: EDU-344)</i> . . .	3
Total	34

MATHEMATICS MAJOR FOR SECONDARY TEACHERS *(requires a minor)*

Required Courses	Credit Hours
MAT-131 Calculus I <i>(Prerequisite: Qualifying scores on math placement test)</i>	5
MAT-132 Calculus II <i>(Prerequisite: MAT-131)</i>	4
MAT-233 Differential Equations <i>(Prerequisite: MAT-132)</i>	3
MAT-234 Multivariate Calculus <i>(Prerequisite: MAT-132)</i>	3
MAT-241 Applied Linear Algebra	3
MAT-243 Discrete Mathematics <i>(Prerequisite: MAT-121 or MAT-131)</i>	3
MAT-245 Mathematical Proofs <i>(Prerequisite: MAT-241 or MAT-243)</i>	3
MAT-251 Probability and Statistics	3
MAT-333 Real Analysis	3
MAT-341 Modern Algebra <i>(Prerequisites: MAT-241 & MAT-245)</i>	3
MAT-400 Capstone Seminar: The History of Mathematical Science <i>(Prerequisites: MAT-241 & MAT-245)</i>	3
Total	36

MATHEMATICS MINOR FOR ELEMENTARY TEACHERS (minor in Triple Minor Program, Option I)

Required Courses		Credit Hours
MAT-131	Calculus I (Prerequisite: Qualifying scores on math placement test)	5
MAT-151	Statistics	3
MAT-243	Discrete Mathematics (Prerequisite: MAT-121 or MAT-131)	3
MAT-312	Elementary Mathematics & Methods and Field Experience	4
Choose three of the following courses:		9-10
MAT-110	College Math (Prerequisite: Qualifying scores on math placement test)	
MAT-121	College Algebra (Prerequisite: Qualifying scores on math placement test)	
MAT-122	Trigonometry (Prerequisite: qualifying scores on math placement test)	
MAT-132	Calculus II (Prerequisite: MAT-131)	
MAT-233	Differential Equations (Prerequisite: MAT-132)	
MAT-234	Multivariate Calculus (Prerequisite: MAT-132)	
MAT-241	Applied Linear Algebra	
MAT-245	Mathematical Proofs (Prerequisite: MAT-241 or MAT-243)	
MAT-400	Capstone Seminar: The History of Mathematical Science	
Overall Total		.24-25

MATHEMATICS MINOR FOR SECONDARY TEACHERS

Required Courses		Credits
MAT-131	Calculus I (Prerequisite: Qualifying scores on math placement test)	5
MAT-132	Calculus II (Prerequisite: MAT-131 and qualifying scores on math placement test)	4
MAT-151	Statistics	3
MAT-241	Applied Linear Algebra	3
MAT-243	Discrete Mathematics (Prerequisite: MAT-121 or MAT-131)	3
MAT-245	Mathematics Proofs (Prerequisite: MAT-241 or MAT-243)	3
MAT-400	Capstone Seminar: The History of Mathematical Sciences	3
One of the following:		3
MAT-233	Differential Equations (Prerequisite: MAT-132)	
MAT-234	Multivariate Calculus (Prerequisite: MAT-132)	
Total		27

Students with a major or minor in mathematics for secondary teachers should note that they are also required to take MAT-471 (Secondary Mathematics Education). See page 186 (Teacher Education Division – Secondary Education Programs) for more information.

MUSIC EDUCATION MAJOR FOR K-12 CERTIFICATION (Secondary Track Only) (does not require a minor)

The Music Education major is designed for the student contemplating a full-time “music only” position in a school or district. This music specialist program provides a strong foundation for graduate study in music education or performance. It is taken without a minor *in another area*, and certification is K-12 in music only. Students follow the secondary track requirements until they reach the professional semester. Students should look under the Music Division section of the catalog for a detailed description of the music education program major.

PHYSICAL EDUCATION MAJOR FOR K-12 CERTIFICATION (Secondary Program Track Only)

(requires a minor)

Education students who major in physical education must complete their **lab science core requirement with BIO-241**, must complete MAT-110, 121, 122 or 131 and must meet the core activity program course requirements in physical education. Such students follow the professional education program required for secondary education and may have an elementary and secondary student teaching experience.

