# TEXTBOOK OPTIONS

#### **MAKING TEXTBOOKS AFFORDABLE**

It is our goal to provide options for you that make purchasing textbooks simple and affordable. Buying textbooks on the internet can be a major hassle. Books can take up to 21 days to arrive, and there are no guarantees that you will receive the correct book.

The CU Campus Store works directly with the faculty to ensure we carry the correct textbooks and still offer the flexibility to return textbooks, if necessary.

#### **TEXTBOOK RENTAL**

The CU Campus Store offers a textbook rental option on all qualifying textbooks. You can still purchase the book at the end of the semester if you would like to keep it. You may also write and highlight in any rented textbooks, even if you rent new copies! Rentals must be returned by the last week of exams for each semester.

Note: A debit/credit card number is required to rent textbooks, but that does not mean your payment needs to be with a debit or credit card. A \$1.00 charge will be made to your debit/credit card to capture the number in our system. Visit or call the CU Campus Store with any questions.

#### **TEXTBOOK CHARGING**

CU allows students to charge textbooks to their student accounts with their student ID number.

#### **ORDER TEXTBOOKS ONLINE**

Visit our website (cornerstone.slingshotedu.com) to view the textbooks that are required for your courses and see our new, used and rental prices.

Don't want to wait in line? Simply place your order for the textbooks you choose on the website and select Pick Up in Store as your shipping method. Your order will be ready to pick up at the CU Campus Store within 24 hours. No need to wait for shipping or in long lines! We will hold them in the store until you are able to pick them up. You may also have them shipped to your home if you'd like to get a jump start on reading assignments.

When purchasing textbooks, you will need to login with your CU email address (firstname.lastname@cornerstone.edu). Your password will be your six digit student ID number with a 0 added at the beginning (e.g., 0123456).

#### **CONTACT INFORMATION**

- + Location: The Campus Store is located in Warren Faber Hall.
- + Phone: 616.254.1663

### **FREQUENTLY** ASKED QUESTIONS

#### []]. How can I receive extra help in my class?

- Talk to your professor! Don't be afraid to ask for assistance. Send an email, or stop your professor after class. Your professor wants you to succeed and will be happy to work with you. Keep in mind that you are enrolled in a college course, and the professor will have the same high expectations of you as they do the full-time college students.
- Visit the Center for Academic Success. Located in the Verna Miller Center for Student Success, the Center for Academic Success is an
  excellent resource for free tutoring and extra help.
- Stop by the Writing Center. Receive some extra help writing your papers, including having your papers proofread or finding references. You can locate the Writing Center in Miller Library.
- + Talk to a Research Assistant in Miller Library. They can provide assistance with finding scholarly sources and other materials that may be helpful for your class. Visit their website at library.cornerstone.edu.

#### []2. How do I receive a copy of my Cornerstone college transcript?

- + If you only need an unofficial copy of your transcript, you can access your grades using Moodle.
- If you are in need of an official transcript, it can be requested from the Registrar's Office (616.222.1431), or you can fill out the Transcript Request Form. The form can be accessed at cornerstone.edu/registrar.
- + Note: Due to privacy laws and regulations, parents are not allowed to request transcripts on behalf of their student. Additionally, grades cannot be released to parents unless an educational FERPA form is completed. This form can be picked up from the Registrar's Office and returned to them.