Required Courses		Credit Hours
BIO-241	Anatomy and Physiology I	4
BIO-242	Anatomy and Physiology II	4
KIN-211	History and Principles of Kinesiology	3
KIN-243	Strategies for Teaching Physical Activities K-12	3
KIN-251	Motor Development and Learning	3
KIN-342	Exercise Physiology (Prerequisites: BIO-241 & 242. Recommended: CHM-111)	3
KIN-344	Adapted Physical Education K-12	2
KIN-345	Measurement and Evaluation	3
KIN-357	P. E. in Preschools & Elementary Schools (Prerequisite: KIN-243)	3
KIN-359	Physical Education in Secondary Schools (Prerequisite: KIN-243)	3
KIN-362	First Aid, Injury Prevention and Treatment (Prerequisites: BIO-241 & 242 or permission of instructor)	3
KIN-401	Capstone Seminar: Ethics in Teaching Physical Education	2
KIN-441	Organization and Administration	3
KIN-461	Skills and Performance Competencies	1
<i>(Students who declare a Physical Education minor will receive KIN-461 competency information from P.E. advisor)</i>		
Total		40

PHYSICAL EDUCATION MINOR FOR SECONDARY TEACHERS

Students who minor in physical education must complete their lab core requirement with BIO-241 and must meet the core activity program course requirements in physical education.

Required Courses	Credit Hours
BIO-241 Anatomy and Physiology I.....	4
BIO-242 Anatomy and Physiology II.....	4
KIN-211 History and Principles of Kinesiology.....	3
KIN-243 Strategies for Teaching Physical Activities K-12.....	3

Cornerstone University has established a special agreement for traditional undergraduate students who wish to earn their master's degree through the CU Professional & Graduate Studies unit of the university. Students can earn their Master of Arts degree in TESOL within 1 year of graduating from their undergraduate program. Students should contact their undergraduate advisor or the PGS enrollment office at (800) 947-2382 for more information.

COURSE DESCRIPTIONS

DEPARTMENT AND LEVEL/COURSE NAME

CREDITS/FREQUENCY
(See page 59 for codes)

EDU-230 Principles and Philosophy of Education 3/1

This course is the foundational course for students choosing a career as a professional educator. This course presents an overview of the skills, knowledge base, philosophies, “best practices”, and values required of competent and caring classroom teachers. Students make educational decisions relating to knowledge acquisition, curricular goals, and instructional resources while applying their knowledge of students, learning theory, and content. Practically, students design lessons, research current educational topics and teach lessons based on those topics, write a philosophy of education paper, and create projects utilizing their knowledge of educational philosophy, theory, and technology. The course and related collateral school-based practicum (EDU 231) will provide the student with the basis for an informed decision about a career in teaching. This course includes the needs of multicultural issues. The belief that the Christian teacher brings glory to God by serving the needs of His image-bearers in the realm of education will be espoused. *Prerequisite: ENG-114, Corequisite: PHI-211*

EDU-231 School Observation Practicum 1/1

During this first field-based practicum experience required in all teacher education programs, students learn the technologies and skills for observation of the teaching-learning process. They will learn to recognize the “multi-dimensionality” and “overlapping experiences” present in the classroom. The class will alternate between school-based experience and lab discussions. The students will spend time in the classrooms of Christian, public, elementary, secondary, high-needs, multicultural, charter, special education and other school settings. EDU-231 is taught concurrently with EDU-230.

EDU-233 Introduction to Special Education and Field Experience 3/2

Students will understand and define the various differences found in learners, including physical disabilities. This course will give an overview of educational service delivery, community programs available to families and the transition from an academic setting to the development of life skills. Students will view special education as a holistic approach in understanding human development through the life span. Students will complete a practicum in a local educational environment which will provide them with the opportunity to tutor and work with special education students.

EDU-234 Emerging Models in Special Education 3/2

A course designed to bring together an academic understanding of special education with a personal fervor for exploring and contributing to the changes in the field. Students will be exposed to various emerging models through field opportunities as well as classroom discourse. *Prerequisite: EDU-233*

EDU-235 Teacher Assistant Practicum for Early Childhood/TESOL AA 1/1

This course is designed for Early Childhood and TESOL Associate of Arts students to assist in a lower elementary classroom. Students enrolled in this course spend five hours a week in a classroom assisting the teacher with one-on-one and small group activities and preparing classroom materials as assigned. The hours are arranged by the student and the assigned classroom teacher. There is also a mandatory on-campus seminar requirement. *Prerequisites: EDU-230, EDU-231, Co-requisite: EDU-381.*

Registration Information

- This course is taken during the fall semester of the second year concurrently with EDU-381 Educational Psychology.
- Applications must be completed by the date designated by the Teacher Education office one semester prior to placement.

EDU-262 Educational Technology 3/1

Prospective teachers will engage in the theory and practice of integrating targeted and educationally appropriate technology in the teaching and learning process. The course centers on creating an online extension of the physical classroom, where students can extend, share and reflect on their teaching and learning. This will be accomplished by creating interactive learning objects and using other free educational technology tools. Topics include: electronic publishing, content creation, screencasting, creating collaborative learning environments, digital citizenship and copyright. Additionally, students will learn how to create a professional, and positive digital footprint and become comfortable using technology in their teaching practice.

EDU-264 Visual and Performing Arts for Elementary Teachers 3/1

Knowledge of base elements, concepts, and terms associated with visual and performing arts as well as developmentally appropriate and interdisciplinary instruction in the self-contained classroom (music, art, creative movement and theatre). An interdisciplinary/thematic approach to each method area addressing how to teach content through the arts will be emphasized. Required for all students in the Elementary Education program.

MAT-312 Elementary Mathematics & Methods and Field Experience 4/1

The course integrates elementary and middle school mathematics education and basic geometry content, methods, and technology. Emphasis is on pedagogy, concepts, relationships, problem solving, reasoning, communicating, and connecting ideas in elementary school mathematics. Prospective teachers implement a mathematics curriculum that models NCTM curriculum teaching and evaluation standards and principles. Grade Level Content Expectations are also integrated through coursework. Students plan, implement, and evaluate units and lessons in applied arithmetic, pre-geometry, and pre-algebra. Concepts are taught through applications with manipulatives, multimedia technologies, calculators and computers. Students will apply methods (such as diagnosis and instruction) through a tutoring experience with elementary aged children (1 credit of course). *Prerequisites: EDU-230, Math Core and Conditional Status in the Teacher Education Program*

EDU-321 Children’s Literature 3/4

An emphasis upon the history of children’s literature, criteria for evaluating children’s books from a library and theological standpoint, and through intensive and wide reading, a knowledge of the best that has been written in the field. The central focus will be to equip teachers, to apply children’s literature in the classroom to develop the valuable themes, to entice children to read and to engage them in understanding and appreciating the literature and the illustrations. *Prerequisite: ENG-212*

- EDU-323 Adolescent Literature 3/4**
A study of literature suitable for middle school and senior high students. Appropriate instructional methodologies will be studied and modeled. *Prerequisite: ENG-212*
- EDU-333 Early Childhood Curriculum 3/2**
Curriculum development according to developmentally appropriate practice theory in early childhood from birth to age eight. Objectives and standards for specific approaches with special attention given to curriculum development considering children's cultural and special learning needs. *Prerequisite or corequisite: EDU-230*
- EDU-335 Theories and Methods of Learning Disability and Field Experience 4/2**
This course will look at various philosophies in the field of learning disabilities. It will review research and interpret its contribution to the field from a Christian worldview. Students will learn teaching strategies and their relationship to cultural and linguistic differences. Students will understand the characteristics of learners with learning differences in relationship to their impact on the learning process. This course includes a 16-hour practicum to be completed at various grade levels with students who have moderate/severe learning disabilities. Field Experience - Prospective teachers spend a minimum 10 hours in inclusive elementary, middle, or secondary classrooms. Emphasis is placed on observation and participation related to the application and content in EDU-335, including examining curricula content, effective teaching strategies, collaboration, accommodations, and modifications. *Prerequisites: EDU-233, EDU-234, Conditional Status in the Teacher Education Program*
- EDU-338 Assessment and Diagnosis for Learning Disabilities 4/2**
This course will take the student from the beginning stages of the special education referral process through placement qualification. Students will be introduced to a variety of assessment tools, basic interpretation of data and a framework for reporting information. Students will develop an understanding of the team approach to diagnosis and learn the components of collaborative planning. Students will gain knowledge of assessment as it relates to an individual education program. *Prerequisites: EDU-233, EDU-234 and EDU-335, & Professional Status in the Teacher Education Program.*
- EDU-342 Developmental Reading & Language Arts Methods and Field Experience 3/1**
Study of literacy methods appropriate for early childhood, elementary, and middle school age children. This course is designed to prepare prospective teachers to teach children to use language effectively by connecting the teaching of listening, speaking, reading, and writing and then integrating this instruction with children's literature and content learning with the application of course content through aiding in a language arts classroom. Students will participate outside of class time in a weekly hour practicum in an elementary classroom. *Prerequisites: Conditional Status in the Teacher Education Program, EDU-230*
- EDU-344 Content Area Literacy including Learners with Special Needs and Field Experience 3/1**
Study of literacy methods appropriate for teaching middle and high school students. This course is designed to prepare prospective secondary teachers with effective strategies that will encourage literacy achievement and support their students in reading text, especially expository text. Strategies for integration into all content areas are part of this course. *Prerequisites: Conditional Status in the Teacher Education Program, EDU-230*
- EDU-346 Reading and Writing in the Content Area (K-8) 3/2**
Designed for prospective elementary and middle school teachers, this course focuses on principles and practices of effective integrated literacy instruction in the content areas. The course addresses linking students' reading and writing proficiencies with subject matter study as reading and writing are tools for learning, literacy requirements continually increase in school and society and content area teachers can teach content area reading and writing best. Students will develop an understanding of integrated literacy instruction, learn how to create a classroom environment that promotes it, methods and strategies for developing it and the role of technology in enhancing it. *Prerequisites: Professional Status in the Teacher Education Program, EDU-342*
- EDU-352 Preprimary Methods and Materials 3/2**
Curricular materials, teaching methodologies and classroom environments relating to the growth and development of the normal and exceptional child, birth through kindergarten. Attention given to normal patterns of language acquisition of young children and its effect on teaching methodology. *Prerequisite: EDU-230*
- EDU-363 Diverse Populations and Differentiated Instruction 2/1**
This course deals with the reality of diversity in the classroom and provides instructional theories and strategies to help the teacher respond to the challenges that accompany this diversity. Issues relating to diverse populations to be addressed include socioeconomic considerations, at-risk, and ethnic and racial groups. Issues related to differentiated instruction include multiple intelligences, brain research and learning styles. These issues will be studied in the context of our Christian world and life view, with special attention given to issues of equity and individual worth. *Prerequisites: EDU-230, Conditional Status in the Teacher Education Program*
- EDU-371 The Young Child and the Community 3/2**
Communications and relationships with parents and community, strategies for parent involvement, parent-teacher organizations and school volunteer programs. Attention given to cultural pluralism and to curriculum modifications for children's cultural needs. *Prerequisite: EDU-230*
- EDU-372 Assessing and Teaching the Young Child with Special Needs 3/2**
Analysis of early childhood programs and their relationship to the special needs child. Application of evaluation techniques and assessment procedures. Issues of mainstreaming, inclusion and special learning needs as they relate to the education of children from birth to the primary grades. *Prerequisites: EDU-230 and EDU-233*

EDU-373 Infant Toddler Development, Methods & Practicum 3/4
The focus of this course is on the development of the typical and atypical whole child from birth to 2 ½ years covering physical, sensory and perceptual, cognitive, language, social and emotional development. Particular attention will be given to the importance of trust and relationship between caregiver and infant/toddler. Curriculum planning and instructional methods will prepare students to participate in a 6 week, 2 hours per week practicum in an infant and/or toddler classroom. *Prerequisites: EDU-230, EDU-233, EDU-333, EDU-372*

EDU-381 Educational Psychology 3/1
This course is a study of psychology applied to the teaching and learning process. Theories of teaching, learning, thinking, motivation, development, social systems and classroom management will be included in the context of a Christian worldview. *Prerequisites: Professional Status in the Teacher Education Program, EDU-230; Co-requisite: EDU-382*

EDU-382 Teacher Assistant Practicum 2/1
This course is designed for elementary and secondary teacher education students to assist a certified K-12 classroom teacher who is teaching in a subject area relating to the Teacher Education student's academic minor. Students enrolled in this course spend the majority of their time in the actual classroom; however, mandatory on-campus seminars are required. EDU 382 students are expected to engage during the instructional portions of their practicum and fulfill a time requirement that adheres to the following minimums: 7 hours per week divided between at least 3 days per week. These hours are to be arranged by the EDU 382 student and the assigned classroom teacher.

Students enrolled in this course will have the opportunity to observe, apply, and evaluate educational principles as well as participate in the daily routines of an actual classroom along with some of the duties of the teacher. This experience is not limited to but includes the following: evaluating classroom routines, assisting individual and small groups of students in obtaining learning objectives, designing and teaching lessons to a class of students, performing clerical duties, creating an instructional bulletin board. The most important experience for the EDU 382 student is to engage in full-class teaching.

Students are responsible for securing their own transportation to fulfill this practicum experience. *Prerequisites: Professional status in the Teacher Education Program, EDU-230. Co-requisite: This course is to be taken concurrently with EDU-381 and EDU-363 (if EDU-363 is not taken prior to these courses).*

Registration Information

- This course is to be taken 1 or 2 semesters prior to student teaching.
- Applications must be completed by the date designated by the Teacher Education office one semester prior to placement.

EDU-430 Capstone Seminar: Directed Teaching Internship 3/1
This seminar which is taken concurrently with EDU-482-487,491 will include such topics as: explanation/role of the student teacher and cooperating teacher, classroom procedures/routines, planning, multi-cultural/differentiation/mainstreaming/inclusive education, classroom management, effective school research, religion in the public school, critical issues in education, parent teacher conferencing, MTTC tests/certification, career planning and placement, portfolio assessment. *Prerequisites: Professional status in the teacher education program, EDU-230. Taken with Directed Teaching Internship, EDU-482-487, 491.*

EDU-431 Admin./Supervision of Early Childhood Programs 3/2
Problems, challenges and issues related to the appropriate administration and supervision of early childhood programs. Analysis of record keeping requirements and legal issues related to the operation of early childhood centers. Current models and techniques for improving instruction in early childhood programs. *Prerequisite: EDU-230*

EDU-432 Current Issues in Learning Disabilities Education 3/2
This course will be an exploration of issues impacting the field of special education, including an understanding of collaboration; inclusion and the role para-educators play in supporting special needs students. Concurrent with EDU-434 and PSY-441. *Prerequisite: EDU-233, EDU-234, EDU-335, EDU-338, Professional Status the Teacher Education Program.*

EDU-434 Practicum in Learning Disabilities 6/2
Emphasis on learning practical methods while participating in the special education classroom under the supervision of a practicing professional. *Co-requisite: EDU-432, PSY-441. Prerequisites: EDU-230, EDU-234, EDU-335, EDU-338, Professional Status in the Teacher Education program, and all methods, EDU courses and core classes must be completed prior to the practicum term.*

EDU-441 Assessing and Teaching Early Literacy 3/1
This class will address developmentally appropriate instructional and assessment practices; characteristics of developmental stages of literacy learning; appropriate instructional and assessment strategies for each developmental stage; classroom management and organization; purposes, administration, scoring, and methods of using assessment to inform instruction. Guided tutorial experiences are based on the application of Michigan Literacy Progress Profile and Response to intervention. *Prerequisites: EDU-342 and 445 (or concurrent with EDU-445).*

EDU-443 Severe Reading Problems and Field Experience 3/2
This class will address intense reading disabilities that require specific methods of instruction to correct. Students will learn how to identify, assess and diagnose reading problems; determine causes of reading problems, such as, environment, physiological or ineffective instruction; learn to develop organized sequential lesson plans that directly teach each of the following phonetic/language concepts: phonological awareness, basic sound/symbol relationships, six syllable patterns, spelling rules, prefixes and suffixes, non-phonetic words and syllable division rules; implement lesson plans using reading, spelling and concept decks, simultaneous oral spelling, blending and segmenting; and multisensory activities. *Elementary Prerequisites: EDU-342 and 445 (or concurrent with EDU-445); Secondary Prerequisite: EDU-344.*

EDU-445	Assessing and Correcting Reading Problems	4/1
<p>This is a second level course in reading instruction for elementary or secondary teachers. The focus of the course is on instruction and assessment in the regular classroom utilizing a contemporary view of the reading process. The course also includes such topics as reader motivation and attitudes, causes of reading failure, metacognition and reading, and instructional strategies for corrective and remedial instruction. This course includes a practicum involving an intensive tutorial experience applying research-based educational tools. <i>Prerequisites: EDU-342, Professional Status in the Teacher Education program, EDU-230.</i></p>		
EDU-450	Elementary Science Methods	3/1
<p>The teaching of science in this course focuses on a guided discovery teaching/learning. Emphasis is placed on hands-on/minds-on activity-based science teaching and learning. The goal is to prepare prospective teachers to teach science through the scientific processes of identifying problems, making observations, constructing hypotheses, analyzing results, making inferences, synthesizing and evaluating conclusions. Special attention is given to the integration of science with Scripture as well as with the teaching of other elementary school subjects. Lab fee applied. <i>Prerequisite: Professional Status in the Teacher Education program, EDU-230, SCI-201, SCI-311.</i></p>		
EDU-453	Secondary Biology Practicum	3/6
<p>Student will be involved in a school-based experience in biology under the guidance of a certified teacher of biology and under the supervision of a Cornerstone University professor. Biology Practicum may be used only with an Integrated Science Major. <i>Prerequisite: SCI-465. Application must be completed by the date designated by the Teacher Education office one semester prior to placement.</i></p>		
EDU-460	Elementary Social Studies Methods	3/1
<p>This course presents an integrated approach to social studies in the elementary school. The course considers new trends in the teaching of social studies with an emphasis on the interdisciplinary study to prepare students to live in a new world, where old boundaries are gone, with people who are different from themselves. Topics included are: developmental issues, curriculum content and formats, teaching and learning, design of instruction, assessment, global and multicultural education, critical thinking, and valuing. Teaching children to function as responsible citizens in their society is essential for any democracy to continue and progress. <i>Prerequisites: Professional Status in the Teacher Education program, EDU-230 and completion of two core social studies classes.</i></p>		
EDU-461	Early Childhood Practicum (Early Childhood minor and AA students)	3/1
<p>Placement in a 100 hour off-campus approved early childhood program under the guidance of the cooperating teacher and the university supervisor. Involvement in the total program (church/community events related to the placement is a component). Open to students who have been approved by the Early Childhood Field Experience office. <i>Prerequisites: EDU-230. All ECE courses completed. Application must be completed by the date designated by the Teacher Education office.</i></p>		
EDU-468	Secondary Psychology Practicum	3/1
<p>Student will be involved in a school-based experience in psychology under the guidance of a certified teacher of psychology and under the supervision of a Cornerstone University professor. Psychology Practicum may be used only with a Social Studies or History major. <i>Application must be completed by the date designated by the Teacher Education office one semester prior to placement.</i></p>		
EDU-469	Secondary Chemistry Practicum	3/1
<p>Student will be involved in a school-based experience in chemistry under the guidance of a certified teacher of chemistry and under the supervision of a Cornerstone University professor. Chemistry Practicum may be used only with a Biology major. <i>Application must be completed by the date designated by the Teacher Education office one semester prior to placement.</i></p>		
EDU-470	Directed Readings	1-3/6
<p>Guided readings and reports in the student's areas of interest and need. <i>Prerequisite: approval of the director of Teacher Education, EDU-230.</i></p>		
EDU-480	Advanced Topics	1-4/6
<p>This is a workshop or a directed studies course covering special or current topics in education. Examples of course topics are classroom management, cooperative learning, the exceptional child, and educational assessment. <i>Prerequisites: Professional Status in the Teacher Education program and permission of the instructor and the director of teacher education, EDU-230.</i></p>		
EDU-481	Early Childhood Practicum	6/6
<p>Placement in a 200 hour off-campus approved inclusive early childhood program under the guidance of the cooperating teacher and the university supervisor. Involvement in the total program (church/community events related to the placement is a component). Open to students who have been approved by the Early Childhood Field Experience office. <i>Prerequisites: EDU-230. All ECE courses completed. Application must be completed by the date designated by the Teacher Education office.</i></p>		
EDU-482	Elementary Directed Teaching Internship	12/1
<p>Application must be submitted by the date designated by the Teacher Education Office one year prior to placement.</p>		
EDU-483	Elementary Directed Teaching Internship/Cross-Cultural	12/6
<p>Application must be submitted by the date designated by the Teacher Education Office one year prior to placement.</p>		
EDU-484	Secondary Directed Teaching Internship	12/1
EDU-485	Secondary Directed Teaching Internship/Cross-Cultural	12/6
<p>Application must be submitted by the date designated by the Teacher Education Office one year prior to placement.</p>		
EDU-486	K-12 Directed Teaching Internship	12/1

EDU-487 K-12 Directed Teaching Internship/Cross-Cultural 12/6

The practicum for directed teaching is for one full semester and must include the full school day. Students will ensure application of the knowledge, skills, and attitudes to meet program and performance standards specified in detail in the Teacher Education Handbook. By the end of this experience, student teachers must demonstrate personal qualities related to teaching, ability to plan instruction, knowledge of content and learning theories, classroom management skills, ability to assess and evaluate and a professional character. Students are required to provide their own transportation. Placement for Practicums EDU 482, 484 and 486 is within a fifty-mile radius of Cornerstone. Application must be submitted by the date designated by the Teacher Education Office one year prior to placement. *Prerequisite: admission to the professional teaching semester and all course work completed. K-12 practicums require experience at both the elementary and secondary levels.*

EDU-483, 485, 487 Directed Teaching Internship/Cross-Cultural 12/6

The practicum for directed teaching with International/Cross-Cultural experience is for one semester and must include the full school day. Students will ensure application of the knowledge, skills, and attitudes to meet program and performance standards specified in detail in the Teacher education Handbook. By the end of this practicum, student teachers must demonstrate personal qualities related to teaching, ability to assess and evaluate, and a professional character. The student and instructor will develop an agreement that will specify the duration, setting and learning objectives of the International/Cross-Cultural experience. Students are required to provide their own transportation. *Prerequisite: Admission to the professional teaching semester and permission of the supervisor of practicum experiences.*

EDU-488 Advanced Internship in Teacher Education 2-6/1

This enrichment-level supervised clinical practicum allows for a variety of experiences on and off campus, in another country or in a culturally diverse setting. The student and instructor will develop an agreement that will specify the duration, setting and learning objectives prior to granting the student permission to enroll in EDU 488. The expected outcomes and assessment criteria will also be included in the agreement. *Prerequisites: permission of the director of teacher education.*

EDU-489 TESOL Practicum 6/6

Students will teach in a multilingual setting under the supervision of an experienced TESOL teacher. They will implement lesson plans which they have developed, use a variety of teaching methods, audio-visuals, and other teaching resources and assess the educational, cultural, and linguistic needs of English language learners. *Application must be submitted by the date designated by the Teacher Education Office one semester prior to placement.*

EDU-490 Independent Study 1-3/6

With faculty supervision, the student researches and reports on a topic or an area of interest. *Prerequisite: Approval of the director of Teacher Education.*

EDU-491 K-12 Music Directed Teaching Internship 9/1

Application must be submitted by the date designated by the Teacher Education Office one year prior to placement.
